WELCOME TO K.R. MANGALAM UNIVERSITY

K.R. Mangalam University, Sohna Road, Gurgaon is a private University founded by Mangalam Edu Gate, a company incorporated under Section 25 of the Companies Act, 1956. The University has been established by an act of state legislative of Haryana as a private university. It is empowered to award degrees recognized by the UGC under Section 2f of the UGC Act, 1956. It offers a wide range of academic programmes across disciplines like Engineering & Technology, Law, Basic & Applied Sciences, Management and Commerce, Journalism & Mass Communication, Hotel Management & Catering Technology, Medical & Allied Sciences, Architecture & Planning, Designing, Fashion, Humanities, Education, Agriculture, Physiotherapy and Ph. D. programmes – thus showcasing why this university should be your first choice destination for study.

A commitment to equity, social justice and excellence forms the bedrock of the philosophy and values of the university. The University nurtures these values among its students through teaching-learning, research and outreach activities. Doing so, the University aims to facilitate holistic education for its students in all respects. The unique learning facilities and the state-of-the-art infrastructure exalts its students to be professionally skillful, socially committed and globally successful. The exposure to the organizations and associations of international status is a unique experience for students on their path to success. The University offers opportunities for multi-disciplinary education that transcends beyond the boundaries of Science and Arts. It is incessantly aiming towards perfection, innovating new dimensions and opening fresh avenues and opportunities for the new generation. Alongside, the University keeps in sight its aim to create employable professionals and practitioners, and to develop entrepreneurial skills among the students.

One of the distinct strengths of KRMU is the quality education. In addition to that, the well-qualified and experienced faculty members, the panel of experts as the visiting faculty, guest lectures and other curricular activities provide the most effective learning experience. The advanced laboratories, workshops, studios and the activity rooms give the practical experience of the knowledge disseminated. The continuous evaluation system and the systematic mentoring are the two major measures that enable the holistic growth and development of the students of K.R. Mangalam University. The campus is free from the offense of ragging along with varied facilities for the all-round development of the students, with its sprawling greenery in an idyllic setting, visual delight as the most sought after place for students. The favourite student hangouts include gym, indoor and outdoor game courts, and cafeteria, play grounds, lawns etc.

MESSAGE

FROM THE HON'BLE CHAIRMAN

Shri Yash Dev Gupta

K.R. Mangalam University lays special emphasis on all-round development and class-apart education through its interactive learning and two-way communication processes. This aids in making the learning environment sincere and responsive. The aim of the university is to constantly ensure that its students are provided with all the facilities possibly required, so that they may hone their potential and develop a constructive attitude towards life.

K.R. Mangalam University maintains a proud record of evolving efficient, confident and learned technocrats, pharmacists, managers, and entrepreneurs who display global thinking and possess a futuristic mindset. As members of a corporate community, we still do practice active sustainable development goals. As Chairman of the Sponsoring Body and Member of the Governing Body, K. R. Mangalam University, I would like to acknowledge the consistent efforts of all our faculty members and staff who have strived to make the academic years noteworthy in all respects.

- B.Tech CSE (AI & ML) with academic support of Samatrix.io & IBM
- B.Tech CSE (Cyber Security) academic support of EC-Council & IBM
- B.Tech CSE (Data Science) academic support of IBM
- B.Tech CSE (Full Stack Development) with academic support of Xebia
- B.Tech CSE (UX/UI) with academic support of ImaginXP
- B.Tech. Mechanical Engineering (Automotive Designs & Electric Vehicle) with academic support of SIEMENS
- BCA (AI & Data Science) with academic support of Samatrix.io & IBM
- BCA (Hons. with Research)(AI & Data Science) with academic support of Samatrix.io & IBM
- B.Sc. (Hons.) Computer Science with academic support of IBM
- B.Sc. (Hons.) Cyber Security
- B.Sc. (Hons.) Data Science

Post Graduate

- M.Tech. Computer Science and Engineering
- M.Tech in VLSI
- M.Tech in Power, Electronics and Drive
- M.Tech in Automobile Engineering
- MCA

Management and Commerce

- BBA (Logistics & Supply Chain Management) with academic support of SAFEXPRESS

- BBA (Entrepreneurship) with academic support of GCEC Global Foundation
- BBA (International Accounting & Finance) ACCA with academic support of Grant Thornton
- BBA (HR/ Marketing/ Finance/ International Business/ Travel & Tourism)
- BBA (Business Intelligence & Analytics) with academic support of Samatrix.io
- BBA (Hons. with Research)(Logistics & Supply Chain Management) with academic support of SAFEXPRESS
- BBA (Hons. with Research)(Entrepreneurship) with academic support of GCEC Global Foundation
- BBA (Hons. with Research)(International Accounting & Finance) (ACCA- UK) with academic support of Grant Thornton
- BBA (Hons. with Research) (HR/ Marketing/ Finance/ International Business/ Travel & Tourism)
- BBA (Hons. with Research)(Business Intelligence & Analytics) with academic support of Samatrix.io
- B.Com. (Hons.) (International Accounting & Finance) ACCA with academic support of Grant Thornton
- B.Com. (Hons.) with academic support of NSE Academy
- B.Com. Programme
- B.Com. (Hons. with Research) (International Accounting & Finance) ACCA with academic support of Grant Thornton
- B.Com. (Hons. with Research) with academic support of NSE Academy
- Integrated BBA + MBA with academic support of IBM
- MBA with academic support of IBM
- MBA (Logistics & Supply Chain Management) with academic support of SAFEXPRESS

- MBA (Digital Marketing) with academic support of Imarticus Learning
- M.Com.

Basic and Applied Sciences

- B.Sc. (Hons.) Physics/ Chemistry/ Maths
- B.Sc. (Hons.) Forensic Science
- B.Sc. (Hons. with Research) Physics/ Chemistry/ Maths
- B.Sc. (Hons. with Research) Forensic Science
- M.Sc. (Hons.) Part Time

Medical and Allied Sciences

- D.Pharm
- B.Pharm
- Bachelor of Physiotherapy (BPT)
- Master of Pharmacy (M.Pharm.) - Pharmaceutics/ Pharmacology

Architecture and Design

- Bachelor of Architecture (B.Arch)
- Bachelor of Fine Arts
- Bachelor of Design (B.Des.)
- Bachelor of Interior Design (BID)
- B.Sc. (Hons.) Interior Design
- B.A. Fashion Design
- B.Des. (Game Design & Animation) with academic support of 

Legal Studies

- BBA LL.B. (Hons.)
- B.Com LL.B. (Hons.)
- B.A. LL.B. (Hons.)

- LL.B. (Hons.)
- LL.M.

Journalism & Mass Communication

- B.A. (Journalism & Mass Communication)
- B.A. (Hons. with Research)(Journalism & Mass Communication)
- M.A. (Journalism & Mass Communication)

Humanities

- B.A. (Hons.) English/ Economics/ Psychology/ Chinese/ Political Science

- M.A. English / Economics / Applied Psychology

Education

- Bachelor of Elementary Education (B.El.Ed.)
- Bachelor of Education (B.Ed.)
- M.A. in Education

Hotel Management & Catering Technology

- Bachelor of Hotel Management and Catering Technology (B.HMCT)

Agriculture Sciences

- B.Sc. (Hons.) Agriculture

Doctoral Program

- Ph.D (All Disciplines)

WHY KRMU ?

MOST CREDIBLE PREFERRED UNIVERSITY

The university's innovative learning environment, state-of-the-art infrastructure, committed, qualified and experienced mentors, exposure to practical experience of knowledge, career-oriented smart learning, value based grooming etc. are some of the special features that rank KRMU amongst the most forward looking universities in the country in terms of 'excellence in education'. The credentials that accord KRMU an international status are mentioned below:

Education through Innovation

The institution is dedicated to create a generation of dynamic professionals; to facilitate education through laborious innovation and design avenues that are futuristic. It has superseded conventional learning with project-based and trans-disciplinary collaborative learning that addresses the prerequisites and challenges faced by the nation.

Global Reach

Nowadays education and opportunity are not restricted to one country or continent. They span across the globe and with this belief, K.R. Mangalam University has set out on a path that reaches out to academicians and intellectuals from all over. It has strong collaborations with Middlesex University, London, Houston University, UK and many more under which many articulations are framed to inculcate innovative learning programmes.

Time-Relevant Academic Curriculum, Continuous Updating and Counseling Systems

The curriculum designed by the experts of the academic world with valuable guidance from the distinguished academicians of the K. R. Mangalam University, provides time-relevant learning modules and continuous access and up-gradation to newer developments.

Campus Life

A campus life that sets the pace for success throughout life and an academic environment that emphasizes on learning with dignity, reverence for chosen studies, and clearly defined objectives that provides for international exposure and optimization of opportunity. The combination of freedom and discipline provides for an environment conducive to academic thinking.

Outreach Activity

KRMU aims at building healthy trust and relationships with all its students. The students in consideration of that are genuinely happy and content. They enjoy themselves being at the campus, both inside and outside the classroom. The university calls upon its active listening skills to understand each of its students, and to recall this information in a follow-up conversation. It is a key skill for building connections and associating with the students. There is a constant support available in terms of advisors and mentors.

Location

Geographically, KRMU is located in a picturesque location with magnificent view of Aravalli hills. The campus is green and has all facilities and resources for a conducive learning environment.

OUR LEADERSHIP

An efficient and powerful leadership assures success. KRMU is stepping towards success in every field of its activities because of the strong leadership provided by the highly renowned academicians and educationists as the ruling heads. They guide academic, non-academic and administrative aspects of the University through their own experience, knowledge of on & off-campus resources, and being a leader and role model. They connect the students with academics through faculty and enable them for exploring, critical thinking and multiple answers. They encourage the students and make them believe in themselves. Such self-reliant, hardworking and creative minded citizens are the need of the hour.

Professor Dr Dinesh Singh

Chancellor, KRMU

Former Vice Chancellor, University of Delhi

Prof. Dinesh Singh, Chancellor spearheads innovation for K.R. Mangalam University. He is former Vice-Chancellor, University of Delhi and a highly distinguished educationist. He was awarded the Padma Shri in 2014 - one of the highest civilian awards of the Government of India.

Professor C S Dubey

Vice Chancellor, KRMU

Prof. C S Dubey is the result-oriented leader with over 37 years of experience and demonstrated record of accomplishments in leading and overseeing development towards future of education systems. Strong history of devising precise and targeted plans for taking our universities and making them ready to produce future leaders. As Vice Chancellor, he had initiated more than 10 collaborations with Microsoft Learn, AWS Educate, NASSCOM, Paolo Alto etc.

Professor Dr Pushplata Tripathi

Pro Vice Chancellor, KRMU

Prof. Pushplata Tripathi holds an excellent academic experience of more than three decades. She is a Gold Medalist in research and a recipient of several Best Paper Awards for her remarkable work. She has published over 61 papers in prestigious Journals on Life Sciences and Education and has delivered talks in national and international conferences.

Dr Tripathi earned her Ph. D. in Genetics from the University of Delhi. She has been a renowned professor of Life Sciences and has held major administrative roles during her career. Prior to her association with KRMU, she was Pro-Vice-Chancellor at Guru Gobind Singh Indraprastha University, Delhi. Prof. Tripathi has also worked as Registrar, SED at Indira Gandhi National Open University (IGNOU), Delhi.

Professor (Dr.) Mehraj Uddin Mir

Chair Professor (Motilal Nehru Chair)

K.R. Mangalam University, Gurugram

Former Vice Chancellor, Central University of Kashmir, GAnderbal, Jammu and Kashmir (India)

Professor (Dr.) Mehraj Uddin Mir was an academic Consultant at Sindhu Central University Ladakh/IIM (Jammu). He was in the topped Panel of 20 eminent Vice Chancellors. He has almost 45 years of experience in Research, included 8 Research Projects and more than 50 research publications around the world. He has also been member of the Academic Bodies such as UGC, NAAC.

OUR INTELLECTUAL CAPITAL

One of the major resources of KRMU is made of its professorate that plays a significant role in creation and dissemination of knowledge. The expertise and quality of the professorate is considered as one of the most important factors for the success of KRMU, the knowledge intensive organization with commitment.

Besides the chosen academic scholars from the best institutions in the country, KRMU has a Global Advisory Board which advises and guides the University for its successful functioning for academic excellence. This panel of academic experts includes professors from the echelon of academic world. Their advice and directions give international dimension to the curriculum, research, career orientation and campus life. The experts assist the University to achieve its vision of becoming a globally recognized leader in education.

PRIDE IN EXCELLENCE

CONVOCATION 2022

GRAND CELEBRATION OF SUCCESS

634 degrees awarded during
K.R. Mangalam University's
5th Convocation

On Saturday 17th December 2022 K.R. Mangalam University held its 5th Annual Convocation at its lush green campus's convocation hall, Sohna road, Gurugram. His Excellency, Governor of Haryana Shri Bandaru Dattatraya graced the convocation as the chief guest and addressed the ceremony. The Governor of Haryana particularly appreciated the initiatives of Prof. C. S. Dubey and his team at K.R. Mangalam University for establishing such a university contributing to the long-term vision of sustainable development, innovative programs, research works, and its adoption of five villages in and around Sohna in Gurugram.

In his address, Honourable Governor, Shri Bandaru Dattatraya told the graduates about the importance of dedication, discipline, devotion, sacrifice, and being useful for the community in the field of education and society at large. He highlighted the importance of the National Education Policy 2020 and appreciated the University for implementing the key elements of the New Education Policy: innovation, technology, and research.

The grand ceremony ended with an oath taken by all graduates followed by National Anthem and academic procession.

FACILITIES & DEPARTMENTS

The overall development of the students is our motto and the role played by co-curricular and extra-curricular activities in this is undisputed. These clubs/societies provide platform to the students to showcase and enhance their talents, acquire new traits that cannot be learned in the classrooms; and hone their hobbies/skills. A number of activities are organised by students and two hours per week are provided as structured hours in each student's timetable.

ACCLAIMED FACULTY

We are proud to have handpicked faculties that give focused direction to our students. Our faculty members are among the most qualified in the region with many years of academic and practical experience in their areas of expertise. Our faculty have been chosen not only for their excellence in teaching but also for their interest in working closely with the students.

They are highly motivated through a clear performance management process and take pride in the energy and enthusiasm they bring to each lecture. Our present faculty strength is 175 - they comprise of 47 PhDs, 128 Postgraduates .

There is a conscious and continuous effort by the University to widen its faculty base and add greater variety and depth to the scope of teaching. We have empaneled some of the most respected academicians and industry experts. Sharing firsthand knowledge, they strive not only to provide students with the best study material, but also put their talent to the practical test, time and again. Consistently exceeding expectations, they strive to create new and innovative ways to enhance the quality of education.

Our faculty is engaged in a wide variety of activities besides substantial academic and research commitments. Faculty members are encouraged to interact with peer groups by participating in education programs and international conferences. Faculty involvement in academic, research and consultation activities leads to a significant output of publications in leading national and international journals.

The faculty employs a wide range of teaching methods to create a varied and holistic learning environment. These include structured lectures, seminars, workshops, case studies, hands-on computer work, project assignments, role plays, business

TRAINING & PLACEMENTS

K.R. Mangalam University continuously strives towards creating and building a campus to corporate connect for our students. We constantly work towards sustaining the mutually beneficial relationship we share with every respected organization, so that the synergy created helps both the students to thrive and the corporates to select from a rich pool of talented individuals. KRMU is committed to support and celebrate individuals from all backgrounds, countries, & cultures. Doing so gives us the ability to readily adapt, the creativity to come up with fresh ideas, the openness to connect with others, and the willingness

to share knowledge and our excitement about pursuing it. In an endeavor to secure top-of-the-line in-campus recruitment for the students, the teaching faculty conducts placement incubation and preparation classes for a minimum of two semesters besides capsule inputs. All of the programmes are designed to meet the growing requirements of qualified professionals in various industries.

Career Services at K.R. Mangalam University provides a dedicated suite of professional career-related services to students in order to give them the edge in today's competitive employment market and empower them to grab their own winning careers. The main objective is to enhance career prospects of every student. Training and Placement assistance are provided to the students to build up and strengthen their relationship with the corporate world in order to fill the gap between industry and academics through consistent efforts.

Top Recruiters

The collaboration and association with the leading players in the corporate world and international institutions worldwide facilitates persistent hands-on training and mentoring to make students abreast of the best practices and advanced methodologies.

I would like to extend my gratitude to the Training and Placement Cell of KR Mangalam University for their continued efforts in providing ample amount of chances to students. I am grateful to each mentor who guided me to develop my academic and interpersonal skills. Choosing KR Mangalam University was a great decision that helped me to pursue my dream.

Zuren Kikon

B.Arch

Joins Ivy League University with a scholarship of USD 25000

It was a great experience while studying at K.R. Mangalam University. I am grateful to each and every mentor who helped me to work on my academic and interpersonal skills. Industrial visits, webinars, and guest lectures helped me to easily work in the industry, along with the efforts of the Training & Placement Cell due to which I got this amazing opportunity.

Deepanshu Chaudhary

MBA

Risk Analyst at Israel Embassy in Canada

My time at KRMU was fantastic. I was able to gain new abilities, which gave me a new learning paradigm. Personal growth was heavily emphasized via yoga, meditation, and introspection. I am grateful to K.R. Mangalam University’s Training and Placement Cell for assisting me in obtaining employment with a reputable organization that gives a competitive wage package.

PROFESSIONALS IN THE MAKING

- Projects
- Field Trips/Camps
- Case Studies
- Seminars and Workshops
- Interactions with Experts
- Personality Grooming

A complete synergy between the academics and the hands-on experience - the exposure to the real professional world is the motive for making of professionals. The teaching and learning process through a full fledged package of lectures, projects, case studies, simulations, experiments, role plays and exposure to real life situations of the professional world, supplemented by interactions with the experts in the field, career counseling by active guidance and interactions by the placements for the right career aptitude

COMMUNITY ENGAGEMENT

- Financial Camps
- Health Camps
- Legal Camps
- NSS (National Service Scheme)
- School Outreach Program
- Smart Ashram

A number of legal, financial and health camps are organized by KRMU for the welfare of community and society at large in nearby villages. KRMU and the Pranab Mukherjee Foundation have signed a memorandum of understanding to work in a collaborative manner while addressing the local issues affecting the community.

SPECIALISED CELLS

K.R. Mangalam University boasts of a dynamic set of students who aspire to make it big in the consulting industry. Cells@ KRMU is an “of the students, by the university, for the students” type of diverse and inclusive platform which brings and array of opportunities for students to explore and enhance their talents and strengths through.

The forum enables an understanding of consulting and stratagem, while also helping clients resolve their business glitches or identifying prospects for expansion and improvements at the same time. We achieve these goals by providing KASAM approach to our members: Knowledge, Attitude, Skills, Ambition and Moral Values.

Vision

The panoramic vision includes a strong building and growing of the Consulting Club by utilizing the potential of students in attracting top personnel from coveted consulting firms to the campus through awareness, skill-building, and active networking.

Mission

Our overall mission spans a creation of awareness and generation of interest in the consulting realm among all students who aspire to propel their career in this domain. The forums shall serve as a nucleus to create and maintain long lasting and lucrative relationships with the best and approachable consulting firms. It shall also make all relevant resources available to promote a sense of competency and confidence among the students & support them through every step of the recruitment process at KRMU.

The Six Cells are as mentioned below:

- E- Cell
- Investment Cell
- Anti Discrimination Cell
- Research Cell
- Consultancy Cell
- IPR Cell

This project is helping me in learning about E-commerce, its advantages and disadvantages and role of e-commerce in lockdown. As a final year journalism student I am keen on working on Digital Media Marketing in future and this project is surely going to open my horizons. I am really happy to be the part of this project under the Amit Kumar sir guidance and I am looking forward to learning more.

Lawish Rajput
BA JMC, III Year

I appreciate the initiative taken by our university to allow us to expand our knowledge beyond the boundaries. In this critical situation we should come forward in order to learn more about Covid-19 and its impact on our society. Our project on Covid's impact on E-commerce made us learn about its influence and how does it play a big role in our society. I am truly thankful to our mentor Amit sir for his support cooperation throughout in making of this project. It was a great experience to learn and to manifest our knowledge.

Abhilash, B.A. English,
III Year

It's really an opportunity for me to be the part of such a great Interdisciplinary Research Project on COVID-19 that provides multiple experiences. such as Peer Learning, Co-operative Learning, collaborative approach to work. I think the outcomes of the project will be helpful for students, teachers, and community members for better living in the society.

INTERNATIONAL EXPOSURE

K.R. Mangalam University consistently organizes faculty and student exchange programmes with many international universities. Our students have attended Summer School at Cardiff Metropolitan University, U.K. and University of West of England, Bristol, United Kingdom.

The students of School of Architecture and Design have visited Dubai and Singapore as a part of their curriculum to get an insight on designs and architecture of these places. It is our endeavor to provide our students the best of both worlds through these visits and exchange programs.

TESTIMONIALS

These four years at K. R. Mangalam University have been a real learning experience. We are blessed to have the best professors who guided us through our journey. Being the coordinator of Training and Placement Department, I was able to groom and enhance my skills to face the challenges of corporate world. The guidance provided by TPO Ma'am and the mock drills by Face academy training session improved my communication and time management skills. Organizing and taking part in mechanical events and being part of mechanical projects, which include making karts, helped me boost my confidence. I think the placement provide me the pleasure.

Declaration of Placement
I am working as a Legal Officer with GAIL India Limited, a Multinational Company which is a full time job and is immensely challenging. Considering the status of my job, pursuing higher studies like LL.M was not a feasible option. However, the concept of Weekend Classes introduced by K.R. Mangalam University helped me in successfully completing the LL.M Course which otherwise would have been a long tedious task. The LL.M course is a very practical course which provides me with the latest information. The best part about doing LL.M from K.R. Mangalam University is the learning methodology adopted by faculty members which helps in retaining the lecture beyond the glass lecture hall. The key person behind the success of our course is Prof. Dr. R. S. Srinivasan, Co. Director, Pro Vice-Chancellor of K.R. Mangalam University. His knowledge, guidance and support is invaluable. He guided me through the course and always remained available for any kind of query or problem. It has been a wonderful year and I will certainly never forget it. It was really a privilege to be part of K.R. Mangalam University and I am glad I made the decision.

I am Bhargavayasasi from Electronics and communication department. It's been a wonderful journey with K.R. Mangalam. It's a place for learning N no of things.

We are just not limited to studies, we got wide range of opportunities in the fields of Sports, Cultural activities, Seminars and the most imp thing is the practical exposure. KRMU is well equipped with labs which gave us the opportunity of practical exposure. These 4 years have been a great journey and taught us a lot of professionalism and even changed my perspective towards life and got an experience how a corporate world looks like. Working as student placement coordinator, taught us to handle the work and teaching the importance of the Time, Work and professionalism I have been

Mr. Gaurav, GAIL India Limited
I am pursuing my Engineering from K.R. Mangalam University and during my course I have got countless opportunities to develop my analytical skills, leadership and proactive thinking through various programs and events. Recently I have placed in 'Reviso'. I am very grateful to the Training & Placement Cell and all staff of KRMU for effectively and sincerely helping me to grab first ever opportunity that came into my life."

Sahil Soni
B.Tech Computer Science Engineering

I am pursuing my Engineering from K.R. Mangalam University and during my course I have got countless opportunities to develop my analytical skills, leadership and proactive thinking through various programs and events. Recently I have placed in 'Reviso'. I am very grateful to the Training & Placement Cell and all staff of KRMU for effectively and sincerely helping me to grab first ever opportunity that came into my life."

I am happy that I got placed well before the end of my final year and that was made possible by my Training & Placement Department. I participated in all the activities organized by the Training & Placement Department which helped me gain confidence. I am grateful to the college and Management for my placement. Overall I think my placement has been a very valuable experience. Not only they provided me an opportunity for job but also made me capable on my own. They are also very helpful and supportive at every stage.

-Khushi Saini, B.Tech CSE final year.

The time spent at KRMU during my graduation was the best time of my entire education span. It not only provided me education and global environment but also made me ready to face the competitive world. My time spent with the placement cell and placement give us every possible opportunity to become competent by conducting seminars and workshops. The best part was the time spent in the lab. It was a great experience to enhance our skills. Organizing the All India level go to KRMU for giving me the opportunity of getting my skills and having my potential tested at the college gave me a sense of confidence, better changes and confidence in the field of the study.

B. Tech, Mechanical Engineering

It gives me great Pleasure to give back something to my University in the form of vote of thanks for making me to establish myself in the Working world with ease. It would not have been possible without the support which I got from the faculty of the University, my Training and Placement Officer Ms. Jasbir Grover, ever inspiring chairman and my parents. The high level of education and practical training imparted throughout the course to handle challenges and situations helped me not only to get the best knowledge but also the best campus placement in good organization. I would again like to thank K. R. Mangalam University and Ms. Jasbir Grover for building my career and making me a pillar which can cement itself anywhere in the market.

-Shruti

PARVEEN KUMAR
BBA-LLB (H) 2018

HELLO, I am operating a software business as MIS PRO IT Services Pvt. Ltd. that provide online service for buy and sell of crypto and IOS with the name ZOLTPAY. This is my own mobile application and within 5 months of its launch more than 15000 users are using our services and we have created an turnover of more than 10 crore and we have 20 members staff in our office. I am thankful to K.R. MANGALAM UNIVERSITY which has provided me the opportunity to launch my business.

When I first entered KRMU, I had a personality of following the herd. The faculty helped me get out of my shell and realize my potential. This journey ended perfectly by getting placed in Recruitment Cell. The TPO, played a key role in this process by conducting sessions relating to GD, interview and held mock interview to boost up my confidence.

I'm thankful to the TPO and the university for providing this opportunity and for their support.

-Nitya George

It's difficult to sum up the memories and experience of four years in few lines. I consider myself very lucky for being a part of KR Mangalam University. There is something motivational and special in this environment which made us study and enjoy co-curricular activities. Participating and organizing events of festivals and sports gave me a different enjoyable experience. These four years have given me friends for life. It has been an unforgettable journey.

-Ansh

There is so much more you achieve while studying through K. R. Mangalam than just certificate. You gain knowledge, confidence and for me the best part was finally realizing what I want to achieve with my career. I highly recommend this University to everyone. I would like to thank everyone from K. R. Mangalam University.

Ajay Saini, B. Tech, Mechanical Engineering

Hi, I am Lakshay Gulati pursuing engineering for electronics and communication department. Discussing about college days I would like to tell that it's been extreme pleasure graduating from this university. We have been taught well in good environment where all our teachers are cooperative and not to forget the hard efforts of my TPO with whom I worked day and night as a students' coordinator who apart from my curriculum activities trained me well enough to get absorbed in an excellent organization like XEROX where I could easily boost up my career for future aspects.

-Lakshay Gulati

Pankaj Chauhan,
B.Tech Mechanical
(Placed in Ocean Casting Pvt. Ltd.)

Launching your career with an esteem firm like Ocean Casting Pvt. Ltd. wasn't short of a dream come true. I always want to join core mechanical and my university helps me to do so. I would really like to dedicate a great part of my success to K.R. Mangalam University and being a global university not only provides you some of the finest education across the globe but also foster you to evolve as a true professional. It fills my heart with joy unspeakable to be associated with a university of such stature.

LIFE AT KRMU

An ideal place for the youth from different societies to engage, socialise and embrace diversity, the K.R. Mangalam University is famed as the prime hot spot amongst the Gen Z students community for a series of spectacular events and shows graced by the bigwigs, artists and industry stalwarts.
