Dear Sir/Madam,

A Sustainable HEI is considered as an institution that creates, delivers, and captures value for all its stakeholders without depleting the natural, economic, and social capital it relies on. The three pillars of Sustainability: 'Environment (Planet), Social (People) and Economic (Profit)', form the base of R. World Institutional Ranking to undertake responsibility for creating awareness and supporting the Sustainable Institutions of India.

As a result of your continuous effort to provide a global-and-holistic education in a healthier environment, the board of R. World Institutional Ranking congratulates you on being rated as a Sustainable Institutions of India, within the **Diamond Band (A+ Grade)**, in The Green Rankings 2023. See the overall rankings [here](#).
