

INTEGRATION OF CROSS-CUTTING ISSUES (LIKE ETHICS, GENDER, HUMAN VALUES, ENVIRONMENT SUSTAINABILITY, AND SDGS/NEP 2020 FRAMEWORKS) INTO THE CURRICULUM

Institutional Philosophy of Value Integration

At K.R. Mangalam University we believe that higher education must go beyond the transmission of knowledge and skills to nurture responsible, ethical, and socially conscious individuals. Our educational philosophy is rooted in the holistic development of learners, integrating **professional ethics, gender sensitivity, human values, environmental stewardship**, and the **principles of sustainable development** as intrinsic components of our academic framework.

In alignment with the **National Education Policy (NEP) 2020**, we emphasize multidisciplinary learning that fosters critical thinking, empathy, civic responsibility, and global citizenship. Our curricula are carefully designed to include **cross-cutting value-based themes** through both curricular and co-curricular engagements, ensuring that students are not only industry-ready but also ethically grounded and socially aware.

We draw inspiration from the **Sustainable Development Goals (SDGs)** and national priorities to instill a sense of purpose and responsibility in our learners. This is achieved by:

- Embedding courses that address **environmental concerns, gender equity, and ethical conduct**;
- Encouraging participatory learning through **community service, field-based projects, and service-learning**;
- Promoting a campus culture that values **diversity, inclusion, and sustainability**.

K.R. MANGALAM UNIVERSITY

THE COMPLETE WORLD OF EDUCATION

Through this integrated approach, we aim to develop graduates who are not only competent professionals but also conscientious citizens, capable of contributing to **local, national, and global development** in meaningful ways.

Policy Alignment and Integration of Cross-Cutting Issues in Curriculum

1. Alignment with NEP 2020 Principles

The curriculum at K.R. Mangalam University is purposefully aligned with the guiding principles of the **National Education Policy (NEP) 2020**, ensuring a transformative and holistic approach to education. The following key elements of NEP 2020 are reflected in our academic offerings:

- **Holistic and Multidisciplinary Education:** Courses are designed to develop intellectual, social, emotional, and ethical capacities of students through a blend of core, elective, and interdisciplinary subjects.
- **Ethical, Moral, and Constitutional Values:** Several courses such as *Professional Ethics*, *Constitution of India*, and *Human Rights and Duties* are integrated into programs across disciplines.
- **Environmental Awareness and Sustainable Practices:** Courses on Environmental Studies, Disaster Management and projects on sustainability challenges foster ecological literacy.
- **Equity and Inclusion:** Gender studies, inclusive education, and human rights courses are embedded in various UG and PG programs to sensitize learners about social justice and equity.

Alignment with Sustainable Development Goals (SDGs)

Our curriculum directly contributes to the achievement of the United Nations **Sustainable Development Goals (SDGs)**:

THE COMPLETE WORLD OF EDUCATION

SDG	Curricular Integration
SDG 4 – Quality Education	Courses ensure inclusive and equitable education through participatory and experiential learning approaches.
SDG 5 – Gender Equality	Dedicated modules on gender sensitization, literature and gender, and gender-based case studies foster critical awareness.
SDG 13 – Climate Action	Environmental Science and sustainability-focused projects encourage students to develop practical solutions to climate issues.
SDG 10 – Reduced Inequalities	Courses in political science, sociology, and education address equity, access, and social justice.
SDG 16 – Peace, Justice and Strong Institutions	Courses on Constitution, Human Rights, and Ethics promote responsible citizenship and democratic values.

Integration of Cross-Cutting Theme- **Environment and Sustainability** into the Curriculum
