Alumni Meet 2022

"Commencing the Reunion: A Journey Through the Alumni Meet"

Date: 12.03.2022

In the grand tapestry of our academic journey, alumni meet stands as a cherished chapter, weaving together threads of nostalgia and the present. With this essence, Student Welfare, K. R. Mangalam University conducted an annual meeting of alumni and culminated into an ode to the shared experiences, laughter, and growth that define our alma mater's legacy. The Alumni Meet was organized on 17th March 2023 where around 90 alumni joined the meet. At precisely 12:30, the ambience of nostalgia and anticipation enveloped the venue as our esteemed alumni began the registration process, slowly trickling in for what promised to be a day filled with reminiscence and connection. Simultaneously, a warm invitation beckoned our alumni to indulge in a delightful high tea at the SOHMCT restaurant, offering a perfect prelude to the forthcoming festivities. From there, they were gracefully escorted to the main venue, setting the stage for a joyous reunion.

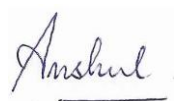

The post-high tea moments were characterized by casual chit-chat, fostering an atmosphere of camaraderie that laid the foundation for the ensuing activities. Alumni were gradually welcomed onto the stage, where a series of engaging and fun-filled activities awaited, bringing smiles and laughter to the faces of those who once shared the hallowed halls of our alma mater. As the crowd steadily grew in numbers, the Director of Training took centre stage, offering a formal address to welcome the gathered alumni. The momentous occasion was graced by the presence of the Vice-Chancellor, who, in turn, addressed the alumni with warmth and enthusiasm, underlining the profound significance of such reunions. Following the Vice-Chancellor's insightful speech, the stage was handed over to the student coordinators, who efficiently introduced the esteemed Corporate Speaker, Mr. Manish Singh. With an impressive career spanning three decades, Mr. Singh, currently serving as the Senior Vice-President at India Bulls, shared invaluable experiences and dispensed wisdom, adding immense value to the collective experience of our alumni.

The program unfolded further with a captivating musical presentation by our talented students, presenting a medley of songs that resonated with the sentiments of friendship and the cherished

memories of college life. This auditory treat was seamlessly followed by an interactive activity that brought together both teachers and alumni, fostering connections across generations. Under the directive of the Vice-Chancellor, a collective group picture was captured, immortalizing the presence of alumni, teachers, and the distinguished Corporate Speaker against the backdrop of shared memories. The convivial atmosphere continued seamlessly as everyone was invited to a sumptuous lunch, allowing for further camaraderie and informal interactions.

The post-lunch session commenced with a presentation by Dr. Anshul Saluja, delving into the nuances of the 'Alumni Association.' A subsequent photo session and convocation booth pictures served as tangible mementoes, encapsulating the essence of the day's proceedings. The official closure of the event came with a gracious vote of thanks from the Director of Training, Mr. Neeraj Singh, expressing gratitude for the alumni's presence and participation. Post-'Vote of Thanks,' our esteemed alumni took a stroll down memory lane, revisiting various departments and reconnecting with both familiar and new faces among the faculty. The evening unfolded with a casual 'Music and Dance' event, thoughtfully organized by student coordinators, where many alumni graciously shared their testimonies on camera, adding a personal touch to the collective memories.

The comprehensive coverage of the entire event, meticulously documented through still photography and video shoots, showcased the dedication and talent of students from SJMC. The event drew a total of 90 entries, marking not just a successful reunion but a poignant celebration of shared experiences and enduring connections among our cherished alumni. As the echoes of laughter and camaraderie lingered in the air, the alumni meet proved to be a resounding success, leaving indelible memories etched in the collective heart of our cherished alma mater.
