Cancer refers to any one of a large number of diseases characterized by the development of abnormal cells that divide uncontrollably and have the ability to infiltrate and destroy normal body tissue. Cancer often has the ability to spread throughout your body. Cancer is the second-leading cause of death in the world.

In the wake of this, School of Medical and Allied Sciences, K. R. Mangalam University organized Awareness on Cancer on 7th November, 2022 in collaboration with NSS at Bhirawati Village Chaupaal , District Sohna, Gurugram. In order to spread awareness about the cancer the students of D.Pharmacy performed a nukkad natak. Around 26 villagers witnessed the nukkad natak. In the

Awareness about precautions were shared by which cancer can be cured like cessation of smoking, limit alcohol intake, don't use tobacco, eat healthy diet and maintain a healthy weight. The people of Bhirawati Village were impressed with the nukkad natak and the remedies given by the students through their nukkad natak. We are overwhelmed with the positive feedback that we received through the activity. The villagers had taken the oath that they will cease smoking, tobacco and alcohol intake etc.
