Introduction

School of Engineering & Technology in collaboration with NSS organized an extension activity for school children on July 15, 2022. The event took place at Doon Global School, Krishna Kunj Sohna Road, Gurugram, Haryana from 1:00 PM to 3:00 PM. The aim of the event was to encourage and make school students aware of the power of the internet and keeping themselves up to date to promote an environment of staying safe and updated while using the internet for their education and other daily day-to-day chores

Objectives: The extension activity visit aims to inculcate the power of the web in the minds of young students with a sense of awareness and alertness while browsing over internet.

Content of the Event: In the event, school students registered and SOET students along with NSS volunteers participated in the extension activity. The event was successful because of the personal interaction of our university students with school students and guiding them on the usage of the internet for their education and additionally learning bank transactions and another similar usage in their daily life

Activity Outcome: It was an exhilarating experience for students to interact and guide the school students. The outcomes of the event are as follows:

- To inculcate among students ,a sense of responsibility to help society with their Knowledge

- The event provides an opportunity for the students to demonstrate their guiding and teaching skills
- Encourage team building among students
- Incorporate web usage skills among students

Conclusion: The event thus turned out to be successful by fulfilling its aim of imparting knowledge of the Internet in an interesting way to the school students which will remain fresh in their memories for a long. The participants and the volunteer students had a positive experience with the event. This visit renewed a helping spirit among students while maintaining a healthy environment for learning and improvising.

Future Scope: One-to-one interaction is one of the most powerful tools for learners. Event can be scaled up to a larger mass with more volunteers.
