Content

The event was conducted for two days. The first day of the event was conducted in the campus, Moot court, A-Block and on second day, it was conducted at Panchayat Bhawan in collaboration with Govt School, Ghamroj.

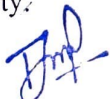

On first day, it began on a very beautiful note by chanting Ganesh vandana and lamp lighting. The lamp lighting was done by the judges of the event, Dr. Anshul Saluja and Mr. Sunil Kumar with NSS coordinator, Program Officer and NSS member. It was very overwhelming to see the graceful performances of the participants. The event concluded on the announcement of semifinal results and distribution of refreshments to all the participants and NSS team members. Out of 18 participants, 7 got selected for the next round.

The second and final day of the event took place at the panchayat Bhawan in Ghamroj village as an extension activity in which the students from girl's Govt. Sr. Sec. School participated and showcased their talents by singing and dancing. Each participant presented themselves very beautifully.

Activity Outcome: Students being on two different levels got to learn and share values and talent through this competition.

Conclusion: This was a highly interesting and interactive competition where students from two different backgrounds performed on one stage. Ashi and Amrita got the first position in dancing and poetry, the girls from Govt. Sr. Sec. School got second prize for the wonderful performance in dancing. The third prize was won by Lokesh Aggrawal and Diksha for their fabulous performance.

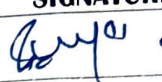

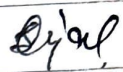

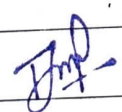

Further Scope: This partnership and collaboration in organizing such events will directly help students to explore themselves on different level without bringing negative thoughts and creating barriers while living in one society.
