Report on Awareness drives on Dignity of Labour & Plantation Drive.

AzadiKaAmritMahotsav' is an initiative of the Government of India to celebrate and commemorate 75 years of independence of progressive India and the glorious history of its people, culture and achievements.

Today on 2nd October (Gandhi Jayanti) the Legal Aid society K R Mangalam University and District Legal AID Society Gurugram undertook Awareness drives on Dignity of Labour & Plantation Drive. 15 students took part in this drive. The students and faculty members planted 40 plants in and around Bhondsi village.

The day went glorious as we approached various construction sites to get an insight about how the construction worker/labours are being treated at the site. Several questions were asked including daily wages, prohibition of child/manual labour, working hours and the kind of exposure they are associated with. Students visited 25 construction workers. These construction workers were happy and open share their problems and hardship to faculty members and students.

Moving forward we went to the plantation workers and asked associated questions in constraint to the kinds of plants being sowed, the wage, kind of fertilizer and manures being used & various other questions.

At last, the day was up to the mark & very satisfying for working towards social cause. We thank the University for conducting the drive.
