Introduction

To abide by the traffic rules is one of our primary duties. Children, especially teen agers after getting license should be aware of traffic rules along with the penalties on the violation of it. Taking this fact into consideration Legal Committee in School of Legal studies took initiative in organising awareness workshop for the students of 9th and 10th class of Government Senior Secondary School, Lakhuwas.

Objective

1. To aware the students about Traffic Rules to avoid violation of the rules, and accidents accidently.
2. To discuss how to get learner license and license, minimum age to get license, free passage, signals on the road, their understanding of zebra crossing.

Content

The session was categorically divided into three parts; First where student coordinator has built up the talk over importance of traffic rules, second some of the sections under Motor Vehicle Act, 1988 have been discussed, third few cases were shared where traffic violation culprit has been punished.

1. The students from second year shared traffic rules with school students. They discussed the sections of Motor Vehicle Act, 1988 in common parlance language.
2. Faculty Coordinators shared their valuable inputs with few illustrations and landmark judgements.
3. The students have also been informed about the court proceedings for the cases of traffic rules violation.

Eighteen students along with two faculty members went to the Government Senior Secondary School, village Lakhuwas on dated 24th August 2022. The students from the school were filled with joy and excitement to see the University students in their school.

The session was full with 50 students in one classroom. Volunteer students have pasted the poster and pictures related to traffic rules in the classroom with due permission of the principal. The wall banners, pictures and posters helped the school students to understand signs and signals of traffic rules more clearly.

The session was started with the brief introduction of workshop by the faculty members. (Photo 1)

Student Coordinators Nischay Nath Tiwari (BBA LLB, II year) and Akash Godara (BALLB, III Year) delivered an interactive lecture presentation on the traffic rules. (Photo 2)

Students broadly covered following sections of Motor Vehicles Act:

Section 3: Necessity for driving license.

Section 4: Age limit in connection with driving of motor vehicles

Section 112: Limits of speed

113. Limits of weight and limitations on use of vehicles

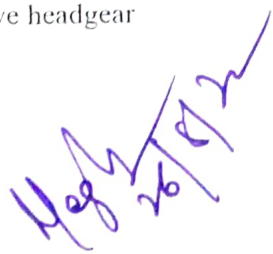

118. Driving regulations

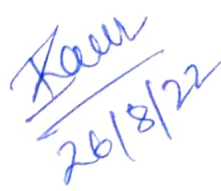

119. Duty to obey traffic signs

120. Vehicles with left hand control.—

129. Wearing of protective headgear

At the end of the session questionnaire was distributed among students which was from the learning of presentation. (Annexue 1) The students were asked very general questions related to signals on the road, how to get learner license and license, minimum age to get license, free passage etc

All the students filled details very enthusiastically. The School Principal presented vote of thanks to the team.

Attendees

Students of 9th and 10th Class of Government Senior Secondary School, Lakhuwas attended the workshop. 50 students took part in the workshop. 18 students of SOLS gave the workshop

Outcomes

The session was very technically planned, organised and implemented. On the basis of students' feedback following are the outcome of the event.

1. Teenagers are generally prohibited to drive fast, drive without helmet, drive without wearing seat belt and many more. The session at first, make them realise that these all instructions are with binding effect under our legal system.
Second it helps them to understand the legal consequences of not following these instructions and rules.
2. The Government School students generally don't get an opportunity to talk to senior peer group from university. This session inspires them to come forward and clear their all doubts.
3. This session motivates and inspire students' teenagers about the importance of legal education to become a responsible citizen.

Conclusion

At the end of the session questionnaire was distributed among students which was from the learning of presentation. The students were asked very general questions related to signals on the road, how to get learner license and license, minimum age to get license, free passage etc. All the students filled details very enthusiastically.

Further Scope

Faculties at the school were really impressed with the workshop conducting. All the faculties and Principal at school are looking forward to see more such workshops by School of Legal Studies at KR Mangalam University.

With the workshop conducted, students inculcated the learning and took a pledge to follow what they learnt today. We expect to deliver more such successful sessions in the future.
