An extension and village outreach programme was conducted by the School of Management and Commerce at KR Mangalam University in collaboration with NSS on the scope for improvement in livelihood of the individuals belonging to Scheduled caste communities, that is, the reserved categories on 21st November 2022 at Govt. Model Sanskriti Sr. Secondary School. The participants were exposed to a vast multitude of relevant information about various incentives undertaken by the Government of India for the Reserved Categories including Dr. Ambedkar Medhavi Chhtra Shanshodhit Yojana and Mukhya Mantri Vivah Shagun Yojana, in an understandable manner so that they would avail maximum benefits from this discussion. The session was overall quite interactive since there was necessary discipline maintained throughout.

As the information imparting rounds came to a close, a meditation session on Heartfulness was conducted to create an environment of tranquillity and ease the minds of the attendees through interactions between the coordinators and participants where they shared their personal experiences regarding the management of stress they have faced in their day-to-day lives. The audience received vivid insights on the topic by Dr. Ruchika Yadav where she raised an important question regarding the validity of stress in the lives of school students which received an unexpected 100% affirmative response from the attendants

This entire activity was duly performed by the coordinators and volunteers with utmost zeal and dedication.

As the event concluded, a feedback form and questionnaire were passed among the attendants

to validate their overall experience which received a satisfactory and positive response since the audience seemed emotionally as well as mentally enlightened and had understood the information that was imparted by the speakers as well as the faculty members present there.
