Introduction

In today's society, we tend to largely ignore a big part of the population -the Senior Citizen! This is a shame as they are a treasure trove of useful information and advice. This means that a visit to old age home was an exciting thing to look forward to.

A group of participants along with faculties from Department of Computer Science and Engineering of K R Mangalam University Sohna Road, Gurgaon went for a visit to Tau Devi Lal Old Age Home near Jivan Jyoti School Sector - 4 Gurgaon on Monday 31st October 2022.

The no profit organization accommodates nearly 24 old women generally aged between 50 to 80 years.

We visited the organization as a part of our community project that aims to preserve the culture, traditions and ethical values from one generation to another. We all as well as residents of organization were greatly overwhelmed as we shared stories, and experiences of our life with each other. The young visitors were shattered and saddened after listening to their life stories.

Figure 5 Departure time

The plight of living in an old age home where you are forced to adjust and reside with unknown people is quite challenging. However with the passage of time, every member of the organization lives peacefully with a sense of unity among themselves.

We distributed Cakes, Fruits, among them. We all had an amazing time by giving awareness about Mobile uses, Cyber Crimes, Singing and Dancing, narratives and stories from real lives.

The people looked blissful in our company. We were grateful for having such an incredible memory yesterday.
