Report on

Awareness program on role of Science and technology in Swatch Bharat Abhiyan in collaboration with NSS

Date: Monday, 17 October 2022.

Venue: Ghamroj village

Event Type: Extension Activity

Mode of Activity: Offline

Target Group: Ghamroj villagers and school children

Resource Person (if any): NA

Coordinators: Dr. Kaushal Kumar, Ms. Pallavi Pandey

Organized by: School of Engineering & Technology

Number of Participants (Attach Attendance as Annexure): (including SOET students, NSS volunteers and beneficiaries)

Introduction

School of Engineering & Technology in collaboration with NSS organized an event on role of Science and technology in Swatch Bharat Abhiyan at Ghamroj village. Around 26 students from school of engineering and technology along with two faculties Dr. Kaushal Kumar and Ms. Pallavi Pandey have visited the village and scheduled an awareness camp with the active participation of the villagers as well as Vivekananda academy school students. Students along with faculty coordinators and villagers prepared teams to run this awareness drive in the village.

This drive focused on segregation of waste as well as technology involvement during segregation. Students Coordinator Sagar and Neha highlighted the role of latest technologies to clean the surroundings with most common applications e.g. vacuum cleaner, robots for cleaning purpose. Our expert faculty members suggested the villagers to use three colored dustbins e.g. red, green and yellow. Purpose of each color was briefly explained in terms of aware the villagers as well as students. Experts explain how technology plays an important role during collection and segregation of waste. A demo session is also conducted for the segregation. Students of Vivekananda academy were taken oath not to spread the waste in the society and use
