

MEMORANDUM OF UNDERSTANDING FOR INSTITUTIONAL COLLABORATION
BETWEEN

BABU BANARASI DAS UNIVERSITY (BBDU),
AND
K R MANGALAM UNIVERSITY (KRMU)

Babu Banarasi Das University, Lucknow, Uttar Pradesh, India

Babu Banarasi Das University (BBDU), Lucknow is a private university having its Main Campus in Lucknow, Uttar Pradesh, India established by Akhilesh Das in 2010 and named after his father and former Chief Minister of Uttar Pradesh, Babu Banarasi Das.

BBD University aims to transform the way people think by teaching them problem solving, leadership and teamwork skills, and the value of commitment to quality, ethical behavior, and respect for others. BBD University strives to educate students in a way that transforms them into leaders who can make a difference in the world. BBD University imparts futuristic and high quality education to the young and talented Indian and international students. They also provide a lifetime outside the classroom experience by setting up world class infrastructure and facilities for sports, recreation, cultural and personality development.

The School is an integral part of BBD University holding reputation for being the best college in North region in the field of Architects, Planners & Interior Designers.

The College was flourished in the form of 'Department of Architecture', in BBDNITM, Lucknow in the year 1999 and affiliated to UP Technical University which furthermore changed into School of Architecture in session 2017-2018, and now become 'School of Architecture & Planning', BBD University since session 2018-2019. The School is providing unmatched services in field of Architecture, Planning & Designing hereby making the school most preferred destination for grasping knowledge and skill enhancement.

The School holds full-time part time academic courses and awards degrees at both Under Graduate as well as Post Graduate Level in Courses of Architecture, Planning and Interior Design.

K R Mangalam University, Haryana, India

K.R. Mangalam University is a fast-growing higher education institute in Gurugram, India. Since its inception in 2003, the University has been transforming young lives through ground-breaking pedagogy, global collaborations, and world-class infrastructure.

School of Architecture and Design at K R Mangalam University offers highly advance and practical programs for budding Architects, Interior Designers and Fashion Designers.

The students graduate with a strong foundation of multi-disciplinary skills related to aesthetics, environment-friendly and sustainable design, construction techniques, and space transformations.

Registrar

K.R. Mangalam University

The program's aim at providing a specialized understanding of the creative industry with a contemporary approach. Our course structure focuses on unveiling the talents and enabling students to pursue enormous career options offered in the wide spectrum of design. The students are exposed to a wide range of elective programs and curricula designed to equip them with. Our University offers five-year Bachelors program in Architecture, B. Arch approved by the Council of Architecture. The school imparts technical skills, aesthetical understanding, and planning the building models in compliance with planning and building laws. The three-year B.Sc Hons. (Interior Design) and four year Bachelor of Interior Design (B.I.D) undergraduate programs focus on understanding the industry's trend and experimenting with materials, finishes and design.

SOAD takes a lot of pride in bringing some of the best practicing architects and renowned academicians as external jury members and visiting faculty so students receive inputs from them to improve their designs. Recent collaborations of SOAD include COA-TRC, University of Ferrara, Italy, Anliembi Morumbi University, Brazil, Piloo Mody College of Architecture, Cuttack.

Preamble

The purpose of this Memorandum of Understanding (MOU) is to develop an academic and educational cooperation, and mutual understanding between Babu Banarasi Das University (hereinafter referred to as BBDU), Lucknow, represented by its duly authorized signatory, the Principal and K.K. Mangalam University (hereinafter referred to as KRMU), Haryana, represented by its duly authorized signatory, the Registrar. Both BBDU and KRMU may be referred to individually as the "party" or collectively as the "parties".

The primary objective of the institutional collaboration in education and research is to promote interaction and academic partnerships between faculty, staff and students of the two institutions through visits and studio exchange programmes, carry out joint academic and research programmes, joint conferences held at international and national level, sharing of academic resources through expert talks, juries, reviews, workshops etc, on a reciprocal basis. The relationship also aims at enhancing the technological, social and cultural relations of both regions. This document presents a general framework for the collaboration. It also includes some specifically identified areas of cooperation, which may be updated from time to time.

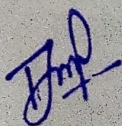

Coordination

The provisions of this MoU will be implemented through a team of co-ordinators appointed by the authorized signatory from both parties.

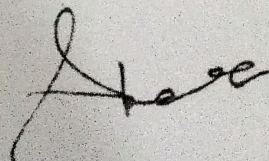

Scope of Cooperation

The following areas of cooperation have been identified under this MoU.

- (i) Faculty exchange programme: To promote interaction and exchange between the members of the faculty, the two parties will explore opportunities for faculty to visit the partner university/institution for a period/duration that is expected to be equal for the cause of mentoring the students as a visiting faculty or <create new position>. With prior approval of

Registrar
K.R. Mangalam University
Sohna Road, Gurugram, (Haryana)

the respective institutions the faculties are encouraged to apply for the position and describe the scope of their involvement. The parties are expected to create the positions specific to the requirement of the studio and advertise in the respective websites.

- (ii) Student exchange programme: Students of both institutes are encouraged to visit and participate in the short duration courses (summer/winter terms), certificate courses or for longer duration of a semester or two with prior approval from both parties and the governing university. Approvals and application procedures are to be decided together by both parties to include detailed proposals (mentioning the course content, duration, credits awarded, credit transfer arrangements, certification, accommodation by the host and other applicable directives) and sanction copies approved by the highest academic bodies of the two institutions before implementation.
- (iii) Joint research projects: The two parties will explore opportunities and propose the undertaking of joint research projects. The joint research shall be headed by faculty/faculty team from both parties and they may seek to apply for suitable research funding from external funding agencies. Each such research proposal shall contain the objective, aim, scope, limitations and primary research question justified by a hypothesis. Furthermore, any additional documents required for the grant has to be worked out by both parties with prior approval and cooperation of the respective institutions.
- (iv) Joint academic activities and events: RVCA and KRMU may formulate joint academic activities and resource sharing through expert led seminars, symposiums, workshops, studio juries and/or conferences based on mutual interests and available expertise in both the institutions. They may also agree to carry out virtual learning to encourage technology based exchange of resources.

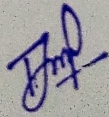

The areas of cooperation may be revised by mutual consent. However, specific programmes may require separate agreements detailed out and documented as annexures to this MoU.

Non-discrimination

BBDU and KRMU agree not to discriminate any person because of age, sex, national origin, race, ancestry, color, religious creed, disability or handicap, and sexual orientation. Neither institution shall impose criteria for the exchange of faculty, staff and students that would violate the principles of non-discrimination.

Code of Conduct

Visiting student and faculty will abide by the codes of conduct of the host Institution. The parties should ensure that the faculty and students are made aware of the rules, regulations and other administrative procedures prior to the application and approval.

Registrar
K.R. Mangalam University
Sohna Road, Gurugram, (Haryana)

Intellectual Property

The applicable intellectual laws will be adhered to by both the parties. The two parties may jointly own the results or data generated during the collaborative projects, however, the host institution will govern the protection and commercialization of data or any intellectual property created during any of the aforementioned modes of cooperation.

Non-disclosure agreements may be encouraged between the parties to clearly state the necessary and reasonable care to be taken to protect data or information.

Financing

Under this MoU, it is understood and agreed that there is no financial obligation between the parties. However, both institutes may consider tuition fee waivers to the visiting students. The host institute may extend support in terms of logistics and administrative arrangements. The local costs including travel, accommodation, food, insurance etc. to visiting students and faculty may be maintained at reasonable costs and be borne by the visitors or the home institution. Additional support, if any, will be governed by separate agreements that may be drawn up for specific activities:

Legal Status

This document is a statement of intent to foster genuine and mutually beneficial cooperation and is not legally binding on any of the parties. Any disputes shall be resolved through mutual discussion.

Validity and Termination

This MoU is valid for an initial period of Two years and becomes effective from the date it is signed by the partners. The partnership period may be extended by mutual consent.

This agreement may be terminated:

a. on either party giving the other party 6 months' prior written notice;

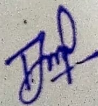

b. on written notice by one of the Parties if the other Party has committed a breach of this MoU.

However, specific commitments made prior to such intimation shall be honoured by both the partners including ensuring that any student at that time participating in the Programme is able to complete the term of the assignment and be assessed for it.

on

"Student Exchange Program to Babu Banarsi Das University, Lucknow under MoU"

Date: 14th -20th May 2023

Venue: Babu Banarsi Das University, Lucknow

Event Type: Student Exchange Program

Mode of Activity: Offline

Target Group: B.Arch. Students of SOAD KRMU and SOAP BBDU

Resource Person (if any): Faculty Members of Babu Banarsi Das University, Lucknow and K R Mangalam University, Gurugram

Coordinator: Ar. Mansha Samreen and Ar. Akansha Singh SOAD

Organized by: Collaboration between School of Architecture and Planning Babu Banarsi Das University, Lucknow and School of Architecture and Design K R Mangalam University, Gurugram

Number of Participants: 15 students of SOAD KRMU

School of Architecture and Design (SOAD) organized a student exchange program to Babu Banarsi Das University Lucknow for the students of B.Arch first and second year, as a part of Architectural Design Curriculum under MoU with Babu Banarsi Das University, Lucknow. The students of B. Arch participated in an exchange program between the School of Architecture and Design K R Mangalam University and the School of Architecture and Planning of Architecture Babu Banarsi Das University Lucknow from 14-20th May 2023 under an MoU between the two universities as a part of Architectural Design Curriculum.

The program aimed to enhance the students' design perception and evaluation skills through various lectures, activities, and explorations. To achieve this goal, the program incorporated a variety of lectures, activities, and explorations, allowing the students to actively engage with different aspects of architectural design. The following is a detailed summary of the exercises conducted during the exchange program:

Summary of Exercises conducted:

1. Identification of Elements and Principles of Design through Sketching at Ambedkar Park:

To develop the observational and analytical skills, the students participated in a sketching exercise at Ambedkar Park. This activity involved individually identifying and analyzing the elements and principles of design present in the park's architecture and landscape. Through sketching, the students were able to closely examine the design elements and understand how they contributed to the overall aesthetic and functionality of the space. They identified and analyzed the elements and principles of design present in the park's architecture, landscape, and overall composition. Through sketching, the students honed their observational and analytical skills, capturing the essence of design elements.

2. Identification of Elements and Principles of Design through Photography at Gomti Riverfront:

In this activity, the students individually created photomontages of the Gomti Riverfront, focusing on the elements and principles of design. By capturing various angles, perspectives, and details, they explored how these design elements contributed to the overall aesthetic and functionality of the riverfront. This exercise encouraged the students to observe and evaluate the visual aspects of design in a dynamic environment.

3. Design Perception and Evaluation through Translation of 2D to 3D Forms:

Working in groups, the students translated 2D design concepts into 3D forms using various planes and enclosures. They developed models representing their design ideas and accompanied them with plan elevations and sciography pictures. Additionally, the groups provided conceptual write-ups explaining their design approach and evaluation criteria. Overall, the goal of this exercise is to develop the students' understanding of form and space by giving them hands-on experience in the translation of 2D designs into 3D shapes. Through their exploration of

different compositional principles and assembly techniques, and its photography. the students gained practical skills that will be invaluable in their careers as architects and designers.

The exercise was evaluated by the faculty members of BBD University after a presentation and jury session.

4. Unraveling Urban Spaces of Hazratganj:

In groups, the students focused on analyzing and understanding the urban spaces of Hazratganj, a prominent area in Lucknow. Each group explored specific topics related to

1. Spatial Organization
2. Patterns
3. Landmark
4. Public amenities
5. Green spaces and human activity pattern

They conducted on-site observations, surveys, and interviews to gather data and insights. The findings were compiled into PowerPoint presentations, which were presented by each group.

5. Exploration of Hussainabad:

Similar to the Hazratganj exploration, the students worked in groups to study and document the architectural features, materials, construction techniques, planning aspects, and historical context of Hussainabad. They visited significant buildings such as Bada Imambada, Baoli, Jama Masjid, Roomi gate, art gallery, and clock tower. The groups presented their findings through PowerPoint presentations, incorporating relevant visuals and information.

The student exchange program to Babu Banarsi Das University provided an enriching experience for the students of B. Arch first and second year. Through a range of exercises, including sketching, photography, 2D to 3D translation, and urban exploration, the students enhanced their design perception and evaluation skills. The program encouraged collaborative work, enabling students to understand the elements and

principles of design, analyze urban spaces, and appreciate architectural features. The PowerPoint presentations served as a platform for sharing their knowledge and insights, fostering a deeper understanding of architectural design. Through these exercises, lectures, and explorations, the student exchange program provided a comprehensive platform for the students to enhance their design perception and evaluation skills. They gained practical experience in analyzing and evaluating design elements and principles through sketching, photography, model making, and on-site observations.

During the student exchange program, the students from K R Mangalam University had the valuable opportunity to interact and engage in collaborative learning with the students of Babu Banarsi Das University (BBDU). This interaction facilitated a rich exchange of ideas, perspectives, and experiences, enhancing the overall learning experience for all participants.

Additionally, the group exercises allowed the students to develop teamwork and communication skills, as they collaborated on the exploration and documentation of urban spaces. Overall, the program successfully fostered a deeper understanding and appreciation of architectural design among the participating students. The student exchange program facilitated collaborative learning through group exercises, discussions, cultural exchange, peer critiques, and collaborative presentations. The interaction between students and faculty members from K R Mangalam University and Babu Banarsi Das University provided a platform for cross-pollination of ideas, fostering creativity, and broadening perspectives. The students learned not only from the faculty members of both institutions but also from each other, gaining a deeper appreciation for teamwork, collaboration, and the power of collective learning.

Date: 26th April 2023

Note

Subject: Student Exchange Program in collaboration with Babu Banarsi Das University, Lucknow under MoU.

School of Architecture and Design (SOAD) is organizing student exchange program to Babu Banarsi Das University Lucknow for the students of **B.Arch first and second year**, as a part of Architectural Design Curriculum under MoU with **Babu Banarsi Das University, Lucknow**.

This program has been scheduled from **14th- 20th May 2023 (travel dates included)**. Total of **16 students** will be accompanied by coordinating faculty members.

The student exchange program will aim at architectural exploration of the history and heritage of Lucknow old city. The students of KRMU and BBDU will do a collaborative study on the following-

1. Evolution of Old and New Bazaar of Lucknow
2. Street scape study & Architectural façade study of Aminabad

The students will also visit Bada Imambara, Chota Imambada Rumi Darwaza and Clock Tower and explore the essence of Architecture and History in these structures.

Faculty members from KRMU:

- Ar. Mansha Samreen (Associate Professor- SOAD)
- Ar. Akanksha Singh (Assistant Professor- SOAD)

Faculty members from BBDU

- Ar. Urvashi Singh (Assistant Professor, Department of Architecture, BBDU)
- Ar. Saurabh Saxena (Assistant Professor, Department of Architecture, BBDU)
- Prof. Mohit Agarwal (Dean Department of Architecture, BBDU)

Approval for the above mentioned is requested at the earliest.

About the exercise:

Studio exercises on urban space understanding is designed to help students develop a deeper understanding of the built environment, human behaviour in cities, and the factors that shape urban spaces. Here's a studio exercise that focuses on urban space understanding:

Exercise Title: "Unravelling Urban Spaces"

Objective: To explore and analyse urban spaces, identify design principles, and propose interventions to enhance the quality and functionality of a chosen urban area.

Duration: This exercise can be conducted over several weeks, depending on the depth of analysis and proposed interventions.

Instructions:

1. **Select an Urban Area:** Choose a specific urban area or neighbourhood that you want to study and understand better. It could be a historic district—anything that offers various urban characteristics.
2. **Initial Observations:** Visit the chosen urban area and spend time observing and documenting its features. Take photographs, make sketches, and note down your initial impressions. Pay attention to elements such as spatial configuration (Linear Organization, Grid Organization etc.), circulation patterns, landmarks, public amenities, green spaces, and documenting human activities and Interviews.
3. **Group Discussion:** Organize a group discussion session with your studio partners/ Team Member. Share your observations, findings, and analysis. Discuss the potential challenges faced by the urban area and the factors contributing to its success or failure.
4. **Final Presentation:** Create a final presentation showcasing your understanding of the urban area. Prepare visual materials, such as posters or digital presentations, to effectively communicate your Understanding.
5. **Reflective Documentation:** Write a reflective document summarizing your journey through this exercise. Discuss the challenges, insights, and lessons learned during the process. Reflect on how your understanding of urban spaces has evolved and expanded.

By engaging in this studio exercise, students will develop a comprehensive understanding of urban spaces, including their design principles, complexities, and potential for improvement. They will learn to understand urban areas critically and further in future can propose design interventions that address the needs of the community and enhance the overall urban experience.
