Day One

Inter-School Workshop on Trends in Technology Enhancements "Data Analysis in Humanities and Social Sciences" was organized by School of Humanities in collaboration with New MoU Partner Shobhit University. As in research, data analysis refers to the process of employing statistical and logical techniques to evaluate and synthesize the data collected. It allows researchers to extract meaningful insights from an unstructured mass of data.

To develop an understanding about how data analysis in humanities and social sciences are utilized and implemented in the digital age as data is the raw material on which discoveries are built to make. For instilling the awareness and basics of Data Analysis in Humanities and Social Sciences" for the students of SOHS KR Mangalam University and the students of Liberal Arts of Shobhit
