SJMC organized PhotoEx'18 on National Press Day

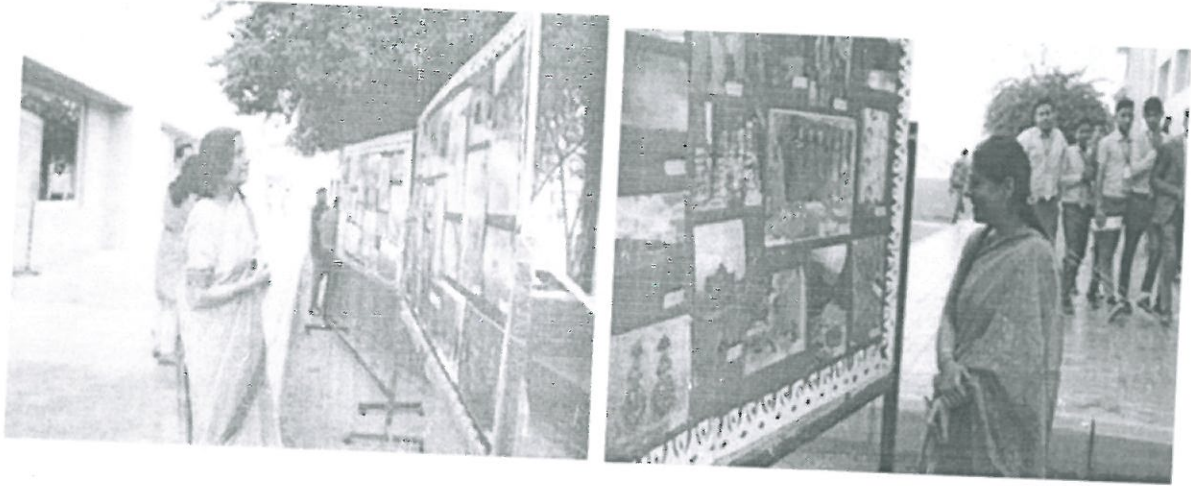

School of Journalism & Mass Communication organized a photography exhibition – PhotoEx'18 on the occasion of National Press Day on 16 November 2018. The theme of the one-day exhibition was Incredible India and 40 students participated in the exhibition. More than 60 photographs from students of different departments were exhibited during the event. The exhibition covered different types of photographs with the motto to cover the main theme of Incredible India which included: Arts, Food, Fashion, Portrait, Wildlife, Architecture, etc. Prof (Dr.) Aditya Malik, Vice-Chancellor, Prof (Dr.) Ashum Gupta, Dean Research & Academic Affairs and Prof (Dr.) Krishan Lal graced the occasion and appreciated the work done by the students in organising the event. The photographs displayed during the exhibition were judged by Prof (Dr.) Arun Garg, Dean, School of Medical and Allied Sciences along with Dr. Diwakar Padalia, Associate Professor, School of Basic and Applied Sciences. Ms. Varsha Saluja, BA(JMC)-III semester secured first position and Mr. Shiva Chadha BA(JMC)-V semester secured second position in the exhibition. The event was coordinated by Ms. Shikha Sharma and Mr. Yash Vats.

**Report on DST Activity conducted in the
School of Basic and Applied Sciences (SBAS)**

Under DST- Entrepreneurship Awareness Camp, three days activity was organized in School of Basic and Applied Sciences from 16.01.19 to 18.01.19. The first day of the camp was devoted to lab activity, which was organized in Chemistry Lab and Engineering Kitchen. Several experiments like determination of milk adulteration, preparation of Aspirin by green method, flame tests, and crystal formation were conducted. All the students of SBAS were participated with great zeal and enthusiasm. The second day of the DST activity was inaugurated by the session CV Raman Chair, Professor Krishan Lal. Around 70 students including faculty from SBAS department were present that day. It was followed by the talk of guest speaker which was held at Moot court. Dr. S.K. Dhawan from CSIR-NPL was invited and his talk was based on "Environmental Pollution: Challenges and Solutions". He pointed out that huge amount of pollution is created by polythene waste. He suggested how the problems related to solid waste such as plastic could be sorted out and plastic could be used for other purposes such as in tiles and road construction. Dr. Dhawan encouraged students to become aware and converse amongst themselves about the urgent need of protection of our environment from various wastes. The third day was associated with the TERI visit of students. In this visit students found the chance to know about renewable solar energy production, Cooling of rooms without air conditioners with the help of air flow under 4m of deep tunnels, tissue culture, biogasifiers and vermicompost. Students had the opportunity to visit the self sustainable organization, which treat their waste water and resuse solid wastes. This three day DST activity session helped SBAS students to brainstorm ways to come up with new solution related with environment and facilitate the eco-friendly condition.

Report on “Confidence Building Session”

8th February 2019

Introduction: The Confidence Building Session aimed to empower participants by providing them with tools, techniques, and strategies to enhance their self-confidence. This report provides an overview of the session's objectives, content, and outcomes.

Key Objectives:

- Help participants understand the importance of self-confidence in personal and professional development.
- Provide practical guidance and exercises to build and boost self-confidence.
- Create a supportive environment for participants to share experiences and learn from one another.

Session Summary: The Confidence Building Session commenced with an introduction highlighting the significance of self-confidence in various aspects of life. Participants were encouraged to reflect on their own levels of confidence and identify areas they wished to improve.

The session covered the following key topics and activities:

- Participants engaged in self-reflection exercises to identify their strengths, weaknesses, and limiting beliefs. This helped them gain a deeper understanding of their self-perception and areas for growth. They learned strategies such as journaling, mindfulness, and seeking feedback to increase their self-awareness and understand their triggers and emotions better.
- Students learned techniques to improve posture, maintain eye contact, and use gestures effectively to project confidence in various situations. Participants were encouraged to set realistic and achievable goals to build confidence gradually.

Outcomes: The Confidence Building Session yielded several positive outcomes, including:

- **Increased Self-Confidence:** Participants reported an improved sense of self-confidence and a greater belief in their abilities after implementing the strategies and techniques learned during the session.
