SHAPES OF STRENGTH

Department of Civil Engineering (SOET) has organized an activity "Shapes of Strength" on 5/9/19 in Workshop (B-Block basement area) for the students of School of Engineering and Technology and School of Basics and Applied Sciences, where students were given a freehand to show their creativity. Students were instructed to create different structures by using basic raw materials like cardboard bricks, wooden sticks, straws and glue provided to them on the spot. Students from different discipline has participated in teams and created various structures like bridges, staircase, house etc. using their imaginative skills. Faculty members has also participated in the event and motivated the students by trying their skills too. Students has fully enjoyed the event and requested the faculties to conduct such type of activities more frequently. The event was co-ordinated by Mr. Rishabh Arora and Mr. Naveen Maheshwari.

Report on Invited Lecture- 'Thinking Out of the Box'

On Feb 20, 2020, School of Basic and Applied Sciences organized a lecture by **Prof. Aditya Malik**, Honorable VC, K.R. Mangalam University. The theme of lecture was **"Thinking Out of the Box"**. Prof. Aditya Malik stressed on the need to create and inculcate a culture of enquiry, investigation, listening and developing a passion for the subject. He quoted that, "Mind is like a parachute and it works best when it is open". It was an interactive lecture wherein 15 faculties and 158 students of SBAS, SOET, TIIE, SMAS and SOMC participated and interacted vehemently. Prof. Malik answered the queries of participants. Students felt exhilarated to listen to such a thought provoking lecture of their Vice-Chancellor.

Report on

“Relevance of Soft Skills”

Date: 7.04.2020

Introduction:

School of Management and Commerce had organized a session on “Relevance of Soft Skills”. The speaker of the session was Dr. Ruchika Yadav, Associate Professor, SOMC. While hard skills demonstrate your experience and technical proficiency to employers, soft skills reveal your capacity for teamwork and career advancement.

Objective:

Soft skills enable you to establish connections and find solutions so you may provide value to a group or organization. Soft talents may help you find new chances and enhance your career. You can do this by highlighting them on your CV, showcasing them at an interview, and improving them at work.

Outcome:

The session was quite enriching as they got to know different soft skills. How can they improve and apply it at their work place and day-to day life. Students are looking forward to such events in the future.
