Subject: Approval to organise **SKIT on drug Abuse on World Pharmacist day 26/9/2022** at Moot court KRMU Campus.

School of Medical and Allied Science of K.R. Mangalam University want to organize a SKIT on drug abuse in collaboration with **IPGASF** on 26th September, 2022 (Monday) at Moot Court KRMU Campus. Faculty Coordinator Mr. Sunil Kumar and Dr. Sucheta

World Pharmacists Day is celebrated on September 25 is a celebration of every pharmacist, pharmaceutical scientist, and others who are part of this field. Four million people are engaged in this profession around the globe. The day is marked by events and activities sponsored by various governmental and non-governmental organizations. Globally, they all have one common goal — to increase awareness about pharmacists and their roles.

Drug abuse is when you use legal or illegal substances in ways you shouldn't. You might take more than the regular dose of pills or use someone else's prescription. You may abuse drugs to feel good, ease stress, or avoid reality. But usually, you're able to change your unhealthy habits or stop using altogether

Submitted for kind approval.
