About the University

The K.R. Mangalam University came into existence by the Haryana Private Universities (Amendment) Act No. 8 of 2013 and opened its gates to all segments of the society under the parasol of K.R. Mangalam group. Currently, the University imparts education from Undergraduate to Ph.D. level in Health Sciences, Engineering, Commerce, Management Sciences, Law, Hotel Management, Physical Sciences, Life Sciences, Media Management and Social Sciences, Agricultural, Architecture & Design, Basic & Applied Sciences, Humanities and associates more courses.

About the School:

The School of Medical & Allied Sciences (SMAS) at K. R. Mangalam University started in 2013 after being approved by the Pharmacy Council of India. The SMAS comprises modular laboratories equipped with state-of-the-art infrastructure and modern amenities. SMAS currently offers D. Pharm, B. Pharm, M. Pharm, and Ph.D. courses in Pharmacy along with a B.P.T. course. The Centre for Education Growth and Research adjudged School of Medical & Allied Sciences as Best Pharmacy College in India in March 2016 at India International Centre, New Delhi. Our school is duly approved by the Pharmacy Council of India. The curriculum is specifically designed to impart the latest knowledge and skills relevant to Pharmaceutical Sciences through classroom pedagogy, industrial visits, training, and guest lectures. B. Pharm programme intends to develop the ability to analyze industry-specific problems and to generate solutions in pharmacy and pharmaceutical applications.

K. R. Mangalam University

K. R. Mangalam University is a State Private University established in 2013 under Haryana Private Universities Act and is empowered to award degrees under section 2f of the UGC Act, 1956. The university is located at wonderful location with magnificent view of Aravalli hills and spread over 26 acres where students breathe in a pollution-free, healthy, and sustainable environment. The University has been striving to fulfil its prime objective of transforming young lives through groundbreaking pedagogy, global collaborations, and world-class infrastructure.

School Of Basic and Applied Sciences

The School of Basic and Applied Sciences at K.R. Mangalam University takes pride in its professional and highly-qualified faculty members, modern infrastructure, technology and resources in the fields of Physics, Chemistry and Mathematics. Implementing the approach of Project Based Learning, our mission is to develop professionals who are committed for excellence in their personal and professional endeavours marching ahead through research and training.

Program offered at the school:

Bachelor of Science (Physics, Chemistry and Mathematics)

Master of Science (Physics, Chemistry and Mathematics)
Doctor of Philosophy (Physics, Chemistry and Mathematics)

Dr. APJ Abdul Kalam Science Club:

The science club was established by the initiative of School of Basic and Applied Science. This society has served as a common platform for students across disciplines to share their experiences and explore new ideas on science and technology. It has encouraged aspiring innovators to put their knowledge into action, enhancing their scientific temperaments and critical thinking. This has been done via the conduction of series of Lectures and screening of science movies for the students. Throughout the academic session, the society has conducted lectures, seminars and workshops to bridge the gap between theoretical learning and its practice.

About the event:

The Sudoku is a puzzle game for students where students need to fill in a 9x9 grid with digits so that each column, row, and 3x3 section contain the numbers between 1 to 9 but any row, column or 3x3 grid should not have more than one of the same number. It doesn't require any calculation or special math skills.

Objective of the event:

The main objective of the event is to enhance the concentration, develop problem solving skills and promote a healthy mindset.

Expected Outcomes:

Being a puzzle game, it engages the brain throughout and develops quick thinking skills. Students feel motivated and positive after accomplishing a difficult puzzle.

Target audience: Any UG/ PG student can participate.

Time and date: 12:00 noon onwards on 23rd February 2022

Venue: Online/Offline

Rules and regulation:

- Only use the numbers from 0 to 9.
- Use each number once in each row, column & grid.
- No overwriting is allowed.
- Individual participation is allowed.
- Every square has to contain a single number.
