ABOUT US

K. R. Mangalam University is a State Private University established under Haryana Private Universities Act and section 2f of the UGC Act, 1956. KR Mangalam University campus is meticulously designed in over 26 acres with magnificent view of Arawali hills. KRMU is stepping towards success in every field of its activities because of the strong leadership provided by the highly renowned academicians and educationists, Chancellor Prof. Dinesh Singh, Vice-Chancellor Prof. Aditya Malik and Pro-Vice Chancellor Prof. Anita Sharma. KRMU through enriched experience, knowledge of on & off-campus resources connect the students with academics and enable them for exploring and critical thinking.

School of Medical & Allied Sciences (SMAS) was established in 2013 to impart undergraduate, postgraduate and doctoral education in the field of Pharmaceutical Sciences. The vision of SMAS is to provide protective, conducive and nurturing environment for teaching, research, creativity and be a role player and the leader in drug research and development. The institute is currently running PCI approved programs: D. Pharmacy, B. Pharmacy and M. Pharmacy (Pharmaceutics and Pharmacology). The School has air-conditioned classrooms, laboratories, and central instrument facility. The School has industrial collaboration with Dabur, Medicament Biotech, Lark, Mankind, and Medanta Medicity.

ABOUT IPGA

Indian Pharmacy Graduates's Association was established in the year 1973, with a mission to improve the professional status of pharmacy graduates and to secure their rightful position in the pharmacy and other allied professions. The Association is affiliated to Indian Pharmaceutical Congress Association (IPCA), the federal body of the five Associations namely IPGA, IPA, IHPA, APTI and AIDCOC. IPGA has got

Income Tax Exemption under section 80G (5) (vi) of the Income Tax Act 1961.

NAME	POSITION in IPGA
Mr. Atul Kumar Nasa	President
Prof. (Dr.) Arun Garg	General Secretary
Prof. (Dr.) Vijay Bhalla	Treasurer

Mission of IPGA:

To improve the professional status of Pharmacy Graduates and to secure their rightful positions in the Pharmacy and other allied Professions.

Vision of IPGA:

Quality Pharmacy Professionals delivering pharmaceutical services for the global health care system.

IPGA is actively involved in ensuring proper education and training for pharmacy graduates and to foster mutually beneficial relation and to inculcate a sense of Professional Ethics.

ABOUT THE CONFERENCE

An online pharmacy is a pharmacy that operates over the internet and sends the orders to customers through the mail or shipping companies. Amongst the many commercial activities that are now flourishing in this environment are NETMEDS, 1MG, PHARMEASY, HealthKart) providing a variety of products (e.g. health and beauty products) as well as prescription drugs. Some pharmacies only dispense drugs with a valid prescription; some provide online consultations for prescribing and dispensing medicines, while there are some which dispense medications without a prescription. Legitimate internet pharmacies offer benefits like eliminating travel to a traditional pharmacy, privacy, 24 hours consultation service, e-mail/SMS alerts for medication, latest information on therapy etc. Regulatory compliance by these companies is big issue which needs lot of debate before Govt. of India brings its

amendment on Drug & Cosmetics Act 1948 for e-pharmacy. This seminar will provide the insight of pros and cons of online pharmacy business in India especially for pharmacy students, businessman in pharmaceuticals and legal advisors. **Through this unique seminar, eminent speakers from industry and regulatory agencies will provide a stage for all emerging pharmaceutical graduates and entrepreneurs' to understand the future prospects of online pharmacy in India and its regulatory requirements.**
