K.R. MANGALAM GROUP LEGACY

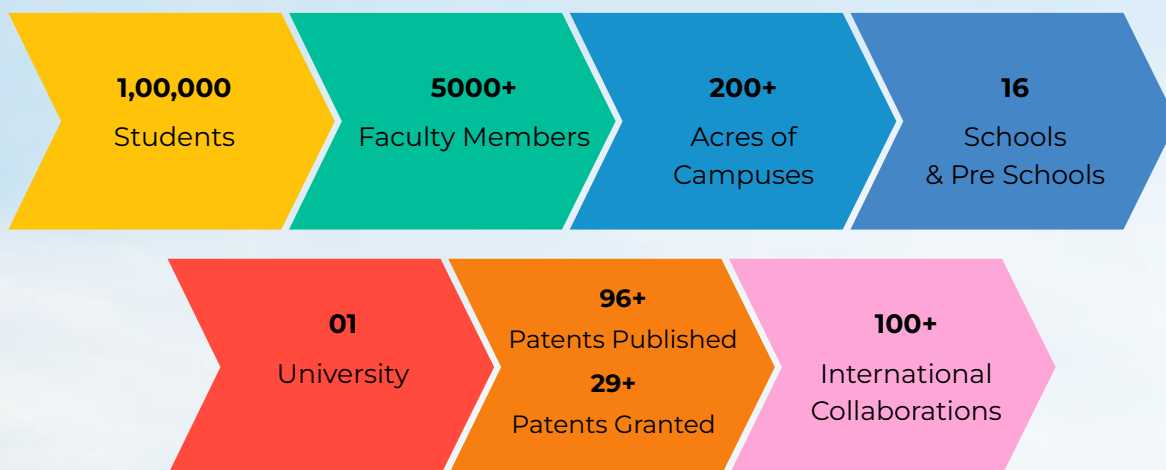

The legacy of the K.R. Mangalam Group is deeply rooted in the belief that "Education is a journey, not a destination." Since its establishment in 2004, the group has been committed to providing quality education that caters to the diverse needs of its student community.

From its humble beginnings with a world-class school in Greater Kailash – II, the group has evolved into a dynamic educational conglomerate with innovative learning setups spanning across various educational levels and geographies.

The Group's foray into higher education with the K.R. Mangalam Institute of Management marked a significant milestone. Within a short span of six years, the institute emerged as one of the leading B-Schools in Delhi, thanks to its renowned faculty, contemporary curriculum, and industry-centric innovation. Today, the institute boasts of thousands of management scholars pursuing undergraduate and postgraduate programmes.

Building upon this success, the K.R. Mangalam Group established the K.R. Mangalam University (KRMU) in 2013 under the Haryana Private Universities Act. This state-of-the-art institution is rapidly gaining recognition as one of the top private universities in India, further solidifying the group's position as a leader in the world of education.

K.R. Mangalam Group at a Glance

WELCOME TO K.R. MANGALAM UNIVERSITY

Established in 2013 under the Haryana Private Universities Act by the esteemed K.R. Mangalam Group, K.R. Mangalam University (KRMU) stands as a beacon of academic excellence. K.R. MANGALAM UNIVERSITY

FORMER VICE CHANCELLOR

UNIVERSITY OF DELHI

Dear Students,

It gives me immense pleasure to introduce K.R. Mangalam University to young, aspiring, and energetic students who wish to craft successful careers for themselves in the corporate world. The world is changing rapidly, necessitating professionals to continually upskill through constant unlearning and relearning. Technologies are evolving at an unprecedented pace, challenging human minds to rise above routine and strive to create new models and designs for businesses and society at large. The challenges posed by intelligent and smart machines are generating jobs that require an intrapreneurial and entrepreneurial mindset in professionals.

Our university, with its rich history and vibrant community, stands as a beacon of knowledge and innovativeness, harnessing the creativity and ingenuity of students. The University is growing

and evolving rapidly to keep pace with the volatility and uncertainty of the world. The diversity and inclusivity catalyzed by the multidisciplinary education ecosystem nurtured in the University provide an unparalleled and unique opportunity for students to explore their potential, channelize their energy, and transform into a much better version of themselves.

The culture of education at the University fosters individual talents in students, thereby creating a productive and proactive workforce for the country. The eco-friendly campus provides a comfortable and enjoyable environment for every member of the University. I extend my best wishes to each and every student and all members of the KRMU family for a successful, fulfilling, and prosperous journey with the University in the times to come.

Best Wishes,

The Central Instrumentation Facility (CIF) housed within the Research and Development Cell (RDC) at K.R. Mangalam University is a premier technical center established at the cost of nearly 1 crore. Equipped with state-of-the-art instruments such as Fourier transform infrared Spectroscopy (FTIR), Thermogravimetric Analysis (TGA), UV Visible Spectrophotometer, and High-Performance Liquid Chromatography (HPLC), among others, the CIF accelerates research activities. Serving as a collaborative platform for interdisciplinary research, it facilitates innovation and exploration across various fields. The facility not only advances technical resources but also provides access to cutting-edge equipment for academic researchers, empowering them to conduct experiments effectively. Directed by Dr. Diwakar Padalia, with Prof. (Dr.) Manoj M. Gadewar as Associate Director (R&D) and Dr. Prabhakar Bhandari as Assistant Director (Operation and Maintenance), the CIF plays a pivotal role in driving scientific research and technological advancements.

TWO INCUBATION IDEAS UNDER THE AEGIS OF KEIC FOUNDATION GOT THE GRANT OF ₹15 LAKHS EACH FROM MSME

Purvi Roy Gupta

Monika Dahiya

We are elated to announce that KRMU - KEIC Foundation has been honored with the esteemed title of Host Institution (Nodal Center) for MSME, in recognition of our dedication to nurturing innovation and entrepreneurship. This acknowledgment underscores our commitment to empowering our community with the tools and resources needed to thrive in the ever-evolving business landscape. Alongside this prestigious title, we are proud to share that two of our incubated ideas have been selected for a grant of Rs. 15 lakhs from MSME.

The first idea, "Revolutionizing Recruitment: Enhancing Candidate Commitment and Mitigating

Offer Shopping" by **Monika Dahiya**, aims to transform the recruitment process by ensuring candidate loyalty and reducing offer shopping tendencies.

The second project, "Cattle Safety Chip - Paushtika" by **Purvi Roy Gupta**, addresses the critical issue of cattle safety with innovative chip technology, promoting the well-being of livestock and enhancing agricultural sustainability.

These remarkable initiatives exemplify the innovative spirit and entrepreneurial drive fostered within our institution, and we look forward to witnessing their impactful contributions to society.

DESIGN THINKING LAB: OUR KEY TO CULTIVATE INNOVATION

A design thinking lab serving as a dynamic hub where the stakeholders come together to explore, innovate, and solve real-world problems using design thinking principles.

KEY ROLES

- **Experiential Learning Environment:** Design Thinking Labs provide students with hands-on experience in applying design thinking methodologies to solve complex problems. Through practical exercises, projects, and workshops, students develop critical thinking, collaboration, and problem-solving skills.
- **Interdisciplinary Collaboration:** Collaboration across disciplines fosters a holistic approach to problem-solving and encourages innovative thinking by incorporating different perspectives.
- **Real-World Problem Solving:** Design Thinking Labs typically engage with real-world challenges posed by industry partners, community organizations, or societal issues. By working on these projects, students gain practical experience and contribute to meaningful solutions that have tangible impact beyond the classroom.
- **Innovation Incubator:** Design Thinking Labs serves as incubators for innovation and entrepreneurship. It provides support and resources for students to develop and prototype new ideas, products, or services, fostering a culture of innovation and creativity.
