K.R. MANGALAM GROUP LEGACY

The legacy of the K.R. Mangalam Group is founded on the belief that “Education is a journey, not a destination.” Since its establishment in 2004, the Group has remained committed to delivering quality education that nurtures curiosity, creativity, and holistic development among students.

Beginning with its first world-class school in Greater Kailash-II, New Delhi, the Group has grown into a leading educational network with institutions spanning multiple levels and disciplines.

The Group’s venture into higher education began with the K.R. Mangalam Institute of Management, which soon gained recognition as one of Delhi’s

leading business schools. With its industry-focused curriculum, distinguished faculty, and strong corporate partnerships, the institute continues to produce accomplished management professionals at both undergraduate and postgraduate levels.

Building on this success, the Group established K.R. Mangalam University (KRMU) in 2013 under the Haryana Private Universities Act. Today, KRMU stands among India’s top private universities, renowned for its modern infrastructure, global collaborations, interdisciplinary learning environment, and commitment to excellence in research and innovation.

WELCOME TO K.R. MANGALAM UNIVERSITY

Established in 2013 under the Haryana Private Universities Act by the esteemed K.R. Mangalam Group, K.R. Mangalam University stands as a symbol of academic excellence. Recognised among India's leading private universities, it continues to strengthen the Group's legacy as a pioneer in quality education.

EMPOWERING EDUCATION

At K.R. Mangalam University, we believe in creating more than infrastructure – we build a culture of excellence and innovation. Our learner-centric approach focuses on enhancing knowledge, skills, and understanding through experiential learning.

HOLISTIC EXPERIENCE

Our vibrant campus offers a complete learning experience that blends academics, cultural activities, and sports. We value diversity and individuality, helping students grow into confident, well-rounded individuals ready to achieve their goals.

INDUSTRY INTEGRATION

Strong collaborations with leading companies and professional bodies ensure our programmes stay relevant and industry aligned. This practical exposure equips students with real-world skills and confidence to excel in their careers.

CAMPUS RECRUITMENT EXCELLENCE

Known for producing industry-ready graduates, K.R. Mangalam University has built a strong reputation for campus placements. Our students are equipped with the knowledge, skills, and values that make them highly sought-after by top employers.

VISION

The panoramic vision includes a strong building and growing of the Consulting Club by utilising the potential of students in attracting top personnel from coveted consulting firms to the campus through awareness, skill-building, and active networking.

MISSION

Our overall mission spans a creation of awareness and generation of interest in the consulting realm among all students who aspire to propel their career in this domain. The forums shall serve as a nucleus to create and maintain long lasting and lucrative relationships with the best and approachable consulting firms. It shall also make all relevant resources available to promote a sense of competency and confidence among the students & support them through every step of the recruitment process at KRMU.

MESSAGE FROM THE HON'BLE CHANCELLOR

Prof (Dr.) Dinesh Singh
K.R. Mangalam University
Former Vice Chancellor
(University of Delhi)

It gives me immense pleasure to introduce K.R. Mangalam University to young, aspiring, and energetic students who wish to craft successful careers for themselves in the corporate world. The world is changing rapidly, necessitating professionals to continually upskill through constant unlearning and relearning. Technologies are evolving at an unprecedented pace, challenging human minds to rise above routine and strive to create new models and designs for businesses and society at large. The challenges posed by intelligent and smart machines are generating jobs that require an intrapreneurial and entrepreneurial mindset in professionals. Our University, with its rich history and vibrant community, stands as a beacon of knowledge and innovativeness, harnessing the creativity and ingenuity of students. The University is growing and evolving rapidly to

keep pace with the volatility and uncertainty of the world. The diversity and inclusivity catalysed by the multidisciplinary education ecosystem nurtured in the University provide an unparalleled and unique opportunity for students to explore their potential, channelise their energy, and transform into a much better version of themselves. The culture of education at the University fosters individual talents in students, thereby creating a productive and proactive workforce for the country.

The eco-friendly campus provides a comfortable and enjoyable environment for every member of the University. I extend my best wishes to each and every student and all the members of the KRMU family for a successful, fulfilling, and prosperous journey with the University in the times to come.

BHARTIYA GYAN VITHIKA

INTRODUCTION

The Indian Knowledge Systems (IKS) initiative at K.R. Mangalam University embodies the University's deep commitment to preserving and propagating India's civilisational wisdom through modern education.

In alignment with the National Education Policy (NEP 2020), KRMU seeks to integrate India's indigenous knowledge, values and scientific traditions across all disciplines - merging the ancient with the contemporary to promote holistic learning, innovation and sustainability.

The University recognises that Indian Knowledge Systems are not confined to history or philosophy; they are living frameworks that continue to shape health sciences, design, ecology, architecture, agriculture, governance and pedagogy.

BHARTIYA GYAN VITHIKA

Celebrating India's Knowledge Legacy

"Preserving the wisdom of the past, empowering the minds of the present and inspiring the visionaries of the future."

Bhartiya Gyan Vithika, an initiative by K.R. Mangalam University, is a unique gallery dedicated to the Indian Knowledge System (IKS). This space bridges ancient wisdom with modern innovation, offering a platform for interdisciplinary learning through thematic exhibitions, expert lectures and workshops.

KEY THEMES INCLUDE

- **Vedic Studies:** Insights into India's spiritual and cultural foundations.
- **Ancient Mathematics:** Problem-solving techniques rooted in history.
- **Ayurveda & Yoga:** Holistic health practices for well-being.
- **Vastushastra:** Architectural harmony and design principles.
- **Astrology (Jyotisha):** Celestial influences and cosmic rhythms.
- **AR/VR Experiences:** Virtual journeys to historical sites.
- **Audio-Visual Zone:** Immerse in vedic chants and philosophical discourses.

VIRASAT MUSEUM & HERITAGE GALLERY

The VIRASAT Museum and Heritage Gallery at K.R. Mangalam University serves as a living repository of India's civilizational wealth and the cultural spirit of Haryana. BENEFITS OF STUDYING IN GURUGRAM : THE MILLENNIUM CITY

Gurugram, often referred to as the Millennium City, has rapidly developed into one of India's leading IT and business hubs. With its modern skyline, home to global corporations and fast-growing start-ups, the city offers a vibrant environment for students pursuing education across diverse disciplines-particularly in Information Technology and related fields.

PROXIMITY TO MAJOR CORPORATES

Gurugram's thriving corporate ecosystem, filled with multinational companies, start-ups, and technology innovators, provides students with exceptional access to internships, live projects, and employment opportunities. This proximity helps bridge the gap between academic learning and real-world experience, ensuring a smooth transition from university to professional life.

VIBRANT CULTURAL AND SOCIAL SCENE

The city's lively cultural landscape features art festivals, workshops, music events, and exhibitions throughout the year. Such an atmosphere not only nurtures creativity but also encourages students to explore new ideas, engage with diverse communities, and develop a well-rounded outlook.

PROXIMITY TO DELHI

Located just a short drive from the national capital, Gurugram benefits from Delhi's vast educational, cultural, and professional resources. Students can easily access Delhi's networking events, research institutions, and heritage attractions, broadening their exposure and learning experience.

EXCELLENT CONNECTIVITY

Gurugram is well connected through major motorways, an efficient metro network, and the Indira Gandhi International Airport Delhi. This robust infrastructure ensures convenient daily commuting and easy travel across the National Capital Region and other parts of India.

HUB FOR TECHNOLOGY AND INNOVATION

Recognised as a fast-growing centre for technology and innovation, Gurugram fosters a culture of entrepreneurship and research. Students benefit from exposure to emerging technologies, innovation labs, and collaborations with industry leaders, giving them a strong advantage in developing future-ready skills.

SCHOOL OF BASIC AND APPLIED SCIENCES

In a realm where conventional science programmes often prioritise theory over application, the School of Basic & Applied Sciences (SBAS) takes a progressive approach. Our emphasis is on hands-on learning, backed by well-equipped Physics, Chemistry, Forensics Science, and Computer laboratories, which ensures that students not only grasp scientific concepts but also put them to practice.

Unlike traditional methods, our graduates are not just theorists but problem solvers ready to address real-world challenges. SBAS fosters innovation, critical thinking, and a practical understanding of science and beyond.

INTERNSHIP AND PLACEMENTS

Discover a world of career prospects collaborating with industry pioneers and governmental bodies dedicated to cutting-edge scientific endeavours and strategic inquiries. Exciting opportunities await to contribute to groundbreaking research and analysis, shaping the future of technology and innovation.

AIMIL

INDUSTRY PARTNERS

The School of Basic & Applied Sciences fosters dynamic partnerships with industry leaders, facilitating invaluable collaboration in research and development. From Biotechnology to Environmental Science, our diverse network of industry partners provides students with real-world insights and opportunities to apply theoretical knowledge in practical settings, enriching their academic journey.

These collaborations serve as a vital bridge between academia and industry, ensuring that students are well-equipped with the skills and experience necessary to thrive in today's competitive scientific landscape. By working alongside professionals on live projects, students gain hands-on experience, learn the latest industry practices, and develop innovative solutions to contemporary scientific challenges. Our faculty members also benefit from these partnerships, engaging in cutting-edge research and co-developing curriculum frameworks that align with evolving industry demands. This synergy leads to a more robust and future-ready academic environment, where learning is deeply integrated with technological advancement and practical application.

Additionally, guest lectures, workshops, internships, and industrial visits are regularly organised to expose students to current trends and future opportunities in their respective fields. These initiatives not only enhance academic learning but also strengthen employability and entrepreneurial potential among students.

At the School of Basic & Applied Sciences, we are committed to nurturing a culture of innovation, critical thinking, and collaboration—empowering our students to emerge as capable scientists, researchers, and industry leaders of tomorrow.

DEAN'S MESSAGE

DR. MEENA BHANDARI

Ph.D., M.Sc. (Organic Chemistry)
Dean, School of Basic & Applied Sciences
K.R. Mangalam University

“Empowering minds, shaping futures. Join us at the School of Basic & Applied Sciences for transformative education and societal impact.”

As the Dean of the School of Basic & Applied Sciences, I am proud to share that since its inception in 2013, the School has consistently upheld a strong tradition of delivering experiential, real-world-oriented education across its undergraduate, postgraduate, and doctoral programmes. The School offers undergraduate postgraduate programmes in Physics, Chemistry, Mathematics, and Forensic Science, along with Ph.D. programmes in Physics, Chemistry, Mathematics, and Forensic Science. Each programme is thoughtfully designed to equip students with strong conceptual foundations, analytical skills, and practical expertise, enabling them to apply their knowledge for societal advancement as well as professional success.

The School is committed to nurturing innovation, ethical values, and transformative leadership by providing a modern, learner-centric, and morally grounded education. Our academic framework emphasises excellence, professional competence, and the ability to address contemporary social, environmental, and technological challenges. Through an inclusive and supportive learning environment, we encourage students to

harness their unique strengths for the greater good of humanity while cultivating a deep sense of social responsibility.

To ensure holistic development, students are actively encouraged to engage in a wide range of enriching experiences, including scientific research and development programmes, industry immersion, forensic laboratory exposure, global collaborations, community outreach initiatives, summer internships, as well as participation in sports and cultural activities. Our highly qualified and accomplished faculty members, with a blend of extensive industry experience and rigorous applied research expertise, play a pivotal role in mentoring students and driving impactful solutions to real-world problems.

I warmly invite aspiring learners, researchers, and professionals to explore our institution further—online or by visiting our campus and become part of a vibrant academic community dedicated to lifelong learning, innovation, and societal impact.

Warm Regards
Dr. Meena Bhandari

AWARDS AND CERTIFICATES

CUTTING-EDGE CURRICULUM & HANDS-ON LEARNING

HANDS-ON LEARNING

SBAS prioritises practical application alongside theoretical understanding. Our well-equipped laboratories in Physics, Chemistry, Forensic Science, and Computer Science facilitate immersive learning experiences, preparing students to tackle real-world scientific challenges with confidence and expertise.

PROBLEM-SOLVING PROWESS

Unlike conventional programmes, SBAS graduates emerge as adept problem solvers. Through fostering innovation and critical thinking, our curriculum empowers students to apply scientific principles to diverse scenarios, equipping them to navigate complexities beyond the classroom.

INNOVATIVE APPROACH

SBAS champions an innovative approach to science education. By bridging theory with practical application, we cultivate a deeper understanding of scientific concepts and their real-world implications, empowering students to drive innovation and positive change in their fields of study.

BEYOND BOUNDARIES

At SBAS, our commitment extends beyond traditional boundaries. Through hands-on learning and problem-solving initiatives, we nurture a new generation of scientists and thinkers who are poised to make meaningful contributions to society and address the challenges of tomorrow.

OUR ADVANCED UNDERGRADUATE PROGRAMMES

INTEGRATED/ DUAL DEGREE B.SC. - M.SC. (FORENSIC SCIENCE)

The Integrated/Dual Degree B.Sc.-M.Sc. Forensic Science provides a structured and seamless academic pathway for students to obtain both undergraduate and postgraduate qualifications in forensic science. The programme combines strong theoretical foundations with extensive practical and laboratory training, enabling students to develop comprehensive expertise in forensic investigation, forensic analysis, and research. Graduates get well-prepared for professional roles in criminal investigation, forensic laboratories, law enforcement agencies, and research organisations.

Programme Duration: 5 Years

Eligibility Criteria: Candidates must have successfully completed 10+2 or an equivalent examination from a recognised board or university in the Science stream (Physics, Chemistry, Biology/Mathematics) with a minimum aggregate of 50% marks.

PH.D. PROGRAMMES

PH.D. IN PHYSICS

The Ph.D. in Physics programme provides immersive research experience for aspiring physicists, delving into cutting-edge theories and experimental methodologies. Students collaborate with renowned faculty, pushing the boundaries of knowledge in fields like Quantum Mechanics, Astrophysics, and Condensed Matter Physics. Graduates emerge as leaders in academia, industry, and research institutions.

Programme Duration: 3 Years (Minimum)

Eligibility Criteria: The candidate should have a postgraduate degree or its equivalent from a recognised University, in a respective discipline, with a minimum of 55% marks or a minimum CGPA of 5.5 on a 10-point scale.

Career Options

- Academic Researcher
- Postdoctoral Researcher
- University Professor
- Industrial Research Scientist
- Data Scientist
- Consulting
- Big Data Analyst

PH.D. IN MATHEMATICS

The Ph.D. in Mathematics programme offers advanced training in mathematical theory, research methodologies, and applications across various fields. Graduates pursue careers as academic researchers, postdoctoral fellows, or industry professionals in areas such as Finance, Data Science, Cryptography, and Theoretical Physics, shaping innovation and problem-solving in diverse sectors.

Programme Duration: 3 Years (Minimum)

Eligibility Criteria: The candidate should have a postgraduate degree or its equivalent from a recognised University, in a respective discipline, with a minimum of 55% marks or a minimum CGPA of 5.5 on a 10-point scale.

Career Options

- Academic Researcher
- University Professor
- Industrial Research Scientist
- Analytical Chemist
- Quality Control / Quality Assurance Specialist
- Regulatory Affairs Specialist

PH.D. IN CHEMISTRY

The Ph.D. in Chemistry equips scholars with advanced expertise in molecular structures, chemical reactions, and analytical techniques. Through rigorous research, they explore innovative solutions to complex scientific challenges, contributing profoundly to fields like Medicine, Materials Science, and Environmental Sustainability.

Programme Duration: 3 Years (Minimum)

Eligibility Criteria: The candidate should have a postgraduate degree or its equivalent from a recognised University, in a respective discipline, with a minimum of 55% marks or a minimum CGPA of 5.5 on a 10-point scale.

Career Options

- Academic Researcher

- Postdoctoral Researcher
- Data Scientist
- Quantitative Analyst
- Material Scientist
- Operations Research Analyst

PH.D. IN FORENSIC SCIENCE

The Ph.D. in Forensic Science provides advanced research training in the scientific analysis of crime and legal investigations. The programme equips scholars with in-depth expertise in forensic chemistry, forensic biology, toxicology, questioned document examination, digital forensics, and crime scene investigation. Through rigorous interdisciplinary research, scholars contribute to the advancement of forensic methodologies, criminal justice systems, and the delivery of scientific evidence for legal proceedings.

Programme Duration: 3 Years (Minimum)

Eligibility Criteria: The candidate should have a postgraduate degree or its equivalent from a recognised University in Forensic Science, Chemistry, Biology, Biotechnology, Physics, or a related discipline, with a minimum of 55% marks or a minimum CGPA of 5.5 on a 10-point scale.

Career Options

- Academic Researcher (Forensic Science)
- University Professor / Faculty Member
- Postdoctoral Researcher
- Forensic Scientist (Government or Private Laboratories)
- Crime Laboratory Analyst

STUDENTS TESTIMONIALS

The entire reason in getting quality education is to transform learning into acquiring, a current circumstance into a superior circumstance, and ability into significant living and K.R. Mangalam University gives you that stage which upgrades you in every above thing.

- HEMA VASHISTHA (M.Sc.)

My transformative journey at K.R. Mangalam University strengthened forensic skills through hands-on learning, advanced labs, supportive faculty, and mentorship shaping my confidence.

ATHIRA BIJU B.Sc. (Hons.) Forensic Science

K.R. Mangalam University opens an infinite amount of possibilities for research work. In KRMU, teachers provide best guidance for our career. Here, Maths becomes interesting because of practical works and different kind of labs related to Maths like MATLAB.

- KABIR CHAUDHARY (B.Sc.)

K.R. Mangalam University boasts a highly supportive and knowledgeable faculty. With top-tier infrastructure, fully equipped laboratories, and a continually updated curriculum, my academic journey was enriched with practical exposure. My time there was immensely valuable, thanks to the expert faculty members who consistently supported my intellectual growth.

- JEETIKA (B. Sc.)

Studying Science at SBAS, K.R. Mangalam University equipped me with critical thinking, problem-solving skills, and a passion for discovery. It's been an enriching journey.

- ABHAY BARWAL (B.Sc.)

It has been a transformative experience at K.R. Mangalam University. The university's emphasizes on experiential learning, practical skills and prepares us for success in the professional world. I am grateful for the invaluable education and unforgettable memories I have gained here.

- MS. CHHAVI (B.Sc.)

HANDS-ON WORKSHOP: SCIENTIFIC VISUALISATION WITH BLENDER

The School of Basic & Applied Sciences (SBAS), in collaboration with the Research & Development Cell (RDC), K.R. Mangalam University, organised an offline hands-on workshop on Scientific Visualisation using Blender on 1st August 2025 at A213, Aryabhata Block, with 37 faculty members and research scholars participating.

The workshop was coordinated and conducted by Dr. Rishi Ranjan Kumar, Assistant Professor, SBAS. The session began with an opening address by Dr. Pawan Kumar, Associate Dean (Research), emphasising the role of visualisation in research communication. Participants received hands-on training in Blender Basics, 3D Modelling, Data Visualisation, and Rendering for scientific applications, along with interactive practice and Q&A sessions.

TRAINING SESSION ON CODE OF CONDUCT FOR STUDENTS

On 25th August 2025, the School of Basic & Applied Sciences, K.R. Mangalam University, Gurugram, organised an offline training session on the Code of Conduct for students in Room B016, Bhaskaracharya Block. Coordinated by Dr. Neeraj Kumari, Assistant Professor (Senior Scale), the session involved 73 students and focused on ethical standards, academic discipline, and responsible conduct.

Aligned with SDG 16 - Peace, Justice, and Strong Institutions, the training highlighted transparency, accountability, and ethical governance. Students were guided on punctuality, respectful behaviour, academic integrity, adherence to rules, and responsible use of campus facilities. The session emphasised cultivating mutual respect, positive attitudes, and a sense of responsibility, encouraging students to view the Code of Conduct as a foundation for personal growth, academic excellence, and professional development.

TRAINING PROGRAMME ON PROFESSIONAL ETHICS FOR STUDENTS

On 25th August 2025, the School of Basic & Applied Sciences, K.R. Mangalam University, Gurugram, organised an offline Training Programme on Professional Ethics in Room B016, Bhaskaracharya Block, led by Prof. Pawan Kumar, Professor, SBAS, with 73 students participating.

Aligned with SDG 4 - Quality Education, the session focused on ethical responsibilities in scientific practice, covering research integrity, accountability, intellectual property rights, and fairness. Through case study discussions, students explored real-life ethical dilemmas, enhancing critical thinking and ethical decision-making. The programme concluded by emphasising the enduring importance of integrity and moral values in academic and professional life.

VISIT TO FORENSIC MEDICINE DEPARTMENT, AIIMS

On 23rd September 2025, the Department of Forensic Science, SBAS, K.R. Mangalam University, Gurugram, organised an extension activity in the form of an educational visit to the Department of Forensic Medicine, AIIMS, New Delhi for 43 B.Sc. Forensic Science (III Semester, Section B) students, coordinated by Dr. Baljeet Yadav and Dr. Saba Rashid. Guided by Dr. A.K. Jaiswal, Senior Scientist, FMT, AIIMS, students observed a live autopsy, gaining firsthand exposure to medico-legal procedures, postmortem protocols, and cause-of-death

determination. An interactive session with forensic professionals further enhanced understanding of medico-legal documentation and the role of forensic pathology in criminal investigations. The visit effectively bridged theory and practice, strengthened professional orientation, and contributed to SDG 4 (Quality Education) and SDG 3 (Good Health and Well-being) by promoting experiential learning and awareness of public health relevance in forensic investigations.

INDUSTRIAL VISIT TO NAT HABIT

On 23rd September 2025, the School of Basic & Applied Sciences, K.R. Mangalam University, Gurugram, organised an offline industrial visit to Nat Habit, for 23 B.Sc. (Hons.) Physics students. Coordinated by Dr. Rishi Ranjan Kumar and Dr. Vicky Kapoor, the visit provided practical exposure to sustainable product manufacturing, industrial processes, and applied sciences in the personal care industry.

Students learned about eco-friendly product formulation, sustainable packaging, and industrial research through interactive sessions with Mr. Gaurav Agarwal, Co-Founder, and Dr. Sumit Khatri, R&D Scientist. They explored production facilities, quality control labs, and engaged in Q&A discussions on sustainability, innovation, and entrepreneurship. The visit enriched students' understanding of real-world applications of applied sciences, fostered

industry-academia connections, and encouraged interest in eco-conscious career pathways.

NATIONAL FORENSIC SCIENCE WEEK 2025- 2 DAY CELEBRATION

From 24th-25th September 2025, the Department of Forensic Science, SBAS, K.R. Mangalam University, Gurugram, celebrated National Forensic Science Week 2025 at the Multipurpose Hall and Moot Court, Aryabhata Block. The two-day event featured expert lectures and intra-university competitions to enhance students' conceptual understanding, practical skills, and awareness of emerging forensic trends. With 187 participants on Day 1 and 157 on Day 2, the event was convened by

Prof. Meena Bhandari, Dean, SBAS, and coordinated by Dr. Komal Yadav with faculty support. Expert sessions covered Forensic Chemistry, Toxicology, DNA Fingerprinting, Digital Forensics, and 3D Laser Scanning for crime scene reconstruction. Activities like poster making, quizzes, and treasure hunts fostered analytical thinking, creativity, and hands-on learning, effectively preparing students for careers in forensic science and related fields.

TRAINING PROGRAMME ON 'PROFESSIONAL ETHICS' FOR TEACHERS AND STAFF

On 27th September 2025, the School of Basic & Applied Sciences, K.R. Mangalam University, Gurugram, organised an offline awareness session on the Code of Conduct for Faculty and Staff at Room B016, Bhaskaracharya Block, with 20 participants.

Led by Prof. (Dr.) Varuna Tyagi, Dean Academics, and coordinated by Dr. Mohabbat Ali and Dr. Yogendra Rajoria, the session-aligned with SDG 4 and SDG 16-focused on professionalism, transparency, accountability, ethical teaching, research integrity, fair assessment, and workplace conduct. The programme reinforced the need for a disciplined, inclusive, and student-friendly academic environment.

EDUCATIONAL VISIT TO FORENSIC SCIENCE LABORATORY, GOVT. OF NCT, DELHI

On 30th October 2025, the School of Basic & Applied Sciences, K.R. Mangalam University, Gurugram, organised an educational visit to the Forensic Science Laboratory near Rohini Court, New Delhi for 15 M.Sc. Forensic Science (1st and 2nd year) students, coordinated by Dr. Shivani Sehgal, Dr. Nisha Rani, and Dr. Mahipal Sankhla. During the visit, students explored key divisions including Questioned Documents, Crime Scene Management, Biology and Serology, and DNA, where experts demonstrated advanced instruments such as ESDA, VSC, Genetic

Analyzer, and RT-PCR, along with DNA extraction techniques and evidence handling protocols. Interaction with forensic professionals provided insights into real casework, standard operating procedures, quality control, and ethical practices, effectively bridging theoretical knowledge with practical application. Aligned with SDG 16: Peace, Justice and Strong Institutions, the visit enhanced students' understanding of the critical role of forensic science in ensuring accurate investigations and strengthening the criminal justice system.

INDUSTRIAL VISIT TO NATIONAL DOPE TESTING LABORATORY

On 4th November 2025, the School of Basic & Applied Sciences, K.R. Mangalam University, Gurugram, organised an industrial visit to the National Dope Testing Laboratory (NDTL), JLN Stadium, New Delhi for 42 B.Sc. Forensic Science students, coordinated by Dr. Shivani Sehgal and Dr. Baljeet Yadav. The visit aimed to provide practical exposure to anti-doping science and advanced analytical technologies such as GC-MS and LC-MS, in line with WADA guidelines. Students were briefed by Dr. Anand Rajan and Dr. P.L. Sahu on NDTL's functions and observed key processes including sample receiving, distribution, and analysis across ITP, LC-MS, GC-MS, and Biology sections. The visit offered valuable insights into sample integrity, quality control, and international testing protocols, enhancing students' understanding of real-world forensic and anti-doping practices while reinforcing the role of science in ensuring fair play in sports.

SEMINAR ON “FOSTERING CONSTITUTIONAL VALUES AND RESPONSIBILITIES AMONG STUDENTS AND EMPLOYEES”

On 4th November 2025, the School of Basic & Applied Sciences, K.R. Mangalam University, organised an offline seminar on “Fostering Constitutional Values and Responsibilities among Students and Employees” at Room B014, B-Block, with participation from 61 attendees (55 students and 6 faculty members). Coordinated by Dr. Rajni Gautam and Dr. Mehak Ahuja, the session was delivered by Prof. (Dr.) Inderpreet Kaur, Associate Dean, School of Legal Studies, who highlighted the core principles, rights, and duties enshrined in the Constitution of India

and their relevance in academic, professional, and social life. Aligned with SDG 4 (Quality Education) and SDG 16 (Peace, Justice and Strong Institutions), the seminar promoted ethical conduct, civic responsibility, equality, and respect for diversity. Through interactive discussions and real-life examples, the session successfully enhanced constitutional awareness and encouraged participants to uphold democratic values and social responsibility.

SEMINAR ON “FOSTERING TOLERANCE AND CULTURAL SENSITIVITY IN HIGHER EDUCATION”

On 4th November 2025, the School of Basic & Applied Sciences, K.R. Mangalam University, organised an offline seminar on “Fostering Tolerance and Cultural Sensitivity in Higher Education” at Room B010, B-Block for 21 SBAS students, coordinated by Dr. Kriti and Dr. Pooja Bansal. The session was delivered by Prof. (Dr.) Anjana Singh, Dean (Student Welfare) and Dean, SOHMT, who highlighted the importance of inclusivity, empathy, and cultural awareness in academic and professional life, particularly in fields like forensic science that demand ethical and unbiased thinking. Through interactive discussions and real-life examples, students gained deeper insights into respectful communication and social responsibility. Aligned with SDG 4 (Quality Education), SDG 10 (Reduced Inequalities), and SDG 16 (Peace, Justice and Strong Institutions), the seminar successfully promoted tolerance, ethical conduct, and inclusive values, contributing to a harmonious

and socially responsible campus environment.

“COMPREHENSIVE ORIENTATION PROGRAMME FOR ENHANCING QUALITY EDUCATION AND STUDENT PREPAREDNESS”

On 14th November 2025, the School of Basic & Applied Sciences, K.R. Mangalam University, organised an offline Academic Orientation Programme at Room B010, B-Block for 47 M.Sc. Forensic Science students, coordinated by Dr. Divyanshi Mangla and Dr. Monika Phougat. The programme aimed to familiarise students with academic expectations, institutional policies, and available support services while easing their transition into advanced learning. Sessions covered academic integrity, study and

time-management skills, digital learning platforms, campus resources, laboratory safety, ethics, and research standards. Through interactive discussions and faculty guidance, students gained clarity on curriculum, assessments, and professional development opportunities. The orientation successfully enhanced student preparedness, confidence, and engagement, laying a strong foundation for quality education, disciplined learning, and holistic academic growth.

INTERNATIONAL CONFERENCE: “NEXT GEN FORENSICS 2025”

The Department of Forensic Science successfully organised its first International Conference, “Next Gen Forensics 2025,” in collaboration with the National Forensic Sciences University (NFSU), an Institute of National Importance under the Ministry of Home Affairs, Government of India, and sponsored by ANRF. The conference received an overwhelming response with 565 registrations, including 185 poster presentations and 235 oral presentations, with participation from more than 50 universities across the country showcasing their research and innovations in forensic science. The event was graced by distinguished guests such as Dr. Anil Agarwal, Principal Secretary, MHA and Principal Director, FSL Delhi; Sh. R. C. Bhidhan, Commissioner, Gurugram Division; Sh. Vinit Kumar, DCP, Cyber Crime, Delhi; Justice Rajeev M., Former Judge, Punjab & Haryana High Court; Prof. Satish Kumar, Campus Director, NFSU Bhopal; Dr. Ajay Soni, Assistant Director, NDPS, Gandhinagar; Dr. Anil, CID Bihar; Dr. Kapil Dev, Joint Director, FSL Ghaziabad; and Heads of Departments from various universities across India. Hon’ble Health Minister of Haryana, Ms. Aarti Rao, also conveyed her best wishes and appreciation for the conference, though she was engaged with the Hon’ble Chief Minister’s visit to

Gurugram during the conference dates (10th-11th November). The conference further witnessed the presence of Prof. Mehraj Uddin Mir, Prof. J. S. Yadav (Dean, SOAS), and Prof. Kaveri, whose insights enriched the proceedings, and the dedicated efforts of the entire Department of Forensic Science, along with the support of the Dean, SBAS, made the conference a remarkable success and a proud milestone for the institution.

INTER-UNIVERSITY EVENT- INNOVATE & INTEGRATE: INTERDISCIPLINARY SCIENCE CHALLENGE

On 14th November 2025, the School of Basic & Applied Sciences, K.R. Mangalam University, successfully organised the inter-university event “Innovate & Integrate: Interdisciplinary Science Challenge” at Bhaskaracharya Block, Room BO14, with 33 registrations and 30 presentations from students of five universities. Coordinated by Dr. Ruby Jindal and Dr. Pooja Vats, the offline competition provided a vibrant platform for showcasing interdisciplinary scientific ideas integrating Physics, Chemistry, Biotechnology, Engineering, and Environmental Science. Aligned with SDG 4 (Quality Education) and SDG 9 (Industry, Innovation & Infrastructure), the event promoted creativity, innovation, critical thinking, and collaborative learning. Projects were evaluated by an expert panel, and outstanding presentations were recognised with prizes, making the event an inspiring and enriching experience

that strengthened inter-university engagement and scientific temperament among students.

CAPACITY DEVELOPMENT PROGRAMME ON THE POWER OF SOFT SKILLS: SHAPING PROFESSIONAL AND PERSONAL EXCELLENCE

From 26th September to 22nd November 2025, the School of Basic & Applied Sciences, K.R. Mangalam University, Gurugram, organised an offline Capacity

Development Programme on Soft Skills titled “The Power of Soft Skills: Shaping Professional and Personal Excellence” for 28 B.Sc. Forensic Science (III Semester) students at Venue B013. Coordinated by Dr. Mehak Ahuja, Dr. Pratibha, Dr. Saba Rashid, and Mr. Nitin Tyagi, the programme was facilitated by Mr. Vijay Purohit, Senior Life Skills Trainer. The initiative focused on developing essential competencies such as communication, teamwork, adaptability, emotional intelligence, leadership, and time management through interactive activities and practical discussions, including prioritisation techniques and team-building exercises. Aligned with SDG 4 (Quality Education), SDG 8 (Decent Work and Economic Growth), and SDG 10 (Reduced Inequalities), the programme enhanced students’ professional readiness, self-awareness, and motivation for holistic personal and career growth.

5-DAY CAPACITY DEVELOPMENT PROGRAMME “AWARENESS ON DIGITAL ANALYSIS AND FORENSIC SCIENCE TECHNOLOGY”

The School of Basic & Applied Sciences, K.R. Mangalam University, Gurugram, organised a five-day offline Capacity Development Programme from 21st to 28th November 2025 at the Bhaskaracharya Block, focusing on digital analysis and forensic science technology, with daily participation ranging from 54-56 students. Convened by Prof. Meena Bhandari and coordinated by the SBAS faculty team, the programme featured expert sessions on Digital Forensics Fundamentals, Crime Scene Documentation, AI and Machine Learning

in Forensics, Research and Innovation, and Future Career Prospects in Forensic Science. Aligned with SDG 4 (Quality Education), SDG 9 (Industry, Innovation and Infrastructure), and SDG 16 (Peace, Justice and Strong Institutions), the programme enhanced students’ technical understanding of cybercrime investigation, digital evidence handling, ethical responsibilities, and emerging forensic technologies, effectively preparing them for real-world forensic challenges and research-driven professional growth.

ORIENTATION SESSION ON QUALITY OF EDUCATION IN COLLABORATION WITH IQAC AND SHIVAJI COLLEGE, UNIVERSITY OF DELHI

On 29th November 2025, the School of Basic & Applied Sciences, K.R. Mangalam University, in collaboration with the Internal Quality Assurance Cell (IQAC) and Shivaji College, University of Delhi, organised an offline Orientation Session on Quality of Education at Bhaskaracharya Block, Room B018 for 22 SBAS faculty members. The session was led by Prof. (Dr.) Tejbir Singh Rana, Vice-Principal and Former Director of IQAC, Shivaji College, and coordinated by Dr. Vicky Kapoor and Dr. Ritika Khatri. Aligned with SDG 4: Quality Education, the

session focused on quality assurance in higher education, NAAC accreditation parameters, the role of IQAC, outcome-based education, and continuous improvement practices. Through expert insights and interactive discussions, the programme enhanced faculty awareness of quality benchmarks, documentation, and innovative teaching-learning strategies, motivating participants to actively contribute to academic excellence and institutional development.

FORENSIC UNDERSTANDING AND SCIENTIFIC EXPLORATION (FUSE 1.0)

The Department of Forensic Science, SBAS, organised FUSE 1.0 from September 26th-27th, 2024, featuring activities like a Poster Making Competition, Digital Logo Design, Treasure Hunt, and Quiz. Highlights included an expert session by Dr. Suminder Kaur on real-life forensic casework. The event concluded with a valedictory session, where winners of various competitions were awarded prizes.

LIBRARY CENTER OF WISDOM

As an integral part of the University, the K.R. Mangalam University Library was established in 2013 to support academic excellence by providing access to a collection of resources, promoting research, enhancing learning opportunities. Its collection is increasing day by day with latest available print and digital resources. The Library is spread over 18500 sq. ft. The Library consists of the following sections:

LIBRARY SECTIONS

- Acquisition Section
- Technical Section
- Processing Section
- Circulation Section
- Periodical Section
- Reference Section
- Digital Section
- Research Section
- User Assistance
- Maintenance Section
- Research Centre
- Archival Section

ONLINE SERVICES: (24X7)

All bibliographic record of books, journals, e-resources of the KRMU Library is accessible through online mode. Students, staff and faculty members can access the entire collection of the Library through the web based Library software. The web based E-Library portal works 24X7 for our students and faculty/ staff members.

LIBRARY RESOURCES

The Library resources consist of the following:

- Print Books
- E-Books
- Print Journals
- E-Journals
- Databases
- IPC Pharma
- Scopus Journals

After completing a Bachelor of Business Administration and Bachelor of Law (Hon.) in 2020, Shanu ventured to Australia College of Applied Profession to pursue a Master of Social Work from 2022 to 2025. His dedication to social welfare reflects the values instilled at K.R. Mangalam University.

Ghanshyam

Ghanshyam's pursuit of a Doctorate in Philosophy in Management reflects his ambition and scholarly dedication. His research endeavors highlight the intellectual rigor fostered at our institution.

Kareena Sethi

With a Bachelor of Arts in Journalism & Mass Communication, Kareena ventured to Sheridan College for a Post-Graduate programme in Human Resource Management (HR) from 2023 to 2023. Her journey exemplifies the versatility and adaptability of our graduates.

Mansi Khanna

Mansi's passion for education led her to La Salle for an Early Childhood Education programme from 2023 to 2025, following her Bachelor's in Elementary Education. Her journey exemplifies our commitment to shaping future leaders in diverse fields.

Rohit

Having graduated in 2020 with a Bachelor of Technology in Computer Science & Engineering, Rohit found his niche in the financial services sector abroad. His success underscores the practical skills and industry insights gained during his time at K.R. Mangalam University.

Neha Sood

Neha's academic journey took her to Conestoga College for a Strategic Global and Business Management programme from 2021 to 2022, complementing her bachelor's in journalism & mass communication. Her global perspective underscores the interdisciplinary approach encouraged at K.R. Mangalam University.

Abhishek Tripathi

Armed with a Bachelor of Technology in Computer Science & Engineering from 2018, Abhishek made a mark in broadcast media. His journey showcases the diverse career paths our graduates can explore.

Tisha

Tisha pursued a Bachelor of Elementary Education and then embarked on a journey to Manipal University Jaipur for a BCA programme from 2021 to 2024. Her pursuit of excellence exemplifies the drive and determination of our graduates.

Siddharth Bhardwaj

Siddharth pursued a Master of Law after completing his Bachelor's degree, delving deeper into the realm of law practice. His academic prowess and commitment to legal excellence embody the values of K.R. Mangalam University.

Tejas

Tejas's academic journey led him to Gannon University, where he pursued a Master's in Science in Mechanical Engineering from 2018 to 2020 after completing his Bachelor's in Mechanical Engineering. His achievements highlight the global opportunities available to our students.

DESIGN THINKING LAB

OUR KEY TO CULTIVATE INNOVATION

The Design Thinking Lab serves as a dynamic hub where stakeholders come together to explore, innovate, and solve real-world problems using design thinking principles.

KEY ROLES

Experiential Learning Environment: Design Thinking Labs provide students with hands-on experience in applying design thinking methodologies to solve complex problems. Through practical exercises, projects, and workshops, students develop critical thinking, collaboration, and problem-solving skills.

Interdisciplinary Collaboration: Collaboration across disciplines fosters a holistic approach to problem-solving and encourages innovative thinking by incorporating different perspectives.

Real-World Problem Solving: Design Thinking Labs typically engage with real-world challenges posed by industry partners, community organizations, or societal issues. By working on these projects, students gain practical experience and contribute to meaningful solutions that have tangible impact beyond the classroom.

Innovation Incubator: Design Thinking Labs serves as incubators for innovation and entrepreneurship. It provides support and resources for students to develop and prototype new ideas, products, or services, fostering a culture of innovation and creativity.
