

**K.R. MANGALAM UNIVERSITY**  
THE COMPLETE WORLD OF EDUCATION

# EXPERIENTIAL LEARNING AT SPRS

**DEAS**  
2.0

## OBJECTIVES

- To bridge the gap between theoretical knowledge and practical application.
- To ensure that students not only understand concepts but can also apply them in real-world scenarios.
- To involve the students directly in the learning process, helping them take ownership of their learning journey.

ON-FIELD TRAINING AT DISABILITY CRICKET TOURNAMENT

## PROCESS

- **ON-FIELD TRAINING:** Students of BPT participate in sports events as a part of the medical team, under supervision of faculty members, promoting a deeper understanding of sports injuries, rehabilitation techniques, and prevention strategies.
- **CLINICAL TRAINING AND INTERNSHIP:** A structured clinical training and internship process ensures competency based skill training involving diverse clinical settings.
- **EXTENSION ACTIVITIES:** Health camps, case studies, visits to old age homes and rural settings enhance real world understanding of social contexts.

## OUTCOMES

- Enhanced skills related to prevention, treatment and rehabilitation.
- Improved clinical knowledge beyond the classroom.
- Increased networking and placement opportunities.
