FIVE DAYS ONLINE CAPACITY BUILDING WORKSHOP

On

**LEADERSHIP IN THE DIGITAL ERA
FOR QUALITY-DRIVEN
UNIVERSITY GOVERNANCE**

07th – 11th April 2026

ACADEMIC & INSTITUTIONAL RELEVANCE OF THE WORKSHOP

In the rapidly evolving landscape of higher education, effective academic and administrative leadership plays a pivotal role in ensuring quality assurance, institutional efficiency, and good governance. This Five-Day Online Capacity Building Workshop is conceptualized as a quality enhancement initiative to strengthen leadership competencies aligned with digital transformation and internal quality assurance frameworks.

The workshop addresses critical aspects of digital governance, decentralized decision-making, e-governance systems, resource optimization, and quality-driven administrative practices, in line with NEP 2020. Through structured sessions, participants will engage in a systematic review of existing governance structures and operational methodologies, enabling them to identify gaps and implement improvement strategies.

By the end of the programme, participants will develop action-oriented governance plans, strengthen their understanding of quality assurance mechanisms, and enhance their capacity to contribute meaningfully to efficient, transparent, and accountable university governance.

ABOUT AIU-AADC

The Association of Indian Universities (AIU) is a premier representative body of the universities and HEIs of India. AADC initiative is a forward-looking program introduced by AIU to strengthen the academic and administrative ecosystem of HEIs.

The centre aims to enhance the professional capacities of faculty and administrative staff in universities and other Higher Educational Institutions. The centre focuses on:

- Training faculty for online/offline/blended teaching learning methodologies.
- Developing e-content and leveraging technology for continuous assessment and evaluation
- Facilitating research collaboration
- Leadership development and institutional effectiveness
- Conducting programs on effective university governance and administration through technological advancements
