## FIVE DAYS ONLINE FACULTY DEVELOPMENT PROGRAMME

On

**QUALITY-DRIVEN CURRICULUM  
DESIGN, DEVELOPMENT  
AND PEDAGOGICAL INNOVATION  
FOR FUTURE-READY HIGHER EDUCATION**

**30 March – 03 April, 2026**

## ACADEMIC & INSTITUTIONAL RELEVANCE OF THE FDP

In the contemporary higher education landscape, curriculum quality and pedagogical innovation are central to ensuring academic relevance, learner engagement, and institutional excellence. This Five-Day Online Faculty Development Programme is conceptualized as a quality enhancement initiative to strengthen faculty competencies in curriculum design, curriculum development, and innovative pedagogical practices.

Aligned with NEP 2020, Outcome-Based Education (OBE), and accreditation quality benchmarks, the FDP emphasizes learner-centric curriculum planning, alignment of learning outcomes with pedagogy and assessment, and continuous review of teaching-learning processes. The programme enables faculty members to critically examine existing curricular structures and pedagogical approaches and redesign them to meet future-ready and outcome-oriented educational goals.

By the end of the FDP, participants will be equipped to design quality-driven curricula, adopt innovative teaching practices, and contribute effectively to institutional quality assurance mechanisms.

## ABOUT AIU-AADC

The Association of Indian Universities (AIU) is a premier representative body of the universities and HEIs of India. AADC initiative is a forward-looking program introduced by AIU to strengthen the academic and administrative ecosystem of HEIs.

The centre aims to enhance the professional capacities of faculty and administrative staff in universities and other Higher Educational Institutions. The centre focuses on:

- Training faculty for online/offline/blended teaching learning methodologies.
- Developing e-content and leveraging technology for continuous assessment and evaluation
- Facilitating research collaboration
- Leadership development and institutional effectiveness
- Conducting programs on effective university governance and administration through technological advancements
