FIVE DAYS ONLINE CAPACITY BUILDING AND TRAINING PROGRAMME

On

**STRENGTHENING KNOWLEDGE DOMAINS,
LIBRARY RESOURCES, AND
ACADEMIC INTEGRITY FOR QUALITY
LEARNING IN HIGHER EDUCATION INSTITUTIONS**

27 April–01 May, 2026

ACADEMIC & INSTITUTIONAL RELEVANCE OF THE PROGRAMME

In the contemporary landscape of higher education, libraries and learning resources serve as the intellectual backbone of academic institutions. With the rapid expansion of digital knowledge ecosystems, there is a growing need to strengthen the capacity of library professionals, faculty, and academic administrators to effectively manage, curate, and utilize knowledge resources.

This Five-Day Capacity Building and Training Programme is designed as a quality enhancement initiative focusing on the transformation of libraries into dynamic knowledge hubs that support teaching, learning, and research. The programme emphasizes knowledge domain expansion, digital resource optimization, academic integrity, and ethical scholarly practices, aligned with NEP 2020, accreditation and quality benchmarks, and global standards.

Participants will engage in critical discussions, hands-on learning, and reflective practices to enhance their competencies in information management, ethical research practices, digital literacy, and quality assurance mechanisms. The programme ultimately aims to strengthen institutional capacity for creating transparent, resource-rich, and ethically grounded learning environments.

ABOUT AIU-AADC

The Association of Indian Universities (AIU) is a premier representative body of the universities and HEIs of India. AADC initiative is a forward-looking program introduced by AIU to strengthen the academic and administrative ecosystem of HEIs.

The centre aims to enhance the professional capacities of faculty and administrative staff in universities and other Higher Educational Institutions. The centre focuses on:

- Training faculty for online/offline/blended teaching learning methodologies.
- Developing e-content and leveraging technology for continuous assessment and evaluation
- Facilitating research collaboration
- Leadership development and institutional effectiveness
- Conducting programs on effective university governance and administration through technological advancements
