Introduction:

Centre of Criminology and Victimology, School of Legal Studies on 13th May, 2024 organized an insightful expert talk to delve into the intricacies of the Bhartiya Nyaya Sanhita, 2023, India's newly introduced penal code. The session featured Advocate Sagar Panghal, who dissected the nuances and implications of this comprehensive legal overhaul.

Objectives:

The objectives of the expert talk were to provide a comprehensive analysis of the Bhartiya Nyaya Sanhita, 2023, highlighting its modernizations and implications, and to discuss the practical challenges and strategies for effective implementation of the new penal code.

Content:

The discussion opened with an overview of the objectives driving the enactment of the Bhartiya Nyaya Sanhita, emphasizing the need for modernization and relevance in a rapidly evolving socio-technological landscape. Advocate Sagar highlighted the expansive definitions and reclassifications of crimes, particularly noting how cybercrimes and digital evidence have been integrated to address contemporary challenges effectively.

A significant portion of the talk was dedicated to the victim-centric approach of the new code, with experts applauding the enhanced provisions for victim compensation and witness protection. They pointed out that these measures would not only provide better support to victims but also encourage greater cooperation from witnesses, which is crucial for the prosecution of crimes.

Prof Mehraj, Chair Professor of the Motilal Nehru Chair, added scholarly insights, enriching the discourse.

The expert talk on Bhartiya Nyaya Sanhita, 2023, highlighted the importance of modernizing India's criminal justice system and underscored the need for extensive training and public education to ensure smooth implementation.

Conclusion:

The session provided students with a thorough understanding of Bhartiya Nyaya Sanhita 2023 and its implications making it a highly educational and enriching experience. In conclusion, the expert talk provided a thorough analysis of the Bhartiya Nyaya Sanhita, 2023, portraying it as a forward-thinking initiative poised to significantly improve India's criminal justice system. The insights shared by the experts underscored the importance of collaborative efforts in ensuring the successful implementation and realization of the benefits envisioned by this landmark legal reform.

Event Outcome:

The expert talk proved highly enriching, deepening participants' understanding of the Bhartiya Nyaya Sanhita, 2023, and its transformative role in shaping India's criminal justice system. Students gained valuable insights into the modernization of legal codes, the integration of technology in law enforcement, and the shift toward a more victim-centered and efficient justice system, equipping them with knowledge essential for future legal professionals.
