Introduction

The School of Management & Commerce organized an engaging alumni interaction session titled Legacy Link: First Batch of KRMU on 1st May 2025. The aim was to connect current MBA students with the pioneers of the University to help them understand varied career journeys. As times have evolved, the significance of such dialogues has increased to prepare students for a dynamic professional environment. The event was also an important step in fostering a sense of community and continuing the legacy of the first batch of K.R. Mangalam University.

Objective

The session aimed to offer practical career guidance to students and help them explore nontraditional career paths. It was intended to inspire students to pursue opportunities that align with their passion and capabilities. The objective also included encouraging thenl to embrace unconventional roles that today's evolving market offers, and to understand how one can carve a successful niche in emerging industries. The session also contributed to SDG 4, which focuses

ensunng Inclusive and equitable quality education and protnoting lifelong learning oppottunittcs for all," Tluvugh intenlcttons with alunitll. students gained insights into real-world applicattons of thew acadenuc leatnings, btidging the gap between theoretical knowledge

and ptactical experience. Such engagenwnts are vital in enhancing the quality of education and a culture of continuous teaming.

Methodology

Conducted online in a casual conversational style, the session enabled students to interact freely with the tvsource persons. The alunmi shared their experiences using storytelling, followed by Q&A sessions. The tnethodology was designed to ensure ease of communication and foster interactive, tvlatable discussions rather than fonnal speeches.

Content

The resource perxons. being part of the first batch, brought nostalgia and practical wisdom to the table. Mr. Istnail Khan shared his experience of becoming a successful food blogger, turning passion into a profession. Mr. Debojyoti Shain highlighted his journey of founding Newmi and explained the challenges and triumphs of being an entrepreneur. Both emphasized the growing importance of flexibility. risk-taking. and personal branding in shaping careers.

Outcome

The session received excellent response from students who were inspired by the speakers' authentic journeys. They asked insightful questions and engaged in discussions even after the session ended. The interaction widened their perspective towards career possibilities and motivated them to think beyond conventional choices.

Conclusion

The event concluded with students expressing keen interest in staying connected with the alumni and seeking further mentorship. The success of the session reinforced the importance of alumni engagements as a means to bridge the gap between academia and industry.
