The School of Hotel Management and Catering Technology (SOHMCT) successfully conducted a Guest Lecture for its new students. Ms. Neha Sharma Yadav, Rooms Division Manager at Pullman Hotel, New Delhi, was the esteemed speaker for the session.

The objectives of the Guest Lecture were to provide students with a comprehensive understanding of what constitutes professional ethics and why it is critical in the hospitality industry. The guest lecture included a dynamic Q&A session where Ms. Neha Sharma Yadav addressed questions related to becoming an entrepreneur in the hotel industry and starting a new hotel or restaurant. She provided valuable insights on essential strategies for aspiring entrepreneurs, including identifying market opportunities, securing funding, and developing a business plan.

The session witnessed active student engagement, with participants actively participating in discussions, posing questions, and reflecting on ethical scenarios. Ms. Yadav fostered an interactive environment, encouraging students to

Methodology: Once the session was done the Q&A session involved a structured approach to ensure a comprehensive and engaging discussion. Preparation began with thorough research on key topics related to hospitality entrepreneurship and management, followed by coordination with Ms. Neha Sharma Yadav to align the content with her expertise.

Outcome: The session successfully met its objectives by enhancing students' understanding of professional ethics and providing practical insights from an industry expert. Students left with a greater appreciation for job opportunities and how to apply them in their future careers of hotel Industry.
