Introduction

The School of Education proudly organized the International Conference on Educational Reforms and Advancements in collaboration with the Council for Teachers Professional Development (CTPD) India on the 28th and 29th of September 2024. This momentous event brought together an array of scholars, educators, and professionals from diverse domains to discuss and deliberate on critical issues and advancements in education. The conference served as a dynamic platform for knowledge sharing, fostering intellectual discourse, and paving the way for innovative solutions to educational challenges in the modern world.

The event commenced with an invocation ceremony, setting the tone for the two-day academic event. The invocation was followed by a warm welcome address delivered by Conference Convenor, Prof. (Dr.) Tania Gupta, Dean of the School of Education and Director IQAC at K.R. Mangalam University, Gurugram. Her address highlighted the conference's vision of bridging gaps in education through meaningful reforms and advancements.

A brief introduction about CTPD was provided by Dr. Sanjay Kumar, President of CTPD, outlining the organization's role in promoting quality education and teacher development. Prof. (Dr.) Satyendra Gupta, Member Trustee of CTPD and Dean of the School of Education at Galgotias University, introduced the objectives and scope of the conference, emphasizing its role in addressing contemporary educational issues.

The conference was graced by the release of the Conference Souvenir, an emblem of the collaborative efforts and scholarly contributions that formed the backbone of the event. This was followed by the keynote address by the Chief Guest, Prof. (Dr.) Berinderjeet Kaur,Emeritus Professor of Mathematics Education, National Institute of Education, Nanyang Technological University, Singapore. Her address laid a strong foundation for the discussions to follow, inspiring attendees with her insights on global educational practices and reforms.

The plenary sessions featured distinguished speakers who shared their expertise on various thematic areas of the conference. Prof. (Dr.) Gopal Krishna Thakur, Dean, School of Education, Director, UGC-MMTTC, MGAHV Head, Department of Education Head, Department of Psychology MGAHV (Central University), Wardha, Maharashtra, spoke on the relevance of Indian Knowledge Systems in educational reforms, while Prof. (Dr.) H.C. Purohit, Dean, School of Management Doon University Dehradun, Uttarakhand emphasized the importance of quality education for holistic learning. Dr. Eugene Kowch Associate Professor in Leadership, Policy and Governance Werklund School of Education, University of Calgary, Chair, University of Calgary Social Sciences and Humanities, Canada highlighted the impact of digital innovation on education reforms, and Dr. Khushvinder Kumar, Principal, Khalsa College of Education Amritsar, Punjab discussed the integration of

research, innovation, technology, and disaster management into sustainable education. Prof. (Dr.) Eman Gaad, Dean of the Faculty of Education at the British University in Dubai, addressed the significance of equitable quality education for lifelong learning.

The conference's thematic tracks provided a structured approach to exploring key areas in education. Track 1 delved into Indian Knowledge Systems, exploring the past and embracing the future. Track 2 focused on quality education for holistic learning, while Track 3 examined the transformative role of online and digital education. Track 4 addressed equitable quality education as a commitment to inclusion, and Track 5 explored sustainable development through the integration of research, innovation, and technology.

On the second day, the valedictory session provided a comprehensive review of the conference proceedings. Reports from the inaugural session and each track were presented, summarizing the key discussions and outcomes. The session included reflections on the event's success in fostering meaningful collaborations and advancing the discourse on educational reforms. The conference concluded with a vote of thanks delivered by Prof. (Dr.) Sanjay Kumar, acknowledging the contributions of speakers, participants, and organizers in making the event a resounding success.

Overall, the International Conference on Educational Reforms and Advancements exemplified a concerted effort to address pressing issues in education through innovative approaches and global collaboration. It reaffirmed the commitment of the School of Education and CTPD to fostering excellence and inclusivity in education, inspiring educators and policymakers to envision and implement transformative changes.

Objectives

1. To provide a platform for researchers, educators, policymakers, and practitioners to share their knowledge, research findings, and best practices in educational reforms.
2. To identify key challenges in education and propose innovative solutions and strategies for educational reform.
3. To showcase innovative approaches, technologies, and methodologies that can enhance teaching, learning, and educational administration.
4. To facilitate networking opportunities to encourage collaboration among participants from diverse backgrounds and regions.

Expected Outcomes

1. Publication of conference proceedings, research papers, and articles in peer-reviewed journals or conference proceedings.

2. Dissemination of best practices and innovative approaches in educational reforms to a global audience.
3. Establishment of new collaborations and partnerships among researchers, educators, policymakers, and practitioners.

Conclusion

The International Conference on Educational Reforms and Advancements, organized by the School of Education, K.R Mangalam University, Gurugram, Haryana in collaboration with the Council for Teachers Professional Development (CTPD) India, was a remarkable convergence of leaders, educators, and professionals dedicated to shaping the future of education. Held on 28-29 September 2024, the conference provided a comprehensive platform for discussing innovative strategies, sustainable practices, and transformative educational approaches.

Across its diverse tracks, the conference explored pivotal themes such as Indian Knowledge Systems, Quality Education for Holistic Learning, Digital Innovation in Education, Equitable Quality Education, and Sustainable Development. Each track featured engaging sessions led by distinguished speakers who shared their expertise, experiences, and forward-thinking perspectives. Through their insights, participants were inspired to reimagine traditional pedagogies and embrace advancements that foster inclusivity, adaptability, and lifelong learning.

The event's success was amplified by the active participation of delegates from various academic institutions, policy-making bodies, and international organizations. The thoughtful deliberations during panel discussions, paper presentations, and interactive Q&A sessions underscored the conference's commitment to driving impactful change in the global educational landscape.

In conclusion, the conference reaffirmed the crucial role of collaborative efforts in addressing the challenges and opportunities in education today. By fostering a spirit of innovation, reflection, and dialogue, it has laid the groundwork for continued advancements in education, ensuring its relevance and resilience in an ever-changing world.
