Introduction:

KR Mangalam University (KRMU), in collaboration with IDP Gurgaon, successfully organized a visit to the International Education Program on 03 February 2025 at Hotel Crowne Plaza, Gurugram. The event aimed to provide students with opportunities for one-on-one counseling with representatives from top universities in Australia and Canada, assisting them in exploring global education prospects.

Objective:

The event aimed to achieve the following objectives:

1. **Provide Information on Global Higher Education Opportunities**
   Offer students direct access to representatives from international universities to explore undergraduate, graduate, and exchange programs**.**
2. **Facilitate Direct Interaction with University Representatives**
   Allow students to ask questions and receive personalized advice about admissions, scholarships, courses, and campus life.

Outcomes:

The event successfully met its key objectives, resulting in:

1. **Improved Decision-Making for Higher Education**
   Students are more informed and confident in making choices about their academic and

career paths based on first-hand information.

2. **Increased Interest in Studying Abroad**
   The fair often sparks new motivation among students to explore education beyond their home country.

International Education Program

The program featured representatives from prestigious institutions who provided insights into academic programs, career pathways, and admission procedures. Students had the chance to interact directly with university officials to address their queries and gather information relevant to their academic aspirations. Prominent universities from Australia included Monash University, Queensland University of Technology, RMIT University, The University of New South Wales, University of Queensland, CQUniversity Australia, University of South Australia, University of Wollongong, and many more. From Canada, universities such as Bow Valley College, Dalhousie University, Durham College, Queen's University, Simon Fraser University, University of Alberta, University of Victoria, and others participated, offering detailed insights into their academic programs.

To facilitate participation, KRMU arranged transportation for all interested students and ensured their comfort by providing refreshments throughout the event. The program witnessed an enthusiastic response from students eager to explore international higher education options.The event was efficiently coordinated by faculty members Amrita Singh, Assistant Professor, SOLS and Shweta Dwivedi, Assistant Professor, SOMC under the esteemed guidance of Dr. Meenakshi Gujral, Director, IR, KRMU. Their dedicated efforts ensured seamless organization and execution of the fair.

Conclusion:

The International Fair proved to be an invaluable experience for students exploring international education options. The overwhelming participation and positive feedback reflected the success of the event.
