Framework Agreement on Cooperation

Concluded on this __ day of 13 Jan 2022 between:

1. **K.R. Mangalam University**, registered address: Sohna Road, Gurgaon, India, 122103, represented by Assoc. Prof. Saurav Dixit, PhD, Director International Collaboration

   And

2. **Bialystok University of Technology**, registered address: 15-351 Białystok, 45A Wiejska St., represented by Assoc. Prof. Marta Kosior-Kazberuk, DSc, PhD, Eng., Rector

   hereinafter referred to as the Parties.

General Provisions of the Agreement

§ 1

Bialystok University of **Technology** and **K.R. Mangalam University** hereby express their intention to cooperate in the field of carrying out jointly research works on those branches and fields of science which both parties are interested in as well as carrying out joint curriculum projects.

§ 2

1. The performance of the provisions of this Agreement on cooperation between both parties in the sphere of science, technology, didactics, methodology and organization shall be based on partner relationships and mutual understanding aimed at providing mutual assistance for the development of international research works as well as implementing new technologies.
2. This cooperation agreement is aimed at the development and promotion of both universities-partners in conformity with either partner's policies, priorities and resources.

Subject of the Agreement on Cooperation

§ 3

The subject of this Agreement is cooperation in the field of modernization, standardization and adjustment of a university curriculum and courses of training to the university's educational requirements as well as in the field of science and technology by carrying out joint research projects and technical expertise, transfer of technologies and management methodology.

Aims of the Agreement on Cooperation

§ 4

The aims of this Agreement shall be achieved by:

1) introducing the pool of author's programs as well as courses/subjects of the field or specialization in which either party takes interest and which extends the facilities for student exchange projects between both universities-partners,
2) consulting the teaching programs with relation to those courses/subjects or issues which both parties are interested in,
3) exchange of academic teachers,
4) student and Phd student mobility,
5) launching joint research projects in the fields described by both parties

in the implementation plan being an annex to this Agreement,
6) joint publications of the results of research projects and calling scientific conferences,
7) teaching and research training,
8) introduction and implementation of joint engineering designs and technical expertise,
9) actions and organizational initiatives for supporting the transfer of technologies and economic thoughts as well as for the development of business,
10) seeking sources of financing teaching, organizational and scientific research activities,
11) preparing employees for getting scientific degrees as well as doctorates and postdoctoral degrees,
12) consultation and training sessions held under this Agreement on cooperation.

§ 5

The parties hereby pledge themselves to:
1) promote and coordinate the initiatives and projects initiated jointly under this Agreement,
2) invite the other Party of this Agreement to participate in a project in case where either party has the opportunity to carry out a project which could be related to the subject and content of this Agreement.

Procedures for the Organization of Researches

§ 6

1. The work tasks specified by the implementation plan shall be performed by teams. The individuals (coordinators) in charge of carrying out a work task shall be appointed upon mutual consent by the parties of the Agreement.
2. This Agreement shall not restrict the parties with regard to carrying out researches in any field of science in liaison with other institutions and organizations interested.

Confidentiality of Information and Results of Effecting the Agreement

§ 7

The parties agree that the information and results concerning their cooperation are confidential to the extent which they find necessary. This shall be provided by prior mutual stipulations written in specific agreements on performing work tasks.

Intellectual Property of Information and Results of Effecting the Agreement

§ 8

1. Each party retains its intellectual property right which the party had prior to signing this Agreement.
2. The intellectual property of any material, information and results of effecting this Agreement shall be agreed in advance by both parties.

Funds and Finance

§ 9

1. The parties will allocate alternative methods of financing their joint undertakings (work tasks, projects)
   1) Each party shall bear full costs of carrying out its part of the work assigned thereto

under the provisions of the plan or schedule agreed.

2) The financing principles shall be agreed upon each time prior to a visit of the other Party. No international transfers of funds will be made under this agreement.

2. The terms of financing the cooperation shall be introduced with consideration of financial, legal and other material and technical resources of each Party.

Time of Validity

§ 10

1) This Agreement is valid for an indefinite period and shall come into effect after its signing.
2) The Agreement may be terminated upon six months` prior written notice.
3) In any case, projects already initiated at the time of the termination of the present Agreement, not prorogued, will be maintained until completion.

§ 11

(1) The Agreement will be governed by Polish law, and in case of doubt of its content, the version drawn up in Polish will prevail.
(2) Any disputes arising from this Agreement will be settled by the court having jurisdiction over the seat of Bialystok University of Technology.
(3) Any changes to the Agreement will be possible only in written form otherwise shall be null and void.

§ 12

All correspondence relating to this Agreement shall be delivered in writing by post or e-mail.

§ 13

1. This Agreement has been drawn out in four copies: two in Polish and two in English languages.
2. Each party receives one copy of the Agreement in Polish and one copy in English.
