Article 2

Both the parties shall endeavor to encourage faculty and staff from both universities to explore possible areas where instruction can be enriched through an electronic forum between classes. The purpose of the electronic forum would be to connect undergraduate or graduate students in Gwalior to students in the Gurugram around a specific course topic, problem, or research project for the purpose of providing students with greater global perspectives on the course content or discipline. Both the university will discuss the mechanism, technicalities of delivering video conferencing, an electronic forum, and/or web-based chat rooms and if the terms and conditions, financial implications are mutually agreed by and between the two universities, an agreement shall be executed between the parties incorporating all the agreed terms and conditions, which will be signed by the designated authorized persons from both the parties.

Article 3

Both the university shall explore the feasibility of developing number of academic curriculum partnerships. These may ultimately be in the form of dual-degree (2X2 or similar configuration), or other creative curriculum partnerships to enrich undergraduate and/or graduate study opportunities.

Article 4

Both the parties will explore the possibility of creating awareness of the undergraduate and graduate programs available at the partner institution, advising students as to the criteria and deadlines for admission, and accordingly assist students with the submission of applications to the graduate programs.

Article 5

Both the parties shall encourage the exchange of faculty and staff from both universities for teaching, professional development, and/or research endeavors; and/or encourage staff to carry out non-residential partnerships to develop academic and scientific research in areas and fields of interest to both parties.

Article 6

Both the parties agree to encourage the offering of short, specialized courses and training sessions in areas needed by both University (for example, through short-term summer "Discovery" Programs hosted on the campus).

Article 7

Both the parties shall encourage student visits from both universities. However before implementing, all procedures, mechanisms to study, the cost and share of both the parties to

implement these visits, terms and conditions including financial implications for the universities if mutually agreed by and between the parties hereto shall be incorporated in an agreement to be executed between the parties.

Article 8

Both the parties will encourage exchanges of ideas, processes and procedures in student life and campus leadership.

Article 9

One liaison officer from each institute will be appointed to follow up the implementation of the agreement and to brief the officials in both universities about progress achieved.

Article 10

Notwithstanding anything to the contrary stated herein, both parties herein agree that before implementing any program/activities under this arrangement, the parties will, negotiate, discuss all the terms and conditions including financial and other implications on both the universities and if both parties mutually agree, the agreed terms and conditions shall be so recorded in writing in an agreement to be executed by and between the parties and shall be signed by the authorized representative of the parties herein.

Article 11

MOU shall become effective on the date it is signed by the parties and shall be valid for three (3) years. Both the parties review the status of the MOU at the end of three year period from the date of commencement to determine any modification, whenever necessary. The period of MOU may be extended by mutual consent up to next two years. This MOU is amended by mutual written consent and agreement and may be terminated at any time by party upon written notification signed by competent authority of the party initiating termination without any financial or legal implication on either side. Such notification must be given to the other party at least six months in advance from the effective date of termination.

Article 12

Any disputes and for controversy arising from the interpretation or application and implementation of this agreement shall be settled amicably through consultation or negotiation by the particles within the spirit of collaboration or otherwise All disputes arising out of or in connection with this agreement shall be referred to the sole arbitration appointed with the consent of the authorized person of both the parties and the award passed by the sole arbitrator shall be final and binding on both the parties. The place of arbitration will be decided with the convenience of both the parties.
