1. SCOPE OF THIS AGREEMENT

The scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

(i) Academic and Research collaboration in the areas of mutual interest. It is expected that this collaboration will in due course lead to collaborative research projects, joint publications, joint workshops and seminars, webinars, guest lectures, etc.

(ii) Cooperation by the parties in the areas of skill-based training, internship and other events or programs for students. There is no financial responsibility for any of the parties to this MOU.

2. RESEARCH COLLABORATION

Faculty and staff from both parties will collaborate in the joint research in disciplines of mutual interest. All such joint research activities will be governed by the terms as given below:

i. Proposals for collaborative research work under this Memorandum will be submitted with the prior approval of the Head of each institution, or his/her nominee.

ii. Each institution will nominate one of its members as its representative in charge of the cooperative programme. Individual programme of work under this Memorandum will be jointly planned and conducted by the nominees of both parties.

iii. The progress of work of any individual programme will be reviewed and approved by designated authorities of both parties.

iv. Neither School of Agricultural Sciences, K.R. Mangalam University nor The Insecticides (India) Limited (IIL) will be held responsible for any liability to the party, and neither party shall be required to purchase any insurance against loss or damage to any property due to activities to which this agreement relates.

v. Every collaboration will have its own agreement / contract which addresses issues such as IPR, funding pattern, usage policies of research facilities, disclosure of information etc.

vi. Every joint publication, joint workshops and seminars, webinars, guest lectures will be conducted, reviewed and approved by designated authorities of both parties.

3. TRAINING AND PLACEMENT

That the parties shall also collaborate for any other purpose concerning education & training of students of the Second Party, which is not covered in this MOU after mutual discussion and on consent of both parties.

i. Insecticides (India) Limited (IIL), will provide internship certification to acknowledge and appreciate the student's work. If required Insecticides (India) Limited (IIL) will support the training and placement of the students of SOAS, KRMU.

ii. Motivational and confidence building Workshops to aspire them to achieve their career goals.

iii. Internship /Rural Agricultural Work Experience (RAWE)/ Agro-Industrial attachment (AIA) Opportunities for Students in the organization.

The selection and nomination of students is open throughout the academic year. The student nomination should be accompanied by

i. Curriculum vitae

ii. Statement of aptitude from a member of the student's school/ faculty.

iii. A specific outline of the programme of study at the host institution and a statement of objectives of the students.

When a nomination is forwarded by the home institution, it is presumed that the sending Institution considers the students suitable for the proposed internship, training and placement and consents to send the students if selected by the host institution.

The host institution will evaluate the nominations and determine their suitability for selection under the Student Internship and Training Programme.

4. COMMENCEMENT, RENEWAL, TERMINATION AND AMENDMENT

This MoU will come into force upon affixing of the signatures of the representatives of the partner institutions and will remain in effect for two (2) years. This MoU may be renewed upon its expiry, with the agreement of both the partner institutions. If either party wishes to terminate the MoU at the end of two years, it must notify the other institution not less than six months prior to the expiry of the MoU.

This MoU or its renewal and the actions taken under it may be reviewed at any time. Modifications may be made by mutual agreement and any amendment or extension to the agreement may be formalized by the exchange of letters between the two parties.
