COLLABORATION FOR *SUPER-30* TIE-UP

Dear Sir/Mam,

Greetings from KLA!

KARAT LAWZ ACADEMY, is a premier institute in Delhi providing coaching classes for UPSC[Law], Judiciary, UGC –NET (Law), CLAT LL.M., CLAT LL.B. etc. The Pillars on which this Institution stands are passion, quality, excellence, dedication and above all integrity towards our students and society at large. What makes this institution particularly distinctive is that it has been established by teachers who have more than 10 years of relevant experience in teaching and who are well qualified in the field of law from reputed universities viz. Delhi University, National Law University, Delhi and Indian Law Institute, New Delhi.

We would like to propose a long-term academic collaboration with your esteemed university/institution. This institution is brainchild of Dr. Nikhil Kashyap and Mr. Uday Singh Rathore who are founding directors of the institution.

We would like to propose a **SUPER 30 TIE-UP** with your esteemed institution.
This advanced course is open to all law students as well as law graduates who intend to practice in courts as well as those who intend to appear in the judiciary examination. The students can apply for this examination. This course tie up has been designed by Dr. Nikhil Kashyap who has completed his PhD from NLU, Delhi and Mr. Uday Singh Rathore who has completed his law from Delhi University.

The SUPER 30 focuses on judicial aspirants who wish to enrol themselves in judiciary coaching but are unable to do so for various reasons. It is an effort to extend the hand of support to the deserving students of your institution by providing them scholarships.

The meritorious students will be selected based on a multiple choice-based law paper which will be focusing on 5 law subjects [Constitution, Family Law, Tort, IPC, and Law of Contract]. The duration of the paper will be for 1.5 hours with ¼ negative marking.

The scholarship will be provided on the basis following criteria:

Rank	Scholarship
Rank 1	100%
Rank 2-30	30%
Rank 31 and above	10%

The top ranker of the eligibility test will get a certificate. This will be going to help the students to understand the competitive examination for judiciary and the students will get motivated by these curricular activities in their college.

Institutional Benefits by SUPER 30:

1. The institution will get an edge in admissions in comparison to the other institutions as your institution can advertise that it provides training for competitive exams with 100% scholarship.
2. If your student is selected as a Judge it will strengthen the alumni base and will also create goodwill for the institution.
3. This tie up will also be beneficial for the international and national ranking of your institution.
4. The institution can look this tie up as an placement opportunity for its students.

We would request the concerned person to arrange a meeting for the discussion on this proposal.

Thanks and Regards
