K.R. Mangalam University and **TerraCods Technologies** are hereinafter referred to individually as "**Party**" and collectively as "**Parties**".

The motive of this MoU is to outline the general terms and conditions of our proposed collaboration, subject to further negotiation and agreement on specific details. The purpose of this MoU is to establish a framework for cooperation between **K.R. Mangalam University** (henceforth called KRMU) and **TerraCods Technologies** (henceforth called TerraCods).

1. SCOPE OF THIS AGREEMENT

The scope of collaboration outlined in this Memorandum of Understanding with TerraCods Technologies includes joint academic and research initiatives with a focus on innovation, digital transformation, and intellectual property development. Key areas of mutual interest include Technical Patent Writing Workshops, Website & Marketing Bootcamps, and Webinars conducted by Industry Experts.

Both parties will also collaborate on skill-based training, internship programs, and a wide range of student-focused events and initiatives, aimed at enhancing practical learning, fostering innovation, and bridging the gap between academia and industry.

2. SCOPE OF COLLABORATION

INTERNSHIP AND TRAINING OPPORTUNITIES AT TERRACODS:

- TerraCods will offer project-based internship opportunities to students from KRMU's School of Engineering and Technology (SOET) for 1-3 months.
- TerraCods will give research projects to the students in online/offline mode to be completed within a time period.
- TerraCods will provide internship certificates to acknowledge and potentially enhance the students' resumes.
- The deserving candidates who perform the tasks given during the entire period will be offered a pre-placement offer (PPO) to join TerraCods as a full-time working employee subject to the vacancy.

3. TERM AND TERMINATION

This MoU shall come into effect upon the date of signing and will remain in force for an initial term of one (1) year, with the possibility of renewal by mutual consent. The MoU can be
