Introduction:

On March 7, 2024, School of Humanities organized an Expert Session on Stock Market Awareness for the students and faculties of SOHS. The event aimed to enhance the financial literacy of students and faculties by providing valuable insights into the functioning of the stock market, investment strategies, and the broader economic implications. Objectives:

- To educate students and faculties about the basics of the stock market. its significance in the economy, and the role it plays in wealth creation.
- The session also aimed to broaden their knowledge base and enhance career prospects in the financial sector.
- To foster a better understanding or market trends, economic indicators, and the impact of global events on stock prices.

Brief Overview

The School of Humanities organized a highly informative Expert Session on Stock Market Awareness for the students and faculty members of SOHS. The primary objective of this session was to provide attendees with a comprehensive understanding of the stock exchange, focusing on its structure, operations, and the various products traded within it. The event was graced by Mr. Amit from Central Depository Services (India) Limited as the esteemed resource person. Mr. Amit, with his vast experience in the financial industry, shared valuable insights and practical knowledge with the participants. The Expert Session covered a wide range of topics related to stock market awareness, including, overview of the stock exchange and its significance in the financial world, understanding the structure and operations of the stock market. He also discussed about various financial instruments and products traded on the stock exchange as well as emphasized on the importance of stock market knowledge in career development and financial decision-making. Following the presentation, an interactive question-and-answer session allowed students and faculties to engage with the expert directly. The event concluded with the felicitation of resource Person Mr. Amit from CDSL by Dr. Neha Jain (Dean, SOHS).

Conclusion:

The expert session on Stock Market Awareness was a resounding success, achieving its goal of enriching the financial knowledge of both students and faculties. The practical insights provided by the expert, coupled with the interactive nature of the session, contributed to a holistic learning experience.
