Event Type: Visit of school students at K.R. Mangalam University

Mode of Activity: Offline

Target Group: School students and KRMU students

Coordinators: Dr Neeraj Kumari and Dr Mina Kumari

Organized by: NSS, K.R. Mangalam University

Participants: 81 School students and 15 NSS volunteers

Under twinning program, students of Govt. Sr. Sec. School, Abheypur visited to K.R. Mangalam University under twinning program. This initiative was part of our ongoing efforts to strengthen the bonds established through the Twinning Program and promote cross-cultural understanding among students. The visit included a well-structured itinerary to maximize the students exposure to various aspects of the university environment. The students were welcomed by event coordinators, Dr Neeraj Kumari and Dr Mina Kumari. Students had the opportunities to observe classes and participate in joint learning activities. The students from both the schools were divided into groups and under the guidance of the event coordinators. Explored various laboratories, including those dedicated to chemistry, physics, pharmacy, agriculture, and computer science. Additionally, they had the opportunity to visit the library. The school students visit under the Twinning Program proved to be a

valuable experience, reinforcing the objectives of the program, and leaving a lasting impact on the participating students. With careful planning and consideration of the identified challenges, future visits can further enhance the effectiveness of the Twinning Program in promoting cultural exchange and collaboration.
