The Students of Legal Studies, in collaboration with District Legal Authority Gurugram and Gurugram University, convened a thought-provoking group discussion centered around the “ Implication of artificial Intelligence (AI) on the Legal Profession.” Resource person Advocate Abhimanyu started this group discussion with introduction of AI and its relevance in legal profession. This intellectual gathering saw active participation from law students spanning all academic years, representing both institutions. The primary object of this discourse was to foster an insightful dialogue concerning the subject matter, culmination in the assimilation of diverse viewpoints, opinions, and perspective regarding AI’s role in the

legal realm. The aim was to gauge public sentiment towards AI-whether it instillation comprehensive or was met with open arms.
