K.R. MANGALAM GROUP LEGACY

The legacy of the K.R. Mangalam Group is founded on the belief that “Education is a journey, not a destination.” Since its establishment in 2004, the Group has remained committed to delivering quality education that nurtures curiosity, creativity, and holistic development among students.

Beginning with its first world-class school in Greater Kailash-II, New Delhi, the Group has grown into a leading educational network with institutions spanning multiple levels and disciplines.

The Group’s venture into higher education began with the K.R. Mangalam Institute of Management, which soon gained recognition as one of Delhi’s

leading business schools. With its industry-focused curriculum, distinguished faculty, and strong corporate partnerships, the institute continues to produce accomplished management professionals at both undergraduate and postgraduate levels.

Building on this success, the Group established K.R. Mangalam University (KRMU) in 2013 under the Haryana Private Universities Act. Today, KRMU stands among India’s top private universities, renowned for its modern infrastructure, global collaborations, interdisciplinary learning environment, and commitment to excellence in research and innovation.

WELCOME TO K.R. MANGALAM UNIVERSITY

Established in 2013 under the Haryana Private Universities Act by the esteemed K.R. Mangalam Group, K.R. Mangalam University stands as a symbol of academic excellence. Recognised among India's leading private universities, it continues to strengthen the Group's legacy as a pioneer in quality education.

EMPOWERING EDUCATION

At K.R. Mangalam University, we believe in creating more than infrastructure – we build a culture of excellence and innovation. Our learner-centric approach focuses on enhancing knowledge, skills, and understanding through experiential learning.

HOLISTIC EXPERIENCE

Our vibrant campus offers a complete learning experience that blends academics, cultural activities, and sports. We value diversity and individuality, helping students grow into confident, well-rounded individuals ready to achieve their goals.

INDUSTRY INTEGRATION

Strong collaborations with leading companies and professional bodies ensure our programmes stay relevant and industry aligned. This practical exposure equips students with real-world skills and confidence to excel in their careers.

CAMPUS RECRUITMENT EXCELLENCE

Known for producing industry-ready graduates, K.R. Mangalam University has built a strong reputation for campus placements. Our students are equipped with the knowledge, skills, and values that make them highly sought-after by top employers.

VISION

The panoramic vision includes a strong building and growing of the Consulting Club by utilising the potential of students in attracting top personnel from coveted consulting firms to the campus through awareness, skill-building, and active networking.

MISSION

Our overall mission spans a creation of awareness and generation of interest in the consulting realm among all students who aspire to propel their career in this domain. The forums shall serve as a nucleus to create and maintain long lasting and lucrative relationships with the best and approachable consulting firms. It shall also make all relevant resources available to promote a sense of competency and confidence among the students & support them through every step of the recruitment process at KRMU.

MESSAGE FROM THE HON'BLE CHAIRMAN

Shri Yash Dev Gupta
K.R. Mangalam University

K.R. Mangalam University places a strong emphasis on comprehensive development and exceptional education through its interactive learning approach and two-way communication process. This dynamic method ensures that students engage actively, making the learning environment sincere, responsive, and enriching.

Our goal is to provide students with state-of-the-art facilities, hands-on learning experiences, and exposure to industry trends, allowing them to hone their potential and develop a constructive, solution-oriented mindset towards life's challenges. The university takes pride in its legacy of nurturing competent professionals across various fields, including engineering, management, pharmacy, and entrepreneurship. Our graduates possess

global perspectives, futuristic thinking, and the ability to adapt to evolving industries. By integrating sustainable development goals (SDGs) into our academic and operational framework, we instil in students the importance of social responsibility and ethical leadership. As the Chairman of the Sponsoring Body and Member of the Governing Body, K.R. Mangalam University, I take immense pride in acknowledging the unwavering dedication of our faculty and staff, who continuously strive to make each academic year a landmark of success. Their commitment to academic excellence, research, and student development ensures that our graduates emerge as leaders, innovators, and changemakers in their respective fields, contributing positively to society and the global economy.

MESSAGE FROM THE HON'BLE CHANCELLOR

Prof (Dr.) Dinesh Singh
K.R. Mangalam University
Former Vice Chancellor
(University of Delhi)

It gives me immense pleasure to introduce K.R. Mangalam University to young, aspiring, and energetic students who wish to craft successful careers for themselves in the corporate world. The world is changing rapidly, necessitating professionals to continually upskill through constant unlearning and relearning. Technologies are evolving at an unprecedented pace, challenging human minds to rise above routine and strive to create new models and designs for businesses and society at large. The challenges posed by intelligent and smart machines are generating jobs that require an intrapreneurial and entrepreneurial mindset in professionals. Our University, with its rich history and vibrant community, stands as a beacon of knowledge and innovativeness, harnessing the creativity and ingenuity of students. The University is growing and evolving rapidly to

keep pace with the volatility and uncertainty of the world. The diversity and inclusivity catalysed by the multidisciplinary education ecosystem nurtured in the University provide an unparalleled and unique opportunity for students to explore their potential, channelise their energy, and transform into a much better version of themselves. The culture of education at the University fosters individual talents in students, thereby creating a productive and proactive workforce for the country.

The eco-friendly campus provides a comfortable and enjoyable environment for every member of the University. I extend my best wishes to each and every student and all the members of the KRMU family for a successful, fulfilling, and prosperous journey with the University in the times to come.

MESSAGE FROM THE HON'BLE PRO-CHANCELLOR

Shri Abhishek Gupta

BENEFITS OF STUDYING IN GURUGRAM : THE MILLENNIUM CITY

Gurugram, often referred to as the Millennium City, has rapidly developed into one of India's leading IT and business hubs. With its modern skyline, home to global corporations and fast-growing start-ups, the city offers a vibrant environment for students pursuing education across diverse disciplines-particularly in Information Technology and related fields.

PROXIMITY TO MAJOR CORPORATES

Gurugram's thriving corporate ecosystem, filled with multinational companies, start-ups, and technology innovators, provides students with exceptional access to internships, live projects, and employment opportunities. This proximity helps bridge the gap between academic learning and real-world experience, ensuring a smooth transition from university to professional life.

VIBRANT CULTURAL AND SOCIAL SCENE

The city's lively cultural landscape features art festivals, workshops, music events, and exhibitions throughout the year. Such an atmosphere not only nurtures creativity but also encourages students to explore new ideas, engage with diverse communities, and develop a well-rounded outlook.

PROXIMITY TO DELHI

Located just a short drive from the national capital, Gurugram benefits from Delhi's vast educational, cultural, and professional resources. Students can easily access Delhi's networking events, research institutions, and heritage attractions, broadening their exposure and learning experience.

EXCELLENT CONNECTIVITY

Gurugram is well connected through major motorways, an efficient metro network, and the Indira Gandhi International Airport Delhi. This robust infrastructure ensures convenient daily commuting and easy travel across the National Capital Region and other parts of India.

HUB FOR TECHNOLOGY AND INNOVATION

Recognised as a fast-growing centre for technology and innovation, Gurugram fosters a culture of entrepreneurship and research. Students benefit from exposure to emerging technologies, innovation labs, and collaborations with industry leaders, giving them a strong advantage in developing future-ready skills.

SCHOOL OF MEDICAL & ALLIED SCIENCES

The School of Medical and Allied Sciences (SMAS) offers Diploma, Undergraduate, Postgraduate, and Doctoral programmes across various healthcare disciplines. With esteemed faculty and cutting-edge facilities, we nurture future healthcare practitioners, emphasising knowledge, skills, and ethical principles to elevate global healthcare standards. SMAS is dedicated to comprehensive education and training.

INTERNSHIP AND PLACEMENTS

Committed to exceptional service in the field of Medical Science, SMAS graduates attain profound scientific knowledge. They contribute significantly to leading pharmaceutical firms, applying their expertise to advance medical research and innovation. With a focus on excellence, SMAS nurtures skilled professionals who drive progress in healthcare globally.

INDUSTRY PARTNERS

At SMAS, industry collaborations are integral to our mission of promoting excellence in pharmaceutical education and research. Through strategic partnerships with industry leaders, government agencies, and healthcare institutions, we facilitate cutting-edge research initiatives that address pressing health challenges and enhance patient care outcomes. These collaborations provide invaluable opportunities for our students to engage in real-world projects, gaining practical experience and industry insights.

ALUMNI TESTIMONIALS

Gaurav Kaushik

"Thank you, SMAS, for empowering me to pursue my passion, realise my potential, and make a positive impact on the world. My alma mater will always hold a special place in my heart, and I am honoured to be part of the SMAS family. One of the most remarkable aspects of SMAS is its faculty. These dedicated educators not only impart knowledge but also inspire and challenge students to think critically and creatively."

Nidhi Bansal

"My B.Pharm career has been illuminating because it has skillfully combined theoretical knowledge with practical experience. The well-thought-out course and my committed lecturers gave me a strong foundation in pharmaceutical sciences. I became more technically proficient and more confident that I wanted to succeed in the fast-paced pharmacy sector thanks to my practical experience in the lab or internship."

Deepak Aggarwal

"My time at SMAS was nothing short of transformative. As an alumni, I look back on my years at the School of Medical & Allied Sciences with immense gratitude and fondness. SMAS provided not only a solid academic foundation but also a nurturing environment for personal and professional growth."

Ashwani Yadav

"As I reflect on my journey from a wide-eyed freshman to a confident graduate, I am grateful for the invaluable lessons, lifelong friendships, and countless memories that SMAS has bestowed upon me. The school not only equipped me with the knowledge and skills needed to thrive in today's competitive landscape but also instilled in me a passion for continuous learning and growth. I am proud to be an alumni of SMAS and will carry the lessons learned here with me throughout my professional journey."

Chander Singh

"My experience with B.Pharm has opened my eyes." At school, we covered technical aspects of drug development and pharmacology, but we also stressed the ethical obligations associated with practicing pharmacy. Patient care exposure throughout our internships demonstrated our role in the healthcare industry. With this program, I hope to improve people's lives by putting all I've learned to use."

Ms. Kanishka Bhandari

"Looking back on my incredible journey at SMAS, I have immense gratitude for the experiences that have shaped me both personally and professionally. From the very first day, I was welcomed into a vibrant community that encouraged curiosity, resilience, and excellence. The guidance of inspiring mentors, the support of my peers, and the opportunities to grow have left an indelible mark on me."

Hardik Madaan

"I am deeply grateful to SMAS for shaping my journey with care, inspiration, and purpose. The learning environment encouraged me to explore new opportunities and grow both personally and professionally. What truly sets SMAS apart is its incredible faculty-mentors who sparked my curiosity, supported my dreams, and helped me become the best version of myself. Being a part of the SMAS community is an honour that I will always cherish."

Nikita

"The sense of community at SMAS was unparalleled. From day one, I felt like I was part of a close-knit family where everyone was invested in each other's success. Whether it was collaborating on projects, participating in extracurricular activities, or simply sharing ideas in class, I was constantly inspired by my peers and motivated to push my boundaries."

UNDERSTANDING ALZHEIMER'S DISEASE IN COMMUNITIES

Alzheimer's, the most common dementia type, affects memory, thinking, and behaviour. Early diagnosis is crucial. The SMAS with collaboration of NSS, conducted an awareness programme in a nearby village, emphasising early detection and prevention of Alzheimer's.

CELEBRATED 5TH NATIONAL PHARMACOVIGILANCE WEEK 2025

The School of Medical and Allied Sciences, organised the 5th National Pharmacovigilance Week 2025 under the theme “Your Safety, Just a Click Away: Report to PvPI.” The initiative focused on creating

awareness about drug safety, ADR reporting, and responsible healthcare practices. The programme reinforced the role of pharmacy students in promoting medication safety and vigilance.

INDUSTRIAL TOUR CONDUCTED BY SMAS TO AKUMS DRUGS & PHARMACEUTICAL, HARIDWAR

The School of Medical and Allied Sciences (SMAS), organised an Industrial cum Pleasure Tour, combining academic learning with recreation. Students visited Akums Drugs & Pharmaceuticals, a

leading multinational pharmaceutical company, and gained exposure to pharmaceutical manufacturing, quality control, and industry practices.

OBSERVANCE OF NCSAM 2025 – CHETNA SERIES LECTURE ON CYBER SECURITY AWARENESS

The School of Medical and Allied Sciences organised a Chetna Series Lecture on Cyber Security Awareness under National Cyber Security Awareness Month (NCSAM) 2025. The session enhanced students' understanding

of cybersecurity, data protection, and ethical practices in healthcare and pharmaceuticals. Expert talks highlighted real-world cyber incidents and reinforced responsible technology use aligned with SDGs.

EAST OR WEST INDIA IS THE BEST (TO COMMEMORATE ETHNICITY AMONG STUDENTS)

Students emphasised diversity related to the cuisine and attires of India and understood the nutritional value of regional food items of various states scientifically and the significance of using them in their food chart.

SUCCESS STORIES OF WOMEN IN SCIENCES

Women are the minority gender in world research. Despite similar work profiles, hard work, and innovative minds, women get minimum recognition for their work as compared to their male counterparts. At KRMU, we encourage youth to have a broader mindset towards gender inequality and make posters for awareness of gender equality.

CONGREGATION 2023 - ALUMNI SESSION FOR STUDENTS

An alumni meeting is a networking event conceived to exchange experiences and share ideas with students, faculties, and staff.

PRECONCEPTION SCREENING-SENSITISATION DRIVE ON OVER-THE-COUNTER DRUGS

Over-the-Counter (OTC) drugs are medicines that are sold directly to consumers without the requirement for a prescription by Medical Practitioners. This activity helped in creating awareness related to OTC medications and related drug abuse among people. The people were able to understand the relevance of OTC drugs with their effects and associated side effects. The people were able to understand the difference between Prescription drugs and OTC drugs, drugs leading to addiction and other side effects such as anxiety, stress, drowsiness etc. This sensitisation drive will surely culminate the cases of OTC drug abuse and cases of self-medication by creating awareness among the people. The students also benefitted by learning the methodology of spreading medical awareness among the general public through such drives.

IPR AWARENESS PROGRAMME NATIONAL INTELLECTUAL PROPERTY AWARENESS MISSION (NIPAM)

The National Intellectual Property Awareness Mission (NIPAM) for pharmacy students is a specialised initiative aimed at raising awareness about intellectual property rights (IPR) within the pharmacy education sector in India. This mission targets pharmacy students specifically, recognising their role as future professionals in the pharmaceutical industry and the importance of understanding intellectual property laws and regulations in this field.

MISSION SHAKTI CAMPAIGN ON MENSTRUAL SANITATION

The Mission Shakti Campaign on Menstrual Sanitation is an initiative aimed at empowering women and addressing menstrual hygiene and sanitation challenges in India. The campaign would work to improve access to affordable and hygienic menstrual products, such as sanitary pads or menstrual cups, especially in rural and marginalised communities where access may be limited. Providing teachers, and community leaders on menstrual hygiene management (MHM) to enable them to effectively promote good menstrual hygiene practices and provide support and guidance to women and girls. This could include training on proper hygiene practices, menstrual health education, and the use and disposal of menstrual products.

ICT IN TEACHING LEARNING

K.R. Mangalam University provides cutting-edge ICT facilities to enhance learning and collaboration. Smart classrooms feature integrates advanced ICT tools to create a modern and efficient learning environment. Smart classrooms are equipped with interactive boards and projectors, enabling engaging teaching sessions. Computer labs feature high-speed internet and essential software, supporting students in research and practical work. Virtual classrooms through platforms like Zoom and Microsoft Teams facilitate real-time interactions and remote learning. The ERP system streamlines academic management, from attendance tracking to fee payments, while the Learning Management System (LMS) provides centralised access to course materials, assignments, and discussions. Together, these tools ensure a seamless, tech-driven learning experience tailored to students' needs.

VISIT TO PARK HOSPITAL

The visit offered students practical insights into the pharmacist's role in healthcare, focusing on medication management, patient safety, and collaboration with doctors and nurses. Students observed pharmacists in drug distribution, medication review, and patient counselling, gaining a deeper understanding of their critical role in healthcare and enhancing their readiness for future careers.

SEMINAR ON CAREER GUIDANCE CYNOSURE

Awareness among the students and faculties is the utmost move for providing a better career option available within the Pharma sector and amalgamated areas of Biomedical sciences. This seminar helps the students to understand the role of Pharma in various fields of interdisciplinary sciences & research.

HEALTH CHECK-UP CAMP

The School of Medical and Allied Sciences, organised *“Health Plus: Monitoring Wellness in Our Neighborhood”* in the Daulha District Gurugram, Haryana. The Health Check-up camp provided free health assessments and consultations to villagers, focusing on blood glucose levels and general health. Medical professionals offered personalised advice on managing health conditions and promoting healthier lifestyles. The initiative aimed to educate the community, raise awareness about diabetes, and foster ongoing health dialogues, demonstrating the university’s commitment to addressing healthcare disparities at the grassroots level.

CODE OF CONDUCT FOR STUDENT

The Code of Conduct for pharmacy students is built around providing the highest quality care to patients while maintaining professional integrity. Pharmacists must ensure accurate dispensing of medications and offer clear, helpful counselling, always respecting patient confidentiality. It’s crucial to be honest and transparent in all professional interactions and to continually update knowledge to stay updated with medical advancements. Collaboration with healthcare teams should be respectful and focused on patient well-being. Pharmacists are responsible for making ethical decisions, taking accountability for their actions, and advocating for responsible medication use. Upholding these standards ensures trust in the profession and promotes better patient outcomes.

INTERNATIONAL ENGAGEMENTS

STUDENTS STUDYING & WORKING ABROAD

At K.R. Mangalam University, we take pride in nurturing talent that transcends boundaries. Our commitment to excellence extends beyond the classroom, empowering students to pursue opportunities worldwide. Here are some shining examples of our alumni who are making waves internationally:

Shanu Lamba

After completing a Bachelor of Business Administration and Bachelor of Law (Hon.) in 2020, Shanu ventured to Australia College of Applied Profession to pursue a Master of Social Work from 2022 to 2025. His dedication to social welfare reflects the values instilled at K.R. Mangalam University.

Ghanshyam

Ghanshyam's pursuit of a Doctorate in Philosophy in Management reflects his ambition and scholarly dedication. His research endeavors highlight the intellectual rigor fostered at our institution.

Kareena Sethi

With a Bachelor of Arts in Journalism & Mass Communication, Kareena ventured to Sheridan College for a Post-Graduate programme in Human Resource Management (HR) from 2023 to 2023. Her journey exemplifies the versatility and adaptability of our graduates.

Mansi Khanna

Mansi's passion for education led her to La Salle for an Early Childhood Education programme from 2023 to 2025, following her Bachelor's in Elementary Education. Her journey exemplifies our commitment to shaping future leaders in diverse fields.

Rohit

Having graduated in 2020 with a Bachelor of Technology in Computer Science & Engineering, Rohit found his niche in the financial services sector abroad. His success underscores the practical skills and industry insights gained during his time at K.R. Mangalam University.

Neha Sood

Neha's academic journey took her to Conestoga College for a Strategic Global and Business Management programme from 2021 to 2022, complementing her bachelor's in journalism & mass communication. Her global perspective underscores the interdisciplinary approach encouraged at K.R. Mangalam University.

Abhishek Tripathi

Armed with a Bachelor of Technology in Computer Science & Engineering from 2018, Abhishek made a mark in broadcast media. His journey showcases the diverse career paths our graduates can explore.

Tisha

Tisha pursued a Bachelor of Elementary Education and then embarked on a journey to Manipal University Jaipur for a BCA programme from 2021 to 2024. Her pursuit of excellence exemplifies the drive and determination of our graduates.

Siddharth Bhardwaj

Siddharth pursued a Master of Law after completing his Bachelor's degree, delving deeper into the realm of law practice. His academic prowess and commitment to legal excellence embody the values of K.R. Mangalam University.

Tejas

Tejas's academic journey led him to Gannon University, where he pursued a Master's in Science in Mechanical Engineering from 2018 to 2020 after completing his Bachelor's in Mechanical Engineering. His achievements highlight the global opportunities available to our students.

LIFE@KRMU

Our campus is a thriving ground for a plethora of clubs, societies, and extracurricular activities, catering to a wide range of interests. Whether it's sports, cultural events, tech fests, or academic societies, students have ample opportunities to explore, engage, and excel beyond the classroom. This diverse environment ensures that every student finds their niche, fostering a community where passions are pursued and talents are nurtured.

DESIGN THINKING LAB

OUR KEY TO CULTIVATE INNOVATION

The Design Thinking Lab serves as a dynamic hub where stakeholders come together to explore, innovate, and solve real-world problems using design thinking principles.

KEY ROLES

Experiential Learning Environment: Design Thinking Labs provide students with hands-on experience in applying design thinking methodologies to solve complex problems. Through practical exercises, projects, and workshops, students develop critical thinking, collaboration, and problem-solving skills.

Interdisciplinary Collaboration: Collaboration across disciplines fosters a holistic approach to problem-solving and encourages innovative thinking by incorporating different perspectives.

Real-World Problem Solving: Design Thinking Labs typically engage with real-world challenges posed by industry partners, community organizations, or societal issues. By working on these projects, students gain practical experience and contribute to meaningful solutions that have tangible impact beyond the classroom.

Innovation Incubator: Design Thinking Labs serves as incubators for innovation and entrepreneurship. It provides support and resources for students to develop and prototype new ideas, products, or services, fostering a culture of innovation and creativity.
