2x5

PART-B

Q.2 Compare and contrast the causes and consequences of World War I and World War II. How did these conflicts shape the international order in the 20th century?

OR

Examine the process of decolonisation and the emergence of the Third World in the post-World War II era. What were the key challenges faced by newly independent states?

[CO-2][L-3] **10**

Q.3 Analyse the structure and functions of the United Nations General Assembly and Security Council. To what extent have these organs been effective in addressing global challenges since their inception?

OR

[CO-3] [L-4] **10**

Critically assess the impact of the Cold War on international relations. How did it affect global politics, economics, and the development of the Third World?

Q.4 Evaluate the role of international economic organizations such as the IMF, World Bank, and WTO in shaping the global economic order. How have these institutions evolved to address contemporary economic challenges?

OR

[CO-4] [L-5] **10**

Assess the achievements and limitations of regional organisations like SAARC, ASEAN, and the EU in promoting cooperation and addressing regional issues. Which factors contribute to their success or failure?

Q.5 Develop a comprehensive framework for analysing the impact of globalisation on international relations in the 21st century. Consider its effects on state sovereignty, economic interdependence, and cultural exchange. Propose strategies for addressing the challenges posed by globalisation while maximising its benefits.

OR

[CO-4] [L-6] **10**

Create a detailed proposal for reforming the United Nations to make it more effective in addressing 21st-century global challenges. Your proposal should consider issues of representation, decision-making processes, and the organisation's role in maintaining international peace and security. Justify your recommendations with reference to current debates in international relations.
