Introduction

The National Service Scheme (NSS) Unit of K. R. Mangalam University facilitated an educational visit under the Inter State Youth Exchange Programme (ISYEP) organized by MY Bharat, District Gurugram during February 2026. The programme is conducted under the guidance of the Ministry of Youth Affairs & Sports, Government of India with the objective of promoting national integration, cultural exchange, and mutual learning among youth from different states. The visit provided an opportunity for youth participants from Jammu & Kashmir and Himachal Pradesh to explore the academic environment and infrastructure of K. R. Mangalam University.

The participants interacted with faculty members and students, gaining insights into higher education opportunities, academic programmes, and student development initiatives. The activity aligns with SDG 4 (Quality Education) by promoting access to educational opportunities and SDG 17 (Partnerships for the Goals) by fostering collaboration between educational institutions and youth development organizations.

Objectives

- To provide exposure to higher education institutions and academic infrastructure.
- To promote interaction between youth from different states and university students.
- To encourage exchange of ideas, culture, and experiences among participants.
- To strengthen the spirit of national integration and youth engagement.

Content

During the visit, youth participants were welcomed by Dr. Neeraj Kumari, NSS Program Coordinator. The participants were introduced to the vision and academic ecosystem of K. R. Mangalam University. They were briefed about various academic programmes, research facilities, and opportunities available for students in different disciplines.

The participants were also taken on a guided tour of the university campus, where they observed modern academic infrastructure, laboratories of SECMC, SOHMCT, SBAS, SMAS, SPRS, and library facilities. NSS volunteers actively interacted with the visiting youth, sharing their experiences related to academic life, community engagement, and participation in various social initiatives.

The visit helped participants understand the importance of higher education, innovation, and leadership in nation building while strengthening bonds among youth from different regions of the country.

Conclusion

The educational visit under the Inter State Youth Exchange Programme (ISYEP) proved to be an enriching experience for all participants. It provided valuable exposure to the academic environment of K. R. Mangalam University and encouraged youth to explore opportunities in higher education and skill development.

Event Outcomes

- Enhanced awareness among youth about higher education opportunities and career pathways.
- Strengthened cultural exchange and interaction among participants from different states.

- Promoted the values of national integration and unity among youth.
- Encouraged students to pursue education and contribute towards nation building.
