Bharat Ratna Shri Pranab Mukherjee, Former President of India conferred degrees to the former students in the Second Convocation of K.R. Mangalam University, Gurugram held at Jawaharlal Nehru Stadium, New Delhi on 23rd November, 2019.

The other dignitaries present on the occasion were Prof. (Dr.) Dinesh Singh, Chancellor, Shri Yash Dev Gupta, Chairman, Members of the Governing Body, Board of Management, Finance Committee and Academic Council. Prof. (Dr.) Aditya Malik, Vice Chancellor, steered the Convocation ceremony.

Padma Shri Prof. Dinesh Singh, Chancellor, welcomed the Chief Guest and congratulated the graduands. He said "I hope that the education imparted to you at this prestigious institution will help you not only in your career but will also make you a responsible citizen of India".

During the Convocation Address Hon'ble Chief Guest Shri Pranab Mukherjee said, "It is good to know that K.R. Mangalam University imparts quality education in diverse fields of study providing students with exquisite experiences through knowledge, collaboration and partnership." He stressed on the importance of research in academia and said "Research and Innovation are the keystones for widening the country's production potential. Our Future growth will result not so much from the utilization of our resources with existing technology than from its better usage though more advanced technology."

Prof. Aditya Malik, Vice Chancellor, congratulated the graduands and said "Our teaching is organized in a manner so that learners are

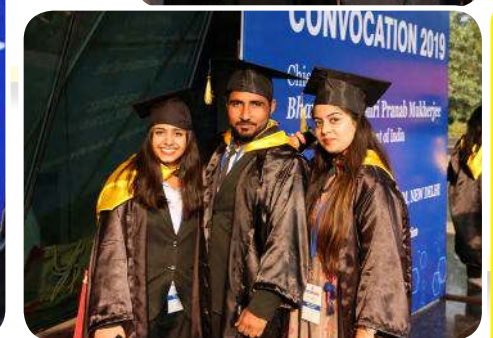

immersed in experiences within which they may engage in meaningful enquiry, research, action, imagination, creation, discovery, collaboration, theorizing and personal reflection. We provide a teaching and learning environment that gives students an opportunity to design their own degree and choose a specialization which suits their own interests."

Eight Hundred and Twenty students received degrees during Convocation 2019. In total, 362 students were from 2018 and 458 were from 2019 batch. This number includes 698 undergraduates, 76 postgraduates, 5 Doctoral degrees and 41 diplomas.

Around 29 student toppers of 2018 and 2019 Batch with more than 8.5 CGPA in their respective streams were bestowed with gold medals by the former President.

The graduating students took an oath to strive to be honest and responsible individuals. It was a day of pride and contentment for the management, faculty, staff and parents. A day to cherish and celebrate. The ceremony concluded with the National Anthem.

# 550th PRAKASH PARV GURU NANAK DEV JAYANTI CELEBRATION

K.R. Mangalam University organized Shabad Kirtan and Sukhmani Sahib ji Ka Path in celebration of 550th birth anniversary year of Shri Guru Nanak Dev Ji on 30th July, 2019. A soulful kirtan environment was created to sought the blessings of Guru ji.

Preachers from Gurudwara also chanted Gurubani Shabad Kirtan to bless the Gurmat samagam comprising of Vice Chancellor, Pro-Vice chancellor, Deans of various schools and staff members of KRMU. The saropa was presented to the Granthi Sahib by Registrar and Vice Chancellor. The whole environment became peaceful, with divine recital of verses from the Holy Guru Granth Sahib filling the air with spirituality and peace. The ceremony was followed by ardaas and kada parshad to gurusangat.

School of Journalism and Mass Communication under 'Creative World' screened a film 'Nanak Shah Fakir' on 24th September 2019. The screening was one of the programmes organized in the series of events to celebrate 550th Birth anniversary of Shri Guru Nanak Dev Ji.

The film was projected for the students of various disciplines and around 40 students from School of Journalism and Mass Communication, School of Fashion and School of Education were present in the film screening. The film is narrated through the voice of the Guru's friend, disciple, and companion, Mardana, a Muslim fakir. The film follows the life of the Guru from his birth, to his travels across land and sea, while spreading his message of "Ek Onkar" (the belief that there is one God). Life Space Club organized Poster making Session on the Theme: Principles & Values of Mahatma Gandhi on 19th September 2019. School of Basic and Applied Sciences students participated in this activity with great zeal. The activity was organised by Dr. Romila Manchanda (SBAS) and Dr. Ruchika Yadav (SOMC) and coordinated by SBAS faculty members. Students followed the theme of the competition and draw beautiful posters with some value messages of Mahatma Gandhi. Following are the glimpses of activity: School of Medical and Allied Sciences and School of Basic and Applied Sciences celebrated Gurupurab on 7th November, 2019. A power point presentation narrating the life history and

teachings of Guru Ji were jointly presented by Mr Banatpreet Singh and Mr Dhruv, B.Pharmacy first Semester. This was followed by MOOL MANTRA recitation by Ms Bhavya and Ms Palak of the same year. Mr Prakhar, a student from SJMC recited poetry thanking parents and teachers for being an eternal support to their children and students. Ms Aarushi, B.Pharmacy first Semester beautifully concluded the event by once again highlighting Guru Ji's preaching.

## Winners of the poster presentation

First Prize: Amita, Laveena, Komal and Aakash, D.Pharmacy 2nd Year  
Second Prize: Gopal, B.Pharm 1st Semester.

Third Prize: Mamta, Swati and Ambika, B.Pharm 1st Semester.

## Welcoming the new students at KRMU Orientation 2019

“Students welfare leads to Nations Welfare” said Prof. Dinesh Singh, Chancellor, KRMU on the 7th Orientation ceremony’ on 17th August, 2019. The University welcomed the new entrants and parents who were excited and enthusiastic to be part of K.R. Mangalam family in the new

academic session.

The ceremony began with lamp lighting by the dignitaries including Mr. Rahul Gupta, Chairman K.R. Mangalam University, Padma Shri awardee Prof. Dinesh Singh, Chancellor, Prof. Aditya Malik, Vice Chancellor, Prof. Krishan Lal, C. V. Raman Chair Professor of Physics, Prof. Anita Sharma, Pro-Vice Chancellor, Prof. Ashum Gupta, Dean Research and Academic Affairs, Registrar and Deans of various schools.

Prof. Aditya Malik, Vice Chancellor, KRMU addressed the young minds who had doubts in choosing the right career paths and the merits of selecting this young university that is open to innovation and creativity. He also highlighted the achievements of the University and gave

an overview of its various schools, courses offered, academic system, examination system, various committees. He quoted that how young mind deserves new learning, that will empower them and give them the freedom to design their future.

Prof. Dinesh Singh, Chancellor, KRMU expressed his gratitude to the young aspirants who were going to start their new innings with KRMU and highlighted that the business of education never ends what is important is to gain education for empowerment."

# KRMU eDude Fest 2019

K.R. Mangalam University, Gurugram organized eDude Fest from 14th to 18th October, 2019. Around six hundred students from Summer Fields School, K.R. Mangalam World School, Vikas Puri, New Delhi, K.R. Mangalam World School, Vaishali, K.R. Mangalam World School, Gurugram, ACME International School, Sohna, Bluebells Model School, Sector-4, Bluebells Model School, Sector-10, Global Public School, Aravalli, K.R. Mangalam World School, Greater Kailash, and D.A.V Public School, Gurugram participated in the fest.

Day one began with the welcome address by Padma Shri Prof. Dinesh Singh, Chancellor, KRMU. He welcomed the budding professionals who were very excited to be part of the eDude Fest. He stressed on the importance of having a goal in one's life. He mentioned that goal achievement requires a committed, concentrated and consistent work ethic to turn dreams to reality. Prof. Aditya Malik, Vice-Chancellor, KRMU in his address he informed the students about plethora of career opportunities offered at K.R. Mangalam University. Students were briefed about how KRMU is in the process of redefining education. He discussed about various programmes and the new initiatives, The Institute for Inventions, Innovations and Entrepreneurship (TIIE) as well as different career options students can aspire for.

On first day around 80 students from K.R. Mangalam World School, Vikas Puri, New Delhi participated in various competitions of the fest offered under the four themes: Innovation in science and Technology, Sustainable Trash, Quantum Thinking and Imagined Realities in the Digital World.

Under Sustainable Trash competitions like Trash to Twinkle, Welcome Waste: Arch Installation, Waste to Wealth were organized. Digital Story Telling, Kindling the Kindle, Whatsapping for a Cause were organized under Imagined

Realities in the Digital World. Under Innovation in Science and Technology activities such as Robotics (Control to the motion of a robot), Online quiz/Gaming and 3D printer and crystal growth in Engineering kitchen were organized. Debate Competition on "Climate Change is less important than Development" under Quantum thinking was also organized. During the visit students explored the campus including laboratories, studios, audio-visual labs, moot court and other infrastructural facilities at K.R. Mangalam University.

On second day Prof. S. G. Badrinath, Chairperson of the Center for Capital Markets and Risk Management at IIM Bangalore addressed the students. Around 120 students from K.R. Mangalam World School, Vaishali, K.R. Mangalam World School, Gurugram and ACME International School, Sohna visited the university.

Mr. Vinod Sood, Managing Director, Board Member, Advisor & Mentor to Startups, Hughes Systique Corporation was the key speaker on third day along with Ms. Anamika, well known hindi poet and novelist. 120 students from Bluebells Model School, Sector 4, Bluebells Model School, sector 10 and Global Public School, Aravalli participated in the fest.

Prof. Krishan Lal, C V Raman Chair Professor of Physics and Prof. Sumanyu Sathpathy, Professor of Eminence, School of Humanities addressed the students on fourth day of the eDude Fest 2019. Total 320 students from D.A.V Public School, Summer fields School, K.R. Mangalam World School, Greater Kailash participated in the fest.

It was an innovative learning experience for the students of various schools. Besides the enriching talks, the fest provided an amazing platform for young minds to showcase their creativity.

# Commemoration of 150th Birth Anniversary of Mahatma Gandhi at K R Mangalam University

Life Space Club, KRMU, School of Fashion and School of Basic and Applied Sciences celebrated 150th Birth Anniversary of the Father of the Nation, Mahatma Gandhi from 19th September to 1st October 2019.

In the same context, students prepared posters on “Principles and Values of Mahatma Gandhi” on 19th September 2019. The activity was organised by Dr. Romila Manchanda and Dr Ruchika Yadav and coordinated by SBAS faculty members. Students followed the theme of the competition and created beautiful posters with some value messages of Mahatma Gandhi.

A skit based on the life history & learnings from Gandhiji’s Life was played by the students from different schools of our University on 1st October, 2019 in the University premises. Students enacted different life phases & played different roles related to Gandhiji’s Life. A session on spinning the Charkha & Bhajans was followed by Skit.

SOFD organized Khadi event on 24th September and 1st October 2019. Khadi is a hand spun, hand-woven natural fiber cloth originating from India. It is also known as khaddar. The concept of khadi was invented by Mahatma Gandhi. It is eco-

friendly cotton and the fiber is biodegradable which played an important element for the freedom of India. The aim of this event was to create the awareness amongst the youth to understand the importance of khadi and how it can be rediscovered in a trendy new way. It explored creative talent in the students and gave them an opportunity to show case their talent.

## TEACHERS' DAY CELEBRATION @KRMU

*Everyone who remembers his own education remembers teachers, not methods and techniques. The teacher is the heart of the educational system. — Sidney Hook*

The students of School of Journalism and Mass Communication celebrated Teacher's day with great zeal. The students organized games and fun activities for the faculty members to make their day more special. The event started with Lakshita BA(JMC), III semester welcoming all the teachers with a greeting card and Sarvleen, BA(JMC), III semester hosted the entire show while Devanshi and Deeksha threw light on the importance of Teacher's day.

The I semester students of BA(JMC) Shruti, Shubham, Himanshi, Gagan and Karamjeet enthralled the audience with their excellent dance performances and Sahil made the event even more mesmerizing with his melodious voice. Prakhar, I semester, BA(JMC) took the show to another level by reciting the poems and quotes written by him on teachers. The programme concluded with students and faculty members sharing their experiences with each other.

School of Medical and Allied Sciences celebrated Teacher's Day with a great fervour and zeal. The day began with showering of greetings from students and blessings as a reciprocal from teachers. Dean, SMAS, Prof. Arun Garg addressed the students and revelled in the company of fellow teachers, taking pride in his role as a mentor. To add to the celebrations, SMAS was blessed to have Prof. R.K. Khar as the guest of honour. An interactive open house session was arranged, and Prof Khar enlightened everybody with his words of wisdom. He insisted on overall personality development and requested the students to work upon it on an everyday basis. Prof. Khar said that along with academics, physical fitness and communication skills go a long way in achieving success in all the endeavours of life. The Teacher's day celebration was followed by a get-together of teachers. Thereafter,

play.

The students had organized fun games for the teachers which were thoroughly enjoyed and appreciated. The programme concluded with cake cutting ceremony. The programmed was coordinated by Ms. Manju Kundu, faculty SOED.

School of Management & Commerce celebrated Teacher's Day on 5th September, 2019 at the University Campus. Students came out with some wonderful activities for their teachers like tongue twister, title for the teachers, singing performance etc. Management Students worked hard to make the programme successful for the faculty members of the school. The faculty members thoroughly enjoyed the event and recognised efforts made by the students.

## Awareness Programme on Sexual Harassment at workplace

### Gender Sensitization Awareness Programme: ICC

Internal Complaints Committee in association with School of Legal Studies and School of Management & Commerce organized a Gender Sensitization Programme at KRMU on 30th October, 2019 to create awareness amongst students.

Dr. Kaveri Sharma, Member of the

Internal Complaints Committee (ICC), KRMU delivered a lecture covering issues related to Sexual Harassment viz. the definition, composition of the Committee, their powers, procedure to be followed and the action that can be taken against the wrongdoers.

She shared precautions one should take to avoid such situations by quoting matters that have been reported in the past. The students were also asked to visit the official website of KRMU which has all the relevant information regarding the Committee.

'Violence against women negatively impacts society, hampers gender equality and constricts the social and economic development of the country'. In view of this Internal Complaint Committee of K.R. Mangalam University organized an awareness programme on Sexual Harassment at workplace for all the members of housekeeping staffs, bus drivers, conductors and security guards on 10th December, 2019.

Prof. (Dr.) Kiran Bala, Chairperson, ICC KRMU greeted the entire staff and stated about the requirement of conducting such sensitization programme among all. She mentioned the procedures of ICC and its functioning after following the proper stratagems and the fatal consequences which resulted if someone is ignoring the instruction directed by ICC in the due process of inquiry.

Dr. Kaveri Sharma, Member, ICC stated about the programme and its operation in a nutshell. She mentioned about the legal rights of men and women, their duties and responsibilities towards society. The Sexual harassment constitutes a gross violation of women's right to equality and dignity. It has its roots in patriarchy and its attendant perception that men are superior to women and that some forms of violence against women are acceptable. She also said to stay cautious while using mobile phone and any other electronic devices.

### Nurturing Gender Sensitization through Awareness

"Educational Institutes can play an important role in inculcating gender sensitivity in etiquettes and manners of the students. It is necessary to create a gender responsive set-up in the society for the academic, social and physical growth of students", said Prof Kiran Bala, Presiding Officer, Internal Complaints

Committee, while conducting a workshop on Gender Sensitisation in K R Mangalam University on 23 October, 2019. The workshop was conducted for the students of School of Journalism and Mass Communication, School of Fashion, School of Education and School of Humanities.

The objective of the workshop was to create awareness amongst the students about gender roles, their rights and Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. More than 100 students attended the workshop.

Women and men are often restricted to particular roles in our society depending on the gender. It is high time that one should create awareness among students, especially boys, about gender sensitisation to tackle beliefs which pertain to gender bias. The session was coordinated by Dr Sheelpa Sweety, Assistant Professor, SOHS and Ms. Shikha Sharma, Assistant Professor, SJMC.

## MoU with Pranab Mukherjee Foundation

Pranab Mukherjee Foundation and K.R. Mangalam University signed a memorandum of understanding to work in a collaborative manner while addressing the local issues affecting the community.

The MoU was signed between Vice Chancellor of the University, Prof. Aditya Malik and Managing Director of Pranab Mukherjee Foundation, Mrs. Omita Paul. The MoU shall be valid for a period of two years. The objective of this MoU is to facilitate coordination, collaboration and cooperation between these two esteemed organizations for the purposes outlined below:

The University in collaboration with the Pranab Mukherjee Foundation will be developing the curriculum & special modules on Sustainable Agricultural Practices including Organic Farming under B.Sc. (Hons.) Agriculture Degree Program. With an aim to encourage and to promote healthy food habits in local community, the School of Hotel Management will regularly organise 'EAT RIGHT CAMPAIGN' in assistance with PMF.

PMF will help and facilitate the building and development of "Smart Ashram" at KRMU Campus. PMF & KRMU collaboratively will acquaint the students with the use of alternative medicine and aid in promoting the concept and use of these medicines in the neighbouring villages through its Wellness centres.

KRMU will set up an Innovation Lab at the university campus which will be used as a Pharmacy & Herbal Innovation Laboratory. PMF will provide opportunities to students from the disciplines of Agriculture, Law, Psychology, Pharmacy, Hotel Management, Economics and Marketing to work as interns under its Internship Program.

PRANAB MUKHERJEE FOUNDATION is working towards finding innovative and lasting solutions that address critical challenges affecting communities in India and other developing countries. The Foundation is bringing together national and international advisors and practitioners, academicians, policy makers and public servants together to address these issues.

K.R. Mangalam University is also opening new frontiers in the domains of Teaching and Learning, with a view to promote and involve all the stakeholders towards holistic development of its students. Keeping this in mind, KRMU faculty and students along with different partners of the Foundation will plan effective approaches, identify existing delivery systems and develop new processes that will accomplish quick and responsive implementation of policies in the field of agriculture, pharmacy, management, hotel management etc.

## E-Yantra Robotics Lab @KRMU

A new e-Yantra Robotics Lab in collaboration with IIT Bombay, Ministry of Human Resources Development (MHRD) by Government of India has been set up and inaugurated on 30th July, 2019 at K.R. Mangalam University, Gurugram.

The inaugural function started with the lamp lighting ceremony by Prof. Aditya Malik, Vice Chancellor, Prof. Anita Sharma, Pro-Vice Chancellor and eminent scientist CV Raman Chair Prof. Krishan Lal.

Prof. Malik inaugurated the lab by ribbon cutting ceremony and opening

the signage of "e-Yantra Lab". He addressed the audience on the need of e-Yantra Robotics Lab; an initiative taken by the KRMU. He shared his vision on creating sustainable ecosystems in which students are made to think, 'play' with the robots, be able to execute projects and enhance their entrepreneurial skills in embedded systems and Robotics. He also appreciated the faculty members from e-yantra team for achieving grand success while conquering all the challenges in a stipulated time frame. He distributed robotics kits and certificates on attaining Grade A to Ms. Puja Acharya, Ms. Charu Singh, Dr. Rajni Gautam and Dr. Ajay Kumar. KRMU achieved 4th Rank in India with cash awards. The e-Yantra encourages hands-on projects through "Project Based Learning methodology" and to help students in implementing applications

on the robot in a step-by-step manner, guiding them through the various steps in the project implementation life cycle. Professor Kavi Arya from IIT Bombay who is the Principal Investigator for the e-Yantra project concluded the ceremony and said "The e-Yantra, project was born out of IIT-Bombay Computer Science teaching practice uses a homegrown robot to train students and teachers in Project Based Learning and motivates students through National e-Yantra Robotics Competition (eYRC) to grow and promote an ecosystem by setting up infrastructure and training for teachers in colleges, universities and neighboring countries like Bhutan through the e-Yantra Lab Setup Initiative (eLSI), and crafting centers of innovation to encourage interdisciplinary skills and hands on training".

## Orientation of Doctoral students - 2019

Orientation and registration program for Ph.D. research scholars for the Batch 2019 was organized on 14th September 2019. After the registration process, newly admitted batch of twenty six students along with school research committee members attended the Orientation Program.

Dr. Meena Bhandari, Chairperson, Ph.D. Monitoring Committee extended warm welcome to research scholars and introduced leadership team comprising of Prof. Aditya Malik, Vice Chancellor, Prof. Anita Sharma, Pro Vice Chancellor, Prof. Krishan Lal C.V. Raman Chair Prof of Physics, Prof. Sumanyu Satpathy Professor of Eminence at the University and Gp. Capt. P. Mahajan, Registrar.

Prof Aditya Malik, Vice Chancellor, welcomed 2019 batch research scholars and congratulated them for choosing K. R. Mangalam University for pursuing their Ph.D. degree. He stressed on the fact that research scholars must work diligently and meticulously to achieve their research goals as research is a tedious process. He motivated them by narrating his own experiences as research scholar. He emphasized on the fact that supervisor and research scholar relationship is very beautiful, and it continues for life. The research scholars must work hard with perseverance, consistency, patience to accomplish their objective.

Dr. Dilraj Preet Kaur, Member, PhD Monitoring Committee coordinated the session.

## ALUMNI MEET @KRMU

Alumni Welfare Association Cell in collaboration with Training & Placement Cell organized first Alumni Meet on 12th October, 2019 at K.R. Mangalam University. Alumni from different schools made their presence with great zeal and zest.

The Chief Guest Mr. Pushkar Bajpayee and the alumni inaugurated the meet with lighting of auspicious lamp and Saraswati puja. Prof Aditya Malik, Vice Chancellor and Prof Anita Sharma, Pro Vice Chancellor were present on the occasion.

Mr. Pushkar Bajpayee, Director of Sofcon India Pvt. Ltd. addressed the audience and shared his experience

and knowledge for shaping the career of alumni. He shared about about recent advanced technologies, current corporate culture, requirements and demand.

This was followed by a panel discussion and interface of alumni with the final year students. The panel discussion was conducted by Dr. Sulakshana Banerjee and Dr. Kanupriya. The alumni shared their experiences and memories of the time they spent pursuing their degree at the KRMU campus.

All the alumni were given mementos as a mark of affection, love and appreciation. The event concluded with vote of thanks by Dr. Meena Bhandari, Dean, SBAS.

## Education Summit on New Education Policy

K.R. Mangalam University (KRMU) organised an Education Summit titled Towards Meaningful Education: Redefining Goal and Pedagogies on 23rd December, 2019 at India International Centre, New Delhi.

The theme of the summit was New Education Policy (NEP) issued by Government of India in order to encourage a shift in the pedagogical practices prevalent in the country.

The keynote address of the summit was delivered by Prof. Dinesh Singh, Chancellor, KRMU who elucidated on the need for revival in methods of teaching. He cited the research by British economist Angus Maddison who had established that India's share of the world economy had declined from 24.4% in 1700 to 4.2% in 1950. The strength in India's pre-colonial economy lay in its emphasis on knowledge systems and practical applicability. Prof Singh reiterated that a student needs to be introduced to blended learning which will enable a learner to apply his knowledge in real life. He specifically emphasized on the need for trans-disciplinary learning in the education system.

The summit consisted of four sessions of panel discussions. Each session consisted of discussions and deliberations by prominent personalities from academia and industry.

The first session themed Education in Today's Times for The World of Tomorrow was moderated by Ms Sunita Nagpal, Principal KRMWS Gurugram. Mr. Vineet Joshi, Director General, National Testing Agency; Mrs. Priya Arora, Principal, KRMWS, Vikas Puri; Mrs. Nikita Tomar Mann, Principal Tagore International School, Vasant Vihar; Prof. Sumanyu Satpathy, Prof. of Eminence KRMU and Prof. Shobha Bagai, Cluster Innovation Centre, Delhi University participated in this panel discussion.

The second session themed Transitioning from School to University: A Seamless Passage is Key to Effective Higher Education was moderated by Ms. Suman Sharma, Principal KRGS, Greater Kailash-I, Prof. Babli Moitra Saraf, Principal, Indraprastha College for Women, DU; Dr. Jyoti Gupta, Principal, DPS Ghaziabad; Dr. Sangeeta Arora, Principal, KRMWS, G.K-II; Prof. P. Hemalatha Reddy, Principal, Shri Venkateswara College, DU and Mr. Hariharan Balagopala, Managing Director, School Live & Education Consultant participated in this panel discussion.

The third session themed Breaking Barriers Across the Humanities and the Sciences-Is Digital Humanities the Answer? was moderated by Prof. Aditya Malik, Vice Chancellor, K R Mangalam University. Mrs. Yashika Bhardwaj, KRMWS Vaishali; Prof. Krishan Lal, C V Raman Chair, KRMU; Prof. Malashri Lal, Former Dean, Academics, DU and Mr. Vinod Sood, Director, Hughes Systique Corporation were panelists in this session. Mr. Sood explained that an intersectional curriculum will empower the students for employability in various industries.

The fourth session themed What are Good Practices in Education? was moderated by Prof. Anita Sharma, Pro Vice Chancellor, KRMU. Dr. Suraj Prakash, Director, Bal Bharti Public School and Education Advisor, Child Education Society; Prof. Umesh Rai, Former Dean, South Campus, DU; Prof. Suman Sharma, Principal LSR College, DU and Ms. Alka Awasthi, Principal, Mayoor School, Noida were the panelists of the session.

# The Education-Industry Connect

A team of faculty members and experts from K.R Mangalam University met representatives from Hughes Systique Corp. (HSC) at HSC office in Gurgaon on 11th December 2019 to take forward the plan to connect syllabus to real life industry needs.

Prof. Shiv Kumar Kaushik, Visiting Professor, Mathematics, Prof Hemani Singh, Director TIIE, Dr Ajay, Ms Kriti Sharma, Ms Saneh Lata, Ms Charu Sinfgh and Dr Rajni Gautam, represented KRMU.

Mr. Danish Aggarwal, multiple roles and verticals at HSC, Mr Pradeep Kirnapure, Distinguished Engineer, Center of Excellence, Mr. Rajat, Embedded and Android Learning were present from HSC.

Mr Vinod Sood, MD, Board Member, Advisor and Mentor to HSC, also met KRMU team at the end of the meeting.

## Workshop on EMPOWER YOUR DREAM

Taurus Marketing and Consulting conducted a workshop for the students of School of Legal Studies on EMPOWER YOUR DREAM on 4th September 2019.

Mr. Kanav Sharma and his team of expert Mr. Sanjeev Gupta and Mr. Niraj Arora gave a demonstration on unique transformation skills that inspire, mesmerize and positively influence them to make a bigger difference to their life and to the society under the superiorities of “EMPOWER YOUR DREAM”. It was an inspiring training for the students to gain confidence in future aspirations.

# Rubaroo 2019

K.R. Mangalam University organized RUBAROO 2019 to welcome their new batch on 27th September, 2019. The annual festivity provided opportunity for freshers to showcase their talent and interact with their seniors. The day started with the lighting of ceremonial lamp by the dignitaries present on the occasion. Prof. (Dr.) Aditya Malik, Vice Chancellor, KRMU; Prof. (Dr.) Anita Sharma, Pro Vice Chancellor, KRMU and Deans of all the schools were present on the occasion.

The program kicked off with the splendid Folk-dance performance by Renu from School of Medical & Applied Sciences. The day was filled with fun and frolic as students performed and participated in various competitions; solo dance, group dance, singing competitions, ramp walk. The seniors welcomed the freshers with open arms and did a ramp walk. It was indeed a moment of great pride to see talent of new

batch and the zeal with which they participated in the event. The enthusiasm of the students was laudable. Ms. Himanshi from SJMC was crowned Miss Fresher and Mr. Gagan from SJMC was declared Mr. Fresher. Karamajit from SJMC bagged the title of Mr. Photogenic 2019 and Senjuti from SOFD was declared Miss Photogenic 2019. Mr. Evening 2019 title was won by Akshay from SOLS and Shilpi from SOMC was declared Miss Charming 2019.

Freshers loved the welcome bash and appreciated the efforts of their seniors and the University. Prof. Aditya Malik, Vice Chancellor, KRMU appreciated the efforts of faculty and students. Prof. Arun Garg, Convener, Cultural Committee delivered vote of thanks. The event was well organized by cultural committee members Ms. Asha Sohal, Ms. Silky Sethy, Mr. Amit Kumar and Dr. Manasvi Maheshwari.

# Rubaroo 2019

School of Fashion celebrated Khadi Day to mark the celebrations of Mahatma Gandhi's 150th Birth Anniversary on 1st October, 2019. Khadi is handspun, hand-woven natural fiber cloth originating from India. It is also known as khaddar. The concept of khadi was invented by Mahatma Gandhi.

All the students actively participated in the show and represented their garment. The concept of the show was inspired from 'women empowerment'. The theme was further divided in two groups- 'Udaan' and 'Shakti'. Udaan theme was inspired from freedom, happiness, joy etc, to represent all those emotions fabric and silhouettes were more flowy, voluminous and layered. While 'Shakti' was inspired by power, free from boundary, break the rules etc to express all those emotions fabric and silhouettes were more structured, stiff and plotted.

Ms. Shikha Sharma (SJMC) and Dr. Seema Raj (SBAS) were the judges of the competition.

**Khadi Day Celebrations 2019**

**Winners Fashion Show**

Best Designer- Payal Kaushik (BA Fashion Design, III semester)

Best Stylist - Akanksha Saini (BA Fashion Design, V semester)

Best Model- Himanshi Sachdeva (BA(JMC) I semester)

On 24th September 2019 Doodling and 3D craft buzz competitions were organized and following were declared winners.

**Winners of Doodling over phone cover**

1st prize- Carolina (B.Com I semester)

2nd prize- Ishika (B.Com I semester)

**Winners of 3D craft buzz**

1st prize - Ishika (B.Tech III semester) & Deepak (BBA LLB V semester)

2nd prize- Prabhat (B.Sc V semester) & Muskan (BCA)

**SOFD students interned with National Crafts Museum**

The fifth semester students of School of Fashion undertook two weeks of crafts training at National Crafts Museum, Pragati Maidan, New Delhi from 14th October to 26th October 2019.

The students learnt Block printing, tie and dye printing, Minakari painting, Gond painting, Mahubani etc. They also researched about the origin, existence and craft person's life and based on the same they submitted a complete report. The National Handicrafts and Handlooms Museum, popularly known as the National Crafts Museum & Hastkala Academy, celebrates the rich, diverse, and practicing craft traditions of India.

## FDCI Fashion Show Visit

The students of School of Fashion attended 'Lotus Make-Up India Fashion Week SS'20' presented by FDCI on 11th October, 2019 at Major Dhyana Chand National Stadium, India gate, New Delhi. Fashion Design Council of India (FDCI), a not-for-profit organization, is the apex body of fashion designing in India.

This visit provided them exposure to Industrial working culture and design development, students interacted with fashion designers and were oriented on conduction of fashion events, event managements skills. It takes style beyond perceived boundaries by improving business practices, whilst creating domestic and international opportunities.

Students learnt how to create a collection using various aspect

in terms of fabric, craft, print, embellishment etc. They also understood coordination of accessories with garment. They observed the interview of designer as well as showstoppers, their quick reply to fashion media. Students attended fashion collection by designers Rahul & Anushka, Mahima Mahajan, Bhumika Sharma, Diva Reddy, Nikita Mhaisalkar. They also visited exhibition of garments conducted by all the fashion designer who participated in FDCI.

The students were accompanied by Ms. Rasika Kaushal, Ms. Sushma Mishra and Ms. Yashavi Rajwat.

## Visit to Printing Unit

The students of Third semester School of Fashion visited printing unit Karma Processors Private Limited in Faridabad, Haryana on 23rd October, 2019. This visit provided them exposure of Industrial working of fabric dyeing and printing used. Students saw the live fabric dyeing in machines. They also observed the advantage and limitation of machine practically. They learnt working of rotary printing machine partially and fully automatic as well as screen and flatbed printing. Ms. Sushma Mishra accompanied the students.

VISIT TO SOHNA ELEVATED ROAD PROJECT GURUGRAM

Department of Civil Engineering, SOET organized an industry visit to Elevated road Project site, Gurugram on 27th August 2019, for the students of B. Tech (Civil Engg.). The visit was coordinated by faculty members Ms. Gauri Aglave and Ms. Sarah Khan.

Visit to ASM Casting Pvt. Ltd

The Department of Mechanical Engineering of School of Engineering and Technology organized an industry visit to ASM casting Pvt. Ltd, Faridabad on 25th September 2019. ASM Castings Private Limited has made a name for itself in the list of top suppliers of brakes, clutches & their child parts in India. The supplier company is located in Faridabad, Haryana and is one of the leading sellers of listed products. The students witnessed the entire process of pressure die casting of the components used for automobiles followed by interaction session. The students were accompanied by Mr. S.K. Yadav and Mr. Arvind Kumar.

Lecture on Introduction to Robotics

A lecture on “Introduction to Robotics: Robot Fire Bird V” was conducted on 22nd August 2019 by Ms. Puja Acharya and Ms. Charu Singh. The students were introduced to E-yantra Lab. Basics of Fire bird V robot was illustrated and explained in detail such as various types of Microcontroller build on it, sensors (white line sensors, IR range sensors, ultrasonic sensors, motion sensors), batteries (primary and secondary), various supported communication modes, etc.

## PUBG LAN GAMING

The School of Engineering and Technology organized a PUBG LAN gaming event on 26th September 2019 competition. To clear out the fiddles of minds,

LAN gaming withstands for the concepts of locally hosting a network of devices for the pure concept of joy.

The classic game mode lasts for around 30 minutes while the arcade modes lasts for approximately 10 minutes.

A total of seven teams comprising of four members participated in the competition.

Ms. Saneh Lata Yadav, Assistant Professor, CSE and Ms. Sarita, Assistant Professor, CSE conducted the activity.

**PUBG MOBILE TOURNAMENT**

26th September, 2019  
02:20 pm onwards\*  
A-313

1st: ₹1000  
2nd: ₹700  
3rd: ₹500

Entry fees: ₹50

"Kindly reach the venue 20 minutes before the event"

CONTACT PERSON:  
Manas: 9203864919  
Harjeet: 9810508101  
Ranmak: 9560372875

## VISIT TO NATIONAL PHYSICAL LABORATORY

SOET organized an educational visit of B. Tech and B.Sc. (Computer Science, Cyber Security, Data Science) and BCA students to National Physical Laboratory (NPL), New Delhi on 30th September 2019. NPL is a renowned research centre in Physio-mechanical standards, time, frequency, electrical and electronics standards, environmental physics, chemistry & biomedical metrology and advanced materials and devices.

Sixty-seven students participated in the visit along with Ms. Charu Singh, Assistant Professor, ECE and Mr. Shri Ram, Assistant Professor, ME. The students visited Liquid nitrogen & liquid helium gas plants, physico-mechanical standards lab, Invisible ink and crystal growth labs.

## AD-MAD Competition

SOMC organized AD-MAD competition on 18th September, 2019. It was all about recreation of several famous advertisements. The participation included ads like Lenskart, Dettol, Fusion Chocolate amongst other brands. The winners were Dettol and Fusion Chocolate. The faculty also enacted an advertisement on Zero to Hero Desi Ghee.

## Quiz competition on French Language

Quiz competition on French Language was conducted on 4th September, 2019. This activity was planned with a motive of enhancing language skills and motivating students towards the subject. All the students and concerned faculty worked hard to make the event a successful one. It consisted of three rounds namely Vocabulary Round, Audio/Visual Round and Verb Game. All the activities were planned in a way that students learnt and enjoyed the creative side of the language. Along with the quiz some audio-visual activities were conducted to improve the linguistic skills of the learners. A glance of French culture and architecture was also given through related videos. All the students attended the activity with active interest and the event proved to be a good learning experience for all. The activity was coordinated by Ms. Neha Goyal, Assistant Professor, SOMC.

## SUMMER INTERNSHIP PROJECT COMPETITION@ITS GHAZIABAD

The students of BBA and B.Com, V semester visited ITS Ghaziabad to participate in ANUBHAV 2019: SIP Competition on 21st September, 2019. The KRMU students were highly appreciated by the judges for their SIP work and were presented certificates. Mr. Gurbir Singh Khara accompanied the students.

## SOMC participated in 23rd Students Management Game organised by AIMA

The All India Management Association (Apex Body) AIMA: Chanakya organised a student Management Game in various rounds like zonal, regional and national. It provides a platform to the students to experience the thrill of running a company and taking it ahead of your competitors. The three students namely Ayush Rajput, Saurav Harsana, Tushar Dutt Mishra of School of Management and Commerce participated with great enthusiasm, spirit and excitement and earned 3rd rank out of 12 strong teams at Regional level at Christ University, Noida and got selected for Nationals. The National Round was in Coimbatore and they successfully achieved 4th position. The KRMU team gave a tough competition to the MBA and PGDM teams of Symbiosis Pune, St. Xavier's Mumbai, ISB Hyderabad and many more. It was a great learning experience for the students and it gave them an opportunity to showcase their knowledge effectively and promptly and to connect with other reputed B-School students.

## Summer School at University of the West of England, Bristol, United Kingdom

International Business Summer School at University of the West of England, Bristol, United Kingdom. K.R. Mangalam University collaborated with University of the West of England (UWE), Bristol, in order to provide its business students an opportunity to develop expertise and competencies associated with international business and cross-cultural management.

Fifteen students of 2018 MBA batch attended a two-week Business Summer School at the UWE Bristol's Frenchay Campus from 15th-26th July 2019. The course programme incorporated lectures in international business context, sustainability and the global environment, innovation and enterprise, cross-cultural management, management of expatriation, strategic decision-making in global firms, international human resource management in multinational

firms and global marketing management. The programme also included UK Culture classes and cultural visits in the South of England including Bristol, Bath, Gloucester, Oxford and London. The multi-cultural exposure helped the students to learn skills in problem solving, group work, giving presentations and cross-cultural communication, in addition to developing expertise in international business development.

The sessions were taken by Bristol Business School's global faculty members Aylwin Yafele, Fiona Jordan, Nick Wilton, David Gee Hugo Gaggiotti, Sarah Atkinson, Bolanle Karimu, Amy Coryat and Berrbizne Urzelei. The knowledge from these sessions was also imbibed by K.R. Mangalam University School of Management and Commerce faculty members, Dr. Rashmi Jain and Mr. Gurbir Singh Khara who will help in enriching the curriculum experience from their learnings.

Group Discussion on use of plastic-packaging material

The School of Management & Commerce conducted a Group Discussion on 23rd October, 2019. The theme of the discussion was plastic bags and packaging material and how wisely it could be used and gradually wiped out from market without disturbing the present scenario. Around 50 students participated in the discussion.

Visit to Parle Biscuits Pvt. Ltd., Bahadurgarh

The School of Management and Commerce had organized an industry visit to Parle Biscuits, Bahadurgarh on 13th November, 2019 for the graduate and post graduate students of Commerce and Management. The visit started with a short animated film about the various products of Parle-G, their marketing strategy to beat the competition and their various advertisements about their offerings since its inception. The students were then taken for the plant visit where they could see how the production runs on floor and pass through different stages. The intermittent quality checks approve the standards and other mandates. The students at last were taken back to the auditorium for the question and answers sessions.

Legal and Management Summit 2019

School of Legal Studies (SOLS) & School of Management and Commerce (SOMC) at K.R Mangalam University jointly organized Legal and Management Summit on 10th October 2019 which focused on the “Emerging Trends in Human Resource: Managerial and Legal Perspective”. The Summit was marked by the presence of four esteemed chief guests with specialization in field of Law and Management. Around 400 students from both the schools attended the event. Prof. Aditya Malik, Vice Chancellor and Prof. Anita Sharma, Pro Vice Chancellor of K.R Mangalam University inaugurated the event along with the Chief Guests. The Summit began with the Lighting of Lamp and Saraswati Vandana. It was followed by Prof. Malik’s Inaugural address, where he emphasized on exploration of untapped capabilities and potential of students in Law and Management that can contribute to the global development. Prof. Vijay A. Dubey, Dean Academics and Dean of SOMC & SOLS, welcomed guests, faculty members and students in this Summit. The summit was organized in four sessions, amalgamation of legal and managerial issues made the core essence of each session. Session one was introduced by Prof V.T Kaul, Chairperson, Delhi Judicial Academy, he presented the Human Resource Management as a key component for maintaining harmonious relations within an organization. Speaker for session two was Mr. P.K Gupta, Senior Consultant, HR. He introduced concept of ‘Nurturing Leadership in 21st Century to accelerate workforce transformation. The core idea of session three was centered around Corporate Law; Advocate Ms. Anju Kapur was the speaker for this subject. Session four was introduced by Col. Rajesh Dubey, CEO, AD Consultants (Authorized Partners of Huawei Authorized Network Academy) and the topic discussed was ‘Artificial Intelligence in Human Resource Management: Boon or Bane’. The Session ended with vote of thanks given by Dr. Kaveri Sharma, Assistant Professor, School of Legal Studies, K.R Mangalam University. She extended her heartfelt gratitude towards the chief guests, faculty members and students for making this event a great success.

## Guest Lecture on Intricacies of Behavioral Finance and Investment

The School of Management & Commerce organized a Lecture on “Intricacies of Behavioral Finance and Investment” on 15th October, 2019 by Prof. S.G. Badrinath from Department of Finance & Accounting, Indian Institute of Management (IIM), Bangalore. Professor Badrinath is currently a Visiting Faculty, Canara Bank Chair in Banking & Finance and Chair of the Centre for Capital Markets and Risk Management at IIMB.

He shared his vast experience with the students of management and commerce both under graduates and post graduates. He spoke about various biases in behavioral finance with very easy and practical examples and each example was related to how investors usually

think just contrary to the rational investor. The market inefficiency & information asymmetry eventually disrupts the market leading to things like wrong valuation of the securities, volatility in the market and arbitrage opportunities. He also gave many examples how investors follow the herd and end up making losses. He suggested all the budding investors to understand the market and then make an entry with calculated risk. He also suggested few good fundamental books to the students to learn the basics of investment and stock market.

## Best out of Waste and Drawing Competition

नैतिक एवं वैधानिक प्रबंधन संघ organized a Best out of Waste and Drawing Competition on 11th September, 2019. The activity was planned with the aim to create something out of the box from the waste product of our day today life. It consisted of creating best model out of waste and drawing completion on festival theme. All the activities were planned in a way that students learn and enjoy thier own creative side which is untapped. At the end, the best model and best drawing winners name was announced. All the students attended the activity with interest and the event proved to be a good learning experience for all.

### *Following students were declared winners*

*Ist Siddhant (B.Pharm, Semester 3)*

*IIInd Sahil Bansal (B.Pharm, Semester 3)*

*IIIrd Sabnam (B.Pharm, Semester 5)*

*IVth Anjali Sharma (B.Pharm, Semester 5)*

**MODERN INDIA vs TRADITIONAL INDIA  
A DEBATE COMPETITION**

SMAS organized a debate competition for the students on the topic 'Modern India vs Traditional India' on 10th October 2019. The competition was chaired by Prof Arun Garg. The judgement was based primarily on content, oratory skill and confidence of the students. An open house discussion was held after the session. Many present including Prof Arun Garg shared their thoughts and life experiences based on the topic. It was a great learning experience for the audience as well.

**The best three speakers were awarded with certificates of appreciation**

**First Prize:** *Tushar, B.Pharm Third Semester.*

**Second Prize:** *Ravi Kumar, D.Pharm First Year.*

**Third prize:** *Aniket Verma and Kushi, B.Pharm First Semester.*

**SCHOOL OF HOTEL MANAGEMENT & CATERING TECHNOLOGY**

*Industry Visit for  
SOHMCT students  
to Lemon Tree*

The students of School of Hotel Management and Catering Technology visited Lemon Tree on 20th-21st August 2019. They were exposed to the recent functional system of the Hotel Industry under the supervision of Prof. M.P. Verma, Dean, SOHMCT.

# National Seminar on Advances in Pharmaceutical Industry – New Avenues & Career Opportunities

National Seminar on 'Advances in Pharmaceutical Industry – New Avenues & Career Opportunities' was organized by School of Medical and Allied Sciences in collaboration with Strategic Institute of Healthcare Market Research, Analytics and Competitive Intelligence (SIHMRACT) on 12th September 2019.

Dr. Mamta Shankar, Assistant Professor, SMAS steered the event and welcomed the guests. The event began with the ceremonial lamp lighting by the dignitaries. Prof. Aditya Malik, Vice Chancellor, K.R. Mangalam University addressed the gathering. He emphasized on the importance of arranging such programs. Also present on the occasion was Prof. Anita Sharma, Pro Vice Chancellor, KRMU.

The Chief Guest Mr B. R. Sikri, Director of Next Wave and S. B. Organics Ltd, shared his views and said that the pharma market is growing rapidly and there are ample job opportunities for the budding pharmacists. He also insisted that the regulatory interventions should

be looked into so as to further facilitate the growth and quality of the industry.

The other eminent speakers present during the seminar were Gr. Capt. G K Khera, Founder of SIHMRACT, Mr Manas Ranjan Rout, CEO and Founder of Cognitrex Consultants Pvt Ltd, Dr Satchidananda Ray, Strategy Head, Philips Health Systems, India, Mr Thamburaj, Head of Marketing, USV Pharma. More than 200 delegates from varied academia and research attended the seminar.

The conference was structured to foster discussion between participants around the core themes.

This was achieved by hosting an open house discussion after the scientific session.

## Winners of Poster presentation

- First Prize: Bhumika Kumar, DPSRU, New Delhi.
- Second Prize: Ravi Gupta, RKGIT, Ghaziabad.
- Third Prize: Kajal Sharma, KRMU, Gurugram.

Dr. Arun Garg, Dean, SMAS felicitated the distinguished guests and speakers.

**Lecture on ‘Entrepreneurship in Publishing Industry’ by Gaurav Sharma**

School of Journalism and Mass Communication organized an interactive session by Mr. Gaurav Sharma, Vancouver based author of Indian Origin on 11th September, 2019. His novel ‘God of the

Sullied’ is the bestselling novel on Amazon. His other books include, The Indian Story of an Author and a semi-autobiographical fiction ‘Gone are the Days’ which he completed writing in ten months. Prior to Gone are the Days, Gaurav authored three textbooks related to the field of journalism and mass communication.

He started the session by sharing his journey as an entrepreneur and author and discussed about the challenges and rewards of having startup as he started an independent publishing house- Think Tank Books while struggling to get his books published in big publishing houses. He also discussed the “Art of writing” and stressed on the need to start writing whatsoever interests you and the firm believe in one’s instincts is the only ladder to success. It was a very informative and interesting session for students.

**Press Day on the theme of #अन Masculine**

School of Journalism and Mass communication celebrated Press Day 2019 on the theme #अन Masculine on 19th November 2019. The final year students Poorvi, Shrutika, Chitranshi, Gaurav and Tushar of

BA(JMC), III year organized an inter-department event as it was International Men’s Day too. Over the past several years, toxic masculinity has become a catchall explanation for male violence and sexism, also masculinity can indeed be destructive. The students from School of Journalism and Mass Communication, School of Fashion, School of Basic & Applied Sciences and School of Management and Commerce participated in the event.

There were five competitions in this event namely News Hunt, Debate competition, Caption writing, Nose for News and Jargon Identification. The topics of the debate competitions were very thought provoking: Can Men Say No? Are men more aggressive than women? and Is toxic masculinity real? The competitions were judged by Dr. Shilpa Sweety and Dr. Mouli Chowdhury from SOHS.

BA(JMC), I year students Karamjit Singh and Shashwat won first prize in debate competition, Preeti (SBAS) won first prize in caption writing, Shruti and Arjun (BBA) bagged first prize in nose for news while Divyendu BA(JMC), III year won first prize in Jargon Identification.

The event was coordinated by Ms. Mehak Pandit, Assistant Professor, School of Journalism and Mass Communication.

**SJMC students participated in Zee news Show “Kavi Yudh”**

The students of School of Journalism and Mass Communication participated in Zee news show “Kavi Yudh” on 5th September 2019. The theme of the programme was “Challan 2019” wherein different writers were invited to pen down and recite their poems. Ankit and Lakshita from III semester and Prakhar from I semester got the opportunity to recite their poems during the programme. The students also visited the production and programming room and got to see how broadcasting is done for a news channel. The students were accompanied by Ms. Mehak Pandit, Assistant Professor, SJMC and Ms. Shikha Sharma, Assistant Professor, SJMC).

## “हिन्दी दिवस 2019” का आयोजन किया

हिन्दी दिवस भारत में हर वर्ष '14 सितंबर' को मनाया जाता है। स्कूल ऑफ जर्नलिज्म एंड मास कम्युनिकेशन के बीए (जेएमसी) के छात्रों ने अपने स्कूल में हिन्दी दिवस का आयोजन किया 12 सितंबर को किया। फाइनल ईयर स्टूडेंट कनिष्का, सृष्टि, अदिति, दिव्येंदु और रेना द्वारा इस दिवस का सञ्चालन किया गया। डीन, पत्रकारिता और जनसंचार स्कूल प्रोफ. किरण बाला के शब्दों के साथ हिन्दी दिवस की शुरुवात की गयी, उन्होंने बताया की हिन्दी हिन्दुस्तान को बांधती है और इस बात पर जोर दिया कि “यह भाषा है हमारे सम्मान, स्वाभिमान और

गर्व की”।

इसके बाद हिन्दी दिवस के अवसर पर जस्ट ए मिनट कम्पटीशन, स्लोगन राइटिंग कम्पटीशन और क्विज कम्पटीशन का आयोजन किया गया। जिसमे छात्रों ने बढ़ चढ़ के भाग लिया। क्विज प्रतियोगिता में सेकंड ईयर के नवीन, रवि और लक्षिता की टीम ने प्रथम स्थान प्राप्त किया और स्लोगन राइटिंग में अंतिम वर्ष के नवीन और प्रथम वर्ष की प्रियंका ने पहला और दूसरा स्थान प्राप्त किया। वही जस्ट ए मिनट कम्पटीशन ने अंकित और प्रखर ने उन्दा बोलकर प्रथम स्थान प्राप्त कर सबका दिल जीत लिया।

## SJMC students attended ‘We Care’ International Film Festival

The students of School of Journalism and Mass Communication attended annual International ‘We Care’ film festival on 6th November 2019 at Apeejay Institute of Mass Communication. The festival was devoted to heroism and struggle of millions of specially-abled across the globe. The various national and international films that were screened included National Award winning film ‘Goonga Pehelwan’ (India), ‘Fish and I’ (Iran), ‘Blind Date’ (Russia), ‘Basket Bronx (Spain), ‘White Balance (Israel)’, ‘Children of the Stars (China)’, ‘More than Walking (USA)’, ‘Beyond Borders (Belgium)’, ‘Departure Lounge (United Kingdom)’ and many more.

The students saw enthusiastic participation from Differently Aabled persons including a Special Photography Exhibition by Mr. Pranav Lal, a Visually Impaired Photographer who clicks Photographs using software ‘Voice’. It was a very thought-provoking session for the students

## INDUCTION PROGRAMME

School of Journalism and Mass Communication conducted an interactive ice breaking session on 20th August 2019 for first year BA(JMC) students. The induction programme aimed to enhance new students’ familiarity and interaction with the previous year students. The programme began with second and third year students welcoming the fresher’s to SJMC family. The program moved further with an informal interaction among the seniors, and the juniors. They were made to do fun tasks, activities, and games to extend their involvement. Having given the warm welcome to the students, the induction program

ended up with a talk given by the Dean and faculty members on the importance of discipline and hard work which will transcend their knowledge of journalism and mass communication into application for the betterment of the society and appealed them to utilize their potential at the most of their

capacity for their personal growth and development.

**LECTURE ON “BRAND COMMUNICATION THROUGH PR”**

School of Journalism and Mass Communication organized a lecture on “BRAND COMMUNICATION THROUGH PR” by Mr. Udit Joshi who is Integrated Marketing Specialist from Topline Consulting Group on 27th August 2019. Mr. Udit has an experience of almost 12 Years in Marketing.

Ms. Udit highlighted that the young generation needs to understand how to get more value out of the content you consume and the role of Public Relations in branding. He discussed that today communication has a wider role, from developing and implementing social media campaigns to the impact of marketing, media relations and internal communications. Public relations are increasingly about communicating credibly with key audiences who affect business results, such as media analysts, policymakers and policy influencers, customers and shareholders. He also shared the importance and art of building and managing relationships between companies and their customers, Enhancing the awareness understanding and commitment to a brand through public relations which is usually an essential part of any overall strategy aimed at sustaining and raising standards of performance and credibility. It was informative and learning experience for the students from School of journalism and Mass Communication, School of Humanities and School of Fashion. Around 70 students from all the respective schools attended this lecture along with their faculties.

**Seminar on Current Trends in fashion & event industry**

A seminar on the topic ‘Current trends in the fashion & event industry’ was organized for the students of School of Journalism and Mass Communication and School of Fashion on 23rd August, 2019. Mrs. Anita Bhandari, Head of

Fashion Event & Ms. Ankita Negi, Head of Communication & Event Manager from the Haut Monde India conducted the seminar. They discussed recent practices in industry and took session on photoshoot, calendar shoot, grooming, semifinals/sub contest of talent round, cultural activities, the grand finale, and dress designing. It was a great industry interface for the students.

**SCHOOL OF HUMANITIES**

**National Symposium on Translation**

School of Humanities organized a visit to the National Symposium on translation organized by Sahitya Akademi on International Translation Day, 30th September 2019, at Rabindra Bhavan, New Delhi. The seminar ‘Translation: A Bridge between Two Cultures’, was a dialogue around various elements of translation and aimed at understanding how language and culture are intertwined.

The symposium brought together many esteemed scholars and writers including Prof Sumanyu Satpathy, Professor of Eminence, KRMU who delivered the Presidential Address. The paper presentations by the intellectuals were both enriching and captivating. There were many bilingual and multilingual scholars who traced different ways of translations and explained various perspectives towards translation. The students and faculty members also got the opportunity to interact with the well-known bilingual poet and translator Anamika , who gave them valuable tips and raised important questions on the subject.

The paper presentations by the intellectuals were both enriching and captivating. There were many bilingual and multilingual scholars who traced different ways of translations and explained various perspectives towards translation. The students and faculty members also got the opportunity to interact with the well-known bilingual poet and translator Anamika , who gave them valuable tips and raised important questions on the subject.

## आगमन-एक परिचय

आगमन-एक परिचय ceremony was an opportunity for the newcomers to introduce themselves and seniors to share their experiences. It was a programme to welcome the freshers by the senior students. The students of School of Education welcomed the freshers with Tilak ceremony and a flower on 20th August, 2019. The programme started with a Dance performance by the III semester students of B.El.Ed. Prof. (Dr.) Arti Koul Kachroo, Dean, School of Education addressed the students.

The Faculty members of SOED MS. Manju Kundu, Dr. P.C.Jena and Mr. Amrit Pal Singh appreciated the efforts of the students.

## WORKSHOP ON "DRAMA AS A CONSTRUCTIVE PEDAGOGY"

School of Education organized a two-day workshop on "Drama as a Constructive Pedagogy" on 10-11 October, 2019.

The workshop was all about Drama-based pedagogy (DBP) using active and dramatic approaches to engage students in academic, affective and aesthetic learning through dialogic meaning-making in all areas of the curriculum.

## Debate Competition on हिन्दी दिवस

'Creative World' organized a Debate Competition on the occasion of हिन्दी दिवस on the topic - "समकालीन वैश्विक परिदृश्य में हिन्दी की प्रासंगिकता" on 17th September 2019.

The students of School of Humanities, School of Fashion, School of Journalism and Mass Communication and School of Education participated in the competition. The students were judged by Ms. Shikha Sharma, Assistant Professor, SJMC and Mr. Chandan Kumar, Assistant Professor, SOHS. The event concluded with the words of Prof. (Dr.) Arti Koul Kachroo, Dean, SOED.

**Lecture on “Fascinating World of Crystals: From Fundamentals to Applications” by Prof. Krishan Lal**

New Frontiers organized a lecture by Prof. Krishan Lal, CV Raman Chair, KRMU on 29th August, 2019. The topic of the lecture was “Fascinating World of Crystals: From Fundamentals to Applications”. The main aim of this lecture was to enhance knowledge of the students/faculty members on the emerging topic “Crystals” and to motivate students into higher studies and research in this field. The student of SBAS welcomed the guest speaker. Prof. Krishan Lal speech was to motivate

the students towards crystals by stating their origin, structure, refractive index and their characterizations by X-Rays. He advised the students to take up research field and also pointed out the importance of good research. During the lecture Prof. Krishan Lal showed variety of crystals which he has. He also asked students to come forward to accompany him in Engineering Kitchen. Overall, it was a highly knowledgeable lecture. The students of SBAS and SOET attended the lecture with great curiosity.

The session concluded with vote of thanks by Dr Dilraj Preet Kaur.

**Introduction to the World of Microcontrollers and Robotics**

New Frontiers organized a workshop on Introduction to the World of Microcontrollers and Robotics, on 26th September 2019. Dr. Rajni Gautam, Assistant Professor, SBAS was the resource person for the workshop.

Dr. Rajni Gautam introduced Microcontrollers and their applications in our day to day life. She demonstrated how a simple wired Robot can be designed. She introduced students to the Software namely AVR STUDIO, and PROTEUS. She demonstrated the designing of Line follower Robot using both hardware and software components. Almost 30 students from various departments of the University enthusiastically participated in this workshop.

**Lecture on Historic Developments in Measurement Science: New Definitions of Base Units of International System**

New Frontiers organized a lecture on “Historic Developments in Measurement Science: New Definitions of Base Units of International System” by Prof. Krishan Lal, CV Raman Chair, KRMU on 24th October 2019.

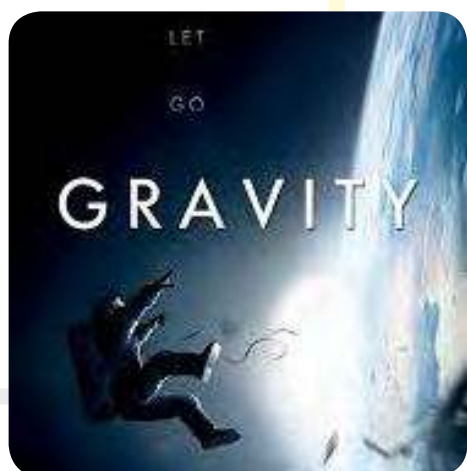

Dr. Krishan Lal started his lecture with very basic but important concept of measurement science. He discussed about Meter Convention and the organizations which were accrediting different International System of Units. He also provided the sequential standardization of units and the functioning of different organization behind the standardization of any unit at national and global level i.e. National Measurement System, Quality Council of India etc. Dr Krishan Lal also elaborated the new definitions of base units of International System and comparison between Old SI and New SI system. The students and faculty members from SBAS, SMAS and SOAP attended the lecture. Dr Seema Raj delivered vote of thanks to the speaker.

## Movie Screening: Gravity

On the occasion of Children's Day New Frontiers screened a science fiction movie "GRAVITY" for students on 14th November 2019. Gravity is a 2013 science fiction thriller film directed by Alfonso Cuarón, who also co-wrote, co-edited and produced the film. It stars Sandra Bullock and George Clooney as American astronauts who are stranded in space after the mid-orbit destruction of their Space Shuttle, and their attempt to return to Earth. Students of SBAS attended the movie with great fascination and enthusiasm.

## Lecture by Prof. Shiv Kumar Kaushik

School of Basic and Applied Sciences organized an invited lecture by Prof. Shiv Kumar Kaushik, Kirori Mal College, Delhi University on 14th November 2019. The topic of the lecture was "Introduction to Wavelets". The event started with a welcome note by Dr. Ajay Kumar.

Prof. Kaushik introduced the students to the concepts of Wavelet Theory, its advantages over Fourier Transform and its applications. He explained the evolution of mobile phones using Wavelets theory in detail. He advised the students to take up research in the field of wavelets. Overall, it was a highly knowledgeable lecture. Students of SBAS and SOET attended the lecture with great curiosity. Prof. Meena Bhandari delivered the vote of thanks.

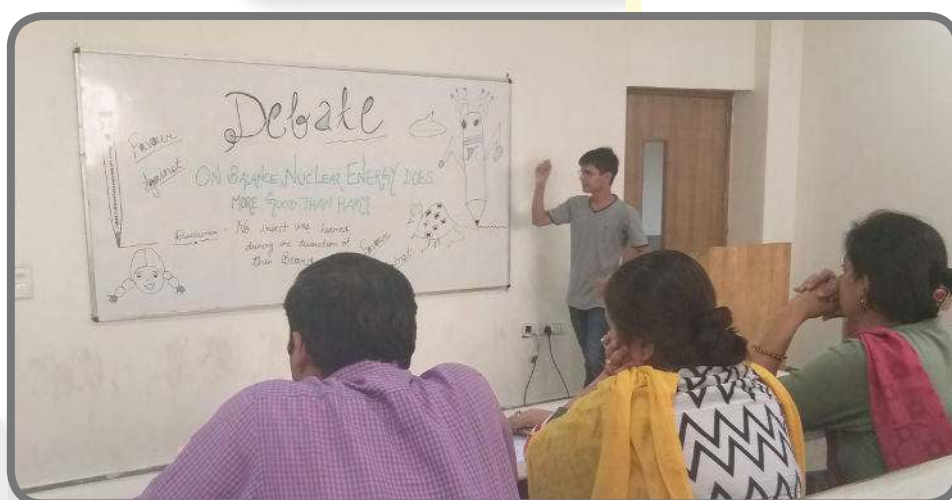

## Debate Competition

### "On balance, nuclear energy does more good than harm"

New Frontiers organized a debate competition on 10th October 2019 on the topic "On balance, nuclear energy does more good than harm". The event started with a welcome note by Ms. Hema

Vashishths (M.Sc. Chemistry student). Students of SBAS and SOET participated and justified themselves in favour and against of the issue. All the faculty members and students of SBAS were present.

Dr Romila Manchanda and Dr Pawan Kumar were the judges of the event. Mr Mohit (SOET) got first position and Mr Rishabh (SOET) got second position in the competition.

## SCIZONE - 2019

The School of Basic and Applied Sciences organized SCIZONE-2019 a competition and exhibition of Science Models and Projects on 28th November 2019. In this competition fifteen teams from different schools participated with great zeal and exhibited their scientific temperaments with a concern for sustainability and inclusivity. They presented working models depicting different themes such as Water network, Pelton Turbine, Clap Switch, Vertical axis wind, smoke exhauster, LED cube, Floor Cleaning robot, Moisture detector, Digital clock and so on. The event provided a platform for the budding students to give shape to their innovative ideas and learn from each other's experiences.

The models were evaluated by a panel of distinguished judges Prof. Krishan Lal, Dr Meena Bhandari and Dr Romila Manchanda drawn from the field of Science, Technology and also from the Industry. The event was well organized by faculty coordinators Dr. Seema Raj and Dr. Dilraj Preet Kaur. The student coordinators for the event were Ms. Hema Vashishtha, Mr. Jitesh and Mr. Amandeep.

Prof. Krishan Lal appreciated the efforts of the students and motivated them for future endeavors.

### Winners

Ms. Divisha B.Tech CSE Sem III &  
Ms. Shivani B.Tech CSE Sem III

### I Runner Up:

Mr. Pankaj Soni B.Sc. (H) Physics Sem III &  
Mr. Kartik Kaushik B.Sc. (H) Physics Sem III

### II Runner Up:

Ms. Chanderkanta B.Sc. (H) Physics Sem III,  
Ms. Nikki B.Sc. (H) Physics Sem III &  
Ms. Kajal B.Sc. (H) Physics Sem III

## Visit to National Physical Laboratory

An educational trip to National Physical Laboratory was organized by the School of Basic and Applied Sciences for the students of B. Sc., (Chemistry and Physics Hons.) and M. Sc. (Chemistry and Physics Hons.) on 30th September 2019.

The visit proved to be a great way to arouse curiosity in the minds of students and was a thrilling and motivating experience. The visit helped the students to understand the values and assumption inherent in the development and interpretation of scientific knowledge such as the idea that science is a human endeavor that seeks to understand the material. The students took a tour of the following galleries: – recycling of e – waste, recycling of plastic (mainly low density polythene and high density polythene), solar cell lab, generation of electricity using green chemistry, auditorium and library. The students were excited to observe exhibits such as Recycling of E-Waste, Recycling of plastic, Photovoltaic metrology lab, Generation of electricity using green chemistry.

## VISIT TO SUNDER NURSERY

An educational tour to Sunder Nursery, Nizamuddin New Delhi was organized by School of Architecture and Planning (SOAP) on 23rd October 2019 for the 4th year students as a part of their curriculum of Site Planning & Landscape Design. The aim of this visit was to make the students understand the concept, planning and materials of the place. The faculty accompanying the students was Ar. Shivani Singh. The Nursery has eventually become a 90-acre (36 hectare) city park with distinct heritage, ecological and nursery zones, as well as all the expected facilities. It was originally established in the early 20th century when the Imperial Delhi complex was being planned and constructed. It was used as a place for propagating trees and other plants to be used for testing species brought from overseas, to pick those which thrive in Delhi's harsh climate. The aim of the visit was to establish design relationships between these three major uses by weaving a meaningful traversing the site in a way that appreciates all three aspects for recreation, education and landscape design would create spatial identities that overlap and intersect but the distinctive identity of each component far from being compromised, contributes vigorously to the whole. The students were divided in groups and allotted with the above mentioned topics and are told to prepare individual sheets for representation based on various landscape design elements & principles. They observed various major elements such as levels, Persian gardens, sunken gardens, 6 ASI protected monuments; children play area, variety of native trees, shrubs & bushes, grasses of Delhi. Overall, it was a great learning experience for students through which they got opportunity to enhance all the senses in a short while.

### Workshop on Carpentry

The B. Arch students of 4th year conducted a workshop to guide 1st year students for carpentry skills. The carpentry section provided with wide range of equipment, hand tools & woods. The goal for this activity is to disseminate professional knowledge in the field. Students worked on marking & cutting the blocks for model making with help of different tools guided by Ar. Shivani Singh & Mr. Harish.

### Workshop on Mosaic Murals

Design Ethos also conducted a Tile mural workshop on 29th August 2019. Students of 1st Year & 2nd Year participated and divided in groups. Each group came up with interesting concepts and theme for their mural on A2 size MDF boards. By end of the workshop students created beautiful pieces of mural out of broken tiles with great enthusiasm. After this workshop the students will have all the information needed to complete own projects, from walls, to patios, to decorative items.

In this workshop the students had a truly team experience to make a mosaic mural, getting involved in the entire process for creation and installation. This workshop is to arouse and stimulate sensory development through the use of diverse textures and colours.

## Presentation session for AYDA (The Asia Young Designer Awards) 2019

The School of Architecture and Planning conducted a presentation session on “The Asia Young Designer Awards (“AYDA”)” by Ar. Nikita Verma, Architect, Urbanist & Catalyst, Ethos India on 21st August, 2019. Ar. Nikita Verma spoke about the need to provide practical design solutions for this new world and its challenges to capture imagination of the next generation acting as catalyst. Around 30 students of School of Architecture and Planning attended the session.

The Asia Young Designer Awards (“AYDA”) was first launched in 2008 as part of Nippon Paint’s vision to nurture the next generation of design talents. The event serves as a platform to inspire architecture and interior designing students to develop their skills through cross-learning opportunities and networking with key industry players as well as fellow architecture and interior design peers in the region.

The theme of this year was “Forward: Challenging Design Boundaries” with a focus on sustainability.

## VISIT TO ZAFAR MAHAL

The students of B.Arch 5th year and B.ID 1st year went to Zafar Mahal, in Mehrauli village on 25th September 2019. The aim of the visit was to study the architecture of that time, conservation techniques

and also the type of brick jaalis. The choice of materials, the types of construction techniques used to make the mahal. Zafar Mahal is considered the last monumental structure built as a summer palace during the fading years of the Mughal era. The building has two components namely, the Mahal or the palace, which was built first by Akbar Shah II in the 18th century, and the entrance gate that was reconstructed in the 19th century by Bahadur Shah Zafar II, popularly known as "Zafar" (the nom de plume of Bahadur Shah II) meaning ‘Victory’.

The faculty accompanying the students were Ar. Akanksha Singh and Ar. Poorva Priyadarshini.

## ALIPUR URBAN VILLAGE: BLUE PRINT FOR SUSTAINABLE DEVELOPMENT

The students of B. Arch were divided into four groups to analyse the various layers of Urban Design and explored the economic, social, political, environmental and functional aspects of Alipur, urban village to come

up with interventions leading to sustainable urban development. Group 1 analysed the circulation paths and dependency of Alipur on neighbouring hubs to arrive at a sustainable commercial development at an appropriate location with improved connectivity. Group 2 understood the gender-based activities in the village and worked on women empowerment by development of interactive streets and public spaces and providing crèche cum vocational center for women. Group 3 considered the natural slopes and water drainage patterns of the contoured site and proposed drainage, filtration and usage of natural resources. Development along east west slope is proposed along with recreational activities. Group 4 analysed the main spine of the village and proposed activities to enhance community interaction in Alipur.

Alipur is one of the many urban villages of Haryana that has been impacted by the rapid urbanization and expansion of hubs like Gurgaon, Badshahpur and Sohna. Access to the village is via Gurgaon Sohna highway that is also undergoing transformation. Alipur also sits on the edge of nature and urbanization with Aravallis on the west and a large water body, Jhod towards the lowest gradient on the east. Historically, Alipur is known to exist since 1632 and is associated with the Mughals. The existing population is a mix of Rathi and Dagar communities. The important buildings include temples, Chaupals (Rathi and Dagar), schools (government and private), government welfare offices and a large open space that has been allocated for a stadium.

## National Law Day @KRMU

As debates and declamations help students to enhance academic research, creativity, expression and communication skills so on the auspicious occasion of National Law Day, Legal Society organized an inter-departmental Debate competition on the recently delivered revolutionary judgment by Hon'ble Supreme Court pronounced on the topic "Ayodhya Verdict". The competition started by a warm welcome speech from Legal Society member Dr. Sulakshana, Assistant Professor, School of Legal Studies. She articulated about the importance of National Law Day and Constitution Day to students.

The National Law Day is celebrated on 26th November every year throughout India especially among the members of the legal fraternity to commemorate the adoption of the Constitution of India. She also expounded the key points of the Ayodhya ruling which formed the basis of the judgment.

Eighteen students of K.R. Mangalam University from different streams participated in the competition. The teams were divided into nine groups. Debaters from each house debated outstandingly in favour and against the motion.

The audience commended kept forth their arguments composure. The contestants expression and fluency. The the end of the competition to the challenge to prove erudite experience for both the other students. Students eagerness and enthusiasm.

Prof. (Dr.) Kiran Bala, Dean Mass Communication and of School of Architecture

members of the event. They praised all the students for participating in the competition whole heartedly and motivated them to partake more in future days.

Abhishek Choudhury, student of BBA LL.B (H) IX semester, Bharti Harsana BA LL.B(H) IX Semester and Mohammad Kamran student of BBA LL.B(H) V Semester of School of Legal Studies bagged the first, second and third prize. Students were awarded with Gold, Silver and Bronze medals along with certificates by the respected Judges.

Ms. Sanjana, Assistant Professor, School of Legal Studies concluded the session.

each one of them as they with great confidence and were judged on content, question answer session at saw the debaters rising their arguments. It was an the participants as well as participated with full

School of Journalism and Prof. Hemani Singh, Dean and Planning were the jury

## SCC Online Training Programme

School of Legal Studies organized a training programme by SCC Online software on 23rd October, 2019. The session was conducted by Mr. Mohit Singh and Mr. Rajesh Raina. The students participated enthusiastically to cognize how the SCC Online system could help them in legal research and studies. They also demonstrated how quickly the research- results for the latest laws and judgments could be learned for Moot Court contests. The team described the use of the online digest, browsers and the collection of law articles by using this software.

Dr. Sulakshana, Assistant Professor, SOLS coordinated the event.

Group Discussion on Article 370/Article 35A

The students of School of Legal Studies participated in a Group Discussion on 'Article 370 and 35A' on 7th August 2019 and deliberated about the merits and demerits of this Constitutional amendment. Dr. Sulakshana explained students about Shyama Prasad Mukherjee who was actually the founder of this thought. Shyama Prasad Mukherjee, who was known to be a harsh critic of the Congress party in independent India, was against Article 370 and had expressed his displeasure at special status for Jammu & Kashmir.

“Discussion on “OPEN PRISON SYSTEM IN INDIA”

The students took active participation in the discussion and the session proved to be thought provoking.

School of Legal Studies with the objective of inculcating the debating skills and inquisitive nature among the students organized an interactive session on “OPEN PRISON SYSTEM IN INDIA”. The session was conducted by Dr. Sulakshana, Assistant Professor, School of Legal Studies on 13th November 2019. She introduced the concept of prison system in India and thereafter, the transformation from corporal

punishments to today’s twentieth century’s reformatory device “Open Prison System in India”.

Legal Aid Awareness Programme

The students of School of Legal Studies participated in Legal Aid Awareness Programme held at Moot Court Hall, KRMU on 25th September 2019.

Around 150 students of School of Legal Studies participated in the programme organized by Dr. Sulakshana Mukherjee, Assistant Professor, SOLS. Dr. Sulakshana discussed the importance of Legal Aid in legal career. She explained about constitutional provision Article 39-A which provides Right to free Legal aid to the poorer and weaker sections of society. The session was informative and educative for the students.

## MOOT COURT SESSION

SOLS organized a moot court session on 16th October 2019 wherein students were demonstrated the working of the moot court. All the students gathered in the moot court room where the event took place. There were two teams of the students where Annu Kumari acted as the motter and Vedika Jain as the researcher, while the second team consisted of Princy Goel as the motter and Ruchi Chauhan as the researcher.

## Workshop by Rainmaker

A Workshop by Rainmaker was organized for the students of the School of Legal Studies on 10th November 2019. The Rainmaker is a learning content and test management company focused on the legal system. It also conceptualized the All India Bar Examination, India's first benchmark test for practicing law.

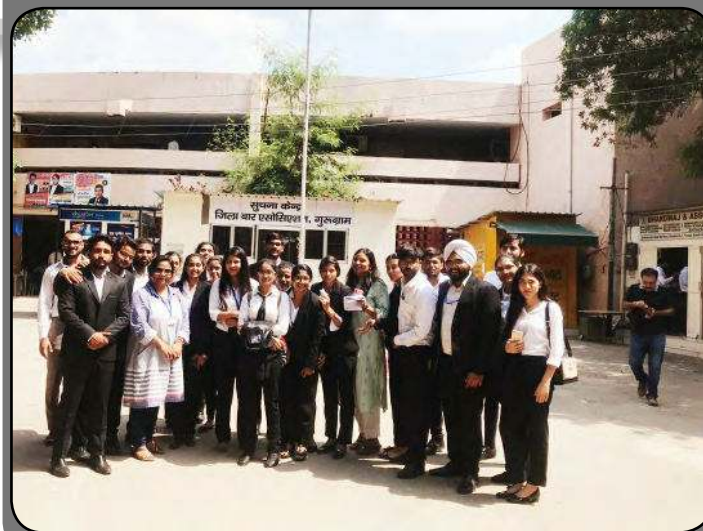

## District & Session Court Visit

The students of BA LL.B (H), BBA LL.B(H), B.Com LL.B(H) and LL.B(H) visited District and Sessions Court on 13th September 2019.

The purpose of visit was to understand the role of Court in dispensing justice in different cases. The law students obtained valuable knowledge from Mr. Prashant Rana Ld. Additional District & Session Judge and Mr. Pradeep Chaudhury Ld. Chief Judicial Magistrate of Gurugram District and Sessions Court.

The visit included an in-depth study of the day to day functioning of the courts at different levels over a vast variety of cases. Dr. Sulakshana Mukherjee, Assistant Professor, SOLS accompanied the students.

**Fit India Movement Live telecast on the occasion on National Sport Day**

NSS Unit, K.R. Mangalam University celebrated the "National Sport Day" on 29th August, 2019 with NSS Volunteers, faculty members and staff. On this occasion, the launch of "Fit India Movement" was telecast live in seminar room at K. R. Mangalam University, Gurugram, Haryana. The NSS Programme Coordinator, Programme Officer, NSS members and Volunteers with other faculty members and staff were present on this occasion. Hon'ble Prime Minister, Shri Narendra Modi has launched the Fit India Movement

and takes the Fitness Pledge with youth of the nation. NSS volunteers of KRMU and faculty members also took the Fitness Pledge and promised that they will regularly exercise and take care of themselves to keep our Nation fit and healthy.

**Unnat Bharat Abhiyan (UBA) 2.0**

NSS-KRMU participated in "Unnat Bharat Abhiyan (UBA) 2.0" as participating institute (PI) for the social activities, village and household survey work in a cluster of 5 villages (Abheypur, Kherla, Kharoda, Lakhuwas, Ghangola) in July 2019 to February 2020. Volunteers performed the household survey work, where they collected data including number of members in the house, their education, and availability of their identity cards (voter card, Aadhaar card etc.), their occupation, transportation and income.

This survey was performed by the NSS-KRMU team and volunteers with the help of Panchayati Raj Department of above-mentioned villages. The main aim of the programme was to understand the community, identify their needs and the problems of the community and involve them in problem solving process, utilize their knowledge in finding practical solutions to individual and community problems.

**Tree Plantation Drive at KRMU**

NSS-KRMU celebrated "Van Mahotsav" on 15th July, 2019 with NSS Volunteers, faculty members and staff. Tree plantation drive was conducted in the KRMU campus near hostel area by faculty members. Around 15 NSS volunteers and 10 faculty members participated in this event. All the participants promised that they will practice tree plantation.

**Blood Donation Camp**

NSS-KRMU organized "Blood Donation Camp" in association with Rotary Blood Bank, Delhi on 14th October, 2019 at KRMU campus. 110 student volunteers and 15 faculty members donated their blood for this noble cause.

## NSS Orientation programme and National Unity day celebrations

3rd Orientation of NSS - K. R. Mangalam University was held on 31st October 2019. The theme of the programme was "Legal awareness, an effective media of empowerment". The programme started with the lighting of lamp by the Chief Guest, Shri Pardeep Chaudhary, Chief Judicial Magistrate, Gurugram and Secretary DLSA and Special Guest, Dr. Vijay Gaur, Secretary General, Bhagidari Jan Sahyog Samiti.

Also present on the occasion were Prof. Aditya Malik, Vice Chancellor, KRMU and Prof. Anita Sharma, Pro Vice Chancellor.

A special presentation to give Tribute to Sardar Vallabhbhai Patel on National Unity Day was made during the programme. The students presented various activities including many social issues like medical & human health, women empowerment etc. Around 100 volunteers of National Service Scheme (NSS) attended this programme. The programme concluded with the vote of thanks by Dr. Chandra Mohan followed by National Anthem.

## Workshop on POCSO

KRMU-NSS organized a workshop in association with Sakshi (regd. NGO 1992) about POCSO (2012) Act & Child Sexual Abuse with the approval of Ministry of Youth Affairs. The workshop was organized in partnership with Directorate of NSS with the volunteers to strengthen Youth as powerful enablers with a focus on building awareness about POCSOA 2012 on 21st November 2019 in KRMU Campus.

Ar. Pankaj Dhayal, SOAP presented a paper on 'Causes and Effects of Waterlogging In An Urban Area: A Case Study Of Gurugram, Haryana, India' at 8th Asia Pacific association of hydrology and water resources, International conference was co-organized by IIT Roorkee with Japan Society of Hydrology, UNDRR and DST, India on 22 November 2019. She also attended seminar on Education of a design Professional - An Ekiotics Approach by COA from 9-13 December 2019.

Ms. Asha Sohal, SOET co-authored a paper titled 'Survey of Mathematical Models based on Load Balancing using Fog-Cloud Networks' published in International Journal of Modern Electronics and Communication Engineering (IJMECE) May 2019, ISSN 2321-2152.

Dr. Pankaj Gupta, SMAS co-authored research article titled "Pharmacognostical and Phytochemical Screening of Roots of Euphorbia Hirta Linn." published in International Journal of Pharmacy and Biological Sciences, 2019, 9(3): 763-768. ISSN: 2321-3272, DOI: <https://doi.org/10.21276/ijpbs.2019.9.3.96>.

Ar. Praveen Gupta, SOAP attended Faculty Development Programme at Vastu Kala Academy, Pune from 18-19 July 2019 on Research Methods and Data Analytics in Architecture & Planning. The FDP was structured by Council of Architecture.

Ms. Saneh Lata Yadav, SOET attended Faculty Development Programme on "Research Trends in AI and Mobile Systems" (RTAIMS-2019) from 16-21 December, 2019 at National Institute of Technology Hamirpur, Himachal Pradesh.

Dr. Neeraj Gupta, SOET co-authored a research paper titled 'Analytical Available Bandwidth Estimation in Wireless Ad-hoc Networks Considering Mobility in 3-Dimensional Space' published in Scalable Computing: Practice and Experience Journal in May, 2019 ISSN: 1895-1767.

Dr. Archana Vashishth, SOLS published a chapter titled "Judicial Response Towards Protection of Prisoners Human Rights In India" in a book titled 'Human Rights in India Expanding Dimensions' by Dr. Somnath Roy. ISBN : 978-93-87839-41-0. published by Satyam Law International in December 2019.

Dr. Sulakshana, SOLS published a chapter titled "Human Rights and its Violation on Vulnerable: Victims of Honour Killing and its Collision in Society" in a book named 'Human Rights in India Expanding Dimensions' published by Satyam Law International, ISBN- 978-93-87839-41-0 in december 2019.

Prof. M P Verma, SOHMCT attended 7th Chef Summit - Enhancing, Knowledge and Culinary Skills on 21 October 2019.

Ms. Kriti Sharma, SOET published paper titled 'Trends in Existing and Emerging Cyber Threat Intelligence Platforms' in Scopus indexed journal 'International Journal of Innovative Technology and Exploring Engineering' Volume-8 Issue-12, October 2019.

Ms. Sarah Khan, SOET published a research paper titled "Air Quality Scenario of World's Most Polluted City Kanpur: A Case Study" as a chapter in book titled Smart Cities—Opportunities and Challenges, Series Volume 58, Publisher Springer Singapore, eBook ISBN978-981-15-2545-2, DOI10.1007/978-981-15-2545-2, Hardcover ISBN978-981-15-2544-5, Series ISSN2366-2557.

Dr. Kaushal Kumar, SOET co-authored following research papers: "Review of literature of lean construction and lean tools using systematic literature review technique (2008–2018)' published in Ain Shams Engineering Journal with DOI 10.1016/j.asej.2019.08.012. (Elsevier).

"Ionic concentration and action potential differences between a healthy and alzheimer's disease person" has been accepted in 5th International Conference on recent developments in science, engineering and technology – 2019 (Gurugram), and published in a book series of springer publication "Communications in computer and information science".

"An Introduction to Lean Construction/Visual Management tool in Construction Projects" presented in World Conference on Transport Research-2019, Mumbai and published in "Transportation Research Procedia" proceedings by Elsevier publication.

"Enhancement of Latent Heat Energy Storage System Using Nanomaterials for Different Applications: A Review" has been accepted in 10th International conference on materials processing and characterization ICMPC 2020 (Elsevier).

"Rheology of fly and bottom ash slurry at higher concentration" has been accepted in TEQIP-III Sponsored International Conference on Chemical, Bio & Environmental Engineering (CHEMBIOEN-2020) at National Institute of Technology, Jalandhar (Punjab).

"Parametric Optimization of Slurry Erosion Behavior of Brass" has been accepted in 10th International conference on materials processing and characterization ICMPC 2020 (Elsevier).

Dr. Teena, SOLS published chapter titled "Sex Worker in India: A Dismissal Story" in book titled Human Rights in India Expanding Dimensions by Dr. Somnath Roy. ISBN : 978-93-87839-41-0 published by Satyam Law International in December 2019.

Her chapter titled 'Indian Legal System on Child Sexual Abuses :An Analytical Study' has been published in a book edited by Prof. Dr. Naresh kumar Vats titled Children Law and Society. ISBN : 978-81-941162-01-2 published by Bharti Publications in 2019.

Dr. Chandra Mohan, SBAS and Mr. Vinod Kumar, SMAS attended one week faculty development programme on "Waste to Valuables– Different Biological and Thermo/ Hydrothermal Approach" from 15th – 19th July 2019 at IIT Roorkee.

Ravendra Singh, Yogendra Kumar Rajoria and Dinesh Kumar Maurya, SBAS published a paper titled "A Mathematical Model to Solve the Burgers-Huxley Equation by

Using New Homotopy Perturbation Method" in (Scopus Indexed Journal), International Journal Mathematical, Engineering and Management Sciences, Vol. 4, No. 6, PP.1483-1495, December 2019. <https://dx.doi.org/10.33889/IJMEMS.2019.4.6-117>

Ms. Ritika Saxena, SJMC attended 3 days Faculty Development Program on DATA JOURNALISM organised by Apeejay Institute of Mass Communication, New Delhi, from 19-21 December 2019.

Ms. Richa Aggarwal, SOHS conducted a workshop on Cancer Awareness: Prevention and Survival on 20 September, 2019 at Janki Devi Memorial College, DU. She also participated in the Knowledge Sharing Program on Academic Leadership on Economic Challenges Before

the Government and Rural Marketing in India-Opportunities and Trends on 9th July and on The Keystone for Excellence in Professional Education at IBS Gurgaon on 30 August, 2019 at IBS Gurgaon.

Dr. Manasvi Maheshwari, SJMC attended FDP on Qualitative and Quantitative Research Organized by Delhi Metropolitan Education (DME) from 7-13 June 2019.

Dr. Manasvi Maheshwari and Ms. Pooja Vij, SJMC published a paper titled 'Role of Communication Strategies in Swachh Bharat Abhiyan: A study of Jharsa Village, Gurugram In Mass Communicator: International Journal of Communication Studies, Year : 2019, Volume: 13, Issue: 3, DOI 10.5958/0973-967X.2019.00013.9 Print ISSN : 0973-9688. Online ISSN: 0973-967X.

Dr. Ruchika Yadav, SOMC, presented a research paper titled "Attrition and Retention of Knowledge Workers-the backbone of our Indian Economy in Automobile Sector" in an International Conference on Entrepreneurship and Management: Challenges, Issues and

Opportunities in the Global Economy (ICEM-19) organised by VGU, Jaipur on 9th November 2019. The paper is published in Think India Journal. She also presented paper titled "Emotional Intelligence, it's Constructs, Dimensions and Their Impact on Successful Sales Performance-The Indian Perspective" in the International Conference on "The Impact of Globalization on Economic Development, Emerging Technology & Management Science" on 30th November 2019.

Dr. Richa Nangia published a research paper titled "Challenges and Opportunities in Performance Appraisal in world's economy and Its impact on Employee's Performance" in Think India Journal (UGC care List Journal) ISSN: 0971-1260, Vol-22, Special Issue-15. The paper was presented at Entrepreneurship and Management: Challenges, Issues and Opportunities in the Global Economy on 9 November 2019 and organized by Vivekananda Global University, Jaipur (Rajasthan).

Ms. Yogita Yashveer Raghav, SOET presented a paper titled 'A comparative analysis of different load balancing algorithm on different parameters in cloud computing' in 3rd IEEE International conference on Recent development in control automation and power Engineering October 2019. She also attended a FDP on Current emerging trends and Technology organized by SSKPS RAGHAV GSSS BHONDSI from 9-11 December 2019.

Dr. Richa Arora, SOMC presented a paper titled "A study on Emotional Intelligence and Quality of Work Life balance of women in IT sector in Delhi" at the International Conference on "Global Business strategies for sustainability driving business excellence through digital transformation" on 18th October 2019. She also published a paper titled "To study the Insurance sales report automation on Tableau" in Think India Journal with ISSN: 0971-1260 published in ol 22, no 15(2019).

Ms. Puja Acharya and Ms. Charu Singh, SOET attended a short term course entitled "Essential Mathematical Tools for Optical and Wireless Communication (ETOWC-19)", organized by Department of ECE, NSUT, New Delhi, from 15-20 July 2019.

Ms. Anita Sharma, SOMC published a research paper titled "Crowdfunding And Ethic in India" in International Journal of Business Research and Excellence. ISSN-2582-4368 Volume I, Issue I, June 2019

Dr. Kavari Sharma, SOLS completed short term course on Cyber Crime Prosecution & Defence conducted by Asian School of Cyber Laws in July-August 2019.

Ms. Venuka Sandhir, SBAS completed 4 weeks online NPTEL FDP on the topic "Business Analytics and Data Mining Modeling Using R Part II" in July-August 2019.

Dear Readers,

I feel immense pleasure to present KRMU Times Volume 5 and Issue 1 for your reading. With this issue we have entered the fifth year of the KRMU's newsletter. This issue covers news and events from July-December 2019.

The cover story is about KMRU's second Convocation wherein Bharat Ratna Shri Pranab Mukherjee conferred the degree to our students. It was an honour to have Former President of India amongst us. We have also signed MoU with Pranab Mukherjee Foundation.

Another major event organized by KRMU was e-Dude Fest wherein more than 600 school students were invited to visit campus and participate in numerous activities. The students got opportunity to interact with many renowned academicians and industry experts including Prof. Badrinath, Prof. Singh, Prof. Sumanyu Satpathy, Prof. Aditya Malik, Prof. Krishan Lal and many more.

KRMU has always believed in providing best of industry exposure to the students by encouraging project based learning and hands-on experience. We have adopted innovative teaching pedagogy and has always keep our curriculum abreast with latest industry trends and practices. In one such initiative KRMU organised Education Summit on New Education Policy and invited experts from academia and industry to deliberate on the theme 'Towards Meaningful Education: Redefining Goal and Pedagogies'

This issue also brings in the news of events, lecture and visits by the KRMU students. We congratulate faculty and students for their academic achievements. We seek for your cooperation and support in our endeavours and invite your suggestions. Please feel free to write and provide your valuable feedback at [krmutimes@krmangalam.edu.in](mailto:krmutimes@krmangalam.edu.in).

Happy Reading!
