Comments about openPR

OpenPR is the nicest and most clearly laid out PR platform I have seen to this day. The press releases are displayed very nicely and clearly and without any unnecessary frills. The updates are fast and the finished release looks appealing and is clearly legible. Even with 16 years of experience one discovers new things from time to time. Congratulations!

### The school procurement process

Schools, like all public sector bodies and larger private sector organisations, conduct their procurement according to budgets. These budgets are set at the top of the organisation's tree and filtered down to the budget holders who have been given the responsibility to spend this money. Spend being the operative word. School procurement is a little bit like a communist society – spend it or lose it. ... [➔](#)
