It has also tied up with Middlesex University, an independent Higher Education Corporation and exempt charity in England and Wales.

Latest in the series is the MoU signed with TianYuan University Tianjin, China to elevate the education and research bond between the two Universities.

The agreement was signed by Li Jinyuan Chairman Tiens Group China on behalf of TianYuan University and by Prof. (Dr.) Aditya Malik, Vice-Chancellor, K.R. Mangalam University, Gurugram. This alliance shall promote cooperation, effective integration and sharing of educational resources between K.R. Mangalam University and TianYuan University.

academic conferences and developing learning programs to enhance the education and research in both countries.

This alliance highlights K.R. Mangalam University's dedication towards achieving excellence in education and research. This collaboration with Tiens Group in China is a major breakthrough for K.R. Mangalam Group in India. Through this agreement, the two universities will build programmes and other activities to help further the education and contribute to the commitment of education and research to the global society.

As per the MoU signed with Middlesex University, both sides will establish academic cooperation in teaching, research, innovation and enterprise including visits and joint research; mutual recognition of designated degree programmes for the purposes of articulation and academic credit transfer; explore joint degree possibilities; explore academic collaboration opportunities that enhance the programmes and activities of both the institutions; mentoring of KRMU academics by Middlesex academics; student and staff exchanges including mentoring of beginning students at KRMU by senior students at Middlesex and mutual students opportunities for internships and summer courses.

This alliance shall promote cooperation, effective integration and sharing of educational resources between K.R. Mangalam University and Middlesex University.

According to the officials the signing of the MoU between K.R. Mangalam University and Middlesex University highlights K.R. Mangalam University's dedication towards achieving excellence in education and research. Through this agreement, the two universities will build programmes and other activities to help further the education and contribute to the commitment of education and research to the global society.
