Each programme curriculum at KR Mangalam University is meticulously designed to align with the objectives and principles set forth by the National Education Policy (NEP) 2020 and the Sustainable Development Goals (SDGs). Our institution recognizes the transformative potential of education in shaping a sustainable and inclusive future and we have incorporated the key tenets of both the NEP 2020 and the SDGs into our curriculum. The NEP 2020 emphasizes and encourages foreign collaborations in the education sector. It promotes the establishment of campuses on foreign land, fostering international partnerships and knowledge exchange. It places a strong emphasis on research collaborations, aiming to promote innovation and scientific advancements through collaborative efforts between Indian institutions and their foreign counterparts. By implementing innovative pedagogical practices, our curriculum encourages interdisciplinary studies, enabling students to explore diverse fields of knowledge and develop a well-rounded understanding of the interconnectedness of various subjects. Moreover, the curriculum at KR Mangalam University is closely aligned with the SDGs which are a global call to action to address pressing social, economic and environmental challenges. KR Mangalam University paves the way for a globalized and inclusive education system, where students can benefit from international exposure and gain a broader perspective on various subjects.. We firmly believe that by empowering our students to become responsible global citizens, we can contribute to the achievement of the NEP 2020 and the SDGs, paving the way for a brighter and more inclusive world.
