## ‘MAI BHI RJ’: RJ hunt by Zabardast Hit 95 FM

Zabardast Hit 95 FM conducted an RJ Hunt competition ‘Mai Bhi RJ’ for the students of K.R. Mangalam University on 6<sup>th</sup> April, 2016.

Zabardast Hit 95 FM, one of Delhi’s most leading radio stations from Clear Media India Pvt. Limited has undertaken a Pan Delhi campaign ‘Mai Bhi RJ’ with the aim of finding budding RJs. They have already conducted the event in 13 Universities & Colleges i.e. Amity University, Venkateshwara College, Hindu College, Ansal University, Indraprastha University, Hansraj College etc.

More than 300 students participated in the contest and tried their voice luck to go on air at Zabardast Hit 95 FM. The event started with an Ad Mad show and the winner Ms. Vijaya Singh (B. Pharm) was awarded prize by RJ Luke. Mr. Pranav (BBA, LL.B) and Mr. Siddhartha Sharma (BBA) were selected for the inter-university competition round, which will lead these students to become RJ and go On AIR on Zabardast Hit 95 FM.

A quiz competition was also conducted for the students and Mr. Rishabh Raj was declared the winner. He was felicitated by a gift hamper by RJ Luke. The whole event was well coordinated by Prof. Arun Garg, Dean Students Welfare, Ms. Asha Sohal, Convener, Cultural Committee and student coordinator Ms. Shreya Chauhan.

## MOMENT OF PRIDE FOR KRMU FAMILY

It is indeed the moment of great pride and honour for KRMU that Centre for Education Growth and Research (CEGR) has designated Prof. (Dr.) K.K. Aggarwal, Chancellor, as the Mentor, Core Committee of CEGR and Prof. (Dr.) R.K. Mittal, Vice Chancellor, as the Member, Advisory Council, CEGR.

Prof. Mittal has also been nominated as Member of CII, Northern Region Special Task Force on Entrepreneurship and Start-ups for the year 2016-17

The Task Force will work towards developing North India as an Entrepreneurship and Start-up Hub while conducting policy research, efficient implementation of Entrepreneurship initiatives in Northern Region States and building a Regional Network of Start-up communities for Entrepreneurs.

## PLACEMENT DRIVE @ KRMU-SAFFRON IT

SaffronIT, a full service marketing agency specializing in Internet marketing and Business outsourcing company conducted a placement drive at KRMU on 3<sup>rd</sup> June 2016 for MBA students. The session started with a

presentation by Ms. Divya from SaffronIT explaining company’s business and clientage to the students. It was followed by Group Discussion round (GD). Selected candidates faced a personal interview conducted by four members in panel.

# Dr. Abdul Kalam Science Society organizes Science Fair

Prof. R.K. Mittal, Prof. Syal, Dr. Mukhopadhyay, Prof. Subhash C. Gupta & Prof. Tyagi at Inaugural ceremony.

Student demonstrating the working model to Prof. R.K. Mittal, Dr. Mukhopadhyay and Prof. Syal.

Prof. Subhash C. Gupta, Prof. Syal, Dr. Mukhopadhyay, Mr. Chandra Mohan & Prof. Brijesh Kumar at valedictory.

A glimpse of the models exhibited at Science Fair.

The 'Dr. Abdul Kalam Science Society', KRMU organized a Science Fair on Friday, 22<sup>nd</sup> April, 2016. The objective was to instil scientific temper into the students of the university and encourage them to develop innovative models using various scientific theorems and concepts. The Guest of Honour was Dr. A. Mukhopadhyay, Director and Scientist F, Department of Science and Technology, Delhi and special guest for the day was Prof. Shatendra K. Sharma, Director, USIC, JNU, Delhi. The event started with ceremonial lamp

lighting by invited guests and Hon'ble Vice Chancellor, Prof. R.K. Mittal, Prof. Subhash C. Gupta, Pro Vice Chancellor, Prof. V.K. Syal, Dean SBAS and Prof. Brijesh Kumar, Dean, SOET.

Dr. A. Mukhopadhyay addressed the students and discussed all the currently running DST-Inspired programs, for faculty and students. Prof. Shatendra K. Sharma inspired the students and talked about "How to innovate and invent".

More than 130 students from various departments participated in competitive events such as Model Presentation,

Collage Making, Extempore, AD MAD Show and Quiz. Winners were felicitated with cash prizes, certificates and medals. Gold, Silver and Bronze medals were given for securing first, second and third positions respectively.

The team of anchors for the day included Parul (B.Sc-Physics, 4<sup>th</sup> semester), Himanshi (B.Sc-Chemistry, 4<sup>th</sup> semester), Salil and Shaibi (B.Sc- Chemistry, 6<sup>th</sup> semester).

The fair was well coordinated and organized by convener Dr. Jyotsna Sharma and co-convener, Mr. Chandra Mohan.

- By Dr. Jyotsna Sharma

Event	I position	II position	III position
Model Presentation	Ritu, M. Sc (Phy), II sem Rahat, M. Tech, II sem and Ujjwal, B. Tech, ME, II sem	Vishal Raghav, B. Tech (ME), IV sem Abhinav, B. Tech (ME), IV sem and Salil Bajaj, B. Sc (Chem), VI sem	Special Mention Shubham, Vasu and Sagar B. Tech (ME), VI sem
Collage Making	Nisha Patra, B. Tech (ME), II sem	Sonam Yadav, B. Sc (Chemistry), IV sem	Harish, B. Sc (Phy) IV sem
Extempore	Harmanpreet, B. Tech (ME), VI sem	Anuradha, BBA LLB, IV sem	Shreya Sharma, B. Sc (Chem) VI sem
AD MAD Show	Hema, B. Sc (Chem) II sem	Shikha, B. Sc (Phy) II sem	
Quiz Competition	Sonam, Iqra & Pooja Devatwal, B. Sc (Chem) IV sem	Anu, B. Sc (Phy) II sem, Shreya, B. Sc (Chem) VI sem and Nidhi, B. Sc (Chem) IV sem	

## Health Awareness Camp @ KRMU

The Health Society of K.R. Mangalam University organized a Health Awareness Camp for all the faculty members, non-teaching staff and other supportive staff of the university on Thursday, 9<sup>th</sup> June, 2016.

107 Staff members participated in the Health Check-up camp and got their Biochemical tests performed. Their Body weight, Height, Body Mass Index, Blood Pressure, Hemoglobin levels and Random Blood glucose

levels were checked by the members of the Health society.

The camp was organized with the objective of creating awareness about the good dietary habits, hygiene and lifestyle modification for prevention of chronic diseases. Prof. K.K. Aggarwal, Chancellor and Prof. R.K. Mittal, Vice Chancellor inaugurated the camp and got themselves checked by the student volunteers.

Ms. Silky Sethy and Mr. Deepak Tushir successfully coordinated the Camp under the guidance of Prof. Arun Garg, Dean SMAS. The student volunteers from the Health Society efficiently made the Health Awareness camp successful.

Some of the staff members were found to be obese, hypertensive, anemic and diabetic. Some of the female staff members were found to be under weight and hypotensive. They were

counselled by Dr. Arun Garg, Ms. Silky Sethy and Mr. Deepak regarding the lifestyle modification, dietary habits in order to avoid Blood Pressure and increased Blood glucose levels. They were also advised to follow regular exercises. The staff members appreciated the efforts of the Health Society and requested that these Health Camps should be organized regularly.

- By Ms. Silky Sethy

## KRMU Leaders address workshop on Higher Education Leadership and Management organized by CEGR

by very renowned and experienced speakers from Academics, Business and Corporate.

Prof. (Dr.) K.K. Aggarwal, Chancellor, KRMU and Prof. (Dr.) R.K. Mittal, Vice Chancellor, KRMU were amongst the key speakers at the workshop. Also present on the occasion were Prof. (Dr.) V. P. S. Arora, President, CEGR and Vice Chancellor, Shri Venkateshwara University, Prof. (Dr.) B V Babu, Vice Chancellor, Galgotias University, Mr. V. M. Bansal, Chairman, NDIM and Former Secretary, DDA, Prof. (Dr.) Anil Kumar, Vice Chancellor, Al Falah University, Prof. (Dr.) Raj S Dhankar, Vice Chancellor, Ansal University, Prof. (Dr.) D. S. Chauhan, Vice Chancellor, GLA University

and President, AIU, Mr. Lokesh Mehra, Director, Symantec, Prof. (Dr.) S. S. Agrawal, Director

General, KIIT, Mr. Pooran Pandey, Executive Director, United Nations Global Compact.

In the concluding session of the first day, CEGR released the book Effective Business Communication, a venture by highly renowned experts from academic, corporate & business world.

Prof. K.K. Aggarwal, delivered his thoughts on the topic Planning, Building, Maintaining, and Utilising World class infrastructure and Documentation and Requirements for Accreditation and Ranking

Documentation and Requirements for Accreditation and Ranking'. Prof. R.K. Mittal, addressed the academicians, entrepreneurs and the corporate people on the topic 'Automation of University Activities for Effective Administration'. Prof. (Dr.) Brijesh Kumar, Dean, SOET and Prof. (Dr.) Omana Antony, Dean, SOHS, successfully cleared the assessment test conducted at the workshop and have been certified as 'CEGR Certified Academic Leaders'. Besides the enriching talks, the workshop provided an amazing platform for academic networking.

The CEGR (Centre for Education, Growth & Research), New Delhi organised a 2-day workshop on Higher Education Leadership & Management at New Delhi Institute of Management, Delhi on 25<sup>th</sup>-26<sup>th</sup> June, 2016. It was the culmination of an academic leadership training programme where the trained persons during this workshop will be assessed and will be certified as 'CEGR Certified Academic Leader'. The workshop was a unique one with the series of talks and interactive sessions

## SMAS VISIT TO INDIAN PHARMACOPOEIA COMMISSION

Faculty and students of SMAS along with the officials of IPC during the visit.

School of Medical and Allied Sciences organized a visit to Indian Pharmacopoeia Commission (IPC) Ghaziabad on 22<sup>nd</sup> April, 2016 for the students of IV and VI semester, B. Pharm. Indian Pharmacopoeia Commission (IPC) is an Autonomous Institution of the Ministry of Health and Family Welfare, Govt. of India. IPC is created to set standards of drugs in the country. Its basic function is to update regularly the standards of drugs commonly required for treatment of diseases prevailing in this region.

Dr. P.L Sahu, Principal Scientific Officer, made a presentation on the IPC, Indian Pharmacopoeia (IP), National Formulary of India (NFI), Pharmacovigilance Programme of India (PvPI). He discussed about the different programs of IPC. He also addressed the queries of the students. Dr. K. K. Singh, Library & Information Officer, shared information related to all the laboratories of the chemistry department and Pharmacovigilance department.

The center is well equipped with various analytical instruments used for the testing of various drug samples all over India, such as Inductive Couple Plasma (for heavy metals detection), C,H,N,S analyser detects presence of the respective compounds in sample, Particle Size Analyser (for particle size determination), Thermal Gravimetric, Differential Scanning Calorimetry, Gas Chromatography coupled with Mass Spectrometry, Atomic Absorption Spectroscopy (for metal ions), Nuclear Magnetic Resonance (for proton skeleton), Ion Chromatography, High Performance Liquid Chromatography (HPLC), FTIR (Fourier Transform Infrared), Liquid Chromatography coupled with Mass Spectrometer (LCMS), GC-MS (Gas Chromatography with head space), High Performance Thin Layer Chromatography (HPTLC), Karl Fischer Titration (for moisture determination). Dr. Ashish Sharma and Ms. Anjali, SMAS accompanied the students.

## A VISIT TO NEWS NATION CHANNEL BY SJMC STUDENTS

Students of SJMC at the studio of News Nation channel.

The students of School of Journalism and Mass Communication visited News Nation television channel on 30<sup>th</sup> April, 2016 at Noida. News Nation Channel was inaugurated in 2012. News Nation is headed by Mr. Abhey Oswal, Chairman of the company, who is also an astute industrialist. News Nation stands firm on the foundations of its motto - 'Khabrein Jo Banti Hein Aapki Power'. Incisive and creative, the channel targets global Indian with news that is credible, fast and continues to raise standards of journalism with innovative programming and uncompromising integrity.

The students of BJMC II semester were accompanied by Ms. Shikha Sharma, Assistant Professor, SJMC.

Mr. Kartik from News Nation coordinated the visit. He explained working and structure of the television channel and process of news gathering. Students were shown Production Control Room, Master Control Room, Recording Studio, Editing Studio, Graphics room.

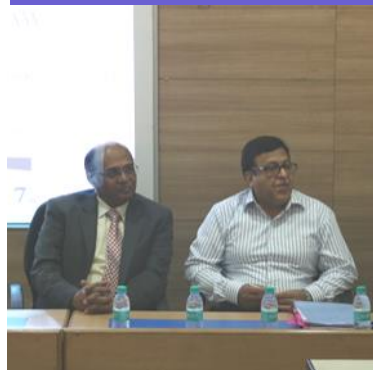

He addressed the queries of the students about the prices for the advertisements they charge how they allot the time to the news they get from different sources.

News Nation has India's most modern and sophisticated studios, newsgathering and archiving facilities. Professionals from respective fields having years of experience and distinguished journalists have joined hands to ensure quality journalism.

Students also got opportunity to meet and interact with the anchors of the show. Some students, who are aspiring to be an anchor, asked the anchors that how difficult it is to face camera and handle live shows. Mr. Kartik also briefed the students about the skills one should acquire to become a successful anchor. The visit was really beneficial for the students, as they were able to understand working of a News channel.

## GUEST LECTURE ON RTI

Mr. Deepak Dhawan along with Prof. Subhash C. Gupta, Pro Vice Chancellor.

School of Law organized a guest lecture on 'Right to Information: Movement Towards Transparency in Governance' by Mr. Deepak Dhawan, Executive Director, Corporate Affairs & Law, Indian Oil Corporation Ltd. on 7<sup>th</sup> April, 2016.

Mr. Deepak Dhawan gave a detailed analysis of the Right to Information Act and elaborated upon the practical

aspects of the Act. He discussed a catena of cases on RTI Act and also spoke on the lacunae existing under the Right to Information Act, such as no power of a public officer to ask about the purpose or the *locus standi* of a person seeking the information.

Dr. Subhash C. Gupta, Pro Vice Chancellor, KRMU also addressed the students on the subject. The talk was followed by an interaction session. The event was coordinated by Ms. Anupama Gupta.

Mr. Deepak Dhawan addressing the students.

The event was coordinated by Ms. Anupama Gupta.

## Faculty Development Programme by NITTTR

One week faculty development program on 'Instructional Delivery' was conducted through ICT in association with NITTTR Chandigarh at KRMU from 27<sup>th</sup> June-1<sup>st</sup> July 2016. The objective of the FDP was to sensitize faculty members on teaching methodology, evaluation, student psychology etc.

The five days FDP was conducted by various experts such as Dr. P.K. Tulsi, Dr. Amandeep Kaur, Dr. Sunil Dutt, Dr. S.P. Bedi, Dr. Vidhumohan, Dr. M. Dutta, Er. T.N. Thukral delivered informative lectures.

The FDP has given the immense knowledge on

instructional planning, delivering, answering the question of what you are expected to teach your students, methods for evaluating students, encouraging students to do some creative things, entrepreneurship and to make the students industry ready. The faculty members from the technical schools as well as the non-technical schools found it highly useful to make the teaching effective, interesting and exciting. Ms. Minakshi Katoch, and Ms. Ruchi Yadav coordinated the program and ensured the involvement of everybody.

- Ms. Minakshi and Ms. Ruchi

## Session on Vedic Thoughts

The Chetna Society of KRMU organized a motivational talk for faculty members on 30<sup>th</sup> April, 2016. Mr. Ravindra Shrivastav, an Electrical Engineer and an entrepreneur by profession; addressed the audience on Vedic thoughts. He has authored a book 'Dance

with Silence'. He has been popularising writings and verses of Bhagavat Gita for long. Prof. Omana Antony welcomed the Honourable Vice Chancellor Prof. R.K. Mittal, Pro Vice Chancellor Prof. Subhash C. Gupta, Deans of various departments and faculty members of KRMU.

Mr. Shrivastav gave a lecture on 'Compassion' highlighting how the quality 'compassion' enables an individual to transform to the higher spiritual status. He emphasized that man can overcome his emotional turbulence only if he can come in harmony with the inner self. He also made the faculty members meditate for a few minutes in order to experience the inner "I" which is watching us silently through out.

The lecture was followed by an interactive session. The two hours session was concluded with Vote of Thanks.

## SOMC organizes Guest Lecture

SOMC invited Mr. Sunil Chopra I.R.S. (Retd), Former Chief Commissioner of Income-Tax and Income-Tax Ombudsman

to deliver a lecture on 28<sup>th</sup> April, 2016 & 2<sup>nd</sup> May, 2016 for B. Com (H) and BBA students respectively. The speaker gave insights on recovery and refund of tax, appeals and revision, penalties, offences and prosecutions for B. Com students. In his address to BBA students he gave insights on capital gains concept and capital gains tax, setting off of business losses and tax deducted at source (TDS). Prof. Subhash C Gupta, Pro Vice Chancellor & Dean (SOMC) was also present on the occasion. The lecture was followed by interjection session by SOMC students. Dr. Meghna Chhabra and Prof. Gurbir S Khera coordinated the event.

-By Dr. Gurbir S. Khera

# EXPERIENCE PHARMACY @ SCHOOL

School of Medical and Allied Sciences, KRMU has been awarded as the 'Best Pharmacy College in India in 2015' by Centre for Education growth and Research (CEGR). Prof. (Dr.) Arun Garg, Dean, SMAS, with the feeling of great pride and satisfaction shared the success mantra with KRMU Times. "Our labs are modular, well-equipped with latest equipment and best in northern India. The USP of our school is that we have designed the curriculum keeping in mind the industrial needs. We offer elective and other subjects to the students." Dr. Arun Garg is a Ph.D holder from Dr. M.G.R University, Chennai and M. Pharm and B. Pharm from Delhi University. He has more than 30 years of teaching experience. He has 25 research paper to his credit. And has been bestowed with prestigious awards including Dr. B. Mukherjee, Young Teacher award, and IPGA Professional Excellence. He is the General Secretary of Indian Pharmacy Graduate Association.

The school pays needed attention to the internships and training of its students. SMAS has tied up with various pharmacy companies and hospitals such as Dabur, Arburo Pharmacy, Max Hospital, Medicamen Biotech. To ensure placement of their students they have tied up with Dabur Research and Development Centre, Suraksha Pharmacy, Medicamen Biotech and Lark Laboratories. Dr. Garg also informed that school plans to organize a job fair in 2017 for the placement of their students. "The job fair will provide placement opportunities for our students with the best of industries."

*"Wherever the art of  
Medicine is loved, there  
is also a love of  
Humanity."  
— Hippocrates*

**Dr. Pankaj Gupta, Assistant Professor:** He did his Ph. D from All India Institute of Medical Sciences and M. Pharm and B. Pharm from Guru Jambheshwar University of Science and Technology. He is having 4 years of teaching experience and 6 years of Research experience. He is having over 22 publications in peer reviewed National / International journals. He was awarded Senior Research Fellowship from the Council of Scientific and Industrial Research and is recipient of several National / International Travel Fellowships.

**Ms. Silky Sethy, Associate Professor:** She has 11 years of teaching experience. She has worked as a clinical research associate in Ranbaxy Research lab for a year. She has around 17 papers presented in various National and international conferences as well as journals. She is the Central Executive member of a National level organization named Indian Pharma Graduates Association. She has been felicitated and awarded for contribution to Pharmacy profession through IPGA.

**Dr. JB Senthil Kumar, Assistant Professor:** He has completed his M. Pharm (Pharm-Chemistry) from JSS College of Pharmacy, Rocklands Ooty. He has earned Ph. D degree from Dr Ambedkar Centre for Biomedical Research, University of Delhi, North Campus, Delhi. He is also holding a PG Diploma in IPR from Indian Law Institute, Delhi. He has 7 international research publications to his credit. During his Masters and Ph. D he has been awarded fellowships such as GATE, CSIR-SRF and JRF (DBT project).

# OF MEDICAL AND ALLIED SCIENCES

Speaking on the importance of industrial exposure and expert interaction he said “We organize regular guest lecture and workshops by experts from the industry. Our ultimate objective is to prepare our student to face challenges of the industry by making them professional and committed individuals.”

The school has been organizing events and activities on regular basis. They have organized free health check-up camp on World Pharmacists Day at the campus. During the camp Blood Pressure, Blood Sugar level, BMI and hemoglobin were monitored for all the staff and students present.

SMAS celebrated National Pharmacy Week in November 2015. Posters regarding the safe use of antibiotics were displayed at prominent places at the campus and near by vicinity in Sohna and Badshapur. The Do's and Don'ts related to the use of antibiotics were explained to the chemists in order to prevent anti-microbial resistance.

Guest lecture and interaction session with experts are the prominent features of the school. In last semester Ms. Jaspreet Kaur, Head, Business development at SRL Diagnostics addressed the students on the ‘Role of Pharmacist in Clinical Research’.

The school also provides platform to their students for attending seminars and conferences. They encouraged students to work in organizing team of 30<sup>th</sup> Annual Conference of Indian Pharmacy Graduates’ Association. The students have presented posters at International and National Conferences. Undoubtedly, the faculty and students of SMAS are constantly thriving for growth and success.

*“The art of medicine consists of amusing the patient while nature cures the disease.”*

— voltaire

**Ms. Anjali Dhillon, Assistant Professor:** She has completed her M. Pharm (Pharmaceutics) from Amity Institute of Pharmacy, Amity University, Noida and B.Pharm from P.D.M. college of Pharmacy, Bahadurgarh. She is having 2 years of teaching experience.

**Dr. Aashish Sharma, Assistant Professor:** He did his Ph. D from Indian Institute of Science Education and Research, Bhopal and M. Pharm (Pharmaceutical Analysis) from Nirma University of Science and Technology, Ahmedabad. He is having 3 years of teaching experience and 5 years of Research experience. He is having 5 research publications in peer reviewed International journals and one Indian Patent.

**Mr. Deepak Tushir, Assistant Professor:** He has 8 years of teaching experience. He has worked as a sales executive in Intas Pharmaceuticals Ltd for 4 years. He has around 4 papers presented in various National and international conferences He has worked as training and placement officer in previous organization.

**Dr. Renuka Rajora, Assistant Professor:** She has completed her Ph.D from Pharmaceutics Division, Central Drug Research Institute Lucknow U.P and M. Pharm (Pharmaceutical Chemistry) from B.U. Bhopal. She is having 2 years of teaching experience & 4 years of research experience. She has published 16 research articles with 11 national and 2 international conferences. She was awarded Senior Research Fellowship from the ICMR & is recipient of several National / International Travel Fellowships.

**Ms. Anupama Gupta**, SOL, presented a paper titled “Irretrievable Breakdown of Marriage- Pros & Cons” at the National Seminar on Hindu Jurisprudence organized by Centre for Constitutional & Legal Studies, in collaboration with ICPR from 16<sup>th</sup> to 18<sup>th</sup> May, 2016 at Indian International Centre.

**Ms. Shikha Sharma**, SJMC attended a seminar on ‘World Press Freedom Day’ organized by UNESCO at India International Centre, New Delhi on 3<sup>rd</sup> May, 2016. 3<sup>rd</sup> May is celebrated as

World Press Freedom Day all over the world by the media people. The theme of this year “Access to Information and Fundamental Freedom’ with a particular focus on ‘Freedom of Information and Sustainable Development’.

**Ms. Kaveri Sharma**, SOL, was invited to judge a National Moot Court Competition at Amity University, Haryana on 2<sup>nd</sup> April, 2016. She was felicitated with a memento and a certificate of appreciation.

**Mr. Chandra Mohan** co-authored a paper titled “A Zinc (II) PVC-membrane sensor based on synthesized thiophenealdehyde semicarbazone TAS as an ionophore” presented at National Convention of Electrochemists (NCE-19) organised by SAEST at NIT, Trichy, Tamil Nadu on 28-29 March, 2016. He has been selected for the “Young Faculty Award for Excellence in the field of Inorganic Chemistry (VIF/ACP/FA/2016)” (AAP -I I), by the Venus International Foundation, Chennai in May 2016.

He is the reviewer of an International Journal “Indonesian Journal of Chemistry” published from Yogyakarta, Indonesia.

**Ms. Yogita Raghav and Ms. Sanehlata Yadav**, SOET, Computer Science & Engineering department attended Two Weeks Faculty Development Programme on ‘Emerging Trends in Computer Science and IT’ from 16<sup>th</sup> – 27<sup>th</sup> May, 2016. The FDP was organized by IEEE Delhi Section and IIPC (AICTE) of BVICAM, New Delhi, in collaboration with CSI Division-I & ISTE Delhi Section at BVICAM, New Delhi. The objective of the FDP was to nurture the research aptitude and competency development of the young faculty members, either doing research or planning to undertake research work.

**Dr. Pawan Kumar**, SBAS, and H. K. Singh, published paper titled “Thickness Dependent Structural, Magnetic And Magneto-Transport Properties Of Epitaxial  $\text{Nd}_{0.50}\text{Sr}_{0.50}\text{MnO}_3$  Thin Films”, in AIP Conference Proceedings Vol. 1728, pp. 020587(6), 2016. (DOI: 10.1063/1.4946638)

**Dr. Pankaj Gupta**, SMAS, published a research paper titled “Functional Foods for Cancer Therapeutics” in International Journal of Natural Product Chemistry & Research, 2016, 4:e115. doi:10.4172/2329-6836.1000e115.

**Ms. Sulakshana Banerjee Mukherjee**, SOLW, presented paper titled “Honour killing-A Contemporary Social Malevolent” at First International Conference on Applied Psychology, held at GD Goenka University, Gurgaon on 4<sup>th</sup> March, 2016.

**Dr. Krishna Kumar and Mr. Lavesh Mishra** attended a FDP on “Research Methodology and Data Analysis using SPSS” organized by New Delhi Institute of Management on 2<sup>nd</sup>-3<sup>rd</sup> June, 2016. The resource persons were Prof. Yadunandan Prasad Gupta, Ex. Fellow- WHO and Prof. Venkatesan Sekhar, associated with AIMA, New Delhi. The two days FDP dealt with all the basic issues of research, assumptions, scale construction, analysis and interpretations of findings. Participants got opportunity to get hands-on experience on SPSS software, which is an integral tool in the field of research.

**Ms. Indu Rani**, SOHS, presented a research paper titled “Dr. Ambedkar’s Contribution to Construction of Dalit Identity” at the National Seminar on ‘Relevance of Dr. Ambedkar’s Thoughts in Contemporary India’ organized by Dronacharya Govt. College, Gurgaon on 2<sup>nd</sup> April 2016.

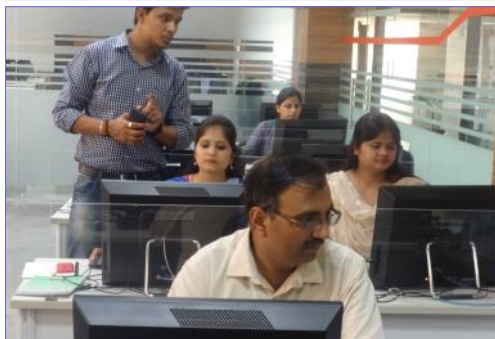

**Dr. Jyotsna Sharma**, SBAS has been selected as ‘Campus Ambassador’ of ScienceVier Canada. Campus ambassadors are representative of ScienceVier Canada to promote scientific research and to facilitate scientist, researchers and scholars. She has also been selected for “Young Faculty Award VIFA 2016” (Award code-YFA/Indian/Plasma Physics/AAP-II). The Venus International Faculty Awards are bestowed in view of recognition of their Role, Outstanding Contributions, Significant Achievements and Sustained Excellence in their area of expertise. She has co-authored a paper titled “Synthesis and characterization of flower-like structures” published in international journal ‘Smart Science’ ISSN: (Print) 2308-0477 (Online) (May, 2016).

**Ms. Asha Sohal**, SOET, presented a paper titled “Traffic Control over Unmanned Aerial Vehicle and Security Attacks in MANETs” in a National conference on Advances in Computer Science and Engineering (ACSE - 2016) on 29<sup>th</sup>-30<sup>th</sup> April, 2016 organized by Kurukshetra University.

## Faculty Development Programme on Cloud Computing

The School of Engineering and Technology of K.R. Mangalam University organized a six days Faculty Development Programme for CSE faculty members on 'Cloud Computing using Windows Azure' from 30<sup>th</sup> May to 04<sup>th</sup> June, 2016. The FDP was conducted in association with ATS Infotech Pvt. Ltd. The trainer, Mr. Nishant Kumar from ATS Infotech Pvt. Ltd. conducted the technical sessions. The objective of the

programme was to share ideas and get practical hands-on for developing and deploying solution on Cloud. The FDP was full of insights for all the participants as they learnt about different concepts related to .NET platform and cloud computing. The trainer illustrated good instances of basic concepts that are required for cloud computing. The faculty members were encouraged to develop their application and host the same on cloud using Windows Azure technology. The event was successfully coordinated by Dr. Neeraj Gupta, Associate Professor, SOET.

## FDP on 'Microsoft Applications'

The K.R. Mangalam University with the objective to enhance technical skills of their faculty members on the advanced and innovative applications of Microsoft ICT technologies available in academics organized an FDP on 14<sup>th</sup>-15<sup>th</sup> June, 2016. The aim was to create awareness and acquire 21<sup>st</sup> century skills for teaching with technology and building connectivity and knowledge network across the globe. The renowned Saksham team from Bengaluru, led by Mr. Vamsidhar Pothula, Director, 3x3conect together with his team, conducted the 2-day Microsoft Technology Workshop.

The session began with a detailed discussion on OneNote & ClassNote -the innovative tools to retain ideas. This was followed by practical hands-on experience to create and share

interactive reports and presentations- using Office Mix and Sway. An in-depth knowledge was given for Live ID integration and Web Authentication. The workshop introduced the faculty members to complete domain management solutions for educational institutions and MCE Certifications. In the last session, a brief Introduction to Dreamspark and Microsoft Educator Network was given.

The workshop opened new windows to the many fold innovative applications of Microsoft technologies in education. Prof. (Dr.) Brijesh Kumar, Dean, Academic Affairs along with his team members Ms.Parneeta Dhaliwal and Dr.Ranjit Varma coordinated the programme successfully.

- By Ms. Parneeta Dhaliwal

## FDP on iOS App Development

A four days FDP on iOS App Development was conducted by Ms. Asha Sohal, Associate Professor, SOET and Mr. Bablu Pandey, Assistant Professor, SOET from 7<sup>th</sup> June to 10<sup>th</sup> June, 2016.

Ms. Sohal and Mr. Pandey have been certified by have certification in this area. They have worked on several iOS based applications, Objective C and swift programming language.

Ms. Asha Sohal, explained importance and architecture of iOS and cited various examples of Mobile based applications like Paytm, Myntra etc during the first session. Mr. Bablu Pandey elaborated on iOS Apps Development and details of objective C used in development of various components of Mobile application.

Faculty also got hands-on experience on iOS Apps Development like designing of UISwitch, UIDatepicker, UIProgress View, UISlider, UI Animation, UI Stepper, UI Story Board etc.

They also learned basics of Objective C programming language and relevant scope of this language. A session was also conducted on system administrative tools and networking connectivity on Mac Systems.

Prof. Brijesh Kumar, Dean, SOET appreciated the efforts of the faculty and encouraged them to conduct more such peer development programmes for mutual growth and learning.

## Excursion to Kullu & Manali

The Department of Civil Engineering, SOET, KRMU organized a trip to Manali and Kullu from 13<sup>th</sup> April – 17<sup>th</sup> April, 2016. Mr. Sunil Kumar, Assistant Professor and Mr. Rishabh Arora, Assistant Professor, SOET accompanied the students. The students spent three days in Manali and enjoyed trekking, rafting and other activities. They also had adventure of camping at Forest Camp on the bank of river Beas in Manikaran. The trip was full of fun and frolic.

Civil Engineering students enjoying during their trip to Kullu and Manali.

## Beat the Heat: Trip to Shimla, Kufri, Chail & Nainital

The School of Management and Commerce organized a trip to Simla, Kufri and Chail for BBA students from 14<sup>th</sup> April to 18<sup>th</sup> April, 2016. It was an amazing learning experience for the young and raw B-School students, in terms of managing time, bonding and team-spirit. The students were accompanied by Prof. Gurbir S Khara and Dr. K Kumar.

Earlier in the month of March, a trip to Jim Corbett and Nainital was organized for B. Com, MBA, BBA, BBA LLB, B. Com LLB students. The students visited Kausi River and Girija temple and had gala time at DJ night party. Mr. Bablu Pandey and Ms. Anita Sharma accompanied the students.

## Lets Click: PHOTOGRAPHY EXHIBITION

A photography exhibition was organised by the Photography Club, KRMU on 25<sup>th</sup> April, 2016. The theme of the exhibition was 'Random Clicks'. The photographs were showcased in two categories: DSLR and Mobile/Digital camera. The photos of 18 shortlisted amateur photographers in DSLR category and 14 participants in Digital camera were displayed in the exhibition.

The Winners of different category are:

DSLR category: Winner: Abhinav Vashistha      Runner: Shantanu Sinha

Mobile/ Digital Camera Category: Winner: Salil Bajaj      Runner: Pranav Sachdeva

## Artesque Caminar: Exhibition by SOAP

The School of Architecture and Planning organized an exhibition 'Artesque Caminar' on 22<sup>nd</sup> April, 2016. In the exhibition academic works of all the batches of SOAP were displayed. Honorable Vice Chancellor Prof. (Dr.) R.K. Mittal and Pro Vice Chancellor Prof. (Dr.) Subhash C. Gupta inaugurated the exhibition. The hard work and creativity of students was visible in their exhibits. Kudos to the faculty members of SOAP who worked with zeal and enthusiasm along with the KRMU students. SOAP also conducted an Art workshop wherein students made thematic murals on the corridors walls of the school. The Art workshop was conducted under the guidance of Mr. Sujith Sudhakaran, Assistant Professor, SOAP.

## SBAS bids farewell to passing out batch with nostalgia

It is always a pleasure to bid sendoff to your students for their bright future ahead. SBAS organized farewell for their first batch of B.Sc. (Hons.) Chemistry on 27<sup>th</sup> May, 2016. The second year

students of B.Sc (Hons.) Chemistry and Physics with great enthusiasm were all geared up to bid adieu to their senior batch. It was feeling of nostalgia for everyone. The auditorium wore a festive look with banners and festoons. The program commenced with the welcome of dignitaries on the dais and with the lighting of the lamp followed by Ganesh

Vandana by Ms. Himanshi, B.Sc. (Hons.) Chemistry.

Prof. V. K Syal, Dean, School of Basic and Applied Sciences welcomed the dignitaries as well the students. Prof. R.K. Mittal, Vice Chancellor, addressed the students with a motivational speech and wished them a great life ahead. He also expressed his hope that students will continue to have an association with the university and bring name and fame for their Alma matter by their contribution and excellence. Prof. Subhash Gupta, Pro Vice Chancellor added flavor to the function by his shero shayari. Students of second years enthralled the audience by their musical and dance performances.

The passing out batch was tagged with different characters and titles by the juniors. Some exciting games were also arranged for the students of third year like musical chair, Balloon blowing etc. and were enjoyed by all. Token of love and appreciation was given to all the

passing out students by their juniors in "Memento distribution ceremony".

Ms. Kajol Rana was crowned 'Miss Farewell' and Mr. Shaibi Khatana was bestowed with the title of 'Mr. Farewell'. Special Prize was given to Ms. Shreya Sharma and Mr. Salil Bajaj for their contribution throughout their stay in the campus. Teachers cherished their memories and moments by sharing their sentiments and wished a happy and bright future to the students.

The programme concluded with emotional and heart wrenching vote of thanks by Prof. R.S. Tyagi.

# KRMU CELEBRATES INTERNATIONAL YOGA DAY

The United Nations General Assembly declared June 21 as the International Day of Yoga on 11<sup>th</sup> December 2014. Yoga is a 5,000-year-old physical, mental and spiritual practice having its origin in India, which aims to transform both body and mind. The Health Society, K.R. Mangalam University celebrated International Yoga Day by organizing a rejuvenating yoga session by The Art of Living Society on 21<sup>st</sup> June 2016. The session was attended by all faculty and staff members of KRMU. Prof. KK Aggarwal, Chancellor, Prof. R.K. Mittal Vice Chancellor and Prof. Subash C. Gupta, Pro Vice Chancellor and deans of various schools graced the occasion by their esteemed presence. Around 80 staff members along with the students practiced Yoga during the session demonstrated by Mr. Rakesh Singla, Faculty, Art of Living. Mr. Rakesh Singla helped the participants to meditate on the voice of Sri Sri Ravi Shankar Ji. The

session was followed by Aerobics session, guided by Dr. Richa Nangia. Prof. Arun Garg, Dean, SMAS, Prof. V.K. Syal, Dean, SBAS and Prof. Rajeshwar Tyagi distributed the participation certificates to the attendees. The session was well planned and coordinated by Dr. Arun Garg, Ms. Silky Sethy and Mr. Deepak Tushir from the Health Society.

## Bidding Adieu to Prof. V.K. Syal

There are always mixed feelings when we bid adieu to our own people. This happened with KRMU family when they all gathered together to bid "Hasta Mañana" that is "Goodbye" to Prof. V.K. Syal, Dean, School of Basic and Applied Sciences. Prof. Syal served the organization for two years and was assigned major portfolios in the university. The Programme began with cake cutting ceremony. Prof. R.K. Mittal, Vice Chancellor, K.R. Mangalam University presented him a memento, as a token of appreciation and love and acknowledged his dedicated and selfless service rendered for the cause of education. Prof. Subhash C. Gupta, Pro Vice Chancellor highlighted Prof. Syal's passion for teaching and his contribution for the university.

Prof. Brijesh Kumar, Dean, SOET and Academic Affairs described him as one of the gentlest persons who has been an asset to this great institution. Prof. Arun Garg, Dean, SOET and Student Welfare reflected his feelings by singing a melodious and beautiful gazal. Prof. Rajeshwar Tyagi, SOET, praised the dedication, commitment and ever helping nature of Prof. Syal.

Prof. Syal was indeed an asset to KRMU. He will always be remembered for his positive approach and cheerful nature by students and faculty members.
