

TALK SHOW on 'Sexual Harassment' by CASH

The COMMITTEE AGAINST SEXUAL HARASSMENT (CASH) organised a Talk Show on 'The Social, Psychological & Legal Aspects of Sexual Harassment' on 24th November 2016 for the students and faculty of KRMU. ACP Ms. Tanya Singh, Dr. Ritu Gupta, Dr. Renu Chug, Ms. Seema Rajput and Mr. Sudheer were the eminent speakers.

Prof. (Dr.) Omana Antony, Chairperson, CASH introduced the guest speakers and gave a brief introduction of the theme of the talk show. Hon'ble Vice Chancellor, Prof. R.K. Mittal welcomed the gathering and encouraged the students to take active participation in the discussion.

Mr. Sudheer, Inspector, Cyber-Crimes informed the students about Cyber

Crimes, how they are committed and how one can protect oneself from being a victim. The drawbacks of social

"You have to consider yourself as a victim first, only then can you evade such harassment."

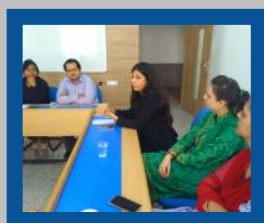

networking sites such as facebook and whatsapp were discussed at length by him. Dr. Renu Chug, Professor and Chairperson of Committee Against Sexual Harassment, MDU, Rohtak

discussed the definition of sexual harassment and how this issue has become a statutory law. Dr. Ritu Gupta, Professor, NLU, Delhi and Legal Expert, CASH, KRMU, discussed the judicial precedents on the topic.

Ms. Tanya Singh, ACP, Pataudi, Gurgaon discussed her views on Sexual Harassment and also suggested ways by which one can avoid such problem.

The students eagerly interacted with the speakers with their queries on various aspects of harassment. The show concluded with the summing up speeches and felicitation of the guests by Prof. R.K. Mittal, Vice Chancellor and Prof. Subhash C. Gupta, Pro Vice Chancellor. The talk show concluded with the Vote of Thanks by Mrs. Kaveri Sharma.

‘RHETORIC-2016’

Inter-University Literary Fest

Rhetorica, the English Literary Society of K.R. Mangalam University organized Rhetoric-2016, the inter-university Literary Fest in the KRMU Campus on 7th October, 2016. The fest consisted of following competitions Group Discussion, PowerPoint presentation, Creative writing and Mr. and Miss Rhetoric.

Around 22 teams from 14 institutions participated in the event. The institutions that took part were Jagannath University, Jajjar, DPG Degree College, Gurgaon, DPG ITM, Gurgaon, Advanced Educational Institution, Palwal, Lingaya's University, Faridabad, GD Goenka University, Sohna Road, Maharaja Surajmal Institute of Technology, New Delhi, BSA Institute of Law, Ballabhgarh, ZEE Institute of Media Arts, Noida, & K.R. Mangalam University, Gurgaon.

The inaugural ceremony started with the prayer presented by students from the School of Education (SOED). Prof. (Dr.) Omana Antony, Dean, SOHS welcomed the gathering and followed by the ceremonial lamp lighting by all the dignitaries along with the Chief Guest Prof. (Dr.) R.K. Mittal, Vice Chancellor, KRMU.

Ms. Parul Kaushik from SBAS & Ms. Tanvi from B.A.(H) English anchored the inaugural function. The events took place on time in different venues and all the events were evaluated by Judges from other academic institutions.

In Group Discussion, a team of 4-6 students was allowed to discuss and present their views on contemporary issues. In PowerPoint presentation students were given 1 hour time to prepare PPT on given topic followed by the presentation. In creative writing students were given a topic to present their views through their writing skills.

Mr. and Miss Rhetoric was conducted to unleash their intellectual level. The judges of Mr. and Miss Rhetoric were Prof. R.K. Mittal, Vice Chancellor, KRMU and Mr. Siddharth Gupta.

The Judges were honoured during the Valedictory ceremony. Prof.(Dr.)Omana Antony proposed the Vote of Thanks and appreciated the efforts of the faculty and the student volunteers.

The student coordinators Ms. Shreya Chauhan, Mr. Mayank, Mr. Anish and Ms. Parul were appreciated for their timely and thoughtful and skilful organizing capacity. The Rhetoric-2016 concluded with the expectation of meeting an even bigger gathering with variety events in Rhetoric-2017.

Workshop on 'Detox your Mind & Achieve Balance in Life'

A workshop on 'Detox your Mind and Achieve Balance in Life' was organised by Chetna-Self-development society on 6th October, 2016. The participants enjoyed the relaxation

session and felt the effect of Heartfulness meditation technique in dealing with day to day life.

The speaker Mr. Atul emphasised on the need of Meditation to regulate & detoxify the Mind. The workshop aimed to contribute to the all-round development of individual's mind and body, intelligence, sensitivity, aesthetic sense, personal responsibility and spiritual values.

Health Awareness Camp by Health Society, KRMU

The Health Society of KRMU conducted a Health Awareness camp on 13th October, 2016 at Government School, Bhondsi. The camp was organised with the cooperation of Sankalp Sangh, NGO, under the guidance of Coordinator of Health Society, Ms. Silky Sethy, the students of Pharmacy department participated actively in the camp and performed various bio-chemical tests such as Body Mass Index, Hb content, Blood Group, Blood Pressure

etc. In the camp, students of class X, XI and XII of the Govt. School participated and underwent various biochemical tests. Many students were found to be anaemic having Hb level very low in the range of app 6-8. The anaemic patients were counselled and health tips were given. The event was covered in the daily newspapers.

Media Junction organizes 'Workshop on Film Appreciation'

'Media Junction'- the media club of KRMU, organized a two-day workshop on film appreciation on 10th and 11th November 2016. On the first day, three-hour workshop was conducted by independent filmmaker and media educator Mr. Charu Chandra Pathak, Assistant Professor, School of Journalism and Mass Communication.

The workshop constituted a brief outline of history of films in India and world, various film theories and film movements, camera angles and shots, film grammar etc. The techniques of film review writing were also discussed in detail. The video clips of various films, such as D.G. Phalke's *Raja Harishchandra* (1913), Jacques Tati's *Traffic* (1971), Chalin's *A Dog's Life* (1918), Satyajit Ray's *Two* (1964) were shown and discussed with the students.

Mr. Pathak suggested reference books and websites on the topic to the participants. More than 60

students from various courses enthusiastically attended the workshop.

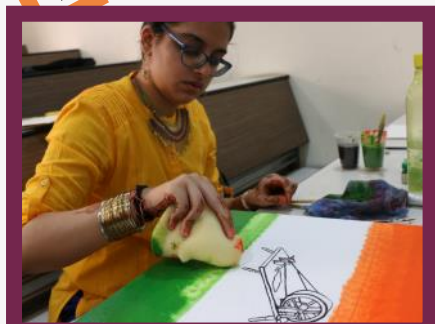

On the second day, Film Review writing competition was conducted. Jacques Tati's film *Monsieur Hulot's Holiday* (1953) was screened for the students followed by the review writing competition on the film. Around 40 students from various schools of the university participated in the competition. Dr. Kumar Rajyavardhan and Mr. Charu Chandra Pathak evaluated the entries.

During the valedictory ceremony, Prof. R.K. Mittal, Vice Chancellor, KRMU, Prof. (Dr.) Omana Antony, Dean, SJMC, Prof. (Dr.) Arun Garg, Dean, SMAS and Prof. (Dr.) Brijesh Kumar, Dean, SOET felicitated the winners. Hon'ble Vice Chancellor, Prof. R.K. Mittal interacted with the students regarding the feedback of the workshop and importance of such workshops. The programme was coordinated by Ms. Manasvi Maheshwari and Ms. Shikha Sharma.

Astro Gyan by Dr. Romila Manchanda

A session on Astrology was organized by Chetna, Self-Development Society on 23rd November, 2016. The topic of the session was 'Basics of Astrology', wherein Dr. Romila Manchanda, Associated Professor, SBAS discussed about Terminology, Methodology, Karak, Houses and House elements.

Khadi Day celebrations by SOFD

School of Fashion with the aim of creating awareness about use of Khadi organized 'Khadi Day' on 4th October, 2016. The idea was to cherish ourselves by wearing a piece of Khadi and give tribute to Mahatma Gandhi. The day was celebrated by organizing various competitions such as Fashion Show, Tricolouring Canvas Painting contest and Rangoli Making and gave opportunity to the students to express their views and feelings towards Khadi.

Khadi day function explored new talents of the students. It gave students new opportunities to prove themselves. The celebrations started with Tricolouring Canvas Painting Competition in which topics were given related to Indian Heritage, Khadi Movement, Make in India. Participants made marvelous Canvas Painting by using only three colors and expressing their views & ideas in very presentable way. Tricolouring Canvas Painting was judged by Mr. Sujith Sudhakaran and Ms. Akansha Singh based on Clarity of Theme, Creativity and Visual Effects of Painting.

Every student was applauded and appreciated for their

hard work and creativity. They used beautiful colour combinations and innovative ideas to their astonishing Rangoli designs. Rangoli Competition evaluation was done by Ms. Meenakshi Katoch and Ms. Sulakshana Mukherjee based on Presentation, Colour Combination, and Creativity.

The highlights of 'Khadi Fashion show' were Khadi Costume worn by the participants. All the participants looked marvellous in their Khadi attire. Khadi Fashion Show was judged by Ms. Abhilasha, Ms. Supriya, Mr. Rishab, Mr. Vinod Patil based on Elegance, Costume Design, Relevance to Age and Presentation. Khadi Day Celebrations came to an end with distribution of certificates to all the winners of various activities for their excellent performance.

Prof. (Dr.) Omana Antony, Dean, SOFD and Prof. R.K. Mittal, Vice Chancellor, KRMU congratulated the winners for their enthusiastic participation.

Ms. Sapna Singh, Assistant Professor, SOFD delivered vote of thanks. She congratulated all the faculty members and students for their presence and valuable time. Ms. Vidhi Madra coordinated the event along with Ms. Sapna Singh.

Management Society organizes *Business Quiz*

The Management Society organized a Business Quiz on 18th November, 2016. Around 40 students from various schools participated in the quiz. This quiz was designed to brighten and enhance business knowledge and skills in the prospective budding entrepreneurs which was like a mnemonic to retrieve the information from memory. The quiz went on for 45 minutes. The winners were given the certificates and awards of appreciation. The following students were declared winners; Mr. Shreyansh Jain, SOET (First), Ms. Aastha Pherwani, SOLW (Second) and Mr. Abhishek Choudhary, SOLW (Third).

Science Society Organizes 'Best Out of Waste' competition

A workshop on handmade lighting fixtures & lamp shades

was conducted by Mr. Sujith Sudhakaran on 25th-26th October, 2016. The students were guided by Mr. Sujith and other faculty members of SOAP on the use of biodegradable & recyclable materials like paper, tissue papers, steel wires, paper cups, woolen threads etc. The workshop was followed by an exhibition of students' work. Students exhibited their products during the exhibition of lighting fixtures & lamp shades on 23rd December 2016 at KRMU. The event was well coordinated and managed by the faculty members of SOAP.

Dr. Abdul Kalam Science Society, KRMU organized 'Best out of waste' competition on the topic 'Air Pollution' on 3rd November 2016 to explore and encourage creativity in students and offer them a platform to showcase their skills. The students from various schools participated in the competition. Prof. R. S. Tyagi, Mr. Vinod Patil, Dr. Dilrajpreet Kaur and Dr. Shilpi Vats were the judges of the event. The first position was won by Mr. Abhinav – B.Tech (Mech.) V sem, Mr. Mayank – B.Tech (Mech) V sem and Ms. Hema Vashisth – B. Sc (Chem.) III sem. The second position was grabbed by Ms. Shikha – B.Sc (Physics) III sem, Ms. Lavanya – B.Sc (Physics) III sem, Ms. Deepika – B.Sc (Physics) III sem and Ms. Pinky – B.Sc (Physics) I sem. Mr. Ayush, BJMC, III sem won consolation prize.

School of Law organizes Moot Court Competition

An intra-department Moot Court competition was organized by the students of the School of Law, KRMU on 2nd December 2016. The Moot Court competition provides a valuable opportunity to students to hone their legal and vocal advocacy skills. The term 'moot' traces its origins to Anglo-Saxon times, when a moot (*gemōt*) was a gathering of prominent men in a locality to discuss matters of local importance.

Prof. (Dr.) Subhash. C Gupta, Pro Vice Chancellor, KRMU & Dean, School of Law, in his address told the participants about the significance of Moot Court exercises for law students and exhilarated participation of the students with passionate zeal to ameliorate their skills. He said *"the most profound reason to take part in a Moot Court competition is that it is one of the few outlets of practical experience in a Law*

school. A moot court exercise enhances research, writing and speaking skills of students."

The Moot Court competition was judged by Dr. Anupam Acharya, Senior Assistant Professor of Law from UILMS, Gurgaon and Ms. Sulakshana Banerjee Mukherjee, Assistant Professor, KRMU.

All the competing teams put in tremendous hard work to showcase their talent. With great enthusiasm they participated and argued their cases. Ms. Harshita Chawla and Ms. Komal Vashisth, BBA LL.B(H) VII semester were declared 'Best Researcher' and 'Best Mooter' respectively and team comprising of Ms. Ambreen, BA LL.B (H) III sem, Mr. Abhishek, BBA LL.B (H) III sem and Ms. Komal Sharma of BBA LL.B(H), VII sem were declared as the winners of the competition.

- By Ms. Sulakshana & Dr. Archana

SBAS organizes academic visit to *Advanced Instrumentation Research Facility, JNU*

The Department of Physics, SBAS, organized an academic visit to the Advanced Instrumentation Research Facility (AIRF), JNU, New Delhi on 4th November, 2016 for the students of undergraduate and postgraduate programmes in Physics and Chemistry. Advanced Research Facility Center houses more than 21 state-of-the-art analytical instruments for research in the areas of physical, chemical, biological, environmental and interdisciplinary sciences. The objective of the visit was to provide an opportunity to the students to gain

insight into the functioning of sophisticated instruments.

Around 23 students visited the JNU along with Dr. Dilraj Preet Kaur and Dr. Jyotsna Sharma, Assistant Professor, Department of Physics, SBAS.

The students were divided into two batches. Each batch was given detailed description of the working of transmission Electron Microscope, Scanning Electron Microscope, Laser Confocal Microscope, Fluorescence Spectrometer, FTIR, XRD, Magnetic Resonance spectrometer, Electrochemical workstation, Femtosecond Laser Facility, EPR spectrometer etc. by the respective experts. Students cleared their doubts and asked lot of relevant questions to experts. Students were actually shown the analysis of a sample on electrochemical workstation and SEM.

The students were very enthusiastic and felt motivated after visiting the Centre as they could clearly correlate their theoretical knowledge with the live working instruments.

A visit to 'Yakult Danone' by SMAS & SOMC

The School of Management & Commerce organized an industrial visit to 'Yakult Danone India', Sonapat, Haryana for the students of B.Com.(Hons.), M.Com., BBA, MBA and B. Pharma on 13th October 2016. Around 80 students visited the plant. The students were familiarized with the group by PR, Ms. Jyoti Bohra from Yakult on 6th October, 2016 with a small presentation about the company. This made students to

understand the process and the plant layout easily. The plant had a capacity of around One million bottles and the entire process starting from seed fermentation to bottle packaging along with intermittent quality control checks was demonstrated to the students. The distribution channel included institutional selling, wholesalers, retailers, and Yakult-lady (also called as health ambassadors) for door to door selling. The plant is not much labor intensive since the entire process is automated hardly leaving any room for manual task. The product undoubtedly comes with health benefits backed up by GRAS Certification from the US FDA (Food and Drug Administration). Nevertheless, the marketing seems to be slightly weak, since not many have heard of the brand.

SOAP visit to Red Fort

An educational tour to 'RED FORT', was organized by School of Architecture and Planning on 12th November 2016 for the first year students of Architecture, as a part of their curriculum of 'Art and Graphics' and 'History of Culture and Civilization'.

Ar. Hemani Singh, Ar. Akanksha Singh, Ar. Shivani Singh and Ar. Nisha Sharma from SOAP accompanied the students. The aim of this visit was to explain the students regarding the concept and idea behind architecture of the magnificent red sandstone structure. The students had a thorough experience and understanding of the complex and they made a number of pencil sketches of the different structures of Red Fort.

SOMC students attend Corporate Governance Summit

The second Corporate Governance Summit & Excellence Awards 2015-16 was organized by ASSOCHAM on 2nd December, 2016 at Hotel Hyatt Regency, New Delhi.

The students of SOMC from MBA and BBA attended the panel discussions on the evolving role of Corporate Governance and the new challenges before independent directors and the dilemmas they face in exercising their independence of mind in boards' decisions.

Prof. Gurbir S Khara & Ms Jasbir Grover accompanied the students.

Visit to AKGEC-KUKA Industrial Robotics Training Centre

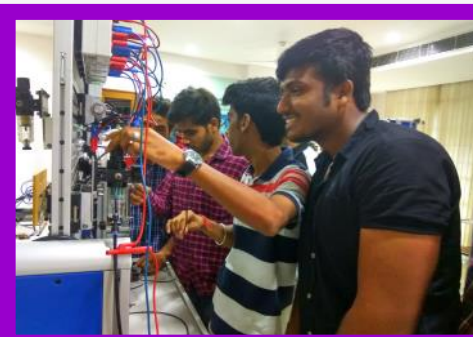

The Department of Mechanical Engineering, K.R. Mangalam University organized an educational visit to KUKA -Robotics training center, AKGEC-Ghaziabad on 8th October, 2016. The third year students of Mechanical Engineering department participated in the visit.

The introductory lecture was delivered by Mr. Ashiv Shah, Academic Head TIFAC-CORE. In his lecture, he highlighted the importance of Robotics and automation in present scenario. Mr. Amit Sharma, Scientific Officer, TIFAC CORE addressed the students. The lecture was followed by practical session in which the students learned

various movements of robotic manipulator for different type of industrial robots like KR-16, KR-5 and KR-180. During the question answer session students actively participated and asked many questions to clear their doubts. The coordinator encouraged and appreciated the students.

The students also visited virtual welding shops which include various types of modern welding equipment used by industry. All the students actively participated in the workshop. It was their first experience with industrial robots and the visit proved to be benefitting for the students.

M.Sc. students attend session on NISAR

The Space Technology & Education and Embassy of the United States of America organized an interactive session on 'NISAR, or the NASA-ISRO Synthetic Aperture Radar' at American Centre, New Delhi for college and school students on 5th October, 2016. Dr. Jyotsna Sharma alongwith the students of M. Sc (Physics) attended the event. The session was based on NISAR. This satellite will be the first radar imaging satellite to use dual frequency and it is planned to be used for remote sensing to observe and understand natural processes of earth such as ecosystem disturbances, ice-sheet collapse and natural hazards.

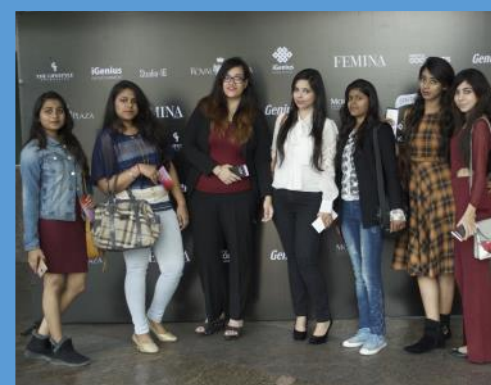

Visit to Sahitya Akademi

School of Humanities, School of Fashion Design and School of Education of K. R. Mangalam University organized a visit to 'Sahitya Akademi', New Delhi on 18th November 2016. The main objective of the visit was to provide a platform to the students to get detailed knowledge of literature and history of Indian languages. Dr. S. Padmanabhan, Assistant Librarian at Sahitya Akademi guided all the students and made them aware of collections in Indian writings in English, British Literature, American Literature, Urdu and Arabic Literature, Russian Literature, French Literature, and an exclusive collection of Shakespeare. The students explored and acknowledged wide collection of books.

After spending wonderful time in Sahitya Akademi, students moved to Sangeet Natak Akademi, India's national academy for music, dance and drama. It is the first National Academy of the arts set-up by the Republic of India. It has been to giving recognition and honors to artists who helped in setting standards in these arts and restored the art. Sangeet Natak Akademi has acquired many musical instruments, masks, puppets, headgears and other artifacts of archival interest.

The students were accompanied by Ms. Sapna Sharma and Ms. Sapna Singh.

Visit to Asian Designer Week by SOFD students

School of Fashion organized a visit to 'Asian Designer Week' 2016 (Autumn Winter Collection) at Talkatora Stadium, New Delhi on 19th November 2016. The students of School of Fashion along with faculty member Ms Vidhi Madhra attended the programme.

The purpose of visit was to encourage the students and develop a sense of Fashion Industry. This event showcased the collection of various international designers from across Asia who displayed their work.

The students had a great time during the visit and got sufficient information to explore their knowledge and could relate practical skills with live presentation and collections.

LEGAL STUDIES @

The School of Law in the K R Mangalam University offers Five-Year Integrated Programme in BBA LLB (Hons); B.Com LLB (Hons); BA LLB (Hons), and Three Year LLB(H) Programs. All these courses are approved by the Bar Council of India. The School of Law offers one year LLM Program and PhD in Law.

FACE TO FACE

Prof. (Dr.) Subhash C. Gupta, **Pro Vice Chancellor, KRMU & Dean, SOLW**

Prof. (Dr.) Subhash C Gupta, Ph.D in Law and Ph.D in Management, is a recipient of WORLD 2000 MILLENNIUM AWARD conferred by World Institution Building Program – an affiliate of UN, ECOSOC, UNDP, UNCED, and UNICEF. His education in Delhi University includes LLM (1st Division, with Distinction) and LLB from Campus Law Center, MBA (1st Division with Distinction) from Faculty of Management Studies, MA in Political Science, Post Graduate Diploma in Law of International Law, (1st Division 2nd Position) Post Graduate Diploma in Law of International Institutions (1st Division 1st Position). In addition, he has a Post Graduate Diploma in Labour Laws from Indian Law Institute, New Delhi. He has also done courses on International Humanitarian Law & Refugee Law organized by UNHCR, and on Contemporary International Issues from JNU.

Q.1 What infrastructure do you have for smooth functioning of the law courses?

The School of Law has state-of-the art infrastructure. All lecture theaters and classrooms are centrally air-conditioned and are equipped with audio-visual devices for PowerPoint presentations. Moot Court Room is almost 100% replication of an actual court room. The School has an exclusive Law Library which has text books, reference books and law periodicals. Legal data base which includes decided cases from 1850 onwards of all Courts and important Tribunals in India, more than 700 national and international journals is available for reference, research and downloading to all students.

Q.2 How does the school help the students to groom for profession?

The School of Law at KRMU engages the student in several extra-curricular activities like debates, seminars and extempore delivery on legal subjects of contemporary importance. Students are encouraged to participate in moot court competitions which help them in legal research. To build up confidence in pleading and arguing, students are taken for Court visits. During summer and winter break students are sent for internship in different law firms and practicing advocates. We also encourage our students to participate in Legal Aid Camps and Legal literacy programmes held in remote villages to create awareness among people.

Q. 3 How the training and placement cell help the students to get professional opportunities?

The University has a full time Training and Placement Officer who regularly interact with the students to enhance their employability by equipping them with right kind of skills and attitude and by conducting mock aptitude test, pre-placement interviews, group discussions etc. The internship for the

students at District Courts, High Courts, National Human Rights Commission, Women Commission, District Legal Service Authority, Law firms and Companies etc. are also arranged.

Q.4 Is there any academic-industry interface and how it works for the students?

Yes, we arrange Guest Lectures of eminent personalities like Judges, Seniors Advocates, senior law officials working in NAVRATNA Companies etc. and work Internships time to time.

Q.5 There are many Law Schools in Delhi-NCR, what is the USP of SOL?

The School of Law aims to open new vistas in the arena of law, legal studies, theoretical and clinical legal research through relentless engagement in developing legal theory and practice, academic potential, critical analytical ability, synergizing law, advocacy, counseling, and mediation skills so as to fully equip the students with learning which is intellectually stimulating, socially vital, and professionally enriching.

The multidisciplinary approach towards law and legal studies, adopted in the School of Law, helps in developing a positive attitude among students, and makes them realize that lawyers are an integral part of the system of adjudication, determination of policies, and setting up of standards for regulation of various activities through relevant institutions. It, therefore, trains them for being the instruments of change, which law actually seeks in the society.

School of Law adopts a progressive teaching methodology which makes the teaching and learning process systematic, transparent, student friendly and result oriented. Availability of electronic databases like, Lexis Nexis, Manupatra helps the students to stay updated. A quality education, along with imbibing the right values and ethics, is the main motto of School of Law to cultivate this noble profession.

SCHOOL OF LAW

Q.6 What are your future plans for the growth of the department?

Since the inception of the University, we have tried to improvise the facilities that are offered to the students of the School of Law. Recognizing the significance of alternate dispute resolution, a 5-Day special course on ADR is planned for the students and faculty of School of Law. This course will enable then to practice mediation as well. The course is likely to be conducted by International Centre for Alternative Dispute Resolution, set up by the Ministry of Law Justice and Company Affairs in the Government of India. To ensure that students can learn to apply theoretical subjects to practical life, we have decided to tie up with Legal Services Authorities, which would train our students. This would help the School of Law in holding legal aid camps in future.

We understand the importance of research for law students, and thus to encourage students to make use of library often and on a regular basis, we have decided to take the students to visit the law libraries such as Indian Law Institute and Indian Society of International Law. On similar lines, we have decided to conduct a technical session for students for using law databases, such as LexisNexis and Manupatra.

In matters of extra-curricular activities, the core moot group of the School of Law would be spreading its wings to participate in national moot competitions. To add some fun element to legal studies, we have proposed to hold talk shows on current law topics. The students would also participate in the Surajkund Mela's legal aid clinic.

We have started "court room exercise" for the students on regular basis and faculty member encourages students to participate in these exercises to understand the art of meaningful argumentation and learn court room etiquettes.

Q.7 How the community service is done by the department and the students? Does department provide any consultation facility to the larger masses?

The philosophy under the Indian constitution and the principle of Rule of law mandates that every citizen should have an easy & reasonable access to justice. Since inception of the Law School in 2013, we have been continuously working in the field of legal sensitization by providing free legal aid and spreading social awareness to the needy, underprivileged and poor strata of society. The students & the faculty of the School of Law have actively associated themselves with legal fraternities when the Lok Adalats are jointly organized under the auspices of District Court.

Legal Aid Clinic: Our University has set up a state-of-the-art Legal Aid Clinic for providing free legal aid and services to the needy person. The functioning of Legal Aid Clinic has been streamlined by constituting Legal Aid Society in which the students from various semesters are members. The students & faculties are available to provide sit-in service in their free time. The notice board containing all the vital info has been displayed prominently at conspicuous places of the University. A diary is being maintained to register the persons visiting for consultation or seeking other advices. School of Law is making every endeavor to set new benchmark in its

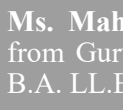

services every year and to explore the vast and emerging areas where the legal aid is required.

Legal Awareness Programme at villages Bhondsi: The most notable achievement of the Legal aid services is to get access to the larger masses which include almost 70 % of population from the rural & semi-urban areas of India. This stratum of the society is presumed to be more oblivious of the recent developments in the legislations including awareness regarding their rights. Thus with an aim to get them acquainted with their rights and their legal solutions, we have conducted several legal aid camps in collaboration with the Haryana Legal Aid Services Authority. Though, we believe it as a small gesture nevertheless we're striving hard to make it a regular fixture of legal aid clinic. So far, we have been successful in organizing several jail visits, conducting legal aid camps in more than 6 villages. These community services are done by organizing speeches on recent issues by our renowned guests, exhibiting several street plays by our students.

TEAM SCHOOL OF LAW

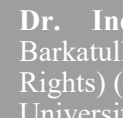

Ms. Priyanka Maderna, LL.M (Business Laws), from Kurukshetra University, LL.B, from Panjab University.

Ms. Mahima Kaushik, LL.M (Corporate Law) from Guru Gobind Singh Indraprastha University, B.A. LL.B, from Maharishi Dayanand University

Dr. Archana Vashishth, Ph.D. (Protection of Minority Shareholders under Company Law) from M.D. University Rohtak, LL.M from M.D. University Rohtak, B.A.L.L.B from M.D. University Rohtak.

Dr. Inderpreet Kaur Saggu, Ph.D. from Barkatullah University, Bhopal LL.M. in (Human Rights) (Gold Medalist), and LLB from Barkatullah University, Bhopal.

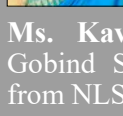

Ms. Anupam Gupta, LLM (Business Laws) from Kurukshetra University, LL.B. from Dr. B.R. Ambedkar University, U.P.

Ms. Kaveri Sharma, Pursuing Ph.D. from MDU, LLM from Kurukshetra University, BA LLB(H) from MDU. Diploma in Cyber Laws and Diploma in Intellectual Property Rights.

Ms. Sulakshana Bannerjee, pursuing Ph.D, LL.M from Burdwan University, West Bengal (Gold Medalist), LL.B from Burdwan University, Gurgaon (Gold Medalist)

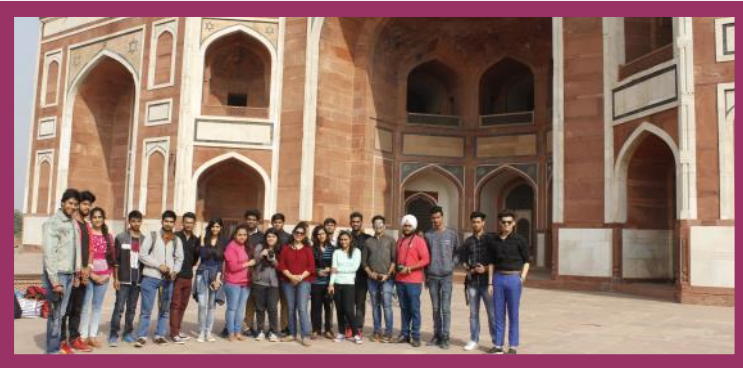

Ms. Kavita has done her LLB from Guru Gobind Singh Indraprastha University and LLM from NLSIU. She is currently pursuing Ph.D.

Mr. S. K. Bose, M. Phil (Law), Delhi University, LL.M, NET, M.A (English), M.A (Public Administration), B.A. (Hons.) has more than 2 decades of experience in Teaching & Research.

'Lets Click'- Humayun Tomb Visit

School of Journalism and Mass Communication and the Photography Society of K.R. Mangalam University organized a visit to Humayun Tomb, New Delhi on 17th November, 2016. The purpose of this visit was to provide the students an opportunity to harness their photography skills and to enable them to face challenges in an outdoor photo-shoot.

Humayun's Tomb is listed as one among the fifteen Heritage sites in India. In 1993 it was declared a UNESCO World heritage Site. This visit was highly recommended for the students to reconnoiter their knowledge about historical monument and polish their photography skills. This visit gave a real time exposures to students to shoot in day-time conditions, i.e., when light was too much, and the students learned how to shoot and get the best results in such conditions.

Ms. Shikha Sharma and Dr. Diwakar Padalia were the coordinators for the visit and they took 50 students from various courses enrolled in Photography Society of K.R. Mangalam University with them. The students were very enthusiastic during the visit and they captured multitudes of photographs and some of them were evaluated very high by the coordinators.

'A walk through our heritage' - SOAP

The students of VII semester and faculty members of SOAP participated in the 'Heritage Walk' organised by Centre of Contemporary Urbanism, India on 8th October 2016. The walk started from Laal Mandir near Red Fort and ended at Jama Masjid. The major places of attraction during the walk were Baptist Church, Gali Khajanchi, Kinari Bazar, Nau Ghara, Khajanchi Haveli, Jain temples and settlements.

The walk was led by Ar. Abhishek Jain, Ar. Zeeshan Ibrar and Ar. Sobia Ahsan. During the walk concepts of city planning and designing were discussed with a simultaneous approach towards changes that occurred in Shahjahanabad in different eras. The students explored the havelis and studied the design patterns for different sections i.e mardana and zanana Havelis. It was a mesmerising and learning experience for students and teachers.

SOAP students participate in ZONASA at MRIU

National Association of Students of Architecture (NASA) is the largest student organisation of India that provides a platform for communication between interactive & learning propagation of students. ZONASA is an annual convention for architecture students of a zone that provides interaction and exchange of architectural knowledge and ideas.

This year fifty students from III, V and VII semester students of SOAP attended ZONASA 2016 that was held at Manav Rachna International University,

Faridabad from 2nd-5th November 2016. More than 2000 students

from 60 colleges and universities from North Zone participated in ZONASA. The students of SOAP participated in various competitions including Prototype Trophy and Reubin's Trophy. Ms. Paridhi, Ms. Naina, Mr. Rishabh and Ms. Ira were declared the winners of 'Best Out of Waste' competition. The students participated in 'Return Workshop' and used bricks to construct an arch and brick 'jali'. Mr. Yash Chandra performed in the cultural event.

SBAS organizes workshop on Practical Biochemistry

The Department of Chemistry, SBAS conducted one day Skill development workshop on 'Practical Biochemistry' on 8th November, 2016 in Chemistry Lab at K.R. Mangalam University.

The workshop was organized in association with Sri Venkateswara College, University of Delhi. Dr. Meena Bhandari, KRMU, Dr. Seema Raj, KRMU, Dr. Sharda Pasricha, Dr. Shefali Shukla and Dr. Pragya Gahlot from SVC coordinated the workshop.

The aim of the workshop was to provide an exposure to the students regarding techniques used in biochemistry and to have hands on handling of a few experiments for better understanding and comprehending the lessons learnt during the theory classes. The experiments related to enzyme activity and protein estimation were incorporated.

Prof. (Dr.) R.K. Mittal, Vice Chancellor, KRMU appreciated the efforts of SBAS and the appropriateness of the workshop theme. Prof. (Dr.) R.S. Tyagi, Dean, SBAS welcomed the dignitaries and highlighted the significance of the workshop to the students.

Dr. Sharda Pasricha and Dr. Shefali Shukla elucidated the concepts/theory behind the experimental work to be conducted in the laboratory. The students performed the experiments with great zeal, enthusiasm and sincerity.

Prof. Subhash Gupta, Pro Vice Chancellor distributed the certificates to the coordinators and participants. Dr. Meena Bhandari proposed vote of thanks. The entire exercise was an enjoyable and memorable experience for all the participants and organizers.

Workshop on 'Ethical Hacking'

11

The KRMU CSI Student Branch in association with Lucideus Tech, Delhi organized a two day workshop on Ethical Hacking on 6th- 7th October, 2016. Prof. R.K. Mittal, Vice Chancellor, KRMU and

Prof. Brijesh Kumar, Dean, Academics explained the importance of Cyber Security and encouraged students to actively participate and learn from the workshop. Mr. Rahul Tyagi, VP (Training) and Mr. Palvinder Singh conducted the two days workshop.

Around 70 students and five faculty members from different schools of KRMU actively participated in the workshop. It was a 16 hours Lucideus Certified Cyber Security Expert-Grade 1 course which is a penetration testing & information security workshop. During the workshop, the students were able to

know how hackers break into the systems and websites so as to make them aware of the possible loopholes and therefore making them proficient in reverse-penetration. By doing so, they were able to create a virtual wall between

their data and the penetrators (hackers). This workshop enabled the audience to carry out attacking as well defensive methodologies which helped them not only protect but also assess their safety and vulnerability ratio.

All the participants were provided with a certificate and a software kit, including the software tools that were discussed during the training. The workshop was well organized and coordinated by Ms. Parneeta Dhaliwal, Associate Professor, Department of Computer Science Engineering, SOET and Office Bearers of the KRMU CSI Student Branch.

SOET organizes workshop NETWORKING

The School of Engineering & Technology organized a Workshop on *NETWORKING* on 25th October, 2016 and an Industrial visit on 26th October 2016, to NETWORK BULLS, Sector-14, Gurgaon for BCA and B. Tech Computer Science students. The speaker for the workshop was *Mr. Baljot Singh, CCIE Trainer, Network Bulls*. The two-day event included a theory and a short practical session on the first day and a live handling of networking equipment's like routers and switches on second day.

Mr. Baljot Singh, CCIE Trainer, PR and Marketing Department, on the first day discussed about the basics of networks starting from the basic concepts like "what, how and why" of a network to the sub-netting of different networks. He also shared some of his experiences of his time in industry. The students were given a brief demo on different software's that are proprietary of CISCO company to familiarize them about the real world networks. Some of these software's included CISCO packet Tracer, Putty software etc.

On the second day of workshop students were given briefing on the basics of networking and different network devices like routers and switches. Then students were taken to the labs and divided into groups and were provided with real time routers and switches. The main objective was to acquaint them with configuration of the routers and switches for real-time networks. In the end he emphasized on the importance of certification of CCIE, CCNP and CCNA. The two day was coordinated by Dr. Neeraj Gupta, Assoc. Professor in CSE Department.

Lecture by Ar. Madhav Raman

SOAP organized a lecture by renowned architect Madhav Raman on 15th November, 2016. The guest speaker Ar. Madhav Raman, architect and urbanist, and founder of 'Anagram Architects'. Over the years, he has garnered much international acclaim. Through his work, Ar. Madhav conveys that architects and architecture can do a lot for the society –

can bring the community together. He also introduced some case problems and challenges in the architectural industry. Technologies currently being used for designing and the timeline of introduction of programs and certifications dealing with Environment & Sustainability were discussed. He also discussed about Energy Crisis in the world and its contribution by India. He made the students realise their duties as upcoming architects, towards the evolution of next era in architecture which includes a thoughtful and optimum use of resources.

It was a learning and interactive session where Mr. Raman answered to all the queries put up by students to their full satisfaction. The session concluded with Vote of Thanks by Prof. Indrani Basu, Dean, SOAP

Lecture on Product Life Cycle at SOFD

School of Fashion organized a guest lecture on *Product Life Cycle in Fashion Industry* for the students of I and II year on 6th October 2016. The Speaker was Mrs. Sonali Soni Pal. She is handling a Handloom manufacturing unit for the past 4 years that specialises in hand embroidery work, handloom fabric in Delhi. She had also worked as an Associate Professor, Department of Fashion, Pearl Academy of Fashion having specialized in Design elements, Textile handlooms over the past 14 years.

Mrs. Pal gave introduction to design elements of shapes, explained basic types of shapes, she shared exclusive examples and briefed the students about the usage of shapes in Web designing in many ways. She focused on various aspects of Golden Ratio segment in design and shape core area.

The entire session was interactive in nature and students got ample time to get their queries answered. It ended with vote of thanks by Mrs. Sapna Singh & Ms. Vidhi Madhra, faculty SOFD.

Lecture on 'Cross Cultural Differences -A Management Perspective'

SOMC organized a lecture on the topic 'Cross Cultural Differences-A Management Perspective' on 22nd November 2016 by Prof. Angela, Prof. Neil and Prof. Fiona from the School of Business Management, University of Roehampton, UK.

The lecture was attended by the final year students of School of Management and Commerce.

This was followed by an interesting interactive session with the various queries of the students and satisfactory replies by the Professors. The students showed their keen interest in exchange programme with the said University in UK.

Lecture on 'MY LAW'

School of Law organised a Student Awareness Workshop about innovative teaching and learning techniques and different online courses available for law students that enhance their employability. The workshop was organised by 'My Law' on 26th October

2016. Mr. Pratiksh, Vice President, My Law, along with his colleague discussed various career options available to the students after completion of their law degree. He motivated the students to undertake internships and suggested various new and emerging sectors where they can work after the completion of their studies.

School of Law organizes Guest Lecture

challenge oneself and gain expertise in various field to define excellence. His talk was motivational and it has benefitted our students to look at life from a different perspective.

He said that law as a field of study gives immense opportunity to the student to choose various career options. In the interactive session with students he

Shri J.K. Bodha, Executive Director (Law) and Chief Law Officer, Oil and Natural Gas Commission (ONGC), delivered a lecture to the law students of the University on 13th October 2016.

Mr. Bodha shared an enriching experience about his life journey as a Corporate Counsel and emphasized that for achieving one's aim in life, he/she has to continuously

gave young mind lessons that never be afraid of doing what the heart desires. In his concluding words he said that there is no substitute to Hard Work and if you are committed to hard work then "Sky is the Limit".

Workshop on REVIT-Building Information Modelling

demonstrated new feature of the software.

Around 60 students from V and VII Semester attended this workshop.

Mr. Dhananjay told students about easy and quick methods to generate building model using Revit. The students got first-hand experience on Revit, they got clarified all their doubts by experts. The workshop was concluded with thanks giving note by Ar. Vinod Patil.

SOAP organized a workshop on REVIT-Building Information Modelling on 25th October 2016. The workshop was conducted by Mr. Sachin Pratap Singh & Mr. Dhananjay Singh from Tickoo Institute of emerging technologies, Gurgaon. In this workshop student learned how to use Revit software efficiently, developing building model, co-ordination of all the services etc. The experts also

SOAP students attend Structure and Architecture Conference

The students and faculty from School of Architecture and Planning, KRMU participated in the conference organized by Indian Architect and Builder-AEC division of Jasubhai Media on the theme of 'Changing Urban Skyline'. The conference was held on 2nd December, 2016 at India Habitat Center, New Delhi. Dr. Aruna Sharma, Secretary, Ministry of Steel, was

the Guest of Honor. In her speech, she said that the smart cities should be complemented by smart villages. She also advocated the use of steel in construction of bridges, crash barriers (in mountainous regions), low cost housing, airports, stadia and multistoried buildings. During the Conference eminent Architects and experts expressed their views. The second-year students of SOAP along with Prof. Indrani Ghoshal Basu, Prof. Hemani Singh, Ms. Nidhi Aggarwal and Ms. Nisha Sharma actively participated in the conference.

ART EXHIBITION BY SOED STUDENTS

An art exhibition is traditionally the space in which art objects meet an audience. The students of B.El.Ed organized an Art Exhibition on 15th December, 2016 under the supervision of their mentor Ms. Manju. The beautiful art and craft work made by the students in the form of painting, art work like paper bags, clay modeling, rangoli, best out of waste and Tie and Die were on display. The exhibition was appreciated by Prof. K.K. Aggarwal, Chancellor and Prof. R.K. Mittal, Vice-Chancellor and Deans of various schools.

Lecture on 'Benefits of Probiotic Drinks

SOMC organized a lecture on "Benefits of Probiotic Drinks" on 6th October, 2016. The speaker was Ms. Jyoti Bohra, Sr. Executive, Science at Yakult Danone India Pvt. Limited. The lecture was attended by around 130 students from management, commerce and pharmacy. The lecture was an initial step before taking students for the Industrial visit. This was an attempt to make students aware of the Yakult group and be familiar with the industry they would be visiting and lay down the preface with the correct bent of mind. The lecture undoubtedly aroused the curiosity among the students who wanted to explore more about the Yakult in terms of its strategies to deal with its competitors, supply chain, production method and its quality.

Ms. Lavanya Yadav, Ms. Poonam and Mr. Sanket Bansal from BBA, III year participated

in Summer Internship Project Competition (Anubhav 2016) at ITS, Ghaziabad on 17th November 2016. There were participants from various reputed business schools. Mr. Gurbir S Khera and Mr. Lavesh accompanied the students.

Lecture on Diabetes Management

The School of Medical and Allied Sciences celebrated the National Pharmacy Week on 26th of November, 2016. Prof. Arun Garg, Dean, SMAS gave a presentation on 'Prevention and Management of Diabetes' and highlighted the role of

Pharmacists in the management of diabetes to all faculty members and staff of the university in a lucid manner. He explained the types of diabetes mellitus (DM), its symptoms and complications in his presentation. The programme was attended by around 100 faculty members and staff. The open session was very interactive as Dr. Arun Garg satisfied all queries related to management of Diabetes.

Faculty participates in Group Discussion

The School of Humanities conducted FDP for the faculty members of KRMU. They made the start with a Group Discussion for the faculty members of SOHS, SOFD, SOED & SJMC on 8th October 2016, on the topic "Is Women going for work the main cause for the increasing

family break down? The discussion was very lively and gave the participants a very good platform for free expression of their views. As a continuation to this FDP, another Group Discussion was conducted on 12th of November, for the faculty members on the topic How to sustain the attention span of students in a class of about one hour duration?"

Many interesting points came out from the discussion as effective strategies for sustaining attentions. Prof.(Dr.) Omana Antony appreciated the participants and gave a feedback about their performance.

Ms. Anshika Agarwal and Ms. Akanksha Singh attended the Festival of Architecture and Interior Design (FOAID) held on 2nd - 3rd

December 2016 at New Delhi. The festival was for the design fraternity to showcase and acknowledge their work contribution to the society. The festival witnessed an attendance of stalwarts from the design fraternity to the budding architects & interior designers who were present to witness the new innovations happening in

the design space. FOAID is an excellent platform not only for practicing architects but also for architecture faculties and students.

Prof (Dr.) Arun Garg bestowed with K.C. Chatterjee Memorial Award

Prof. (Dr.) Arun Garg, Dean, SMAS has been bestowed with prestigious K.C. Chatterjee Memorial Award. He received the award from Sh. Chandra Babu Naidu, Hon'ble Chief Minister of Andhra Pradesh during the inaugural session of 68th Indian Pharmaceutical Congress at Andhra University, Vishakhapatnam on 16th December, 2016. On this

occasion, Dr. Arun Garg delivered a lecture on "Myths about Drugs and Nutraceuticals in life style diseases-Role of pharmacist". In his talk, he emphasized on the role of Pharmacists in mitigation of these lifestyle disorders by providing counseling.

Workshop on 'Plagiarism'

A workshop cum technical session on Plagiarism was organized on 19th November 2016 at KRMU. The session was attended by research scholars, faculty members, Deans of various schools and Vice Chancellor. The session was full of potential knowledge for attendee. Everyone present got enlightened about plagiarism and Turnitin software. The session was organized by Dr. Hellaludin, Librarian.

SOAP faculty attends workshop at Jamia

A two-days International Workshop on 'Inclusive Cities' was organised by the Department of Architecture and the Department of

Civil Engineering of Jamia Milia Islamia University on 19th & 20th December 2016. Prof. Indrani Basu, Dean School of Architecture and Planning (SOAP) and two faculty members Ar. Shanu Jain and Ar. Shivani Singh attended the workshop. This was the first ever workshop in the world on the topic of 'Inclusive Cities'. It was indeed a very informative and eye opening workshop where the participants got the opportunity to have an interaction with many eminent people of architecture and planning fraternity.

Dr. Ruchika Yadav, SOMC presented the research paper entitled '*Spirituality as a Tool for Self-Development and Total well-Being*' in Conference on Strengthening Values & Ethics for Sustainable Growth: Role of Indian Philosophical Traditions on September 22-23, 2016 at Management Development Institute (MDI), Gurgaon.

Dr. Kumar Rajyavardhan, SJMC presented a research paper entitled '*Teaching*

Language through Literature' in the International Conference on Language and Literature through Ages organized by the Department of English and Foreign Languages, SRM University, NCR Campus, Modinagar, Ghaziabad, on 18th-20th November 2016. The paper has been published in the proceedings of the Conference. He also presented a research paper entitled '*Communication and CSR Activities*' in the International Conference on Social Responsibility of Business: Big Push and Its Sustainability organized by the Faculty of Commerce & Management (FCM), SGT University, Gurgaon on December 19th-20th, 2016. The paper has been published in the proceedings of the Conference. Dr. Kumar Rajyavardhan successfully completed online certificate course on "Intercultural Communication and Conflict Resolution" with 97.5% from University of California, Irvine on Coursera.

Dr. Pankaj Gupta, SMAS published article entitled "P-Glycoprotein Inhibitors from Natural Sources as Chemopreventives" in International Journal of Natural Product Chemistry and Research, 2016, 4: e116. (ISSN: 2329-6836), doi:10.4172/2329-6836.1000e116.

Dr. Faheem Hyder Potttoo, SMAS published three Indian patents and filed three international patents under PCT (Patent Cooperation Treaty) describing treatment of epileptic seizures. There remains largely an unmet need for novel therapeutic agents in amelioration of signs and symptoms of epilepsy, while 30% of patients remain refractory towards current antiepileptic drugs and 30% of patients have associated neurological disorders. Dr. Faheem Hyder Potttoo took the challenge and tested several drugs and their combinations against epileptic seizures in animal models. After thorough research, he found some marvelous synergistic drug combinations sprouting out for treatment of partial and generalized seizures.

Dr. Jyotsna Sharma, SBAS presented a paper entitled '*UV degradation of hydrothermally synthesized potassium titanate nanowires*' in 2nd International Conference on Recent Advances In Nanosciences and Nanotechnology-2016, ICRANN-2016 on 19th – 20th December, 2016.

Dr. Jyotsna Sharma and Dr. Dilraj Preet Kaur, SBAS published a paper entitled '*Investigating the Ionic Conductivity and Thermal Stability of Ionic Liquid Based Polymer Gel Electrolyte*' Journal of Material Science and Mechanical Engineering (JMSME) p-ISSN: 2393-9095; e-ISSN: 2393-9109; Volume 3, Issue 7; October-December, 2016 pp. 475-478.

Dr. Anoop Kumar and Dr. Ravendra Singh, SBAS attended and presented the research paper entitled '*A Comparative Study of Homotopy Perturbation Method with Differential Transformation Method to solve a Reaction Diffusion Equation*' at 3rd International Conference on Recent Developments in Science, Engineering and Technology (REDSET 2016)", held at GD Goenka University, Gurgaon, 21-22 October 2016.

Dr. Ravendra Singh attended the workshop on '*Application of Mathematics in Modern Era*', held at Institute of Basic Science (Khandari Campus, Dr. B. R. Ambedkar University), Agra, 21-22 December 2016.

Fantabulous performance of KRMUites at LPU fest

The sports team of KRMU participated in the Youth Vibe 2016 - Nostalgia organized by LPU, Jalandhar. The four teams and 45 students of KRMU participated and won the heart of hundreds of students through their passion, confidence, game spirit and team-work. The students participated in Football, Volleyball and Cricket in the sports tournament. The theatre team of KRMU presented a street play on the issue of drug abuse among youth. The football team gave a tough competition to 68 teams and made their way to semi-finals, where after a tough fight they got the fourth position. In Volleyball, there were more than 30 teams and KRMU volleyball team challenged them till quarterfinals. Mr. Deepak Rathi and Mr. Jagjeet Singh, Coach said "It was a tough competition, but we gave a

tough fight and KRMU Football and Volleyball teams played commendably." The street theatre on the issue of drug abuse among youth was presented by theatre team of KRMU and highly appreciated by the judges and students.

PLACEMENT UPDATE

The new year has brought good news for students of KRMU as many of our students have been placed in renowned organizations and credit goes to our placement team and their efforts.

The placement cell is providing every opportunity to the students, by working diligently to ensure both on campus and off campus placement opportunities. The team has tried to collaborate with various organisations like NIIT, VVDN Technologies, VCare Solutions, AQC, Atria Convergence Technologies, Ovation Technologies, NTR, Recruitment Cell, CITI Bank, Yes Bank, Amazon, FACE, GoldPlus Glass and so on. Many students benefited from this and received offers from the various companies.

The University has also tied up with Internshala - the no.1 internship and training website, StudyBuds- an online study and assessment platform for developing key skills required for career skills, FirstNaukri - no.1 online website for entry level jobs for freshers in IT/Software, Management, Banking and Government.

CoCubes-online test that checks the quantitative and qualitative ability of a student will also be conducted in near future.

A workshop on Voice and accent skills training was provided to polish the linguistic skills by Skills Academy from 28th-30th December, 2016.

A good curriculum vitae is the first step to owning that interview with the company you desire. Hence, CV writing workshop was organized along with mock interviews to help prepare an individual for the pressure in an interview room. Several seminars and talks were carried out for the benefit of the students. These covered varied topics including, providing an idea of sector-specific opportunities that are available, and which one may consider. Enquiries related to higher study as an option were also cleared and answered, to help the students identify their area of interest and enhance their capabilities.

Dear KRMU faculty members, Students and Readers
Happy New Year 2017!

Welcome to the Issue no. 2 Vol 2 of the KRMU Times.

In this closing issue of Odd Semester 2016, we have the rich collection of news items to share with you all that make the Odd semester 2016 really a successful one. Apart from the regular curricular and co-curricular activities the University conducted many activities that develop a social awareness about the contemporary issues and trends. The Newsletter highlights the Talk Show on Sexual Harassment organized by the Committee Against Sexual Harassment (CASH). The Literary Club, Rhetorica of the University organized Inter University Literary Fest; 'Rhetoric' 2016, School of Fashion celebrated Khadi Day highlighting Gandhiji's vision about Khadi.

During Past three months various curricular and co-curricular activities have been organized. School of Law organized Moot Court Competition to hone up the legal and advocacy skill of the students of law. The Newsletter reports the details showing how the University balances the curricular, co-curricular and the extracurricular activities for the holistic development of the students. The growth of the Research & Development wing is shown through the pages of academic and professional achievements by the students as well as faculty members.

The newsletter reflects the fast growth of the KRMU and how it assures the status of the most promising upcoming University. The Editorial team gladly present this issue of the KRMU Times for our precious readers to feel proud of the growth and achievement of our University.

Happy Reading
