Abdul Kalam Science Society organises Science Fair 2017-pg15

MBA students of School of Management and Commerce (2016-18) attended the Summer School on International Project Management, at Cardiff Metropolitan University, U.K. from 30th June to 16 July, 2017. Cardiff Met is located in an exciting modern European capital city, and is a global university. The University is continually investing in its students' future providing education and training

opportunities that are accessible, flexible and of the highest quality to students from over 140 countries worldwide.

Cardiff Met offers a wide range of programmes, carefully designed to help students think for themselves with the knowledge and skills to make the right things happen.

The aim of the Summer School is to allow to join an amazing Welsh opportunity, joining students from around the world to have first-hand experience of studying in the UK, especially within Cardiff – the Capital of Wales and at Cardiff Metropolitan University. Cardiff City was explored and the university arranged field trips for students to Land Rover manufacturing plant, WNO Opera house and Cardiff Bay.

They also arranged a comprehensive tour to all the landmarks sites of London Highlights. The students of KRMU showcased wonderful performance in knowledge endeavour and won first prize in the poster presentation.

Ms. Neha and Ms. Keithunglabo won prizes in team building activities. The university also organized a social event for recreation of the students.

Architecture Society organizes Canvas Painting Workshop & Exhibition

The Architecture Society conducted a workshop on 'CANVAS PAINTING' on 8th March, 2017. The paintings were made by the students of SOAP under the supervision of Mr. Sujith Sudhakaran and Ms. Anshika Agarwal. The paintings were then displayed in an Exhibition at C-Block Entrance Foyer in front of the Canteen for three days from 2nd-4th May, 2017.

Prof. (Dr.) R.K. Mittal, Vice Chancellor, the Registrar and the Deans of all the schools appreciated the art work of the students and the efforts of all the faculty members.

Workshop on Designing and Meshing in ANSYS: SOET

The Department of Mechanical Engineering, SOET organized one-day workshop on 'Designing and Meshing in ANSYS' on 20th April 2017 for the students of B. Tech (ME) and B. Tech (Civil). The workshop was conducted by Mr. Vijay Kumar and Mr. Ankit Sharma, CAD/CAM team Manager, Apron Solution Pvt. Ltd.

Mr. Vijay Kumar started his presentation by giving an insight into the fundamentals of ANSYS Software technology which is an analysis, simulation and designing tool and that plays vital role in the field of analysis in industries. The presentation was a complete tutorial about the working of ANSYS with different types of live examples. It was a learning experience for the students to get to know about the working of the simulation in ANSYS to get the solutions of the problem with so much ease and accuracy which they are tackling as a part of their course curriculum.

The event was coordinated by Mr. Ajay Rathee, Assistant Professor Mechanical Engineering Department.

Enhancing Skills for Competitive Corporate World

CEGR in collaboration with K.R. Mangalam University, Gurugram organized a workshop on 'Enhancing Skills for Competitive Corporate World' by Prof. Sanjiva Dubey; Former Chief Information Officer (Asia Pacific), IBM Pvt Ltd., on 2nd May 2017.

Prof. Dubey, author of seven books, is a visiting faculty at IIM Lucknow, IIM Indore and other prestigious institutions. The thrust was on a step wise approach for developing Corporate Employability Skills viz., awareness, practice, feedback, reflection and refinement. Additionally he gave various inputs on strategies to enhance the employability of the students by improving their soft skills and engaging more with industries and gaining practical exposure. The workshop was coordinated by Dr. Meghna Chhabra, SOMC.

Workshop on Interview Skills and Group Discussion by Mr. Prabbal Frank

Rhetorica—the English Literary Society of K. R. Mangalam University organized a workshop on Interview Skills and Group Discussion on 12th April, 2017. The workshop was divided into two sessions. First half, along with inaugural session, trained the students on how to prepare for interviews. The second half focused on techniques of Group Discussion.

Mr. Prabbal Frank, a celebrated Management and Communication Expert from the Skills Academy, was the resource person. He, with his unique blend of wisdom, practical sense and the awareness about the modern trend, guided the students on how to maximize their chances of success by mastering the job winning

techniques. He said that students should know the strategies like how to negotiate salary packages and how to get noticed. He also trained students on performing better in Group Discussions by keeping simple points in their minds. In this session, he focused on leadership qualities, listening skills and SAT (Skills, Attitude, Traits). He asked students

to perform a mock Group Discussion and pointed their positive and negative points during their performance. The students were highly satisfied with the workshop. They enjoyed the activities and interaction which created a highly effective learning.

Grooming Workshop conducted by ALPS Beauty Group

School of Journalism and Mass Communication organized a one-day Grooming workshop for the BJMC students on 13th April, 2017. The workshop was conducted by ALPS Beauty Group. This Group was established in 1988 by renowned aesthetician and cosmetologist Mrs. Bharti Taneja. She is the winner of many esteemed awards including 'The Millennium Women Award'.

The team from ALPS Beauty Group was led by Mrs. Gunjan Gaur, Executive Director of ALPS Beauty Group. It is important for media students to groom themselves and have pleasing personality. This workshop helped the students learn the basics of make-up and touch-up during the production.

The students of School of Fashion also attended the workshop. The workshop was coordinated by Ms. Shikha Sharma and Mr. Charu Chandra Pathak.

SJMC students participate *INDIA BOLE* Programme, News Nation Channel

School of Journalism and Mass Communication organized news channel visit on 28th April, 2017 to News Nation Channel at Noida for the students of BJMC II and IV semester students. Dr. Kumar Rajyavardhan accompanied the students and introduced them to various editorial staff of the channel. Students visited different studio of the channel and also participated in the panel discussion program, 'India Bole'. The students also participated in the program of regional channel News State. India bole is a special program of one hour duration anchored by Ramesh Bhatt. Ramesh's strength is his in-depth knowledge on a particular subject. He has done a number of live debates

on social, economic, political and international issues. The topic of the discussion was food wastage in India. Students asked different relevant questions from the expert panel present in the studio and other experts who were connected via OB Van from other destinations. Ramesh Bhatt, anchor of the program appreciated the efforts of the students and wished them good luck for their future endeavor. After the show, Mr. Ramesh Bhatt explained about various issues of journalism and the etiquettes of live anchoring. The students also interacted with the editorial staff and discussed various topic of their interest and practically got the hands on experience about the setup and function of the editorial

A visit to Vintage Camera Museum

Photography Club and School of Journalism and Mass Communication, KRMU, organized a one-day visit to the Vintage Camera Museum and Foundation, Gurugram, on 27th April, 2017. The Museum showcases analogue cameras from over a century-long period, grown out of the personal collection of visual historian and celebrated photographer, Aditya Arya.

Mr. Aditya Arya took the students for the tour of the museum and showed them various cameras and accessories collected from all over the world. He informed the students about the development of photography and demonstrated the functioning of cameras and various related equipment and accessories. The Vintage Camera Museum and Foundation has a vast collection of gorgeous, bulky cameras sitting pretty on glass display cases, cameras used during second world-war to capture the bombing, a fascinating collection of original photos from the Partition-era and all the camera accessories. The students enthusiastically showered questions and the collector-curator Mr. Aditya Arya answered all the queries. The visit was coordinated by Dr. Diwakar Padalia, Ms. Shikha Sharma and Mr. Charu Chandra Pathak.

SOFD students visit National Museum of India

School of Fashion organized a visit to 'National Museum of India', New Delhi on 20th April, 2017. The objective of this visit was to provide a platform to students where they can get detailed knowledge of Historical education, to gain a hands-on experience of cultural artefacts from different time periods. This unique exposure provided the foundation for reflection, experimentation, inspiration, creativity, enjoyment and allow for authentic learning experiences to the students related to their curriculum.

The National Museum contains an outstanding collection of early Indian sculpture, it has in its possession over 2 lakhs works of exquisite art, both of Indian and foreign origin covering more than 5000 years of our cultural heritage.

Museum has showcased its objects in different galleries. The objects displayed in each gallery have been properly classified as stylistic, chronological and religious. The visit was well coordinated by faculty members Ms. Vidhi Madra and Mr. Neeraj.

SOLW students visit Parliament of India

School of Law, K.R. Mangalam University, organised an educational visit to the Parliament of India, New Delhi, on 25th April, 2017, for the students of BALLB, B.Com., LLB, BALLB. Mrs. Alpana Tripathi, Director, Lok Sabha Secretariat gave a brief outline on the working procedure which takes place during Parliament Session in both the Houses. She also explained how media plays its role in showing the proceedings of the Parliament and answered queries raised by the students.

The students were then taken to the Upper House and Lower House. The students were explained various other things about the Houses viz. how the bill is passed, the sitting plan of the members, why the Lower House is called as a Popular House, colour of the seat and

carpets of both the Houses, and what is Zero Hour. The students were then shown the Central Hall where Pt. Nehru took oath as the first Prime Minister of our Country.

After visiting to the Houses, the students visited the Museum where gifts given to various Speakers of Lok Sabha by Head, of different countries were displayed. Audio visual clip since First War of Independence till date was shown. The main objective of this visit was to provide a platform to students where they can get detailed knowledge of the working procedure of the Parliament. Dr. Inderpreet and Dr. Kaveri accompanied students.

Visit to 'Heritage Transport Museum' by SOET students

The Department of Mechanical Engineering, SOET organized an educational visit to Heritage Transport Museum for the students of IV and VI semester on 12th April, 2017.

The Heritage Transport Museum traces India's mode of transportation right from the Indus Valley Civilization to modern transportation. The best thing was the condition of the old and heritage cars. All the legend car makers like Cadillac, Mercedes, Hindustan Motors and Jeep models were displayed with their spare parts.

The students were shown a movie, "A journey to the space" showing how the space crafts were transported and how the future is conceptualized. The trip was a learning experience for the students and faculty. The students were accompanied by Mr. S.K. Yadav, Mr. Arvind Kumar, Mr. Ajay Kumar and Mr. Virender Kumar.

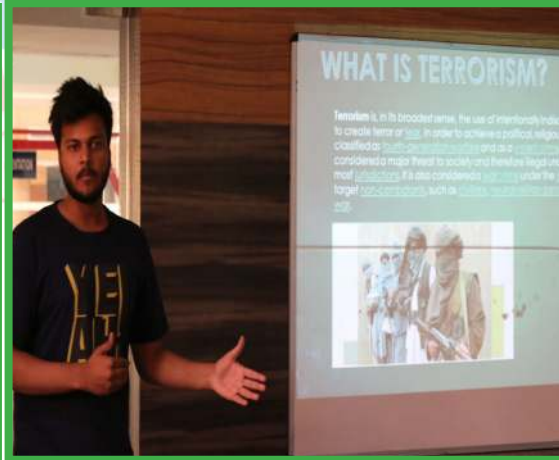

NUJAM Seminar on 'Technical courses and future career perspective'

The KRMU CSI Student Branch in association with Nujam Technologies Pvt. Ltd. organized a seminar at K.R. Mangalam University campus on 18th April, 2017. The seminar was organized for the students of School of Engineering Technology to make them familiar with the technical courses being provided by Nujam for their internship and future career perspective. The event started with the welcome message by Mr. Abhinav Grover, B.Tech, CSE-IV sem. Mr. NV Subramaniam, CEO & Founder, Nujam was the technical expert for the event. He explained Nujam's vision to improve livelihoods of college students and adults by helping them with higher learning opportunities, with the help of technology.

Nujam Technologies Pvt. Ltd. is a fast-growing technology market place.

The organization solves the problem of learning technology and increasing employability by making technical coaching super simple and effective. They prepare students for jobs, start ups, and businesses with a blended ed-tech market place model: great, curated online content + industry expert mentoring offline + peer learning at great venues at convenient timings.

The seminar concluded with the felicitation of the guest Mr. N V Subramaniam by Ms. Saneh Lata, followed by vote of thanks by Mr. Mohammad Arman, B.Tech, CSE- II sem. The seminar was well organized and coordinated by the officiating team members of KRMU CSI Student Branch.

Winners Mobile Gaming Competition

1. Utsav (B.Tech, ME-VIII sem), Lakshay (BBA-II sem), Rahul (B.Tech CE-)
2. Vyom (B.Tech, CSE-IV sem), Jatin (B.Tech, CSE-VI sem) & Tarun (B.Tech, CSE-IV sem)
3. Robin Singh Raghav (B. Com (H)-VI sem), Rajat Sirohwan (B.Com (LLB)-VI sem) & Yugantar Uniyal (BBA (LLB)-VI sem)

Winner Typing Speed Test Competition

1. Akshay (B.Tech, ECE-VIII sem)
2. Himanshu Shakya (B.Tech, CSE-VI sem)
3. Sameer Ali (BBA, VI sem)

Winner Power-point Presentation Competition

1. Akansha Joshi and Yuvraj Chopra (B.Tech, CSE-II sem)
2. S. Aditya and Manas (B.Tech, CSE-II sem)
3. Anshul Kumar and Jaswinder Singh (B.Tech, CSE, VI sem)

COMPETITION FOR TECHNOCRATS

The KRMU CSI student branch organized various competitions to encourage students to showcase their talent in activities like 'Mobile Gaming', 'Power-point Presentation' and 'Typing Speed' on 11th April, 2017.

There were a total of 20 teams for Mobile Gaming (Mini-militia), 40 participants for Typing Speed Test and 14 teams for Power-point Presentation competition from various schools of KRMU.

Dr. Omana Antony, Dean, SOHS distributed the prizes to the winners. The event was well organized and coordinated by Ms. Parneeta Dhaliwal, Associate Professor, SOET, Ms. Saneh Lata Yadav, Assistant Professor, SOET, Ms. Kriti Sharma, Assistant Professor, SOET and the Office Bearers of KRMU CSI Student Branch.

Health Awareness camps by Health Society, KRMU

The Health Society of K.R. Mangalam University organized a Health Awareness and Medical-check up Camp on Saturday, 22nd April, 2017 at Government High School, Village Abheypur, Sohna. The camp was organised in association with an NGO "Vision of India" with the mission, "To create Health awareness among the students and residents of Abheypur Village". The camp was attended by the students of Class X and XI of the school and the villagers.

The society organized another health awareness camp at Agrasen Awaas, IP Extension on 11th June 2017. The camp was organised in association with Indian Pharmacy Graduate Association, the mission of the camp was to create Health awareness among the residents of Agrasen Awaas and other residents of IP Extension. The camp was attended by almost about 300 residents. The participants underwent various biochemical tests such as Body Mass Index, Blood Pressure, Bone density Test, Random Blood glucose, HbA_{1c}, Pulmonary Function Test etc.

The camps were organized by the students of SMAS and Associate Professor, Ms. Silky Sethy, Coordinator, Health Society under the guidance of Prof. (Dr.) Arun Garg, Dean, SMAS, KRMU.

Junkyard Competition by Automotive Society

1st Position

Sachin Yadav (ME-VIII)
Sachin Jangra (ME-VIII)
Ajay Saini (ME-VIII)

2nd position

Shantanu Mishra (B. Arch-II)
Chandersen (EEE-II)
Taiyab Hussain (CE-II)

3rd Position

Dakesh (CSE- IV)
Pawan Kumar (ME-VI)
Pardeep (ME-VI)

Automotive Society, KRMU organized a junkyard Intra-University competition on 19th April, 2017. The students from various departments participated in the competition.

There were total 19 teams that participated in the competition, out of which three teams were selected for making innovative project from scrap and junk material provided to them.

Dr. Brijesh Kumar, Dean, SOET and Dr. Ranjit Verma declared the winners of the competition.

Management Society organizes Business Quiz

The Management Society, KRMU organized a Business Quiz on 6th April, 2017. Around 50 students from various schools participated in the event with zeal and enthusiasm. It started with a positive vibe with a motivational lecture by Prof. (Dr.) Vijay Kumar Dubey, Dean, SOMC. The first round was the qualifying round based on written test comprising of 15 questions. Top 15 students were selected and five teams were made consisting three members each. After a tough competition of three rounds including tie-breaker the winning team along with the first runner-up was given certificates by Prof. (Dr.) R.K. Mittal, Vice Chancellor, Prof. (Dr.) Shubhash C Gupta, Pro Vice Chancellor and Prof. (Dr.) Vijay Anand Dubey, Dean, SOMC.

Project Exhibition SOET

School of Engineering and Technology, KRMU organized one-day Exhibition of projects made by final year students of Computer Science Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering, Mechanical Engineering and Civil Engineering department on 27th May, 2017.

All the students presented their work very effectively, some of the projects were up to the mark and can be converted to end product. Such kind of events motivate the students to learn by self-experience and do some innovative work. The ideas are taking a shape in form of projects; some of the projects are very useful for the society.

Prof. (Dr.) K.K. Aggarwal, Chancellor, KRMU and Prof. (Dr.) R.K. Mittal, Vice Chancellor, KRMU graced the event by their presence and motivated the students by their valuable feedback & comments.

Poster Presentation

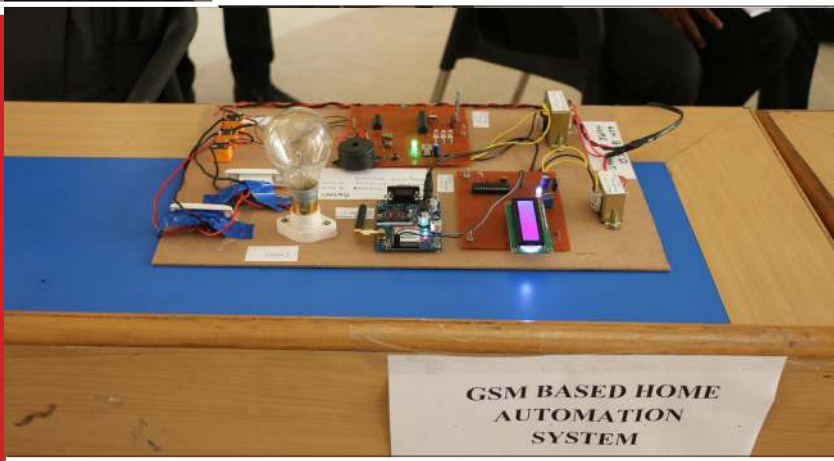

Solar Tree

Exhibition by students

The projects displayed by the students were: FaceR, Ring The Bell Zovme-commerce, Android App and Website by CSE department, All-Terrain Vehicle (ATV) off Road Vehicle, Go-Kart Vehicle, Hoverbike, 456cc Diesel Bike, Hovercraft, Solar Tree, 3-D Printer by ME department, Robotic aid for Commando Operation, Hand Gesture controlled wheel chair, GSM based home automation, Moving Robotic Arm, Single phase grid connected PV system, Gesture vocalizer for voice impaired people by ECE/EEE department and Design of water Supply Project for Khori Village, Nuh, Design of Rain Water Harvesting System for KRMU campus by Civil Engineering department. The exhibition was appreciated by all faculty members of various schools and students of KRMU.

AT- All Terrain Vehicle

Creative Exhibition by SOAP students

School of Architecture & Planning displayed works of their students in an exhibition from 3rd April to 7th April 2017. The creative work of students undertaken during educational tours to Pondicherry, Auroville, Mcleodganj and Dharamshala along with other academic works were displayed. The faculty members of SOAP supported this event by their active co-operation and participation.

Lecture on 'School Internship Model': SOED

School of Education organized a guest lecture on 'School Internship Model' for B.Ed. programme in the light of NCTE Norms-2014 on 26th April, 2017. The resource person was Dr. S. K. Yadav, Former Professor & Head, Department of Teacher Education NCERT.

Art & Craft exhibition by SOED students

School of Education organized 'Art & Craft' Exhibition on 9th May 2017. The students displayed their beautiful art and craft work. The exhibition was appreciated by honorable guests Chancellor, Vice-Chancellor and Deans of different department. The students also did theatre performance.

School Contact Programme for SOED students

SOED organized School Contact Programme for B.Ed. and B.El.Ed. students. The programme was conducted for five days wherein students visited Govt. Sr. Secondary School, Bhondsi and encouraged students-teachers towards various recent educational, social and environmental issues.

The students of B.El.Ed. programme visited the school from 6th-10th March 2017 and students of B.Ed. programme visited the school on 24th -25th April 2017.

Chetna society organises meditation sessions

An Interactive session on 'Mind Your Enemy or Friend & Role of Spirituality in today's Life' was conducted by GIVE/ISKON organized by Chetna Self-Development Society, KRMU. Around 50 faculty members from various schools attended the session on 8th April, 2017. The members from GIVE explained the importance of living life by following the teachings of Bhagwat Gita. They emphasised that Yoga is the art of doing karma and if one can learn karma yoga then he/she can lead tension free, successful & happy life. The programme concluded with Question-Answer session.

The Chetna Society organized a session of meditation on Peace & Illumination on 6th June, 2017. The aim was to create awareness about the climatic changes with the objective to generate energy and focus the generated energy for the benefit of the farmers. Around 40 faculty members attended this session and felt peace & serenity.

A meditation session by Heartfulness Institute was conducted on 3rd May, 2017 for the students residing in KRMU Hostel. Around 22 students participated in the session. The response was encouraging and students expressed their desire to attend regular sessions on meditation. It was rejuvenating experience for them.

Dr. Pankaj Gupta, SMAS published article entitled "Myopic Treatment Using Traditional Herbal Remedies" in International Journal of Traditional Medicine and Clinical Naturopathy, 2017; 6: e129 (ISSN- 2167-1206).

Dr. Kanu Priya, SOHS published an article entitled, "The Legality of Dancing as a Profession in Sonia Faleiro's Beautiful Things" in "The Achievers Journal" Vol.3, Issue.1.

Rashmi Jain, SOMC presented a paper entitled "A Critical Analysis of Impact of Globalization on Women Empowerment in India" at National Conference on "An Assessment of 25 Years of Globalisation in India" organized by University School of Management Studies, Guru Gobind Singh Indraprastha University, Delhi. The paper is published in book titled "25 Years of Globalisation and Indian Economy" by Bloomsbury Publishing, New Delhi, pp 94-109, 2017 ISBN 978-93-86432-97-1.

Vineet Dahiya, SOET presented a paper entitled "Predictive control techniques for Matrix Converters" at International Conference on Advancement in Energy, Drive and Control held at ITS Engineering College, Greater Noida on 7th - 8th April 2017. He also presented paper entitled "Comparative study on Predictive current control and space vector control of direct matrix converters in wind energy conversion systems" at International Conference on "Computational Intelligence, Cyber Security and Smart Grid" organized by HMRITM college of Engineering, New Delhi on 20th-21st April 2017. The paper is published in International Journal of Engineering Research & technology, Volume 6, issue 8, ISSN:2278-0181 His another paper entitled "Comparison of Doubly Fed Induction Generator and Permanent magnet synchronous generator in wind Energy Conversion system" was presented at National Conference on Recent trends in Science, Engineering, Information Technology and Management held at Echelon Institute of Technology, Faridabad on 22nd April 2017.

Abhilasha Dudeja, SOMC and R Sujatha published a paper entitled "Human Resource-Governance/Matrix Framework to Step Ahead from Low Performance to Industry Leadership" in Journal of Advanced Research in Dynamical and Control Systems, published by Institute of Advanced Scientific Research, Issue 7, pp 199-204. She also

published a paper entitled "Governed Talent Management Practices: An Employee Perspective" in Journal of Advanced Research in Dynamical and Control Systems published by Institute of Advanced Scientific Research, Issue 7, pp 105-118

Shikha Sharma, SJMC presented a research paper entitled "Representation of Surrogacy through Indian Cinema" in a one-day National Seminar on Surrogacy and Adoption organized by Faculty of Law, Delhi University on 13th April, 2017. She also presented a paper entitled "Television Impact on Language and Behaviour of Children (3-10 years)" in a two-day International Conference on "Public sphere & Ethical Communication in Democratic Society" organized by Invertis University on 14th-15th April, 2017. She also attended a four-day workshop on Film Appreciation organized by the Directorate of Film Festivals (DFF) & Film and Television Institute of India, (FTII) on 11-14th May, 2017 New Delhi.

Dr. P.C. Jena, SOED contributed two chapters in edited books title "Collaboration of Academia and industry: Need of Quality Education" chapter title "Educational Entrepreneurship in Best Practices for Quality Education" (ISBN:978-93-85449-14-7) pp235-240, Twenty first Century Publication: Patiala (Punjab), April-2017 and "Innovative Perspectives in Assessment Paradigms" chapter title "Mobile Learning For Education: Opportunities and Challenges" (ISBN:978-93-85449-17-8) pp189-193, Twenty first Century Publication: Patiala (Punjab), May- 2017. Dr. Jena was bestowed prestigious award by Adarsh Vidya Saraswati Rashtriya Puraskar on April 2017 for the contribution of innovative teaching and research.

Charu Chandra Pathak, SJMC published two chapters entitled "Development of Radio: An Indian Perspective" and "Radio Transmission" in the book Radio Journalism and Production, Edited by Dr. Dilip Kumar, Published by Galgotia Publishing Company, ISBN: 978-93-86184-00-0.

Dr. Jyotsna Sharma, SBAS received SERB, DST sponsored research project entitled, "Kinetic Theory of Electrostatic Waves in Dusty Plasmas" of Rs. 23 Lakh. The project is initially for a period of 3 years.

Dr. Meena Bhandari, SBAS, Himanshi Ojha and Nidhi Sharma presented a Research paper entitled "Comparative Assessment of Water Quality of Gurgaon Canal in 2010 and 2017" in National Conference "NCERTESM 2017" held on 18th- 19th April, 2017 at Shri Ram College of Engineering and Management.

Dr. Meena Bhandari, SBAS and Dr. Seema Raj, SBAS published a Research paper entitled "Practical Approach to Green Chemistry" in International Journal of Pharmacy and Pharmaceutical Sciences, 2017, Vol 9, Issue 4, 10-22.

Manasvi Maheshwari, SJMC presented a paper entitled "To study the Role and Need of Rebranding Television Channels in India" in a two-day International Conference on "Public sphere & Ethical Communication in Democratic Society" organized by Invertis University on 14th-15th April, 2017. She also attended a one-week FDP on "Reinventing Media Studies Teaching Methodology" from 29th May to 2nd June, 2017 organized by JIMS, Vasant Kunj, Delhi.

Sulakshna Banerjee Mukherjee, SOLW published an article entitled "Honour Killing-A Cataclysm in the name of Honour" in International Journal of Legal Research and Studies Vol 2, Issue-2 ISSN :2456-608X April-June 2017.

Dr. Bhavna Sharma, SOHS has published a paper entitled "War a Social Evil: Reflections in the Poetry of Judith Wright and Oodgeroo Noonuucal" in The Achievers Journal, Volume 3, Issue 1. Her Poem "Overburdened" has also been selected for publication in the book Mind Matters Part I for British Library, Ireland.

Chandra Mohan, SBAS, Sharma Kusum and Chandra Sulekh, published paper entitled "A Zinc(II) PVC-Membrane Sensor Based on Synthesized Thiophene-2-Aldehyde Semicarbazone (TAS) As An Ionophore" in Jordan Journal of Chemistry, Vol. 12, No. 1, 2017, pp 39-50, ISSN: Rajab 1438 H. He is also selected as a Member of Editorial Board in "Journal of Innovative Research", Science Veir, Canada.

Neeraj Kumar Yadav, SOFD published paper entitled "Introduction New Types of Yarns in Hand loom Sector" in Global Journal for Research Analysis International, ISSN 2777-8688, IC-80.11 in May 2017.

Manju Kundu, SOED published a paper entitled "Self-Directed Violence among School Going Adolescence With respect To Emotional Maturity" in international refereed journal Yugshilpi, Vol 11, Issue-23 (ISSN: 975-4644) April 2017

Pooja Vats, SBAS attended a CSIR sponsored workshop on the topic "Recent Trends in Mathematical Modelling and Scientific Computing" organized by Department of Mathematics, Jaypee institute of information technology (Noida) from 7th - 8th April, 2017.

Dr. Anju Bala, SOET, Prakashkiran S Pawar, Anil Kumar Misra and Kishan Singh Rawat published a paper "Estimation and validation of Actual Evapotranspiration for Wheat Crop using SEBAL Model over Hisar District in (Haryana), India." in Current Science, Vol. 113, 1, pp 134-141, 2017 (SCI index). She also co-authored a paper entitled "Quantification of wheat crop evapotranspiration and mapping: A case study from Bhiwani District of Haryana, India" in Agricultural Water Management, 2017, vol. 187, pp 200-209. (SCI index)

Dr. Kumar Rajyavardhan, SJMC chaired a technical session in a National Seminar on "Changing Trends in Mass Media and Communication" organized by School of Mass Communication, IMS Unison University, Dehradun on 9th-10th June. He also presented a paper in the seminar on the topic of "The Use of Social Media in Risk and Crisis Communication".

Prof. Gurbir S Khara CFA was appreciated and awarded by Dr. Yogender Narain at Marwah Studio on 18th May 2017 at National Summit on Uniting Asian Countries through Art & Culture organized by Association for Asian Union & Asia-Pacific. He was also awarded by Times of India an Eminent Speaker and spoke on Careers in Hospitality sectors et al.

SOFD students attend National Conference on Fashion Business 2017

The students of School of Fashion attended the National Conference on 'Fashion Business' organized by Amity School of Fashion Design & Technology in association with Textile Association of India -Delhi on 10th April, 2017.

Ms. Sapna Singh, Assistant Professor, SOFD was the guest panellist on the topic 'Fashion Business: Impact of Skill & Entrepreneurship Development'. There were various economical parameters discussed in the panel discussion wherein Dr. Tamana Chaturvedi from Indian Institute of Foreign trade, New Delhi explained the actual situation of apparel industry in international market that effects by the economy growth of INDIA.

Ms. Vidhi Madhra and Mr. Neeraj Kumar, the Assistant Professors from SOFD also attended the conference. The discussion was followed by the Fashion Show conducted by the students of Amity School of Fashion Design & Technology on the theme of 'Bottom Line'. At the end, students also got the chance to interact with the panellists of the conference and discussed various topics of industry that can impact on Fashion Business in India

SOHS student participates in 'Undergraduate Research Conference'

Ms. Ojasvi Saharawat, B.A. (Hons.) English student participated in the 'Undergraduate Research Conference' at O.P. Jindal Global University, Sonipat, from 7th-8th April 2017. She presented a research paper entitled 'Hurdles and Discomforts in English Language Acquisition'. She has got a good sense of what the current state of research is, and learnt more about how to write conference papers and give talks. Prof. Omana Antony, Dean, School of Humanities, gave a talk as a panelist on the topic 'Importance of Research in Undergraduate Education'.

Mechanical Department students participate in ATV -Mega Championship

ATV-Mega Championship Competition organized by Autosports India at Dr. Vithelrao Vikhe Patil College of engineering (Ahmadnagar) Maharashtra from 13th to 16th March 2017, gave platform for with various rounds, like technical evaluation, night race, drag race, mountain race, flat dirt race, Armageddon track and launch pad, for the aspiring technical students. The VIII semester students from Mechanical Engineering Department of our university participated in this event and performed in several rounds of this event with good results. A total number of 200 teams participated in this event and our students got 65th position in this championship, event.

Earlier, a team of students from the mechanical department participated in Go-Kart Competition organized by National Karting Racing Championship at Mohite's Racing Academy Kolhapur Maharashtra from 29th September to 2nd October 2016. A total number of 186 teams participated in this event and KRMU team secured 13th position in the championship.

Abdul Kalam Science Society organizes Science Fair 2017

The 'Abdul Kalam Science Society', of School of Basic & Applied Sciences, K.R. Mangalam University organized 'Science Fair' on 3rd May, 2017. The objective was to instil scientific approach amongst the students of the university and encourage them to develop innovative models using various scientific theorems and concepts. More than 160 students from various departments participated in competitive events such as Model Presentation (Working & Still models), Collage Making (on Cashless Society), Spill the colours (on Save Earth), Slogan Writing (on Child Rights), Fun Activities and Musical Hunt (based on scientific theme). The students got opportunity to showcase their scientific and creative skills.

The award ceremony was presided by Prof. (Dr.) R. K. Mittal, Vice-Chancellor, Prof. (Dr.) Subhash C. Gupta, Pro-Vice Chancellor, Prof. (Dr.) R. S. Tyagi, Dean, SBAS, Prof. (Dr.) Brijesh Kumar, Dean, SOET and Prof. (Dr.) Arun Garg, Dean, SMAS. The winners were felicitated with cash prizes, certificates and trophies.

The fair was well organized by Mr. Chandra Mohan, Assistant Professor, SBAS and Dr. Jyotsna Sharma, Associate Professor, SBAS. Dr. Dilraj Preet Kaur, Dr. Shilpi Vats and students of SBAS worked relentlessly for the success of the event.

Bidding Adieu

K.R. Mangalam University organised "Farewell-2017" on 5th May, 2017 to bid good bye to its outgoing batch of students with great enthusiasm. Function began with auspicious lamp lighting and Saraswati Vandana. Juniors expressed their love and affection for their seniors by exhibiting beautiful cultural programme. Senior students shared their experiences.

Mr. Niladri Bhattacharjee, SOET was bestowed with Best All-Rounder Student Award (Male) and Ms. Nikita, SOMC was declared Best All-Rounder Student (Female). They were presented with the mementoes and certificates.

Prof. R. K. Mittal, Vice Chancellor, KRMU in his speech wished students good luck for their future life and expressed the hope that students will continue to strive hard and achieve excellence in life. Prof. Subhash C. Gupta, Pro-Vice Chancellor and Deans of different schools gave their best wishes and expressed hope that students will remain connected to their alma-matter.

The first issue of University Magazine "Reflections-2017" was released by the Hon'ble Vice Chancellor. The Magazine not only chronicles the events and achievements of the university but also showcases the creative talent and writing prowess of our students. After the release, the magazine was distributed to the faculty and students. Efforts of the editorial team were well appreciated by all.

Token of love and affection were given to the students in Memento Distribution ceremony. The programme ended with the vote of thanks to the management for providing full support for this function.
