

Orientation of Batch 2017

The 2017 batch Orientation Programme of K.R. Mangalam University was held on 19th August 2017. New students with their parents attended the session. The programme began with Saraswati Vandana followed by ceremonial lamp lighting by the Hon'ble Chancellor Prof. K.K. Aggarwal, the Hon'ble Vice Chancellor Prof. R.K. Mittal, the Deans and the Registrar of the University. Deputy Registrar, Ms. Manvi Arora welcomed the students and their parents. Ms. Abhilasha Dudeja briefed about the academic rules & regulations of the University. Prof. K.K. Aggarwal in his address

in all their endeavors in the quest for making themselves and the university proud. He asked the students to prepare themselves for the challenges and hardships in life because these struggles would make real success stories. Prof. Mittal, congratulated the students for being a part of KRMU and said that university provides state-of-the-art infrastructure, best faculty, excellent facilities and the best opportunities. He called upon the students to think big and dream big. The session ended with vote of thanks by Ms. Manvi Arora who expressed gratitude towards the management, the dignitaries, parents & students, and the faculty members and the senior students who contributed to make the event a success.

'Best Out Of Waste' Competition

School of Architecture & Planning organised 'Best out of Waste' Competition on 23rd August 2017. The students were invited to prepare any object they want (like utilitarian or decorative objects, accessories, furniture articles, showpieces, etc) from any waste material. The students used their imagination and made variety of products such as movable battle tank, hanging lights, storage under stairs, dustbin, pen stand, etc using cardboards, rusted junk, waste plastic bottles, discs, electronic waste (wires, tubes) etc. The following students were declared winners, Manish Jain, Prateek Srivastava & Shantanu Mishra from B.Arch.

'The Social Network': Movie Screening

Media Junction the Media Society of KRMU, organized screening of the film 'The Social Network', directed by David Fincher on 5th September 2017. The movie is based on the quest of Mark Zuckerberg for invention of Facebook. The objective for movie screening was to show students how Mark Zuckerberg (founder of Facebook), a Harvard student, begins work on a new concept that eventually turns into a global social network. It is a story of struggle and growth of young billionaire Mark Zuckerberg, portrayed by Jesse Eisenberg. It is based on the book 'The Accidental Billionaires' written by Ben Mezrich and the screenplay was written by Aaron Sorkin. More than fifty students were present in the film screening. The students enthusiastically participated in the post screening discussion. During the discussion, students also referred to the interviews of the Director and Mark Zuckerberg regarding this biographical film and they analysed various aspects of the film such as direction, cinematography, music, screenplay, editing and acting.

Independence Day Celebration: SOED

The students of School of Education celebrated Independence Day on 14th August 2017. On this occasion, students decorated the notice board as it was an opportunity for the students to remember the contributions of the national heroes and shared their visions by focusing for the changing aspects of Education System.

SOED celebrates Teacher's Day at KRMU

School of Education, KRMU, celebrated Teacher's Day on 5th September 2017. B.El.Ed. and B.Ed. students welcomed all the faculty members of SOED and SOHS with a Tilak. The programme started with the lamp-lighting by Prof. (Dr.) R.K.Mittal, Vice Chancellor, KRMU. Various competitions were organized like rangoli making, quotation writing, and poster making competition. Students from other departments also participated in these competitions. The winners were awarded certificates. The function started with an Audio-Visual presentation dedicated to the teachers, followed by introductory speech, songs, group dance followed by games for teachers. The event concluded with the inspirational message by Hon'ble Vice Chancellor. The cake cutting ceremony was done by Prof. Omana Antony. Potted seedlings were given to all faculty members by the students as a token of their respect & love.

75th Anniversary of Quit India Movement

K.R. Mangalam University, celebrated the 75th anniversary of Quit India Movement on 9th August, 2017. All the students, faculty members and staff members marked their presence in the Pledge taking Ceremony.

The event commenced with the motivational speech by Prof. (Dr.) Arun Garg, Dean, School of Medical & Allied Sciences. He discussed the freedom struggle movement and gave a tribute to all the freedom fighters. He also talked about the importance of this day in the Indian history and discussed the role of Indian National Congress and Mahatma Gandhi in Quit India Movement. Ms. Sulakshna, Assistant Professor, School of Law and Ms. Bhagyashree (student of

SMAS) sang the national song 'Vande Matram' to build the fervor of the day. Mr. Rishabh Raj (student of SMAS) and Ms. Bhagyashree took the initiative for hosting the Pledge taking ceremony. The entire university took the pledge to make a better India, to take India to the peak of development and prosperity by 2022. The staff members of KRMU took the pledge to remove poverty, corruption, communalism, terrorism and all the evils from our society upholding the dreams of our freedom fighters. The event concluded with the national anthem 'Jana Gana Mana'.

Parichaya: Introductory Ceremony

The students of School of Education welcomed the freshers with Tilak and flowers on 21st August 2017. The programme started with the welcome speech by students of B.El.Ed. III Semester. Prof. (Dr.) Omana Antony, Dean, School of Humanities addressed and blessed the students. Ms. Manju Kundu shared her experience with the students of KRMU. Parichaya: An introductory ceremony was an opportunity for the newcomers to introduce themselves and share their experiences.

3

Sketch Making & Quiz Competition

The Automotive Society of K.R. Mangalam University organized an intra-university 'Automobile Sketch Making and Quiz Competition' on Advances in Automobiles on 27th September 2017. The aim of the competition was to improve their sketching skills, creativity and to spread the awareness regarding latest innovations and technologies adopted in Automobile Engineering. Prof. (Dr.) R. K. Mittal, Vice Chancellor, KRMU and Prof. Brijesh Kumar, Dean, SOET felicitated the winners.

Winners in Sketch Making

First :Nisha Patra (B.Tech- ME , V sem.)
 Second :Aditya Mandal (B.Tech- ME , V sem.)

Winners in Quiz

First :Md. Tanzeem Haider (B.Tech- ME , V sem.)
 Second :Hitin Behl (B.Tech- ME , V sem.)

Rhetorica organises Antardhawani Poetry & Story Writing Competition

Rhetorica: English Literary Society of K.R. Mangalam University organized 'Antardhwani: An inter-school Competition' on Poetry and Story Writing on 30th August, 2017. Around 45 students from various schools participated in the competition.

The objective of the contest was to encourage reading and writing habits, to enhance creativity and imagination and to provide a platform for free expression. Through this competition, students were exposed to a variety of literary styles and creative writing.

Prof. (Dr.) Omana Antony, Dean, School of Humanities motivated the students to participate in such competitions to improve their Creative Writing Skills. Ms. Sapna Sharma and Ms. Priyanka Redhu coordinated the event.

Dr. Kanu Priya and Dr. Bhavna Sharma were the judges of the competition. Following students were declared winners in the respective categories:

Position	Poetry Writing	Story Writing	
First	Ojasvi Seharawat BA(H) English	Abhishek Chaudhary BBA.LLB	
Second	Akshita Bhaskar B.Tech. ECE	Tanvi Sharma BA(H) English	
Third	Sherlin Varghese BA.LLB	Divyendu Raina BJMC	Daksh Mehta B.Tech

Interactive Session by Chetna Society

Chetna Society, KRMU organized an Interactive Session with Mr. Ravi Kalra, President-NGO-'The Earth Saviours Foundation' on 8th September 2017. This NGO is working round the clock to look after abandoned senior citizens and mentally and physically disabled people. The purpose of this interaction session was to familiarize the students about the selfless, tireless and fearless endeavours related to serving the less privileged.

Mr. Kalra discussed about his mission to self-actualise the young & tomorrow's budding managers to take the responsibilities along with the social causes and make their own individual mission in life. He further highlighted how they can become leaders in these passionate causes which will be more fulfilling than run -of-the-mill mechanical jobs/ careers. The take away from this interactive meeting was to learn how to control anger, depression, sleep disturbance, worries, stress and ego.

Preliminary Sessions for MBA students

The School of Management & Commerce conducted a Preliminary Sessions for students of MBA 2017-19 batch from 14th August to 17th August. The 16 hours session was scheduled to provide an insight into the core concepts of different management subjects, i.e. Accounting, Economics, Statistics etc.so that these budding managers/leaders understand the managerial implications on business decisions in this fiercely competitive business ecosystem. The sessions were taken by different subject experts from the School of Management and Commerce (SOMC).

The Accounting sessions were taken by Ms. Rashmi Jain and Mr. Gurbir S Khera CFA in which they discussed about contemporary corporate accounting practices, concepts, terminology, financial statements and highlighted the basic lingo /lexicon. The Economics Session were taken by Dr. Kshama Sharma in which she covered all the basic and fundamental concepts like interplay of demand and supply forces, core inflation, inflationary gaps, business cycles as well as the contemporary concepts based on market complexities like implications of demonetization, FDI, GST. The session on statistics was taken by Prof. VA Dubey who highlighted the importance of numbers, averages, deviation etc. Ms. Palki Vats took their Business Law session and gave a brief introduction of the various legal concepts and acts relating to the business such as Indian Contract Act, Sales of Goods Act, Company Act etc. to the students.

Inquizitive Minds quiz competition

In order to widen thinking ability spectrum of the students, KRMU CSI Student Branch organized a national level quiz competition in collaboration with Career Launcher and Kestone on 27th September, 2017. The young India challenge 'Inquizitive Minds' extends a platform to the students to compete at national level and realize their potential to showcase their talents.

The competition included six rounds, out of which first round was conducted at KRMU. Round one included multiple choice questions based on Quantitative Aptitude, Logical reasoning, Verbal Ability, General Knowledge and General Awareness. Selected students from first round were promoted for further rounds at different levels.

To appreciate winners Inquizitive Minds announced cash reward of 1Lakh INR to the winners, INR 50,000 to first runners-up, INR 25,000 to Second Runners-up along with trophy, certificate and goodie bag. It gives us immense pleasure to share that two of our students - Yash Jain (B.Tech. CSE- I Semester) and Abhinav Grover (B.Tech. CSE- V Semester) cleared first round and represented our university at regional final round.

Workshop on CISCO Networking

Realizing the importance of Computer Networking in today's world, KRMU CSI Student Branch in association with Network Bulls, Gurugram organized a one-day workshop on Networking, on 30th August, 2017. Mr. Siddharth and Mr Adithya, well-experienced in different fields of networking came to teach students the basics and importance of networking. Network Bulls is Asia's Biggest Cisco training company. In the workshop, the trainers discussed about very relevant networking topics beginning with basic protocols such as FTP, HTTP etc. and the various servers-Domain Name Server, Email Server etc. They briefed the students about the Open Systems Interconnection (OSI) model, a networking framework to implement protocols in layers with controls being passed from one layer to another. Mr. Adithya also explained the detail working of the model. The practical implementation of the network on the simulator, available by CISCO was also shown. Mr. Siddharth gave the students a live experience of the working of switches and routers and transfer of data packets between them. Around 60 students and five faculty members from different schools of KRMU actively participated in the workshop. All the attendees were given 'Certificate of Participation' by Network Bulls. The teachers in charge Ms. Parneeta, Ms. Kriti and Ms. Snehlata along with the CSI Executive members ensured smooth functioning and successful completion of the workshop. The seminar concluded with the presentation of memento to the Guests

Workshop by V Paul Charlesraj: SOET & SOAP

The Department of Civil Engineering, SOET organized a Workshop on 'Industry based competency for the Built Environment sector' by Mr. V Paul Charlesraj on 8th September 2017. The workshop was attended by the final year students of Civil Engineering Department and fourth year students of School of Architecture & Planning.

The workshop started with the welcome speech by Mr. Ayush Mendiretta, final year student of Civil Engineering department. Mr. Paul in his lecture presented an overview of the Project Planning. He discussed in detail the need for the same and how the project planning is crucial component in the socio-economic progress of the society, country and the progress of a particular organization.

He also introduced different techniques of project planning and high end latest advancements in the field.

Mr. V Paul is a Chartered Surveyor (MRICS) and is working as an Associate Professor of Construction in the School of Construction at the RICS School of Built Environment, Noida. Mr. Paul is also a supervisor, counsellor and assessor for RICS Assessment of Professional Competencies (APC). He has 20 years of rich experience in the built environment practice and academia. He is a Civil Engineer with specialization in Construction Engineering and Management. Dr. Anju Bala delivered Vote of Thanks and expressed gratitude to Mr. V Paul for enhancing knowledge of the students and the faculty members.

Workshop on 'Fabrication and Working of 3D Printer'

Department of Mechanical Engineering, SOET organized a demonstration on 'Fabrication and Working of 3D Printer' on 25th September 2017. 3D printing technology can bridge the gap between visual perception and 3-dimensional spatial visualisation. Moreover, 3D printer improves CAD software proficiency which is a crucial aspect for engineers.

Mr. Ajay Rathi illustrated design, construction and operation of fabricated 3D printer and other related aspects of Arduino based programming and construction of G-codes for CAD models. The demonstration was assisted by Sifat Singh (ME student 2013-17 batch).

Mr. Sifat Singh started his presentation by giving an insight in to the fundamentals of 3D printing technology. Furthermore, fabricating method, materials and software involvement were elaborated in easy way.

The faculty members of Mechanical, Civil, Electrical and Electronics Engineering attended the demonstration. The event was organized and co-ordinated by Mr. Ajay Rathi, Assistant Professor, Mechanical Engineering Department.

8

Session on 'Concept Development in Architecture'

The School of Architecture and Planning organized a guest lecture on 'Concept Development in Architecture' on 6th September, 2017 by Ar. Ravi Kumar Sirohiya. In his presentation Ar. Ravi Kumar Sirohiya spoke about how the students can develop their concept by studying about the site location, neighborhood context of the site, the vernacular architecture of the site and how one can include the local architecture of the area in their own site i.e. by doing site analysis.

He guided the students that how they can approach their site in different ways, how they can use different materials and what is the importance of social interaction. He helped the students in their studio design problems. The programme was attended by the faculty members and all the students of School of Architecture and Planning. The lecture was followed by an open session where Ar. Ravi Kumar Sirohiya answered all the queries related to the subject. His valuable inputs helped the students in their design studios.

Talk on 'Health Wellness and Architecture'

School of Architecture & Planning organized a lecture by Prof. (Dr.) Anil Dewan, Professor, Architecture at School of Planning and Architecture, New Delhi on 29th August 2017. Prof. Dewan addressed the students on 'Health, Wellness and Architecture'.

Prof. Dewan discussed the changing concept of Hospital Design in today's context; from conventional, sterilized monotonous building to a more friendly, welcoming and soothing environment for the patients. He emphasized on the significance of health facilities in the rapidly urbanizing cities which show exponential increase in population. He described comfort, safety, sustainability, health and happiness as the pillars of Hospital Design in contemporary times.

The lecture was informative and was a learning experience for the students.

Interactive Session with Prof. S.N. Singh: SJMC

School of Journalism and Mass Communication organized Hindi Week from 14th to 22nd September 2017. Prof. Shambhu Nath Singh, Director, SOJNMS, IGNOU was invited to give his keynote speech on the topic of "Future of Hindi Journalism" on 15th September 2017. Prof. Shambhu Nath Singh has served as Vice-Chancellor of Patna University, Bihar, one of the oldest universities in India. His initiatives in recognizing teaching excellence and encouraging student toppers, introduction of semester system, examination reforms and initiation of e-governance etc. enabled the university to be in the limelight. Prof. Shambhu Nath Singh in his speech explained the past and the present of Journalism in India and then presented a vivid and realistic view of the future of Hindi Journalism. He appreciated the efforts of K.R. Mangalam University for organizing Hindi Week and said that this type of effort shows the dedication towards the mother language. He also talked about the ethics of journalism during National Movement. Categorically, he defined the Gandhian methods of communication and its relevance in contemporary scenario. He also mentioned his great regard for the editorial of Pratap and contribution of Ganesh Shankar Vidyarthi in Indian Journalism. After the speech, Prof. (Dr.) R K Mittal the Hon'ble Vice Chancellor of KRMU honoured Prof. Shambhu Nath Singh.

Talk on 'How to Appreciate Literature'

School of Humanities organized a guest lecture by renowned Prof (Dr) Harish Narang on 'How to Appreciate Literature' on 22nd August 2017. Prof. (Dr.) Narang, Former Professor and Chairperson, Centre for English, JNU Delhi has over 45 years of teaching experience. He has over twenty books and over fifty research papers to his credit. The students of School of Humanities and School of Education attended the lecture.

Prof (Dr.) Narang in his lecture defined the terms 'literature', 'commitment' and 'politics', and their impact on society. Dr. Narang advised the students to read the horrible realities taking place in everyday's life, really influenced the students. They were asked to develop interest of reading the day-to-day issues and sufferings of people in the society around them. He also emphasized on the importance of songs as an integral part of our literature. While talking about the present trends in literature he also talked about intolerance observed by various litterateurs by returning awards. Prof. Narang strongly criticized the use of erotic imagery by authors in their work and mentioned that atrocities towards women can be described without giving gloomy and erotic details. It was a great experience for the students attending the lecture and learning the various ways in which literature can be appreciated.

The session was followed by an interactive session with the faculty members and students where Prof. Narang answered the questions raised by students. Prof (Dr.) Omana Antony, Dean, School of Humanities proposed the vote of thanks. The session was coordinated by Ms. Mouli Chaudhary & Ms. Priyenka Redhu.

Special Session on Research using Manupatra

Legal Research is the hallmark of a good lawyer. The ability to conduct legal research is essential for lawyers, regardless of area or type of practice. The most basic step in legal research is to find the leading case governing the issues in question and keeping this in view, School of Law coordinated with Manupatra, whose legal training representative, Mr. J.P. Singh conducted a session on the Manupatra, its usage, its features on 27th September 2017.

Around 140 students of SOLW participated in the session. A detailed presentation was made on -how can law students as well as faculty members, make optimum utilization of the various features of Manupatra which was very informative for the students.

At the end of the session, a question-answer round was held in which the students interacted with the representative and cleared all their doubts on the features and search options of Manupatra.

Preparing Budding Managers for Digital World: Lecture by Saket Srivastava

The School of Management and Commerce conducted a guest lecture on 'Preparing Budding Managers for Digital World' for the students of B. Com(H), BBA, M. Com and MBA on 25th September 2017. The speaker was Mr. Saket Srivastava from Atria who possess 22 years of experience into data analytics and product management; he is also passionate for teaching students about the current trends in the industry. The presentation was about preparing young minds to be comfortable with digital world and it's working environment. Though, it's not unheard that bookish knowledge is different from what one practically does in the industry, yet the concepts could not be undermined. It's as significant as knowing to put the data into

software and get the results. The pyramid of success for young budding managers was described in such a simple and yet sequential order which required one to know the concepts first and then the tool for practical application followed by in-depth insights of one domain along with interpersonal skills and emotional intelligence. The presentation left the young minds thinking how important each information and content is that they leave on the social site and other fields and how it turns out to be a matter of substance for businesses.

Dr. Arun Garg invited as Guest of Honour

Prof. (Dr.) Arun Garg, Dean School of Medical & Applied Science attended the Indian Pharmaceutical Graduates' Association (IPGA) sponsored National Seminar on 'Current Trends and Challenges in Pharmaceutical Sciences' as Guest of Honour and delivered the keynote address on the theme of the conference. He discussed the need for development of skill and knowledge in the pharmacovigilance, clinical research, medical devices, drug regulatory affairs which are the need of the hour.

B.N. University along with IPGA also celebrated the World Pharmacist Day on 25th September 2017 wherein Prof. Arun Garg gave a brief report of activities of IPGA. During the World Pharmacist Day several senior pharmacists were felicitated with award for their distinguished activities in the profession.

Welcoming Research scholars at KRMU

Orientation and Registration Programme for Ph.D. Research Scholars for the batch 2017-18 was organized on 9th September 2017 with great enthusiasm. Newly admitted batch of thirty-six students along with School Research Committee members attended the programme.

Dr. Meena Bhandari, Programme Coordinator welcomed the students and apprised the new entrants regarding the course work, schedule of classes and School Research Committee and its pivotal role in providing guidance to the research scholar. Prof. Brijesh Kumar, Dean, Academics & SOET discussed details regarding various research topics elaborately and encouraged students

to choose those topics which can be helpful in reducing social issues pertaining to the society. Hon'ble Vice Chancellor Prof. R.K. Mittal congratulated the student for joining Ph.D. programme. He advised that research scholars must have perseverance, consistency, patience and must work hard to accomplish their objective. The programme concluded with vote of Thanks by Dr. Romila Manchanda.

Visit to Sanskriti Kendra and Dilli Haat

School of Architecture and Planning organized an educational tour to Anandgram, Sanskriti Kendra, Mehrauli Gurgaon Road, and 'Dilli Haat', Janakpuri on 22nd September 2017. The visit was organized for the I year and II year students as a part of their curriculum of Basic Design & Creative Workshop and Architectural Design-II. The aim of this visit was to make the students understand the concept, planning, construction techniques and materials of the place. Prof. Indrani Basu, Dean SOAP, Ar. Shanu Jain, Ar. Pankaj Dhayal and Ar. Shivani Singh accompanied the students.

SOAP students visit Fortis Hospital

An educational visit to Fortis Hospital, Gurugram was organized by the School of Architecture and Planning on 3rd August 2017 for the IV year students of B. Arch. as a part of their curriculum of 'Architecture Design'. The aim of the visit was to make students understand the concept, idea, functionality and services of hospital buildings. The hospital has been designed by Ar. Rajinder Kumar.

The students observed the different functions of the hospital and prepared a presentation based on the following:

- Blocking and Area analysis
- Open and built proportions
- Vertical and horizontal connectivity of different functions
- The segregation of public, semi-public and private spaces
- Placement of different functions
- Floor wise segregation

Ar. Hemani Singh and Ar. Nisha Sharma accompanied the students.

Industrial visit to BG Shirke Construction Site

An educational visit to precast & prefabrication unit of B G Shirke construction site at Narela was organized on 12th August 2017 for the VII semester students of School of Architecture & Planning. B G Shirke Construction is the pioneer in precast construction technology & first organization to invent and develop this technology in India. The purpose of the site visit was

to learn the latest technology of prefabrication, Precast Elements and its erection on site. Ar. Vinod Patil and Ar. Nisha Sharma accompanied the students to the site where they were guided by Mr. R. N. Shinde, Dy. General Manager, B G Shirke Construction. The students were also shown a corporate film of B G Shirke construction & procedure of Pre-fabrication.

Visit to Survi Construction

School of Architecture & Planning ensures that their students get opportunity to have on-site experience on regular basis. One such visit was organized to Survi Constructions prestressed construction yard, IMT Bhangraola, Haryana on 19th September 2017. Survi Constructions have invented & developed prestressed construction technology in India. The purpose of the site visit was to learn the latest

technology of prefabrication, precast and prestressed elements and its erection on site. During the visit a short film on Survi Construction & procedure of construction of pre-stressed concrete was shown to the students. Mr. Naresh, Engineer, Site Manager, Survi Construction explained the techniques and process of construction in detail. Ar. Vinod Patil and Ar. Nisha Sharma along with the students of VII semester, SOAP visited the site.

Visit to Delhi Management Association

The School of Management and Commerce organized an educational trip on 8th September 2017 to Delhi Management Association (DMA), Habitat Centre, New Delhi. Eminent speakers from industry and academia presented their views on 'Leadership in the age of disruption'. The seminar focused on how new realities in this volatile, uncertain, complex & ambiguous (VUCA) environment require pro-activeness & use of the right brain. The students were exposed to the challenges faced by contemporary business organizations and participated in the discussions with great zeal and enthusiasm. The post graduate management students enrolled themselves as student members of DMA. Delhi Management Association (DMA) invited Mr. G.S.Khera to conclude the seminar by delivering the vote of thanks on behalf of K.R. Mangalam University.

International Conference AASET 2017

School of Engineering & Technology and School of Basic & Applied Sciences organised an International Conference on Advances in Applied Sciences, Engineering and Technology (AASET-2017) in collaboration with Jawaharlal Nehru University, Computer Society of India and National Institute of Technology, Delhi on 17th-18th August 2017. The conference was sponsored by CSIR, Vijnana Bharati, NSF and Johnson Controls.

The two-day event commenced with the welcome address of Prof. (Dr.) R.K. Mittal, Vice Chancellor, KRMU followed by the keynote speech by Prof. (Dr.) K.K. Aggarwal, Chancellor, KRMU. The Chief Guest of the conference was Dr. S.K. Joshi, Former Director, NPL Delhi. The other dignitaries present on the occasion were Prof. V. K. Jain, Vice Chancellor, Doon University, Dehradun, Dr. Ian Haynes, M.D. NSF International, USA and Prof. Ajay K. Sharma, Director, NIT Delhi. The day progressed with invited lectures by eminent scientists, researchers, academicians and industry experts worldwide.

The conference included novel research and survey papers in the area of Material Science, Smart Materials, Condensed Matter Physics, Theoretical Physics, Life Sciences, Environmental Science, Synthetic organic & Inorganic chemistry, Natural products & Medicinal chemistry, Engineering designs, Modeling and optimization, Computer networks & security, Thermal engineering, Digital electronics, Signal processing, Data information management, Computational techniques and Machine Learning.

Many national and international researchers participated in the conference and shared their research work through oral and poster presentation. The papers were published by Springer & NISCAIR; Indian Journal of Pure and Applied Physics (indexed in SCOPUS, Thomson Reuters and UGC approved) and Indian Journal of Engineering & material Sciences (indexed in SCOPUS, Thomson Reuters and UGC approved).

The conference concluded with the valedictory speech and distribution of certificates. The event was well-planned by the Conveners: Dr. Jyotsna Sharma and Dr. Dilraj Preet Kaur, under the guidance of Prof. Brijesh Kumar, Dean, Academics and SOET. Dr. Shilpi Vats, Dr. Parneeta Dhaliwal and Dr. Chandra Mohan worked as the Co-conveners for the event.

Visit to Huawei Telecommunications

K.R. Mangalam University CSI Student Branch organized an Industrial visit for the students of B. Tech CSE/ECE/EEE and BCA programme to 'Indovision Services Private Limited', authorized partners of Huawei Technologies on 19th September 2017. The objective of the visit was to bridge the gap between theoretical learning and practical experience. The visit was a perfect amalgam of knowledge and learning, conducted under the supervision of Mr. Gaurav, Business Development Manager, Huawei Telecommunications. Huawei Technologies is one of the leading ICT Company and manufacturer of all telecom equipment in domain of 2G, 3G, LTE, Datacomm equipment, Mobile, dongles, Transmission equipment etc. Huawei customers include leading operators like Bharti, Vodafone, Reliance, Tata, Uninor, Idea, BSNL, MTNL etc. It is also very active in enterprise domain. Huawei has over 70,000 product and solution R&D employees, and have set up 16 R&D centres in countries that include Germany, Sweden, US, France, Italy, Russia, India, and China.

Mr. Gaurav from Huawei apprised students with the basics of ICT domain including Network Communications, Wireless, Telecom, LAN/WAN, Routers, switches, security, firewall and Cloud computing. He made them aware of the expectations of the industry experts. The students were provided with Huawei mLearning content and links to various eBooks to enhance their technical skills. Students got live experience of training lab with hands on various networking components that simulate real environment needs. Students were accompanied by Dr. Neeraj Gupta, Ms. Kriti Sharma, Mr. Vineet Dahiya and Ms. Shilpa Mehta.

Delhi Book Fair Visit by SOHS

School of Humanities organized a visit to Delhi Book Fair, Pragati Maidan on 2nd September 2017 for the students of Semester I and II Semester.

The India Trade Promotion Organization (ITPO), a Govt. of India Enterprise organized 23rd edition of Delhi Book Fair at Pragati Maidan, New Delhi from 26th August to 3rd September 2017. The theme of this year was 'Padhe Bharat Badhe Bharat' (India grows when India reads). Apart from promoting literacy and reading habit, the fair presented a vast vista of Indian books on a wide range of subjects. The fair provided a platform for entering into co-publishing arrangements, translation and copyright arrangements, reprinting of old and rare books, apart from providing retailing opportunities. The students not only enjoyed buying books but made use of the reading areas in each section. The visit was coordinated by Dr. Pooja, Ms. Komal Yadav, Dr. Kanu Priya and Ms. Mouli Chaudhary.

Site Visit to M3M Global State

School of Engineering & Technology organised an Industrial site visit to Residential Complex at M3M Global State, Gurugram on 26th September 2017 for the students of Civil Engineering Department.

Mr. Anuj Jindal, Sr.GM, Project Planning of M3M group supervised the visit. Mr. Jindal along with his team demonstrated all the aspects of their Project. At first Mr. Jindal gave a brief Introduction of the project site. Their marketing strategy and bidding process was also explained by their marketing head. Mr. Vikram Singh and Mr. Mukesh Kumar, (GM-Project execution) lead the team to the apartments to demonstrate the engineering aspects of the construction. The apartments are equipped with all the modern amenities with construction material of world class quality. It has been designed precisely following the guidelines of prescribed codes taking in consideration the earthquake resisting provisions as well as Green technology. Mr. Monik (Facility Head JLL), Mr. Rajbeer Sharma (Asth. VP-Facility) and Mr. Sourav Arora (AM-Planning) also shared their vision with the students regarding their area of expertise.

The exclusive element of the visit is their sports complex which is one of its kind. It has indoor centralized air-conditioned stadium for outdoor sports and specialized sheathing on the roof to accommodate any weather condition. The visit was organized by Dr. Anju Bala and coordinated by faculty members Mr. Naveen Maheshwari and Ms. Sarah Khan.

National Science Centre Visit by SOAP

An educational visit to National Science Centre, New Delhi was organized by School of Architecture and Planning (SOAP) on 11th August 2017 for the III year students of B. Arch. The objective was to make students understand the concept, idea and functionality and circulation space of Museum.

National Science Museum has been designed by Ar. Achyut Kanvinde. At the museum site the students understood the aspects of planning location, entrance, circulation pattern, parking, building façade, Connectivity of the spaces, landscape etc. Ar. Akanksha Singh and Ar. Nidhi Aggarwal accompanied the students.

Northern India Textile Research Association: SOFDg

School of Fashion Design organized a visit to 'NITRA', Ghaziabad, Uttar Pradesh on 4th September 2017 for the students of B.A. Fashion Design.

Northern India Textile Research Association (NITRA) is set-up jointly by Govt. of India and textile industry in 1974 on a 50 acre land at Ghaziabad near national capital New Delhi. NITRA is the only ISO 9001:2000 accredited premier textile research association in the country. NITRA is recognized by the Council of Scientific and Industrial Research, Govt. of India.

The main objective of the visit was to help students understand what goes within the textile industry, how Textile industry work so that they get the knowledge related to the Machinery and equipments, handloom & power loom, dyeing & printing procedure, lab testing procedure of textile and GMT techniques etc.

The students also interacted with the Scientists, and Research Associates working in the Lab. They encouraged students to study well and to understand the concepts of textile industry. These unique exposures provide the foundation for experimentation, inspiration, textile development, creativity, and allow the students for authentic learning experiences related to their curriculum. Faculty members Ms. Sapna Singh, Ms. Rasika Kaushal & Mr. Neeraj Kumar Yadav accompanied the students.

SOMC students visit Coca-Cola Happiness Factory

The students of B. Com (H) I Semester and MBA I Semester visited Moon Coca-Cola Beverages Pvt. Ltd., Greater Noida, popularly known as 'Happiness Factory' on 31st August, 2017. The entry to the 'Happiness Factory' is via a door rightly called the Vault.

The visit began with the introduction of Happiness Factory Coca-Cola by Mr. Saurabh Singh, Marketing Manager. The Happiness Factory is a concept developed by Coca-Cola wherein the invitees are taken on a tour of fun filled Coca-Cola themed museum along with production lines. The students were informed that the factory produces 600 cold drink cans and 240 Mazaa and Minute-Maid bottles per minute. Students were shown entire operational process of Coca-Cola product range (Limca, Mazaa, Kinley Water, Minute Maid, Coca-Cola Zero, Fanta) in bottles and cans of various sizes. The visit showcased the growth of Coca-Cola and its product range since 1885, the year of its inception.

The other part of the visit highlighted various CSR activities undertaken by Coca-Cola. In addition, students participated in an e-based quiz designed to test recall of information gathered by students during the visit. Students were thrilled by playing X-box games, listening to Coke Studio music and taking pics at Selfie Zone. Dr. Meghna Chhabra and Mr. G. S. Khera accompanied the students.

SBAS students attend DST sponsored Lecture Series

A group of 18 students of M.Sc (Chemistry & Physics) I & III semester along with Mr. Chandra Mohan, Asst. Prof., School of Basic & Applied Sciences, KRMU attended the DST sponsored lecture series Workshop on "Trans-disciplinary areas of research & Training" organized by Deendayal Upadhyaya College, Delhi on 15th September, 2017. The students attended various lectures delivered by Shanti Swaroop Bhatnagar Awardees related to the advancement in science and technology and emerging futuristic fields of inter-disciplinary and multi-disciplinary areas. This workshop was intended to provide exposure to the students on various thrust areas of research with emphasis on indigenous problems.

SOAP students attend COA Programme for Excellence

The students of VII and IX semester of B. Arch. attended Council of Architecture Programme for Excellence in Architectural Thesis in Undergraduate and Postgraduate courses in Architecture for the year 2017 at India Habitat Centre, New Delhi on 7th September, 2017. The students were accompanied by Ar. Vinod Patil, Ar. Praveen Gupta, Ar. Pankaj Dhayal, Ar. Nisha Sharma and Ar. Anshika Agarwal.

The students participated proactively in open juries which helped them understand the respective projects, design approach, presentation techniques etc. The Council invited entries from all over India for the best Thesis Award 2017 and 10 candidates got selected to display their Thesis projects for Jury presentation (2 candidates from 5 different zones – North, South, East, West and Central).

The Council invited many eminent practicing & professional Architects, Academicians & Researchers from reputed Architectural firms & institutions along with students of architecture institutions. The students got opportunity to interact with professional architects, industry experts and students from other architectural institutions which helped them to understand the design approach and various design techniques in their current and upcoming semesters for Dissertation & Thesis programme.

Advances in Motorsport Engineering

The Department of Mechanical Engineering, SOET organized a Seminar on 'Advances in Motorsport Engineering' on 29th August 2017. The students of Mechanical Engineering and Civil Engineering Department attended the seminar. The speaker of the programme was Dr. Sabuj Mallik, Associate Professor and Head of Mechanical and Manufacturing Engineering Discipline at University of Derby, England. Dr. Sabuj Mallik started in his presentation gave an insight in the fundamentals

of Motorsport engineering. Furthermore, design, construction and operation of competition vehicles and related aspects of materials science, aerodynamics, structural analysis, vehicle systems, and management techniques related to motorsport were presented. It was a great experience for the students to know about the design, aerodynamics, structural analysis and operation of competition vehicles to get the solutions of the problem with much accuracy which they are tackling as a part of their course curriculum.

Design aspect of Thermal Power Cycle & Lean Manufacturing

Department of Mechanical Engineering, SOET organized a Seminar on 'Design Aspects of Thermal Power Cycle & Lean Manufacturing' on 15th September 2017.

The speaker of the programme was Prof (Dr.) H .N. Singh (MD, VHPS Enterprise) and Mr. Ravindra Kumar Gupta (Senior Advisor (Mechanical Engineering) at Project and Development India Ltd.). Prof (Dr.) H .N. Singh has 45 years of work experience in corporate, academics, management Consultancy & Corporate Training in light engineering, automobile industry and academic institutes. Ravindra Kumar Gupta is a retired GM from BHEL/PEM, Noida, after serving for 37 years

Prof (Dr.) H .N. Singh started his presentation by giving an insight in the fundamentals of Lean manufacturing. Furthermore, SCM, Lean Management, World class Manufacturing and TQM were elaborated in easy way.

Mr. Ravindra Kumar Gupta illustrated design, construction and operation of different thermal equipment. Many related aspects of Plant System Engineering, Piping & Layouts and Proposal Engineering were also presented.

It was a great experience for the students to get to know about the design, working, and operation of power plants to get the solutions of the problem with much accuracy which they are tackling as a part of their course curriculum. The event was organized and co-ordinated by Mr. Ajay Rathee, Assistant Professor, Mechanical Engineering Department.

Career Growth and Overseas Opportunities

The School of Management & Commerce organized a seminar on 'Career Growth and Overseas Opportunities' on 23rd August 2017 in K.R. Mangalam University. Some of the foreign delegates who participated in the seminar from premier universities were Mr. John Sander, University of Sussex, Mr. Niall Mullins, Royal Holloway University of London & Mr. Sharath Meppallil, University of Surrey.

The students of various streams attended the seminar and were enlightened to know about the various overseas opportunities. They raised many questions about the different areas they can explore after the completion of the degree from India. The students were asked to do the networking with the professional organizations and bodies and with the alumni of the reputed colleges. It is required to shortlist few companies one would wish to work with and keep an eye over any type of openings through the website. It is imperative to be technologically sound to reap the best of anything and which is also one of the parameters to gauge anybody's smartness and hence the students were advised to keep themselves abreast with any advancement in the technology along with the substantial amount of updated knowledge about the core domain. The students were also sensitized towards cultural differences and the ways to tackle them by keeping a geocentric

Workshop on 'Virtual Lab'

The School of Engineering & Technology organized one-day Workshop on 'Virtual Lab' on 24th July 2017. The workshop on virtual labs, an initiative of Ministry of Human Resources Development (MHRD) under the National Mission on Education through ICT, was conducted by experts from IIT Delhi. Mr. Tanmay Tarun Das, Senior Project Assistant, Virtual lab, IIT Delhi and Mr Prateek Sharma-Sr. Field Engineer, Virtual Lab, IIT Delhi were the resource persons for the workshop.

According to Mr. Tanmay Tarun Das virtual lab in engineering is a big revolution. While sitting at campus, students and faculty members can perform experiments remotely and access equipments and software located at various IIT's. They can repeat their practical as many times with different inputs till they get desired output without any physical threat to them. This would help them in learning basic and advanced concepts through remote experimentation. It will provide a complete learning management system around the virtual labs where the students can avail the various tools for learning, including additional web resources, video lectures, animated demonstrations and self-evaluation.

It is a kind of anytime and anywhere useable, besides these labs are free to use and are easily accessible through internet. Another main feature is that one can access on mobile also. Virtual labs can be remote triggered, measurement based and modeling or simulated based. These labs cater to students at the undergraduate and postgraduate levels, besides research scholars. Participants were given demonstration of a number of experiments from different streams. Faculty members from School of Basic and Applied Sciences and School of Engineering and Technology attended the workshop. The event was successfully organized by Ms. Shilpa Mehta and Ms. Puja Acharya.

हिन्दी सप्ताह का आयोजन

स्कूल ऑफ जर्नलिज्म एंड मास कम्युनिकेशन ने 15 सितम्बर से 22 सितम्बर तक हिन्दी सप्ताह का आयोजन किया। इस दौरान विभाग के छात्रों ने प्रति दिन विभिन्न गतिविधियों का आयोजित किया। सप्ताह-भर चले इन कार्यक्रमों का आरंभ, 15 सितम्बर को इग्नू के पत्रकारिता विभाग के संस्थापक निर्देशक प्रोफेसर शंभूनाथ सिंह द्वारा 'हिन्दी पत्रकारिता' विषय पर दिए भाषण एवं रचनात्मक लेखन प्रतियोगिता से हुआ। प्रोफेसर शंभूनाथ सिंह ने स्वतंत्रता संग्राम में भारतीय भाषाओं व खासकर हिन्दी में प्रकाशित अखबारों, पत्रिकाओं की भूमिका को रेखांकित किया और आजादी के बाद पत्रकारिता के लक्ष्यों, जन-पक्षधर भूमिका और देश के विकास में हिन्दी सहित अन्य भारतीय भाषाओं के योगदान की चर्चा की।

दिनांक 16 सितम्बर से 21 सितम्बर के दौरान, विभाग के छात्रों ने हिन्दी में कविता लेखन, निबंध लेखन और रिपोर्टिंग की गतिविधियां आयोजित कीं और इनमें बढ़चढ़कर हिस्सेदारी की। भारत की संविधान सभा द्वारा 14 सितम्बर को हिन्दी को आधिकारिक भाषा के तौर पर स्वीकार किए जाने के उपलक्ष में सितम्बर माह में हिन्दी दिवस, हिन्दी सप्ताह, हिन्दी पखवाड़ा और हिन्दी माह का आयोजन किए जाने की परम्परा है। हिन्दी सप्ताह के समापन दिवस, 22 सितम्बर, 2017 को हिन्दी क्विज़, हिन्दी की कैलीग्राफी, तस्वीर पर कहानी लेखन और जस्ट-अ-मिनट प्रतियोगिताओं का आयोजन किया गया। क्विज़ प्रतियोगिता में हिन्दी भाषा व व्याकरण, फिल्मों, लेखकों व साहित्यिक रचनाओं पर आधारित प्रश्नोत्तरी चक्र चले।

कैलीग्राफी प्रतियोगिता में छात्रों ने बेहद सुन्दर लिखावट व डिजाइन में पोस्टर बनाए। विजेताओं का चयन डॉ. सीमा राज एवं सुश्री पूजा वत्स और सुश्री आरती शुक्ला ने किया। तस्वीर पर कहानी लेखन में छात्रों को 6 तस्वीरें दिखाई गईं और इनके आधार पर कहानी या कविता लिखने को कहा गया। विजेताओं का चयन डॉ. पंकज गुप्ता, डॉ. रुचिका यादव और श्री लावेश ने किया। जस्ट-अ-मिनट में छात्र-छात्राओं को मौके पर दिए गए विषयों पर एक मिनट तक बिना रुके बोलना था। बड़ी संख्या में छात्र-छात्राओं ने इसमें भाग लिया और विजेताओं की घोषणा डॉ. कावेरी भारद्वाज, डॉ. इन्द्रप्रीत और सुश्री सपना सिंह ने की। इन कार्यक्रमों का समापन पुरस्कार वितरण समारोह से हुआ जिसमें माननीय कुलपति प्रोफेसर (डॉ.) आर.के. मित्तल, डीन अकादमिक प्रो. (डॉ.) बृजेश कुमार, संकाय अध्यक्ष प्रो. (डॉ.) ओम्ना एंटनी व प्रो. रवि प्रकाश उपस्थित थे। कुलपति प्रोफेसर आर.के. मित्तल ने छात्रों द्वारा सुव्यवस्थित व उत्साहपूर्ण आयोजन के लिए, शिक्षकों व छात्र-छात्राओं को बधाई दी। आयोजक मंडल में पंचम समेस्टर की सुश्री नेहा, सुश्री सुकन्या, सुश्री सृष्टि, श्री अतुल, श्री आयुष व श्री सुमोहित शामिल थे।

SOAP students attend workshop

A one-day workshop on Green materials for Sustainable Building Solutions was attended by the students and faculty members, Prof. Indrani Basu, Vinod Patil and Pankaj Dhayal of SOAP on 10th July 2017.

The workshop was conducted by Italian Trade Agency (ITA) to discuss the importance of the green building material and sustainable building solutions, and to have partnership/ collaboration with industry experts to move towards sustainable future.

The workshop started with the introductory speech by Mr. Mauro Mariani, Commissioner ITA, followed by opening remarks from Mr. Vijay Garg, Vice President, and Council of Architecture. Many eminent speakers from the field of Engineering, Sustainable material suppliers & Manufacturers from Italy presented & demonstrated their products. There was a technical session from GRIHA (Green Rating for Integrated Habitat Assessment) conducted by Ms. Chitragada Bisht, explaining the green building certification process. Ms. Irene Giglio, from Mario Cucinella Architects (MCA) a well-known Architectural firm of Italy, working in the field of sustainable architecture, presented few of their popular projects, explaining approach on sustainable materials & technologies.

World Pharmacist Day Celebrations

K.R. Mangalam University IPGA Student Forum celebrated the World Pharmacist Day on 25th September 2017. The students created awareness among the general public by organizing drives at several medical centers.

The pharmacist day was celebrated by a series of community drives called 'Lead the March'. Four teams consisting of 5-6 students were formed to create awareness about Pharmacy, Drugs, and Prescriptions, storage of drugs and role of pharmacist in disease management. The teams contacted the patients around the hospitals and chemist shops in different areas of South Delhi like AIIMS, Hauzkhas,

Yusuf Sarai, Green Park, Malviya Nagar etc.

The poster making competition was organized by IPGA student forum at K.R. Mangalam University on the topic 'Power of a pharmacist' and creative writing competition on the topic 'My future pharmacist looks like' on 24th September 2017.

Dr. Arun Garg, Dean, SMAS participated as a guest of Honour in the closing ceremony of the World Pharmacist Day. A Nukkad Natak was also performed by the team of K.R. Mangalam University on the role of Pharmacist in Health Care.

Ruobaruoo - 2017

The Cultural Society of K.R. Mangalam University organized Fresher's Day 'RUO BARUOO- 2017' on 28th September 2017. Prof. (Dr.) K.K. Aggarwal, Chancellor and Prof. (Dr.) R.K. Mittal, Vice Chancellor marked their benign presence. Prof. (Dr.) Arun Garg Dean, Student Welfare, Chief Coordinator, Ms. Asha Sohal and Dr. Anju Bala, Conveners of Cultural Committee, along with the student coordinators, welcomed the dignitaries with bouquets.

The day started with an adventurous activity 'Breaking the Ice' by new blooming buddies along with the dignitaries followed by lamp lighting ceremony.

The anchors of the day were Rishabh, Mallika, Bhagyashree, Simran and Archi who kept spectators captivated with their lyrical messages and entertained the audience with their hilarious fillers.

The students participated in various events like solo dance, group dance, solo song, band performances, fashion parade etc. The dedication of participants was clearly visible and was appreciated and applauded by the spectators.

The mesmerising group dance by Phoenix group made everyone entranced. The limelight of the day was fashion parade by the seniors on the theme Halloween. Ms. Divya was crowned Ms. Fresher and Mr. Ovigyan was declared Mr Fresher. Ms. Photogenic award was won by Ms. Kamyra and Mr. Photogenic by Mr. Gaurav. Ms. Muskan was selected as Ms. Charming and Mr. Ankit was selected as Mr. Evening. Prof. (Dr.) R.K. Mittal, Vice Chancellor and Prof. (Dr.) Arun Garg, Chief Coordinator felicitated the winners.

The show concluded on a high note as everyone danced, sang and partied. The excitement surrounded the feast reached at extraordinary level. Fresher's loved the welcome given to them and appreciated the whole hearted efforts of their seniors and university. It is said that a good start signifies a great end, and the fresher's could not have asked for a better kick off.

Kudos to the Cultural Committee for organizing the event with extravaganza.

Faculty Achievements

26

Dr. Avjeet Kaur, SOMC presented a paper entitled "Ethical orientation of HRM in establishing Ethical organizational culture" at International Multidisciplinary Conference on Commerce, Management Technology and Environmental Science organized by St. Joseph College of Arts and Commerce and Indo Global Chamber of Commerce, Industries and Agriculture Pune. The paper is published in UGC approved Journal titled "An International Multidisciplinary Half yearly Research Journal - ROYAL" by Ajanta Prakashan - Aurangabad, pp 68-80, 2017 - ISSN - 2278-8158 - IMPACT FACTOR - 4.42. Dr. Kaur also presented a paper titled "Organisational Change Management- Changed Perspective 21st century" in the National Seminar on "Emerging trends in Economics, Commerce, Management and Entrepreneurship" organized by Loyola college vettavalam. The paper is published in UGC Approved Journal titled "Emperor International Journal of Finance and Management Research" Impact Factor 1.14 EIJFMR -ISSN NO: 2395-5929.

Ms. Kanchan Khatreja, SOED attended two-day interdisciplinary international conference on Role of Digitalization in Sustainable Development: A Global Perspective by M.D. University and presented a paper entitled "Study of Cybercrime Awareness among Undergraduates" on 16th-17th September, 2017.

Dr. Pankaj Gupta, SMAS published a chapter entitled "Standardization and phytochemical investigations using modern analytical techniques" in textbook entitled "New Aspects in Medicinal Plants & Pharmacognosy", JB Publisher, Poznan, Poland, 1st Ed., 2017, Tiezzi A & Karpiński TM eds, pp.103-116, ISBN-13: 978-83-947078-0-4 and DOI: <http://dx.doi.org/10.5281/zenodo.833147>.

Ms. Manju Kundu, SOED published a paper entitled "Constitutional Status of women with special reference to India" in international refereed journal Indian Journal of Social Concerns, Vol 06, Issue-24(ISSN: 2231-5831) page no271-277, July 2017.

Ms. Megha Gupta, SOHS published poem "My Father" In International Research Journal Of Commerce, Arts and Science, Volume 8- Issue 8, Page 47 in Sep, 2017.

Dr. P.C. Jena, SOED has contributed one chapter in edited book entitled, "Innovative Perspectives in Assessment Paradigms on Mobile Learning For Education: Opportunities and Challenges" (ISBN:978-93-85449-17-8) pp189-193, Twenty first Century Publication: Patiala (Punjab) 2017.

He has presented a paper entitled: Early Childhood Care and Education (ECCE) Curricular Issues and Concerns in the International Conference on English Language, Literature and Education organized by St. Charles College of Education on 27th July 2017 and the presented paper was published in the UGC approved Journals entitled; International Journal of Multidisciplinary Researches.

He has also published a research paper in UGC approved and Scopus Index Journal entitled: "Journal of Arts, Humanities and Social Sciences" on "Leadership Qualities: Best Practices for Implementing Total Quality Management (TQM) in Education" Vol. 5, Issue-(9B), September- 2017, pp1228-1233.

Mr. Chandra Mohan, SBAS attended DST sponsored Lecture Workshop on "Trans-disciplinary areas of research & Training" organized by Science Foundation, Deendayal Upadhyaya College, Delhi from 15th-16th Sep. 2017. He also attended Faculty Development Programme on "Energy, Environment and Sustainable Development" organised by NITTTR, Chandigarh at Bharati Vidyapeeth college of Egg. New Delhi from 24th-28th July 2017.

He has been also selected as an Editorial Board Member in Modern Environmental Science and Engineering Journal (ISSN 2333-2581), Academic Star Publishing Company, New York.

Ms. Sulakshana Banerjee Mukherjee, SOLW presented research paper entitled as "Human Rights and Gender justice- Honour Killing a Gross Violation of Human Rights" in International Conference on Human Rights and Gender Justice at Indian Society of International Law, New Delhi on 6th August, 2017.

Ms. Sapna Sharma and Prof. (Dr.) Omana Antony, SOHS published a Research Paper on Plethora of Familial and Social Problems in Manju Kapur's Home in International Journal of English Language, Literature and Humanities Volume V, Issue VII, July 2017.

Ms. Sapna Sharma published a Research Paper on The Duchess of Malfi: A Macabre Play With Disastrous Collision Of Social Roles in International Journal of English Language, Literature and Humanities Volume V, Issue VIII, August 2017

Dr. Anju Bala, SOET K.S. Rawat, A.K. Misra, A. Srivastava and Sudhir Kumar Singh published paper entitled Estimation of Reference Evapotranspiration of Bhiwani and Hisar District, Haryana, India using Penman-Monteith Model (FAO-56) and Meteorological Inputs In Ecology, Environment and Conservation Paper Vol 23, Issue 3, 2017; Page No.(1441-1447)

Ms. Shikha Sharma, SJMC and Ms. Sapna Sharma, SOHS attended Five Day Faculty Development Programme on Research Methodology from 18th-22nd September 2017 at Guru Tegh Bahadur Institute of Technology, New Delhi.

Ms. Shalini Pallavi, SOHS presented a research paper titled "Undivided yet divided piece of land called Paradise on Earth; Kashmir" at Jawahar Lal Nehru University, Convention Centre, New Delhi on 23rd September 2017. The paper was published in Krishi Sanskriti Journal, Volume 2, 2017. Ms. Shalini Pallavi published a research paper titled "Claiming the Terrain of Survival: Exploring Dalit Ideologies through Unclaimed Terrain and Survival and Other Stories" with IJELLH Journal, Volume V, Issue IX in September 2017.

Ar. Akanksha Singh and Ar. Shivani Singh, SOAP published a research paper entitled "The Glimpse of Lost Paradise- Nurpur Fort" in Journal of Recent Activities in Infrastructure Science, Volume 2 Issue 2.

Dr. Richa Nangia, SOMC co-guided two research scholars namely, Ms. Neha Raghav and Ms. Preeti Deswal on the topics "An Exploratory Research on 720 Degree Feedback System - A Study Of Indian Corporates" & "A Critical Evaluation of Guidance and Expansion Strategies for Employee Motivation and Retention" respectively to complete their Ph.D from Manav Rachna International University.

Dr. Dilraj Preet Kaur, SBAS attended ICT based Faculty Development Program on "Energy, Environment & Sustainable development", 24th-28th July 2017, organised by Bharati Vidyapeeth's College of Engineering (BVCOE), New Delhi and NITTTR Chandigarh.

Dr. Kumar Rajyavardhan awarded with Dr. S Radhakrishnan National Teacher Award 2017

Dr. Kumar Rajyavardhan, Assistant Professor, SJMC K.R. Mangalam University was honoured with the prestigious Dr. S Radhakrishnan National Teacher Award 2017 for his commendable contribution to the field of journalism education. The award was presented at a function organised by Akhil Bhartiya Swatantra Patrakar Avom Lekhak Sangh, at Hansraj College, Delhi University marking the 130th Birth Anniversary of former President of India (Late) Dr Sarvapalli Radhakrishnan. Dr. Kumar Rajyavardhan, was invited to contribute in developing a glossary of technical terms for Journalism and Mass Communication by Commission for Scientific & Technical Terminology, Ministry of Human Resource Development on 23rd-24th September 2017. Dr. Rajyavardhan participated in the event and presented his view on the topic.

Training & Placement

The last year of the programme brings in new hope and expectations for the passing out batch. As the students step into the final year they start getting conscious for their post-education professional career. Though, most of the students have the exposure to the professional world through internship programmes, however they understand that professional life will be more demanding and challenging. Everything in this process is new for them, whether it's resume making, facing the interviews, questions about their know-how on the specific area or regarding their working style as a team-member and as an individual, or knowledge about organizations and organizational structure, etc.

Training and Placement Cell plays an important role in organizing various activities such as Resume writing, GD and interview(s) skills development sessions; developing and executing the placement strategy; organizing the career counseling session by experts; coordinating all the activities related to Placement.

The Training and Placement Cell of K.R. Mangalam University, started with the activities such as Resume writing and interview(s) skills development sessions with focus of the requirements of various schools. Deans of all schools and T&P Cell coordinated all these activities along with hectic academic and extra-curricular activities. Students enthusiastically participated in such sessions. These sessions enhanced students' confidence and lessen their anxiety regarding career opportunities. Furthermore, T&P Cell of K.R. Mangalam University scheduled various company visits for placement. Campus drives of Magic Meter, B-Engaged/Leverage, Time Internet Ltd., Foetron Technologies, Kent RO Systems Ltd., Infinitechs, Anglo Eastern Ship Management, GENPACT, Times of India, Newsdot and many more are announced to schedule for October and November. This campus drive are focusing on all the graduation and post-graduation courses including B.Tech. CE, ME, ECE, CSE, EEE/ECE, M.Tech, BBA, BA, B.COM., B.Sc., M.Sc., BJMC and MBA courses. T&P Cell is planning to invite more companies and organizations in coming months. The team is committed to prepare the students for interviews. T&P Cell is also initiating career counseling session by experts. All these activities and placement drives have not only created an enthusiastic environment among final year students but are motivating the junior students to streamline themselves for their future.

Editorial

Dear Readers

A very warm welcome to the KRMU Times Vol. 3, Issue 1!

K.R.Mangalam University started its new academic year 2017-18 from 1st August. The beginning of the Odd Semester was rich with curricular, co-curricular and extra curricular activities. Each School took special interest to provide the most impressive learning environments for their student, by organizing array of activities,. The arrival of the freshers to the campus on 19th August made the KRMU Campus life all the more vibrant with new ideas, activities and faces. KRMU gives the best possible learning environment through a plethora of practical experiences and exposure.

The present issue takes you through the eventful journey of K.R. Mangalam University through its Odd semester of the academic year 2017-2018. The innumerable guest lectures, workshops, industry visits, educational visits along with the achievements of faculty members and students of KRMU make this issue of the KRMU Times an enlivening glance into KRMU Campus life.

The Editorial team has put in their best effort to include as much of the reported activities in this Issue as possible. If there are any shortcomings, we request you to intimate us the same so that we can consider it in the next Issue. Your valuable suggestions and comments are welcome to improve the style and presentation of the content of this Newsletter.

Please contact us with your comments and suggestions.
